April 24, 2023

CERTIFICATE

28431

RESOLVED That the Design Commission, having considered designs for the construction of a recreation center (Shirley Chisholm Recreation Center) and adjacent site work, 3002 Foster Avenue between Nostrand Avenue and New York Avenue, Brooklyn, submitted by the Department of Design and Construction and the Department of Parks & Recreation, represented by exhibits 7603-F, G, H, I, J, K & L of record in this matter, hereby gives to the same unanimous preliminary approval with the understanding that, in advance of a final review submission, the team will (1) further (a) clarify how FDNY vehicles will enter and exit the access lane and (b) restudy the west side of the FDNY access lane where the tree grove was removed to provide a shaded place for congregation and respite at the drop-off, either by reintegrating a portion of the tree grove or by extending a section of planted area from the central open space; (2) explore ways to connect the existing basketball courts with the new program and site, including (a) reintegrating benches along the north perimeter of the building at the court fence line and (b) adding a pedestrian access point to the southwest corner of the basketball courts; (3) as the landscape design continues to develop, (a) ensure that the bioretention areas are right-sized to the site, reducing them in scale, if necessary to allow for more occupiable green space or additional shade trees on the site and (b) further study the heat gain and application of rubber safety surface tiles on the roof; and (4) as the signage develops, explore ways to include intentional building signage that creates an identity separate from the standard NYC Parks signs, including (a) text and an architectural application that supports the vernacular design language that is evident in the massing and fenestration and (b) signage at both the primary building entrance and the Farragut Place façade to indicate that the building is a recreation center. Commissioner Armstead abstained.

Preliminary approval is conditioned upon submission of this project for final review and approval before April 24, 2025.
