The emptied wheeled bins are then stored off-street between collection days.

## **A. Purpose of RFP**

The New York City Department of Sanitation (“DSNY”, “the Department,” or “the Agency”) is seeking to take the fight to the rats, reduce odors, reclaim our street space, and get trash bags off the street once and for all by containerizing all residential trash in New York City. Residential properties in New York City with ten or more units represents 59% of all residential units and produces approximately 14 million pounds of waste daily. Properties of this size cannot easily accommodate the number of smaller wheeled bins required to store the volume of waste they produce on a daily basis nor can the sidewalks, in many cases, accommodate the number of bins these properties would require. Therefore, New York City needs to offer a different container that can meet the properties’ volume requirements and storage constraints.

To compliment the recent Concession Request for Proposals released in October 2023 for wheeled waste containers required for one-to-nine unit residential properties (41% of citywide residential units), the Department is seeking an appropriately qualified vendor (“the Contractor”) to manufacture, deliver, assemble, install, maintain, and support Stationary On-Street Containers (“Container”) for use on New York City streets. The Department will implement a Phase 1 residential district-wide pilot in Manhattan neighborhood Hamilton Heights, referred to in this document as Sanitation District Manhattan 09 (“MN09”); the Department will review and assess the results of the Phase 1 pilot district. Based on the learnings from this pilot district, the Department anticipates rolling out the program to the remaining 58 Sanitation Districts Containers will be targeted to residential properties with thirty-one (31) or more units (addressing approximately 425 buildings with 29,000 units in the Phase 1 district, and approximately 19,700 buildings with 1,731,000 units Citywide), which produce too much putrescible waste to be reasonably and efficiently serviced by two-wheeled bins. In addition, Containers, will be optional for residential properties with ten (10) to thirty (30) units (addressing approximately 690 buildings with 13,200 units in the pilot district, and approximately 23,700 buildings with 410,000 units Citywide) that may not have room to store, manage, or set-out wheeled bins and prefer the use of Containers. These Containers will have a common look and feel determined by the Department and will be installed in the parking lane in front of their respective property and collected by the Department on standard service days using a newly designed Automated Side Loader sanitation truck. While this solution is intended for all residential properties with 31 or more units, there may be certain street segments where other constraints on curbside deem this solution non-viable; that determination is at the sole discretion of the Department . Unlike similar containerization programs in Europe that use a shared container model, in New York City, each building generates enough volume of waste on their own to support one or more containers. Therefore, DSNY will be assigning Containers to specific properties for their exclusive use.

DSNY also provides solid waste collection service to New York City schools, other City agencies, and select nongovernmental institutions. All DSNY waste collection will be considered for future containerization expansions.

This RFP includes the following requirements, which all must be included in the Proposer’s proposal in order for them to be eligible for consideration. The Department’s strong preference is to lease the Containers over their useful life whereby the monthly cost of each container is inclusive of the requirements herein.

- Requirement 1: Container Manufacturing and Delivery
- Requirement 2: Container Assembly and Installation
- Requirement 3: Container Repair and Maintenance
- Requirement 4: Container Cleaning Services
- Requirement 5: Administration and Reporting

Note: DSNY has the discretion to implement all or only part of each requirement.

The Contractor shall provide a range of color options for body, top, and lids.

1.5.2. The container shall include graphics and messaging as directed by the Department, applied by hot stamp, stickering, or in-mold label and may include, but is not limited to a DSNY logo, waste identification labels (including embossed images and braille markings adapted for people with visual disabilities), and QR codes at the discretion of the Department.

#### 1.7. Design Changes

1.7.1. The Department reserves the sole right to make additional changes to the bin design and construction during the Contract term. The Contractor may submit a proposed change to the unit

### **Requirement 3 – Container Repair and Maintenance**

Sanitation collection is a critical part of New Yorkers' daily life and failure to store and collect the New Yorkers' waste can result in a health crisis. As a result, it is imperative that the Containers that collect that waste are maintained in good working order and that if, and when damaged, they are repaired swiftly. Even a single day where a Container cannot be used properly can result in unsightly and in some cases dangerous conditions.

The detailed requirements are as follows:

- 1.18. The Contractor must propose repair services and stock parts for repairing damaged containers including lids, handles, foot pedals, hand levers, locks, and any other small parts that are inclusive of the Contractor's container solution that is field repairable.
- 1.19. The Contractor must stock replacement containers to sufficiently replace containers that are damaged beyond repair with an anticipated annual replacement rate of approximately 6%. Containers damaged beyond repair or that pose a hazard to the public must be replaced within 24 hours.

### **Requirement 4 – Container Cleaning Services**

The Containers are meant to be a permanent fixture on New York City's streets. Therefore, they must be kept clean and cared for so that New Yorkers want to use and interact with them on a daily basis. The Containers cannot become an eyesore for the public or attract vermin. The Containers must be kept clean, free from lingering odors, and clear of graffiti.

The detailed requirements are as follows:

- 1.20. The Contractor shall provide a proposal for cleaning services for the Containers and surrounding area. Routine, scheduled cleaning of containers is required to maintain a high-quality experience for

the public and maintain the proper operation of the containers. Routine cleaning includes scraping or removing debris such as gum, dirt, and stickers when needed, and cleaning the handle and lid, in addition to power washing inside, outside, and around the containers.

- 1.21. Scheduled cleaning services for Containers should be included in the overall container pricing and broken out on per cleaning basis, with a minimum of 4 cleanings per year with the option to expand to 6, 8, 10, or 12 scheduled cleanings per year along with specifics on how that affects monthly costs. Proposers must provide pricing for each of the following cleaning levels:

|                       |
|-----------------------|
| 4 cleanings per year  |
| 6 cleanings per year  |
| 8 cleanings per year  |
| 10 cleanings per year |
| 12 cleanings per year |

- 1.22. Additionally, the Contractor shall provide a proposal and pricing schedule for ad-hoc cleaning services beyond what is included in the scheduled cleaning, to be requested at the discretion of the Department. Those services should include, but are not limited to, the following:

1.22.1. Deep cleaning inside of containers

- 1.22.1.1. Thorough sanitization of container interior, resulting in the removal of all foreign particles, liquids, and odors.

1.22.2. Cleaning around containers including litter removal and power washing

- 1.22.2.1. Removal of all litter and debris surrounding the container, so that container and foot pedals are not obstructed from use or collection. Thorough cleaning and sanitization of bin exterior, included component parts (handles, pedals, lids, etc.).

1.22.3. Additional removal of vandalism and graffiti

- 1.22.3.1. Service must include the use of different solvents to effectively remove commonly used markers, oil-based crayons, paints, and spray paints beyond scheduled cleanings.

1.22.4. The Contractor may propose cleaning service options that utilize manual cleaning, power washing, and automated-truck cleaning services as long as all cleaning services, techniques, and products used comply with New York State Department of Environmental Conservation (“DEC”) regulations.

**Requirement 5 – Administration and Reporting**

A program of this scale must be led by a Program Management team that will be tasked with managing each component of the program. That Program Management team must schedule, track, and report on the deliverables and the overall performance of the Contractor teams.

The detailed requirements are as follows:

- 1.23. Develop plans, schedules, and timelines for delivery and execution with detailed work-breakdown structures, stakeholders, owners, and milestones targets and actuals for each component requirement.
- 1.24. The Contractor shall detail Team organization, points of contact, and roles and responsibilities.
- 1.25. The Contractor shall build and deliver regular reports on manufacturing, delivery, and installation plans and results weekly.
- 1.26. The Contractor shall photograph the installed containers and enclosures at each site location and maintain a log of names of the installers, start time, completion time, and other relevant data for compliance with applicable Prevailing Wage Laws.
- 1.27. The Contractor shall provide weekly reports and final reports to the Department to keep track of the project inventory and implementation status. All reports provided by the Contractor shall be designed in consultation with the Department in advance of the project implementation.
- 1.28. At a minimum, each report shall be provided in a Microsoft Excel spreadsheet, and include the full address list for each delivery area or set of delivery locations within the deployment period, quantities, any part Serial Numbers, all activities performed, who performed each task, and any parts breakage. Each report should allow the Department to track the overall product inventory and installation status.
- 1.29. The Contractor shall report back to the Department any locations where installation cannot be completed and a justification for non-completion (parked vehicles, construction, police activity, or other justification).
- 1.30. The Contractor shall build and deliver monthly reports on Maintenance and Cleaning statistics.
- 1.31. The Contractor shall build and deliver monthly reports on overall performance.
- 1.32. The Department reserves the right to request any of the aforementioned data analytics gathered in support of this program at any point in time. The Contractor shall be required to provide such information to the Department within no more than 24 hours from the time of the initial request.

