## If you have questions or do not agree with a decision:

1. **Speak with your service coordinator. They will be able to help you with most questions.**
2. **Call your Regional Office and ask to speak with an Assistant Director:**

3. **Call Early Intervention Consumer Affairs: 347-396-6828.**
4. **If a problem is not solved or you disagree with a decision, you always have the right to ask for the decision to be reconsidered. This is called due process. Your due process rights include:**

- ⊗ **Mediation:** This is a way to discuss your concerns with EI and a mediator (someone not involved in the situation who can help you find a solution).
- ⊗ **Impartial Hearing:** This is a formal process where an administrative law judge listens to the concerns and makes a decision.
- ⊗ **Systems Complaint:** This is when you ask the New York State Department of Health to investigate a problem.
