May 14, 2018

CERTIFICATE

26629

RESOLVED That the Design Commission, having considered designs for the installation of a prototypical newsstand, 1879 Broadway, southwest corner of Broadway and West 62nd Street, Manhattan, submitted by the Department of Consumer Affairs and the Department of Transportation, represented by exhibits 6232-K, L & M of record in this matter, hereby rejects the same. The Commission notes that newsstands proposed at this intersection were rejected in December 2000 and February 2012 because of “the significant view corridor from the avenue towards Columbus Circle.” Given that site conditions have not changed, the Commission reiterates the impact a newsstand would have on this important view corridor. Commissioner Sheffer recused herself.