**Phased Rollout**

The Container Program will be implemented by the Agency in a phased rollout to begin 4 months following the Notice to Commence Work.

- Phase 1 will include containers and services to support a residential district-wide pilot in one (1) of DSNY’s fifty-nine (59) Sanitation Districts with a minimum commitment of 600 containers and a maximum order of 1,500 containers.

| <b>Description</b>     | <b>Minimum Estimated Containers</b> | <b>Maximum Estimated Containers</b> | <b>Details</b>                                                             |

- The Department will review and assess the results of the Phase 1 pilot district. Based on the learnings from this Phase 1 pilot district, and completion of the environmental review, additional Phases, as defined by the Department, are anticipated to include containers and services to support one or more Sanitation Districts with 3 months advance notice in writing. There are 58 remaining

Sanitation Districts that vary greatly in size and container needs. For reference, the largest Sanitation District would require up to 3,800 containers and the smallest Sanitation District would only require 60 containers. The Department will define each Phase to include no more than 25,000 containers. There are approximately 2,000 schools currently receiving DSNY services that are candidates for containerization, as well as other City agencies and non-governmental institutions. Citywide rollout of containers for all Phases is projected to be 44,000 to 69,000 and not to exceed 100,000 containers.

The initial delivery receipt of Phase 1 containers will arrive no later than 4 months following the Notice to Commence Work. All of the following program components and plans shall be in place no later than 3 months following the Notice to Commence Work: (1) production of all containers required in the Phase 1 implementation; (2) assembly and installation distribution facilities, staff, and plans; (3) maintenance plans including spare parts stock, dispatch locations, and staffing plans; (4) cleaning plan including equipment, staff, and training plans; and (5) initial Container site locations (to be performed by the Department).

**C. Anticipated Contract Term**

The anticipated term of the Contract resulting from this RFP is from November 4, 2024 to November 3, 2034. At DSNY’s sole option, the Contract may include two (2) 5-year options to renew. Within no less than one month prior to the end of the initial Contract term, DSNY shall notify the Contractor, in writing, of (i) its decision to renew the Contract and (ii) any changes to any of the terms of the Contract. In the event that DSNY offers to renew the Contract, within fifteen (15) Business Days of the Contractor’s receipt of DSNY’s notice, the Contractor shall respond and either (i) accept the offer to renew as proposed by DSNY, or (ii) propose any new or alternate terms to DSNY’s offer. In the event of subsection (ii) above, the parties shall negotiate in good faith to finalize an agreement prior to one month following the end of the initial Contract term.

**D. Anticipated Available Funding**

It is anticipated that the available funding for the Phase 1 residential district-wide pilot awarded as a result of this RFP will be \$700K annually. Greater consideration will be given to proposers that propose more competitive prices (in combination with a high-quality program), as more fully detailed in Section V – Proposal Evaluation and Contract Award Procedures, below.

**E. Anticipated Payment Structure**

The contract resulting from this RFP will follow a deliverable-based payment structure. The Contractor will be paid monthly based on the number of Containers installed and the tiered volume pricing based on the successful completion and execution of the deliverables below as per the requirements and scope of work:

| <b>Deliverable</b>                                                                | <b>Measure</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

A subcontractor’s work will only count toward the Contractor’s M/WBE utilization goals if it provides a commercially useful function associated with the contract’s scope of work. A “commercially useful function” is defined as providing a real and actual service that is a distinct and verifiable element of the work called for in a contract.

Please note that purchasing from suppliers will not be counted toward the fulfillment of this RFP’s M/WBE goals.

The Agency’s assumptions regarding the Proposer’s approach represent what the Agency believes to be most likely to achieve its goals and objectives. However, proposers are encouraged to propose an approach that they believe will most likely achieve the Agency’s goals and objectives.

Proposers may also propose more than one approach. However, if an alternative approach affects other areas of the proposal such as experience, organizational capability or price, that alternative approach should be submitted as a complete and separate proposal providing all the information specified in Section IV of this RFP.

**2. Price Proposal**

The strong preference of the Department, proposers are encouraged to propose a pricing package that allows the Agency to lease the Containers whereby the total cost is amortized over the useful life of the containers and will be billed on a monthly basis. However, the Department will accept proposals whereby the Containers are purchased outright by the City, while that is not the preference of the Department.

Proposers are encouraged to provide a Tiered Pricing model that offers additional discounts as more containers are installed and put in service. For example, Tiered Pricing discounts may be applied as follows to provide increasing discounts at scale:

| Tier | Units in Tier Range | Discount                      |
|------|---------------------|-------------------------------|
| A    | 1 – 2,000           | Discount A                    |
| B    | 2001 – 5,000        | Discount A + B                |
| C    | 5,001 – 10,000      | Discount A + B + C            |
| D    | 10,001 – 15,000     | Discount A + B + C +D         |
| E    | 15,001 – 20,000     | Discount A + B + C +D + E     |
| F    | 20,001 or more      | Discount A + B + C +D + E + F |

The Container lease pricing shall be inclusive of the following on a per Container basis and provide a monthly cost that amortizes that cost over the useful life of the Containers:

- Unit price in each size required by this RFP, including costs for any additional Container options, such as lid locks, accessibility options, additional features, etc.
- Shipping and delivery costs (based on size)
- Assembly costs
- Installation costs
- Monthly container repair/maintenance warranty costs
- Monthly replacement coverage costs

- Monthly container cleaning service costs

Additionally, the Proposer shall provide ad hoc pricing for additional services beyond what is included in the baseline Container costs specified above.

Proposers should include a comprehensive pro-forma income and expense projection for each year of operation under the Contract that would result from this RFP. This pro-forma projection should include explanations for all the assumptions used in its formulation.

### 3. **Acknowledgment of Addenda**

The Acknowledgment of Addenda (to be completed electronically) serves as the proposer’s acknowledgment of the receipt of addenda to this RFP which may have been issued by the Agency prior to the Proposal Due Date and Time, as set forth in Section I.D, above. The proposer should complete this form as instructed in PASSPort.

### 4. **Proposal Package Contents (“Checklist”)**

Proposers should utilize this section as a “checklist” to assure completeness prior to submitting their proposal to the Agency.

The Proposal Package should contain the following materials:

- Technical Proposal and Narrative
- References for the Proposer and subcontractor(s)
- Minimum Qualification Requirements for this RFP as outlined above.
- Resumes and/or Description of Qualifications for Key Staff Positions
- Organizational Chart
- Audit Report or Certified Financial Statement or a statement as to why no report or statement is available.
- Certification of Compliance with Iran Divestment Act
- Certification of Compliance with MacBride Principles Provisions
- Tax Affirmation
- Acknowledgment of Addenda
- Price Proposal
- Proposed Performance-Based Payment Structure
- “Subcontractor Utilization Plan” (Schedule B, Part II) or;
  - Approved Waiver of Target Subcontracting Percentage (Schedule B, Part III) or; “Subcontractor Utilization Plan” (Schedule B, Part II) and Approved *Partial* Waiver of Target Subcontracting Percentage (Schedule B, Part III)
- Doing Business Data Form

**SECTION V - PROPOSAL EVALUATION AND CONTRACT AWARD PROCEDURES**

**A. Evaluation Procedures**

All proposals accepted by the Agency will be reviewed to determine whether they are responsive or non-responsive to the requisites of this RFP. Proposals that are determined by the Agency to be non-responsive will be rejected. The Agency’s Evaluation Committee will evaluate and rate all remaining proposals based on the Evaluation Criteria prescribed below. The Agency reserves the right to conduct site visits and/or interviews and/or to request that proposers make presentations and/or demonstrations, as the Agency deems applicable and appropriate. Although discussions may be conducted with proposers submitting acceptable proposals, the Agency reserves the right to award contracts on the basis of initial proposals received, without discussions; therefore, the Proposer’s initial proposal should contain its best programmatic and price terms.

