PUBLIC ACCESS REQUIREMENTS FOR SPECIAL SITES

Public access shall be provided for special sites as specified in this Section, inclusive. In the event of a conflict between the provisions of this Section, inclusive, and any underlying regulation, the provisions of this Section shall govern.

No building permit shall be issued for any #development# or #enlargement# on such sites other than for an #ERY Culture, Festival and Exhibit Facility# until the Chairperson of the City Planning Commission certifies to the Department of Buildings that the provisions of this Section have been met.

An application for such certification shall be filed with the Chairperson showing the plan of the #zoning lot#; a site plan indicating the area and dimensions of all required public access areas and the location of all proposed #buildings#, and a detailed plan or plans demonstrating compliance with the provisions of this Section. For certifications relating to the #ERY High Line# and, if applicable, the #Tenth Avenue Spur#, as set forth in 93-71, paragraph (h), the requirements set forth in such Section shall apply.

Plans for public access areas shall be set forth in an instrument in a form acceptable to the City, and setting forth such provisions as necessary to ensure compliance with the provisions of this Section. For any portion of any #development# or #enlargement# other than an #ERY Culture, Festival and Exhibit Facility#, ~~N~~no temporary certificate of occupancy from the Department of Buildings may be issued for any portion of any #development# or #enlargement# with a #floor area ratio# of 10.0 or more until the Chairperson certifies to the Department of Buildings that the public access area is substantially complete, and the public access area is open to and useable by the public. No permanent certificate of occupancy from the Department of Buildings may be issued for any portion of such #development# or #enlargement# with a #floor area ratio# of 10.0 or more until the Chairperson certifies to the Department of Buildings that the public access area is complete and that all public access requirements of this Section have been met in accordance with the plans for such public access areas. Notwithstanding the foregoing, for #zoning lots# with multiple #buildings# for which the Chairperson has certified that a plan has been submitted that provides for the phased development of public access areas through completion of any public access area that is integral to the #development# of a #building# or #buildings# within each phase, such certifications shall be made with respect to substantial completion or completion of the public access areas integral to each such phase, except as provided in Section 93-71, paragraph (h). DEL-392 – Sole Source – Available only from a single source - PIN# 826143WS00013 – DUE 04-26-13 AT 4:00 P.M. – DEP intends to enter into a Sole Source Agreement with the Catskill Watershed Corporation (CWC) for DEL-392: Community Wastewater Management Program III. The Catskill Watershed Corporation is the locally-based and locally administered not-for-profit corporation established pursuant to the Watershed MOA to implement watershed protection and partnership programs in the West of Hudson Watershed. The Watershed MOA recognized that in order to gain the cooperation of the upstate watershed communities in the City's efforts to protect its water supply, local communities must have a meaningful role in the watershed protection programs. For that reason, the Watershed MOA provided that watershed protection programs be implemented and managed by a locally based, locally administered not-for-profit Corporation. A locally based, locally administered entity representing the diverse interests of watershed communities is able to overcome many of the obstacles historically faced by DEP. Any firm which believes it can also provide the required services in the Future is invited to so, indicated by letter which must be received no later than April 26, 2013, 4:00 P.M. at Department of Environmental Protection, Agency Chief Contracting Officer, 59-17 Junction Blvd., 17th Floor, Flushing, NY 11373. STATEMENT OF BASIS AND PURPOSE

Administrative Code §27-2091 was recently amended by Local Law #6 of 2013 to provide that the Department of Housing Preservation and Development (HPD) may issue an order requiring a building owner to correct underlying conditions in a building that have caused or are causing a violation of the Housing Maintenance Code or of other State and local laws that impose requirements on dwellings.

The legislation authorizes HPD to set the criteria used to select buildings for issuance of such orders to correct underlying conditions. The proposed rules target buildings that have recurring violations caused by infrastructure problems, where an owner repeatedly performs cosmetic repairs rather than addressing the underlying cause. The criteria proposed in this rule are intended to focus on buildings that have recurring water leak and mold violations where owners have failed to address the impaired building system that is causing those violations. HPD expects to identify and issue these orders to approximately 50 such buildings per year, giving priority to buildings based on the number and severity of violations. HPD will not issue orders to one- or two- family buildings or to certain buildings that are subject to other enforcement actions by HPD or that may be the subject of a loan from HPD.

Under the legislation, an owner has a four-month window from the date of issuance of the order to correct the underlying conditions and remove violations from HPD's records. Owners may request a two-month extension by submitting specific documentation identifying the underlying condition and showing that the required work will be completed within the extended time period.

The rules also specify the process for an owner to have a building removed from the program through submission of proof of infrastructure repair and dismissal of violations, leading to the rescission of HPD's order. The Department may also rescind an order if the building is subject to another enforcement action by HPD or is the subject of a loan from HPD, or if the repair work was completed by HPD.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New material in the following rule is underlined, deleted material is in [brackets].

