## Housing Inspector

**Competitive Salary: \$67,309**

Every New Yorker deserves a safe home. Become an NYC Inspector to make sure families have heat and hot water, kids are safe from lead-based paint, and fire safety protections like smoke detectors are present to save lives. Join our diverse team inspecting homes across the city to keep New Yorkers safe!

### Qualifications:

Review job requirements on our website, and make sure your resume includes all relevant experience, including international and military experience. Building trades apprenticeships count towards job requirements.

You must be proficient in English and have education and/or experience in building trades, construction, or related fields. You must have a drivers license valid in the State of New York.

### Great Benefits:

- ✓ Health, Vision, and Dental Benefits
- ✓ Pension Plan
- ✓ Training for EPA Lead Certification
- ✓ Career growth opportunities and more!