The Agency's evaluation committee will review and rate each proposal. The proposals will be ranked in order of highest to lowest score.

**B. Evaluation Criteria**

- Demonstrated quantity and quality of successful relevant experience 15%
- Demonstrated level of organizational capability 15%
- Quality of proposed approach 20%
- Pricing 30%
- Design and Construction 20%

**TOTAL: 100%**

**C. Evaluation Procedures**

The Department will only consider proposals that meet satisfactory levels of the above criteria. The Department’s acceptance of a proposal does not imply that every element of that proposal has been accepted. The Department cannot consider any proposal that does not comply with the Submission Requirements section of this RFP. Proposals that do not meet these requirements may be deemed non-responsive and will not be evaluated. The Department will not consider any proposal received after the time and date set for the receipt of proposals. Although discussions may be conducted with proposers submitting acceptable proposals, award may be made without any discussions.

**The Price Proposal has a 30% weight.**

Once every Selection Committee team member has scored each Technical Proposal, summary results will be compiled by the DSNY Agency Chief Contracting Officer (“ACCO”). The ACCO will then open all vendor Price Proposals. The proposer with the lowest Total Evaluated Price will be awarded a maximum score of 30 points. All remaining price proposals will be assigned a proportional share of the 30 points, based on the ratio of each proposer’s proposed price relative to the lowest price proposal. For example, if the lowest price proposal is \$1 million, the vendor submitting this proposal would receive 30 points. A price proposal of \$2.0 million would receive 15 points (see equation below).

$30 \times (\text{Lowest Proposed Price} / \text{The Proposed Price}) = \text{Total Score}$

The total number of points for each proposer's respective Technical Proposal and Price Proposal will be added algebraically to determine the Total Evaluated Score.

D. **Basis for Contract Award**

Award selection will be based on the best technically rated proposal. A contract will be awarded to the responsible proposer whose proposal is determined to be the most advantageous to the City, taking into consideration such factors or criteria which are set forth in this RFP. Contract award shall be subject to the timely completion of contract negotiations between the Agency and the selected proposer.

## SECTION VI - GENERAL INFORMATION TO PROPOSERS

- A. Complaints.** The New York City Comptroller is charged with the audit of contracts in New York City. Any proposer who believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, Room 1005, New York, NY 10007; [contract@comptroller.nyc.gov](mailto:contract@comptroller.nyc.gov), or at (212) 669-2323. In addition, the New York City Department of Investigation should be informed of such complaints at its Investigations Division, 80 Maiden Lane, New York, NY 10038; the telephone number is (212) 825-5959.
- B. Applicable Laws.** This Request for Proposals and the resulting contract award(s), if any, unless otherwise stated, are subject to all applicable provisions of New York State Law, the New York City Administrative Code, New York City Charter and New York City Procurement Policy Board (PPB) Rules. A copy of the PPB Rules may be obtained by contacting the PPB at (212) 788-0010 or at: <http://www.nyc.gov/html/mocs/ppb/html/home/home.shtml>.
- C. General Contract Provisions.** Contracts shall be subject to New York City's general contract provisions, in substantially the form that they appear in "Appendix A—General Provisions Governing Contracts for Consultants, Professional and Technical Services" or, if the Agency utilizes other than the formal Appendix A, in substantially the form that they appear in the Agency's general contract provisions. A copy of the applicable document is available through the Authorized Agency Contact Person.
- D. Contract Award.** Contract award is subject to each of the following applicable conditions and any others that may apply: New York City Fair Share Criteria; New York City MacBride Principles Law; submission by the proposer of the requisite New York City Department of Business Services/Division of Labor Services Employment Report and certification by that office; submission by the proposer of the requisite PASSPort Questionnaires/Affidavits of No Change and review of the information contained therein by the New York City Department of Investigation; all other required oversight approvals; applicable provisions of federal, state and local laws and executive orders requiring affirmative action and equal employment opportunity; and Section 6-108.1 of the New York City Administrative Code relating to the Local Based Enterprises program and its implementation rules.
- E. Proposer Appeal Rights.** Pursuant to New York City's Procurement Policy Board Rules, proposers have the right to appeal Agency non-responsiveness determinations and Agency non-responsibility determinations and to protest an Agency's determination regarding the solicitation or award of a contract.
- F. Multi-Year Contracts.** Multi-year contracts are subject to modification or cancellation if adequate funds are not appropriated to the Agency to support continuation of performance in any City fiscal year succeeding the first fiscal year and/or if the contractor's performance is not satisfactory. The Agency will notify the contractor as soon as is practicable that the funds are, or are not, available for the continuation of the multi-year contract for each succeeding City fiscal year. In the event of cancellation, the contractor will be reimbursed for those costs, if any, which are so provided for in the contract.
- G. Prompt Payment Policy.** Pursuant to the New York City's Procurement Policy Board Rules, it is the policy of the City to process contract payments efficiently and expeditiously.
- H. Prices Irrevocable.** Prices proposed by the proposer shall be irrevocable until contract award, unless the proposal is withdrawn. Proposals may only be withdrawn by submitting a written request to the Agency prior to contract award but after the expiration of 90 days after the opening of proposals. This shall not limit the discretion of the Agency to request proposers to revise proposed prices through the submission of best and final offers and/or the conduct of negotiations.
- I. Confidential, Proprietary Information or Trade Secrets.** Proposers should give specific attention to the identification of those portions of their proposals that they deem to be confidential, proprietary information or trade secrets and provide any justification of why such materials, upon request, should not be disclosed by the City. Such information must be easily separable from the non-confidential sections of the proposal. All information not so identified may be disclosed by the City.
- J. RFP Postponement/Cancellation.** The Agency reserves the right to postpone or cancel this RFP, in whole or in part, and to reject all proposals.
- K. Proposer Costs.** Proposers will not be reimbursed for any costs incurred to prepare proposals.
- L. PASSPort Fees.** Pursuant to PPB Rule 2-08(f)(2), the contractor will be charged a fee for the administration of the PASSPort system, including the Vendor Name Check Process, if a Vendor Name Check review is required to be conducted by the Department of Investigation. The contractor shall also be required to pay the applicable fees for any of its subcontractors for which Vendor Name Check reviews are required. The fee(s) will be deducted from payments made to the contractor under the contract. For contracts with an estimated value of less than or equal to \$1,000,000, the fee will be \$175. For contracts with an estimated value of greater than \$1,000,000, the fee will be \$350. The estimated value for each contract resulting from this RFP is estimated to be above \$1 million.

The Contractor represents and warrants that, with respect to securing or soliciting this Agreement, the Contractor is in compliance with the requirements of the New York State Lobbying Law (Legislative Law §§ 1-a *et seq.*). The Contractor makes such representation and warranty to induce the City to enter into this Agreement and the City relies upon such representation and warranty in the execution of this Agreement.

B. For any breach or violation of the representation and warranty set forth in Paragraph A above, the Commissioner shall have the right to annul this Agreement without liability, entitling the City to recover all monies paid to the Contractor; and the Contractor shall not make claim for, or be entitled to recover, any sum or sums due under this Agreement. The rights and remedies of the City provided in this Section 2.01(B) are not exclusive and are in addition to all other rights and remedies allowed by Law or under this Agreement.

### **Section 2.02 Conflicts of Interest**

A. The Contractor represents and warrants that neither it nor any of its directors, officers, members, partners or employees, has any interest nor shall they acquire any interest, directly or indirectly, which conflicts in any manner or degree with the performance of this Agreement. B. Consistent with Charter § 2604 and other related provisions of the Charter, the Admin. C. The Contractor shall not employ a person or permit a person to serve as a member of the Board of Directors or as an officer of the Contractor if such employment or service would violate Chapter 68 of the Charter.

