

Monthly Compliance Report

Some licensed process serving agencies agreed to an NYC Department of Consumer and Worker Protection (DCWP)—formerly the Department of Consumer Affairs (DCA)—consent order and must use DCWP’s Monthly Compliance Report to comply with the review and report requirements. Each month, DCWP posts a randomly generated audit date that these process serving agencies should use to answer Questions 30, 31, and 32 for **every** process server who served process on behalf of the agency during the previous month.

Reports must be made available to DCWP upon request.
