

New York City Pharmacies Signed Up to Participate in the NYC Naloxone Standing Order Initiative

This is a list of **pharmacies that have signed up to participate in our voluntary standing order initiative to make naloxone/Narcan® available without a prescription** in New York City. Please ask to speak with the pharmacist and please note, pharmacies may need to order naloxone/Narcan®. This list is updated monthly.

For New Yorkers who have prescription coverage through their health insurance plans: At pharmacies enrolled in the **Naloxone Co-payment Assistance Program (N-CAP)**, up to \$40 in co-payments for naloxone will be billed to N-CAP, not to the individual getting naloxone. Search the Health Map or list of participating pharmacies for locations that are enrolled in N-CAP.