**Section 2.03 Certification Relating to Fair Practices**

A. The Contractor and each person signing on its behalf certifies, under penalties of perjury, that to the best of its, his or her knowledge and belief:

1. The prices and other material terms set forth in this Agreement have been arrived at independently, without collusion, consultation, communication, or agreement with any other bidder or proposer or with any competitor as to any matter relating to such prices or terms for the purpose of restricting competition;

2. Unless otherwise required by Law or where a schedule of rates or prices is uniformly established by a government agency through regulation, policy, or directive, the prices and other material terms set forth in this Agreement that have been quoted in this Agreement and on the bid or proposal submitted by the Contractor have not been knowingly disclosed by the Contractor, directly or indirectly, to any other bidder or proposer or to any competitor prior to the bid or proposal opening; and

3. No attempt has been made or will be made by the Contractor to induce any other person or entity to submit or not to submit a bid or proposal for the purpose of restricting competition.

B. The fact that the Contractor (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has sold the same items to other customers at the same prices and/or terms being bid or proposed, does not constitute, without more, a disclosure within the meaning of this Section 2.03.

Code § 6-116.2, PPB Rule § 2-08, and the policies and procedures of the Mayor's Office of Contract Services. **ARTICLE 3 - ASSIGNMENT AND SUBCONTRACTING**

**Section 3.01 Assignment**

A. The Contractor shall not assign, transfer, convey, or otherwise dispose of this Agreement, or the right to execute it, or the right, title, or interest in or to it or any part of it, or assign, by power of attorney or otherwise, any of the monies due or to become due under this Agreement, without the prior written consent of the Commissioner. The giving of any such consent to a particular assignment shall not dispense with the necessity of such consent to any further or other assignments. Any such assignment, transfer, conveyance, or other disposition without such written consent shall be void.

B. Before entering into any such assignment, transfer, conveyance, or other disposal of this Agreement, the Contractor shall submit a written request for approval to the Department giving the name and address of the proposed assignee. The proposed assignee's disclosure that is required by PPB Rule § 2-08(e) must be submitted within 30 Days after the ACCO has granted preliminary written approval of the proposed assignee, if required. Upon the request of the Department, the Contractor shall provide any other information demonstrating that the proposed assignee has the necessary facilities, skill, integrity, past experience, and financial resources to perform the specified services in accordance with the terms and conditions of this Agreement. The Department shall make a final determination in writing approving or disapproving the assignee after receiving all requested information.

C. Failure to obtain the prior written consent to such an assignment, transfer, conveyance, or other disposition may result in the revocation and annulment of this Agreement, at the option of the Commissioner. The City shall thereupon be relieved and discharged from any further liability and obligation to the Contractor, its assignees, or transferees, who shall forfeit all monies earned under this Agreement, except so much as may be necessary to pay the Contractor's employees.

D. The provisions of this Section 3.01 shall not hinder, prevent, or affect an assignment by the Contractor for the benefit of its creditors made pursuant to the Laws of the State.

E. This Agreement may be assigned, in whole or in part, by the City to any corporation, agency, or instrumentality having authority to accept such assignment. The City shall provide the Contractor with written notice of any such assignment.

**Section 3.02 Subcontracting**

A. In accordance with PPB Rule § 4-13, all subcontractors must be approved by the Department prior to commencing work under a subcontract.

1. *Approval when subcontract is \$20,000 or less.* The Department hereby grants approval for all subcontractors providing services covered by this Agreement pursuant to a subcontract in an amount that does not exceed \$20,000.00. The Contractor must submit monthly reports to the Department listing all such subcontractors and shall list the subcontractor in the City's Payee Information Portal ([www.nyc.gov/pip](http://www.nyc.gov/pip)).

2. *Approval when subcontract is greater than \$20,000.*

a. The Contractor shall not enter into any subcontract for an amount greater than \$20,000.00 without the prior approval by the Department of the subcontractor.

b. Prior to entering into any subcontract for an amount greater than \$20,000.00, the Contractor shall submit a written request for the approval of the proposed subcontractor to the Department giving the name and address of the proposed subcontractor, the portion of the work and materials that it is to perform and furnish, and the estimated cost of the subcontract. If the subcontractor is providing professional services under this Agreement for which professional liability insurance or errors and omissions insurance is reasonably commercially available, the Contractor shall submit proof of professional liability insurance in the amount required by Article 7. In addition, the Contractor shall list the proposed subcontractor in the City's Payee Information Portal ([www.nyc.gov/pip](http://www.nyc.gov/pip)) and provide the following information: maximum subcontract value, description of subcontractor work, start and end date of the subcontract, and the subcontractor's industry.<sup>1</sup>

c. Upon receipt the information required above, the Department in its discretion may grant or deny preliminary approval for the Contractor to contract with the subcontractor.

---

<sup>1</sup> Assistance establishing a Payee Information Portal account and using the system may be obtained by emailing the Financial Information Services Agency Help Desk at [pip@fisa.nyc.gov](mailto:pip@fisa.nyc.gov).

d. The Department shall notify the Contractor within 30 Days whether preliminary approval has been granted. If preliminary approval is granted, the Contractor shall provide such documentation as may be requested by the Department to show that the proposed subcontractor has the necessary facilities, skill, integrity, past experience and financial resources to perform the required work, including, the proposed subcontract and/or any of the items listed in PPB Rule 4-13(d)(3).

e. Upon receipt of all relevant documentation, the Department shall notify the Contractor in writing whether the proposed subcontractor is approved. If the proposed subcontractor is not approved, the Contractor may submit another proposed subcontractor unless the Contractor decides to do the work. No subcontractor shall be permitted to perform work unless approved by the Department.

f. For proposed subcontracts that do not exceed \$25,000.00, the Department's approval shall be deemed granted if the Department does not issue a written approval or disapproval within 45 Days of the Department's receipt of the written request for approval or, if PPB Rule 2-08(e) is applicable, within 45 Days of the Department's acknowledged receipt of fully completed disclosures for the subcontractor.

B. All subcontracts must be in writing. All subcontracts shall contain provisions specifying that:

1. The work performed by the subcontractor must be in accordance with the terms of the Agreement between the City and the Contractor;

2. Nothing contained in the agreement between the Contractor and the subcontractor shall impair the rights of the City;

3. Nothing contained in the agreement between the Contractor and the subcontractor, or under the Agreement between the City and the Contractor, shall create any contractual relation between the subcontractor and the City; and

4. The subcontractor specifically agrees to be bound by Section 4.05(D) and Article 5 of this Appendix A and specifically agrees that the City may enforce such provisions directly against the subcontractor as if the City were a party to the subcontract.

C. The Contractor agrees that it is as fully responsible to the Department for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by such subcontractors as it is for the acts and omissions of any person directly employed by it.

D. For determining the value of a subcontract, all subcontracts with the same subcontractor shall be aggregated.

E. The Department may revoke the approval of a subcontractor granted or deemed granted pursuant to Section 3.02(A) if revocation is deemed to be in the interest of the City in writing on no less than 10 Days' notice unless a shorter period is warranted by considerations of health, safety, integrity issues, or other similar factors. Upon the effective date of such revocation, the Contractor shall cause the subcontractor to cease all work under the Agreement. The City shall not incur any further obligation for services performed by such subcontractor pursuant to this Agreement beyond the effective date of the revocation. The City shall pay for services provided by the subcontractor in accordance with this Agreement prior to the effective date of revocation.

F. The Department's approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties, and liabilities under this Agreement. At the request of the Department, the Contractor shall provide the Department a copy of any subcontract.

G. Individual employer-employee contracts are not subcontracts subject to the requirements of this Section 3.02.

H. The Contractor shall report in the City's Payee Information Portal payments made to each subcontractor within 30 days of making the payment. If any of the information provided in accordance with Section 3.02(A)(2)(b) changes during the term of this Agreement, the Contractor shall update the information in such Portal accordingly. Failure of the Contractor to list a subcontractor and/or to report subcontractor payments in a timely fashion may result in the Department declaring the Contractor in default of the Agreement and will subject Contractor to liquidated damages in the amount of \$100 per day for each day that the Contractor fails to identify a subcontractor along with the required information about the subcontractor and/or fails to report payments to a subcontractor, beyond the time frames set forth herein or in the notice from the City.