Section one. Title 28 of the Rules of the City of New York is amended by adding a new Chapter 44 to read as follows:

CHAPTER 44
ORDERS BY THE DEPARTMENT FOR REPAIR OF UNDERLYING CONDITIONS

§44-01 Definitions.

As used in this chapter, the following terms have the following meaning:

(a) "Class B violation" means a hazardous violation of the Housing Maintenance Code.

(b) "Class C violation" means an immediately hazardous violation of the Housing Maintenance Code.

(c) "HDC" means the Housing Development Corporation or its successor.

(d) "Department" or "HPD" means the New York City Department of Housing Preservation and Development or its successor.

(e) "Housing Maintenance Code" means chapter two of title 27 of the Administrative Code of the City of New York.

(f) "Underlying Condition" means a physical defect or failure of a building system that is causing or has caused a violation of the Administrative Code, Multiple Dwelling Law, or any other state or local law that imposes requirements on dwellings, including, but not limited to, a structural defect or failure of a heating, plumbing, or other system.

§44-02. Criteria.

(a) The Department may identify buildings for issuance of orders to correct Underlying Conditions based upon the following criteria:

(1) A building with a Class B or Class C violation on record related to the existence of mold or water leaks that was issued by the Department within the prior year preceding issuance of the order that has not been properly certified as corrected by the owner, or that was corrected by the Department, and such building:

(i) Contains three to five dwelling units and at least 50% of such units have one such violation;

(ii) Contains six to nine dwelling units and at least 25% of such units have one such violation; or

(iii) Contains ten dwelling units or more and at least 15% of such units have one such violation.

(2) The Department will prioritize selection of buildings meeting the criteria in paragraph (1) of this subdivision first by those buildings with the highest total number of Class C violations relating to the existence of mold or water leaks, followed by those buildings with the highest total number of both Class C and Class B violations relating to the existence of mold or water leaks.

(b) The Department may exclude a building from the issuance of an order to correct Underlying Conditions where such building otherwise meets the criteria in paragraph (1) of subdivision (a) of this section, but such building is:

(1) A one- or two-family building;

(2) Subject to an order issued in the Alternative Enforcement Program pursuant to New York City Administrative Code §27-2153;

(3) Subject to the appointment of an administrator under the 7A Program pursuant to Article 7A of the New York State Real Property Actions and Proceedings Law;

(4) Subject to a comprehensive enforcement action by the Department;

(5) Conveyed to a new owner after an in rem judgment of foreclosure in favor of New York City in the Third Party Transfer Program pursuant to New York City Administrative Code §11-412.1 within the last five years; or

(6) The subject of a preservation loan made by HPD or HDC within the last two years.

§44-03. Compliance and Documentation.

(a) An owner must comply with an order issued by the Department within four months of the issuance of an order, or within an additional two months upon approval of such extension by the Department, and submit the documentation required by this section.

(b) To request an extension of two months to comply with an order, an owner must submit the following documentation to the Department within two months of issuance of such order:

(1) An affidavit from a New York State licensed professional engineer or registered architect in a form approved by the Department identifying the Underlying Condition that is the source of the mold or water leak; and

(2) An affidavit from the owner of the building in a form approved by the Department stating that the Underlying Condition and related violations will be corrected, describing the work that will be performed to correct such Underlying Condition and violations, and stating that the work will be completed within the extended time period.

(c) To request a rescission of the order issued by the Department, an owner must submit the documentation required by paragraph 1 or paragraph 2 of this subdivision within four months of issuance of the order, or within six months of such issuance if an extension was granted by the Department. In addition, the Department will not grant a rescission unless it finds, after inspection, that at least 80% of the mold and water leak violations have been repaired.

(1) If there are no Underlying Conditions:

(i) An owner must submit an affidavit from a New York State licensed professional engineer or registered architect in a form approved by the Department stating that there are no Underlying Conditions that are causing the mold and water leak violations; and

(ii) An owner must submit a completed dismissal request form pursuant to 28 RCNY Chapter 9.

(2) If Underlying Conditions and related violations have been repaired:

(i) An owner must submit an affidavit from a New York State licensed professional engineer or registered architect in a form approved by the Department identifying the Underlying Condition that was the source of the mold or water leak violations, stating that the Underlying Condition and related violations were properly repaired, and identifying who repaired the Underlying Condition and related violations; and

(ii) An owner must submit a completed dismissal request form pursuant to 28 RCNY Chapter 9.

(d) The Department may also rescind an order for the following reasons:

(1) An administrator had been appointed for the building pursuant to Article 7A of the Real Property Actions and Proceedings Law and this fact became known to the Department after issuance of the Underlying Conditions order;

(2) A preservation loan was closed by HPD or HDC during the four- or six-month period for compliance with the Underlying Conditions order;

(3) HPD completed the repair work required under the Underlying Conditions order;

(4) HPD selected a building for participation in the Alternative Enforcement Program pursuant to New York City Administrative Code §27-2153 during the four- or six-month period for compliance with the Underlying Conditions order; or

(5) The order was issued to a building that is otherwise excluded from such issuance pursuant to §44-02(b) of this chapter.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
