CERTIFICATE 23935

RESOLVED That the Design Commission, having considered designs for the installation of security measures, Williamsburg Bridge, Manhattan and Brooklyn, submitted by the Department of Transportation and the Department of Parks & Recreation, represented by exhibits 58-BU, BV, BW & BX of record in this matter, hereby gives to the same unanimous preliminary and final approval with the understanding that (1) the standard Parks Department tree protection notes will be incorporated into the contract drawings; and (2) Forestry will determine (a) whether the London Plane trees are damaged during construction and need to be replaced, (b) their replacement value, and (c) the correct species with which they should be replaced. The Commission reiterates its recommendation that the agencies specify that the London Plane trees should be replaced as their root systems will be severed during construction, making the trees unstable.

Final approval is conditioned upon commencement of work before June 28, 2012 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.
