December 14, 2020

CERTIFICATE 27653

RESOLVED That the Design Commission, having considered a proposal for the installation of two murals by Miguel Luciano, Metropolitan Hospital, 1902 Second Avenue, First Avenue between 97th Street and 99th Street and Second Avenue between 97th Street and 99th Street, Manhattan, submitted by the Economic Development Corporation, represented by exhibits 239-MN, MO & MP of record in this matter, hereby gives to the same unanimous conceptual approval with the understanding that the team will continue to develop the design and (1) better integrate the architecture and the artwork so that the presence of the walls are mitigated, potentially by incorporating the materiality of the artwork into the walls; (2) maximize the extent of the artwork on the walls; (3) continue to study the color palette and placement of the symbols so that they are legible and the relationship between the represented cultures is clear; and (4) incorporate artwork signage, wayfinding, and lighting into the preliminary review proposal, as these elements should be integrated into the overall design.

Conceptual approval is conditioned upon submission of this project for preliminary review and approval before December 14, 2022.

A true copy of resolution adopted by
the Design Commission at its meeting
on December 14, 2020.