## **ARTICLE 4 - LABOR PROVISIONS**

### **Section 4.01 Independent Contractor Status**

The Contractor and the City agree that the Contractor is an independent contractor and not an employee, subsidiary, affiliate, division, department, agency, office, or unit of the City. Accordingly, the Contractor and its employees, officers, and agents shall not, by reason of this Agreement or any performance pursuant to or in connection with this Agreement, assert the existence of any relationship or status on the part of the Contractor, with respect to the City, that differs from or is inconsistent with that of an independent contractor.

**Section 4.02 Employees and Subcontractors**

All persons who are employed by the Contractor and all the Contractor's subcontractors (including without limitation, consultants and independent contractors) that are retained to perform services under or in connection with this Agreement are neither employees of the City nor under contract with the City. The Contractor, and not the City, is responsible for their work, direction, compensation, and personal conduct while the Contractor is engaged under this Agreement. Nothing in this Agreement, and no entity or person's performance pursuant to or in connection with this Agreement, shall create any relationship between the City and the Contractor's employees, agents, subcontractors, or subcontractor's employees or agents (including without limitation, a contractual relationship, employer-employee relationship, or quasi-employer/quasi-employee relationship) or impose any liability or duty on the City (i) for or on account of the acts, omissions, liabilities, rights or obligations of the Contractor, its employees or agents, its subcontractors, or its subcontractor's employees or agents (including without limitation, obligations set forth in any collective bargaining agreement); or (ii) for taxes of any nature; or (iii) for any right or benefit applicable to an official or employee of the City or to any officer, agent, or employee of the Contractor or any other entity (including without limitation, Workers' Compensation coverage, Employers' Liability coverage, Disability Benefits coverage, Unemployment Insurance benefits, Social Security coverage, employee health and welfare benefits or employee retirement benefits, membership or credit). The Contractor and its employees, officers, and agents shall not, by reason of this Agreement or any performance pursuant to or in connection with this Agreement, (i) hold themselves out as, or claim to be, officials or employees of the City, including any department, agency, office, or unit of the City, or (ii) make or support in any way on behalf of or for the benefit of the Contractor, its employees, officers, or agents any demand, application, or claim upon or against the City for any right or benefit applicable to an official or employee of the City or to any officer, agent, or employee of the Contractor or any other entity. Except as specifically stated in this Agreement, nothing in the Agreement and no performance pursuant to or in connection with the Agreement shall impose any liability or duty on the City to any person or entity whatsoever.

**Section 4.03 Removal of Individuals Performing Work**

The Contractor shall not have anyone perform work under this Agreement who is not competent, faithful, and skilled in the work for which he or she shall be employed. Whenever the Commissioner shall inform the Contractor, in writing, that any individual is, in his or her opinion, incompetent, unfaithful, or unskilled, such individual shall no longer perform work under this Agreement. Prior to making a determination to direct a Contractor that an individual shall no longer perform work under this Agreement, the Commissioner shall provide the Contractor an opportunity to be heard on no less than five Days' written notice. The Commissioner may direct the Contractor to prohibit the individual from performing work under the Agreement pending the opportunity to be heard and the Commissioner's determination.

**Section 4.04 Minimum Wage; Living Wage**

A. Except for those employees whose minimum wage is required to be fixed in accordance with N.Y. Labor Law §§ 220 or 230 or by Admin. Code § 6-109, all persons employed by the Contractor in the performance of this Agreement shall be paid, without subsequent deduction or rebate, unless expressly authorized by Law, not less than the minimum wage as prescribed by Law. Any breach of this Section 4.04 shall be deemed a material breach of this Agreement.

B. If this Agreement involves the provision of homecare services, day care services, head start services, services to persons with cerebral palsy, building services, food services, or temporary services, as those services are defined in Admin. Code § 6-109 (“Section 6-109”), in accordance with Section 6-109, the Contractor agrees as follows:

1. The Contractor shall comply with the requirements of Section 6-109, including, where applicable, the payment of either a prevailing wage or a living wage, as those terms are defined in Section 6-109.

2. The Contractor shall not retaliate, discharge, demote, suspend, take adverse employment action in the terms and conditions of employment or otherwise discriminate against any employee for reporting or asserting a violation of Section 6-109, for seeking or communicating information regarding rights conferred by Section 6-109, for exercising any other rights protected under Section 6-109, or for participating in any investigatory or court proceeding relating to Section 6-109. This protection shall also apply to any employee or his or her representative who in good faith alleges a violation of Section 6-109, or who seeks or communicates information regarding rights conferred by Section 6-109 in circumstances where he or she in good faith believes it applies.

3. The Contractor shall maintain original payroll records for each of its covered employees reflecting the days and hours worked on contracts, projects, or assignments that are subject to the requirements of Section 6-109, and the wages paid and benefits provided for such hours worked. The Contractor shall maintain these records for the duration of the term of this Agreement and shall retain them for a period of four years after completion of this Agreement. For contracts involving building services, food services, or temporary services, the Contractor shall submit copies of payroll records, certified by the Contractor under penalty of perjury to be true and accurate, to the Department with every requisition for payment. For contracts involving homecare, day care, head start or services to persons with cerebral palsy, the Contractor shall submit either certified payroll records or categorical information about the wages, benefits, and job classifications of covered employees of the Contractor, and of any subcontractors, which shall be the substantial equivalent of the information required in Section 6-109(2)(a)(iii).

4. The Contractor and all subcontractors shall pay all covered employees by check and shall provide employees check stubs or other documentation at least once each month containing information sufficient to document compliance with the requirements of the Living Wage Law concerning living wages, prevailing wages, supplements, and health benefits. In addition, if this Agreement is for an amount greater than \$1,000,000.00, checks issued by the Contractor to covered employees shall be generated by a payroll service or automated payroll system (an in-house system may be used if approved by the Department). For any subcontract for an amount greater than \$750,000.00, checks issued by a subcontractor to covered employees shall be generated by a payroll service or automated payroll system (an in-house system may be used if approved by the Department).

5. The Department will provide written notices to the Contractor, prepared by the Comptroller, detailing the wages, benefits, and other protections to which covered employees are entitled under Section 6-109. Such notices will be provided in English, Spanish and other languages spoken by ten percent or more of a covered employer's covered employees. Throughout the term of this Agreement, the Contractor shall post in a prominent and accessible place at every work site and provide each covered employee a copy of the written notices provided by the Department. The Contractor shall provide the notices to its subcontractors and require them to be posted and provided to each covered employee.

6. The Contractor shall ensure that its subcontractors comply with the requirements of Section 6-109, and shall provide written notification to its subcontractors of those requirements. All subcontracts made by the Contractor shall be in writing and shall include provisions relating to the wages, supplements, and health benefits required by Section 6-109. No work may be performed by a subcontractor employing covered employees prior to the Contractor entering into a written subcontract with the subcontractor.

7. Each year throughout the term of the Agreement and whenever requesting the Department's approval of a subcontractor, the Contractor shall submit to the Department an updated certification, as required by Section 6-109 and in the form of the certification attached to this Agreement, identifying any changes to the current certification.

8. Failure to comply with the requirements of Section 6-109 may, in the discretion of the Department, constitute a material breach by the Contractor of the terms of this Agreement. If the Contractor and/or subcontractor receives written notice of such a breach and fails to cure such breach within 30 Days, the City shall have the right to pursue any rights or remedies available under this Agreement or under applicable law, including termination of the Agreement. If the Contractor fails to perform in accordance with any of the requirements of Section 6-109 and fails to cure such failure in accordance with the preceding sentence, and there is a continued need for the service, the City may obtain from another source the required service as specified in the original Agreement, or

any part thereof, and may charge the Contractor for any difference in price resulting from the alternative arrangements, and may, as appropriate, invoke such other sanctions as are available under the Agreement and applicable law. In addition, the Contractor agrees to pay for all costs incurred by the City in enforcing the requirements of Section 6-109, including the cost of any investigation conducted by or on behalf of the Department or the Comptroller, where the City discovers that the Contractor or its subcontractor(s) failed to comply with the requirements of this Section 4.04(B) or of Section 6-109. The Contractor also agrees, that should it fail or refuse to pay for any such investigation, the Department is hereby authorized to deduct from a Contractor's account an amount equal to the cost of such investigation.

