

October 5, 2009

CERTIFICATE 23419

RESOLVED That the Design Commission, having considered designs for the reconstruction of the Bronx-Pelham Parkway eastbound lanes and Pelham Parkway South, including the installation of Davit poles, from Boston Road to Stillwell Avenue, Bronx, submitted by the Department of Design and Construction, the Department of Transportation and the Department of Parks & Recreation, represented by exhibits 4249-N, O, Z, AA & AB of record in this matter, hereby gives to the same unanimous preliminary and final approval with the understanding that (1) 252 trees will be planted at the site, and (2) the Davit poles will be black or brown, instead of green, which fades. The Commission thanks the agencies for their responsiveness and commends them for their innovative solution.

Final approval is conditioned upon commencement of work before October 5, 2011 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.

A true copy of resolution adopted by
the Design Commission at its meeting