**Section 4.05 Non-Discrimination in Employment**

A. General Prohibition. To the extent required by law, the Contractor shall not unlawfully discriminate against any employee or applicant for employment because of actual or perceived age, religion, religious practice, creed, sex, gender, gender identity or gender expression, sexual orientation, status as a victim of domestic violence, stalking, and sex offenses, familial status, partnership status, marital status, caregiver status, pregnancy, childbirth or related medical condition, disability, presence of a service animal, predisposing genetic characteristics, race, color, national origin (including ancestry), alienage, citizenship status, political activities or recreational activities as defined in N.Y. Labor Law 201-d, arrest or conviction record, credit history, military status, uniformed service, unemployment status, salary history, or any other protected class of individuals as defined by City, State or Federal laws, rules or regulations. The Contractor shall comply with all statutory and regulatory obligations to provide reasonable accommodations to individuals with disabilities, due to pregnancy, childbirth, or a related medical condition, due to status as a victim of domestic violence, stalking, or sex offenses, or due to religion.

B. N.Y. Labor Law § 220-e. If this Agreement is for the construction, alteration or repair of any public building or public work or for the manufacture, sale, or distribution of materials, equipment, or supplies, the Contractor agrees, as required by N.Y. Labor Law § 220-e, that:

1. In the hiring of employees for the performance of work under this Agreement or any subcontract hereunder, neither the Contractor, subcontractor, nor any person acting on behalf of such Contractor or subcontractor, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates;

2. Neither the Contractor, subcontractor, nor any person on his or her behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this Agreement on account of race, creed, color, disability, sex or national origin;

## Appendix A January 2018 Final

3. There may be deducted from the amount payable to the Contractor by the City under this Agreement a penalty of \$50.00 for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Agreement; and

4. This Agreement may be terminated by the City, and all monies due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this Section 4.05.

The provisions of this Section 4.05(B) shall be limited to operations performed within the territorial limits of the State of New York.

C. Admin. Code § 6-108. If this Agreement is for the construction, alteration or repair of buildings or the construction or repair of streets or highways, or for the manufacture, sale, or distribution of materials, equipment or supplies, the Contractor agrees, as required by Admin. Code § 6-108, that:

1. It shall be unlawful for any person engaged in the construction, alteration or repair of buildings or engaged in the construction or repair of streets or highways pursuant to a contract with the City or engaged in the manufacture, sale or distribution of materials, equipment or supplies pursuant to a contract with the City to refuse to employ or to refuse to continue in any employment any person on account of the race, color or creed of such person.

2. It shall be unlawful for any person or any servant, agent or employee of any person, described in Section 4.05(C)(1) above, to ask, indicate or transmit, orally or in writing, directly or indirectly, the race, color, creed or religious affiliation of any person employed or seeking employment from such person, firm or corporation.

Breach of the foregoing provisions shall be deemed a breach of a material provision of this Agreement.

Any person, or the employee, manager or owner of or officer of such firm or corporation who shall violate any of the provisions of this Section 4.05(C) shall, upon conviction thereof, be punished by a fine of not more than \$100.00 or by imprisonment for not more than 30 Days, or both.

D. E.O. 50 -- Equal Employment Opportunity

1. This Agreement is subject to the requirements of City Executive Order No. 50 (1980) ("E.O. 50"), as revised, and the rules set forth at 66 RCNY §§ 10-01 *et seq.* No agreement will be awarded unless and until these requirements have been complied with in their entirety. The Contractor agrees that it:

a. Will not discriminate unlawfully against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability,

marital status, sexual orientation or citizenship status with respect to all employment decisions including, but not limited to, recruitment, hiring, upgrading, demotion, downgrading, transfer, training, rates of pay or other forms of compensation, layoff, termination, and all other terms and conditions of employment;

b. Will not discriminate unlawfully in the selection of subcontractors on the basis of the owners', partners' or shareholders' race, color, creed, national origin, sex, age, disability, marital status, sexual orientation, or citizenship status;

c. Will state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that all qualified applicants will receive consideration for employment without unlawful discrimination based on race, color, creed, national origin, sex, age, disability, marital status, sexual orientation or citizenship status, and that it is an equal employment opportunity employer;

d. Will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or memorandum of understanding, written notification of its equal employment opportunity commitments under E.O. 50 and the rules and regulations promulgated thereunder;

e. Will furnish before this Agreement is awarded all information and reports including an Employment Report which are required by E.O. 50, the rules and regulations promulgated thereunder, and orders of the SBS, Division of Labor Services ("DLS"); and

f. Will permit DLS to have access to all relevant books, records, and accounts for the purposes of investigation to ascertain compliance with such rules, regulations, and orders.

2. The Contractor understands that in the event of its noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, such noncompliance shall constitute a material breach of this Agreement and noncompliance with E.O. 50 and the rules and regulations promulgated thereunder. After a hearing held pursuant to the rules of DLS, the Director of DLS may direct the Commissioner to impose any or all of the following sanctions:

- a. Disapproval of the Contractor; and/or
- b. Suspension or termination of the Agreement; and/or
- c. Declaring the Contractor in default; and/or

d. In lieu of any of the foregoing sanctions, imposition of an employment program.

3. Failure to comply with E.O. 50 and the rules and regulations promulgated thereunder in one or more instances may result in the Department declaring the Contractor to be non-responsible.

4. The Contractor agrees to include the provisions of the foregoing Sections 4.05(D)(1)-(3) in every subcontract or purchase order in excess of \$100,000.00 to which it becomes a party unless exempted by E.O. 50 and the rules and regulations promulgated thereunder, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Director of DLS as a means of enforcing such provisions including sanctions for noncompliance. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor or vendor for purposes of this Section 4.05(D)(4).

5. The Contractor further agrees that it will refrain from entering into any subcontract or modification thereof subject to E.O. 50 and the rules and regulations promulgated thereunder with a subcontractor who is not in compliance with the requirements of E.O. 50 and the rules and regulations promulgated thereunder. A supplier of unfinished products to the Contractor needed to produce the item contracted for shall not be considered a subcontractor for purposes of this Section 4.05(D)(5).

6. Nothing contained in this Section 4.05(D) shall be construed to bar any religious or denominational institution or organization, or any organization operated for charitable or educational purposes, that is operated, supervised or controlled by or in connection with a religious organization, from lawfully limiting employment or lawfully giving preference to persons of the same religion or denomination or from lawfully making such selection as is calculated by such organization to promote the religious principles for which it is established or maintained.

#### **Section 4.06 Paid Sick Leave Law**

##### *A. Introduction and General Provisions.*

1. The Earned Sick Time Act, also known as the Paid Sick Leave Law (“PSLL”), requires covered employees who annually perform more than 80 hours of work in New York City to be provided with paid sick time.<sup>2</sup> Contractors of the City or of other governmental entities may be required to provide sick time pursuant to the PSLL.

---

<sup>2</sup> Pursuant to the PSLL, if fewer than five employees work for the same employer, as determined pursuant Admin. Code § 20-912(g), such employer has the option of providing such employees uncompensated sick time.

2. The PSLL became effective on April 1, 2014, and is codified at Title 20, Chapter 8, of the Admin. Code. It is administered by the City's Department of Consumer Affairs ("DCA"). DCA's rules promulgated under the PSLL are codified at Chapter 7 of Title 6 of the Rules of the City of New York ("Rules").

3. The Contractor agrees to comply in all respects with the PSLL and the Rules, and as amended, if applicable, in the performance of this Agreement. The Contractor further acknowledges that such compliance is a material term of this Agreement and that failure to comply with the PSLL in performance of this Agreement may result in its termination.

4. The Contractor must notify the ACCO in writing within 10 Days of receipt of a complaint (whether oral or written) regarding the PSLL involving the performance of this Agreement. Additionally, the Contractor must cooperate with DCA's education efforts and must comply with DCA's subpoenas and other document demands as set forth in the PSLL and Rules.

5. The PSLL is summarized below for the convenience of the Contractor. The Contractor is advised to review the PSLL and Rules in their entirety. On the website [www.nyc.gov/PaidSickLeave](http://www.nyc.gov/PaidSickLeave) there are links to the PSLL and the associated Rules as well as additional resources for employers, such as Frequently Asked Questions, timekeeping tools and model forms, and an event calendar of upcoming presentations and webinars at which the Contractor can get more information about how to comply with the PSLL. The Contractor acknowledges that it is responsible for compliance with the PSLL notwithstanding any inconsistent language contained herein.

*B. Pursuant to the PSLL and the Rules: Applicability, Accrual, and Use.*

1. An employee who works within the City of New York for more than eighty hours in any consecutive 12-month period designated by the employer as its "calendar year" pursuant to the PSLL ("Year") must be provided sick time. Employers must provide a minimum of one hour of sick time for every 30 hours worked by an employee and compensation for such sick time must be provided at the greater of the employee's regular hourly rate or the minimum wage. Employers are not required to provide more than 40 hours of sick time to an employee in any Year.

2. An employee has the right to determine how much sick time he or she will use, provided that employers may set a reasonable minimum increment for the use of sick time not to exceed four hours per Day. In addition, an employee may carry over up to 40 hours of unused sick time to the following Year, provided that no employer is required to allow the use of more than 40 hours of sick time in a Year or carry over unused paid sick time if the employee is paid for such unused sick time and the employer provides the employee with at least the legally required amount of paid sick time for such employee for the immediately subsequent Year on the first Day of such Year.

3. An employee entitled to sick time pursuant to the PSLL may use sick time for any of the following:

a. such employee's mental illness, physical illness, injury, or health condition or the care of such illness, injury, or condition or such employee's need for medical diagnosis or preventive medical care;

b. such employee's care of a family member (an employee's child, spouse, domestic partner, parent, sibling, grandchild, or grandparent, or the child or parent of an employee's spouse or domestic partner) who has a mental illness, physical illness, injury or health condition or who has a need for medical diagnosis or preventive medical care;

c. closure of such employee's place of business by order of a public official due to a public health emergency; or

d. such employee's need to care for a child whose school or childcare provider has been closed due to a public health emergency.

4. An employer must not require an employee, as a condition of taking sick time, to search for a replacement. However, an employer may require an employee to provide: reasonable notice of the need to use sick time; reasonable documentation that the use of sick time was needed for a reason above if for an absence of more than three consecutive work days; and/or written confirmation that an employee used sick time pursuant to the PSLL. However, an employer may not require documentation specifying the nature of a medical condition or otherwise require disclosure of the details of a medical condition as a condition of providing sick time and health information obtained solely due to an employee's use of sick time pursuant to the PSLL must be treated by the employer as confidential.

5. If an employer chooses to impose any permissible discretionary requirement as a condition of using sick time, it must provide to all employees a written policy containing those requirements, using a delivery method that reasonably ensures that employees receive the policy. If such employer has not provided its written policy, it may not deny sick time to an employee because of non-compliance with such a policy.

6. Sick time to which an employee is entitled must be paid no later than the payday for the next regular payroll period beginning after the sick time was used.

C. *Exemptions and Exceptions.* Notwithstanding the above, the PSLL does not apply to any of the following:

1. an independent contractor who does not meet the definition of employee under N.Y. Labor Law § 190(2);

2. an employee covered by a valid collective bargaining agreement in effect on April 1, 2014, until the termination of such agreement;
3. an employee in the construction or grocery industry covered by a valid collective bargaining agreement if the provisions of the PSSL are expressly waived in such collective bargaining agreement;
4. an employee covered by another valid collective bargaining agreement if such provisions are expressly waived in such agreement and such agreement provides a benefit comparable to that provided by the PSSL for such employee;
5. an audiologist, occupational therapist, physical therapist, or speech language pathologist who is licensed by the New York State Department of Education and who calls in for work assignments at will, determines his or her own schedule, has the ability to reject or accept any assignment referred to him or her, and is paid an average hourly wage that is at least four times the federal minimum wage;
6. an employee in a work study program under Section 2753 of Chapter 42 of the United States Code;
7. an employee whose work is compensated by a qualified scholarship program as that term is defined in the Internal Revenue Code, Section 117 of Chapter 20 of the United States Code; or
8. a participant in a Work Experience Program (WEP) under N.Y. Social Services Law § 336-c.

D. *Retaliation Prohibited.* An employer may not threaten or engage in retaliation against an employee for exercising or attempting in good faith to exercise any right provided by the PSSL. In addition, an employer may not interfere with any investigation, proceeding, or hearing pursuant to the PSSL.

E. *Notice of Rights.*

1. An employer must provide its employees with written notice of their rights pursuant to the PSSL. Such notice must be in English and the primary language spoken by an employee, provided that DCA has made available a translation into such language. Downloadable notices are available on DCA's website at <http://www.nyc.gov/html/dca/html/law/PaidSickLeave.shtml>.

2. Any person or entity that willfully violates these notice requirements is subject to a civil penalty in an amount not to exceed \$50.00 for each employee who was not given appropriate notice.

F. *Records.* An employer must retain records documenting its compliance with the PSLL for a period of at least three years, and must allow DCA to access such records in furtherance of an investigation related to an alleged violation of the PSLL.

G. *Enforcement and Penalties.*

1. Upon receiving a complaint alleging a violation of the PSLL, DCA has the right to investigate such complaint and attempt to resolve it through mediation. Within 30 Days of written notification of a complaint by DCA, or sooner in certain circumstances, the employer must provide DCA with a written response and such other information as DCA may request. If DCA believes that a violation of the PSLL has occurred, it has the right to issue a notice of violation to the employer.

2. DCA has the power to grant an employee or former employee all appropriate relief as set forth in Admin. Code § 20-924(d). Such relief may include, among other remedies, treble damages for the wages that should have been paid, damages for unlawful retaliation, and damages and reinstatement for unlawful discharge. In addition, DCA may impose on an employer found to have violated the PSLL civil penalties not to exceed \$500.00 for a first violation, \$750.00 for a second violation within two years of the first violation, and \$1,000.00 for each succeeding violation within two years of the previous violation.

H. *More Generous Policies and Other Legal Requirements.* Nothing in the PSLL is intended to discourage, prohibit, diminish, or impair the adoption or retention of a more generous sick time policy, or the obligation of an employer to comply with any contract, collective bargaining agreement, employment benefit plan or other agreement providing more generous sick time. The PSLL provides minimum requirements pertaining to sick time and does not preempt, limit, or otherwise affect the applicability of any other law, regulation, rule, requirement, policy or standard that provides for greater accrual or use by employees of sick leave or time, whether paid or unpaid, or that extends other protections to employees. The PSLL may not be construed as creating or imposing any requirement in conflict with any federal or state law, rule, or regulation.

#### **Section 4.07 Whistleblower Protection Expansion Act**

A. In accordance with Local Laws 30 and 33 of 2012, codified at Admin. Code §§ 6-132 and 12-113, respectively,

1. Contractor shall not take an adverse personnel action with respect to an officer or employee in retaliation for such officer or employee making a report of information concerning conduct which such officer or employee knows or reasonably believes to involve corruption, criminal activity, conflict of interest, gross mismanagement or abuse of authority by any officer or employee relating to this Agreement to (i) the Commissioner of the Department of Investigation, (ii) a member of

the New York City Council, the Public Advocate, or the Comptroller, or (iii) the City Chief Procurement Officer, ACCO, Agency head, or Commissioner.

2. If any of Contractor's officers or employees believes that he or she has been the subject of an adverse personnel action in violation of this Section 4.07, he or she shall be entitled to bring a cause of action against Contractor to recover all relief necessary to make him or her whole. Such relief may include but is not limited to: (i) an injunction to restrain continued retaliation, (ii) reinstatement to the position such employee would have had but for the retaliation or to an equivalent position, (iii) reinstatement of full fringe benefits and seniority rights, (iv) payment of two times back pay, plus interest, and (v) compensation for any special damages sustained as a result of the retaliation, including litigation costs and reasonable attorney's fees.

3. Contractor shall post a notice provided by the City (attached hereto) in a prominent and accessible place on any site where work pursuant to the Agreement is performed that contains information about:

a. how its employees can report to the New York City Department of Investigation allegations of fraud, false claims, criminality or corruption arising out of or in connection with the Agreement; and

b. the rights and remedies afforded to its employees under Admin. Code §§ 7-805 (the New York City False Claims Act) and 12-113 (the Whistleblower Protection Expansion Act) for lawful acts taken in connection with the reporting of allegations of fraud, false claims, criminality or corruption in connection with the Agreement.

4. For the purposes of this Section 4.07, "adverse personnel action" includes dismissal, demotion, suspension, disciplinary action, negative performance evaluation, any action resulting in loss of staff, office space, equipment or other benefit, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected officer or employee.

5. This Section 4.07 is applicable to all of Contractor's subcontractors having subcontracts with a value in excess of \$100,000.00; accordingly, Contractor shall include this Section 4.07 in all subcontracts with a value in excess of \$100,000.00.

B. Section 4.07 is not applicable to this Agreement if it is valued at \$100,000.00 or less. Sections 4.07(A)(1), (2), (4), and (5) are not applicable to this Agreement if it was solicited pursuant to a finding of an emergency. Section 4.07(A)(3) is neither applicable to this Agreement if it was solicited prior to October 18, 2012 nor if it is a renewal of a contract executed prior to October 18, 2012.

**ARTICLE 5 - RECORDS, AUDITS, REPORTS, AND INVESTIGATIONS**

**Section 5.01 Books and Records**

The Contractor agrees to maintain separate and accurate books, records, documents, and other evidence, and to utilize appropriate accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

**Section 5.02 Retention of Records**

The Contractor agrees to retain all books, records, documents, other evidence relevant to this Agreement, including those required pursuant to Section 5.01, for six years after the final payment or expiration or termination of this Agreement, or for a period otherwise prescribed by Law, whichever is later. In addition, if any litigation, claim, or audit concerning this Agreement has commenced before the expiration of the six-year period, the books, records, documents, and other evidence must be retained until the completion of such litigation, claim, or audit. Any books, records, documents, and other evidence that are created in an electronic format in the regular course of business may be retained in an electronic format. Any books, records, documents, or other evidence that are created in the regular course of business as a paper copy may be retained in an electronic format provided that they satisfy the requirements of N.Y. Civil Practice Law and Rules (“CPLR”) 4539(b), including the requirement that the reproduction is created in a manner “which does not permit additions, deletions, or changes without leaving a record of such additions, deletions, or changes.” Furthermore, the Contractor agrees to waive any objection to the admissibility of any such books, records, documents, or other evidence on the grounds that such documents do not satisfy CPLR 4539(b).

**Section 5.03 Inspection**

A. At any time during the Agreement or during the record retention period set forth in Section 5.02, the City, including the Department and the Department’s Office of the Inspector General, as well as City, State, and federal auditors and any other persons duly authorized by the City shall, upon reasonable notice, have full access to and the right to examine and copy all books, records, documents, and other evidence maintained or retained by or on behalf of the Contractor pursuant to this Article 5. Notwithstanding any provision herein regarding notice of inspection, all books, records, documents, and other evidence of the Contractor kept pursuant to this Agreement shall be subject to immediate inspection, review, and copying by the Department’s Office of the Inspector General, the Comptroller, and/or federal auditors without prior notice and at no additional cost to the City. The Contractor shall make such books, records documents, and other evidence available for inspection in the City of New York or shall reimburse the City for expenses associated with the out-of-City inspection.

B. The Department shall have the right to have representatives of the Department or of the City, State or federal government present to observe the services being performed. If

observation of particular services or activity would constitute a waiver of a legal privilege or violate the Law or an ethical obligation under the New York Rules of Professional Conduct for attorneys, National Association of Social Workers Code of Ethics or other similar code governing the provision of a profession's services in New York State, the Contractor shall promptly inform the Department or other entity seeking to observe such work or activity. Such restriction shall not act to prevent government representatives from inspecting the provision of services in a manner that allows the representatives to ensure that services are being performed in accordance with this Agreement.

C. The Contractor shall not be entitled to final payment until the Contractor has complied with any request for inspection or access given under this Section 5.03.

**Section 5.04 Audit**

A. This Agreement and all books, records, documents, and other evidence required to be maintained or retained pursuant to this Agreement, including all vouchers or invoices presented for payment and the books, records, and other documents upon which such vouchers or invoices are based (e.g., reports, cancelled checks, accounts, and all other similar material), are subject to audit by (i) the City, including the Comptroller, the Department, and the Department's Office of the Inspector General, (ii) the State, (iii) the federal government, and (iv) other persons duly authorized by the City. Such audits may include examination and review of the source and application of all funds whether from the City, the State, the federal government, private sources, or otherwise.

B. Audits by the City, including the Comptroller, the Department, and the Department's Office of the Inspector General, are performed pursuant to the powers and responsibilities conferred by the Charter and the Admin. Code, as well as all orders, rules, and regulations promulgated pursuant to the Charter and Admin. Code.

C. The Contractor shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the Department and by the Comptroller in the exercise of his/her powers under Law.

D. The Contractor shall not be entitled to final payment until the Contractor has complied with the requirements of this Section 5.04.

**Section 5.05 No Removal of Records from Premises**

Where performance of this Agreement involves use by the Contractor of any City books, records, documents, or data (in hard copy, or electronic or other format now known or developed in the future) at City facilities or offices, the Contractor shall not remove any such items or material (in the format in which it originally existed, or in any other converted or derived format) from such facility or office without the prior written approval of the Department's designated official. Upon the request by the Department at any time during the Agreement or after the

Agreement has expired or terminated, the Contractor shall return to the Department any City books, records, documents, or data that has been removed from City premises.

**Section 5.06 Electronic Records**

As used in this Appendix A, the terms “books,” “records,” “documents,” and “other evidence” refer to electronic versions as well as hard copy versions.

**Section 5.07 Investigations Clause**

A. The Contractor agrees to cooperate fully and faithfully with any investigation, audit or inquiry conducted by a State or City agency or authority that is empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath, or conducted by the Inspector General of a governmental agency that is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license that is the subject of the investigation, audit or inquiry.

B.

1. If any person who has been advised that his or her statement, and any information from such statement, will not be used against him or her in any subsequent criminal proceeding refuses to testify before a grand jury or other governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to examine witnesses under oath concerning the award of or performance under any transaction, agreement, lease, permit, contract, or license entered into with the City, or State, or any political subdivision or public authority thereof, or the Port Authority of New York and New Jersey, or any local development corporation within the City, or any public benefit corporation organized under the Laws of the State, or;

2. If any person refuses to testify for a reason other than the assertion of his or her privilege against self-incrimination in an investigation, audit or inquiry conducted by a City or State governmental agency or authority empowered directly or by designation to compel the attendance of witnesses and to take testimony under oath, or by the Inspector General of the governmental agency that is a party in interest in, and is seeking testimony concerning the award of, or performance under, any transaction, agreement, lease, permit, contract, or license entered into with the City, the State, or any political subdivision thereof or any local development corporation within the City, then;

C.

6. The Commissioner or Agency Head whose agency is a party in interest to the transaction, submitted bid, submitted proposal, contract, lease, permit, or license shall convene a hearing, upon not less than five (5) Days written notice to the parties involved to determine if any penalties should attach for the failure of a person to testify.

7. If any non-governmental party to the hearing requests an adjournment, the Commissioner or Agency Head who convened the hearing may, upon granting the adjournment, suspend any contract, lease, permit, or license pending the final determination pursuant to Paragraph E below without the City incurring any penalty or damages for delay or otherwise.

D. The penalties that may attach after a final determination by the Commissioner or Agency Head may include but shall not exceed:

1. The disqualification for a period not to exceed five years from the date of an adverse determination for any person, or any entity of which such person was a member at the time the testimony was sought, from submitting bids for, or transacting business with, or entering into or obtaining any contract, lease, permit or license with or from the City; and/or

2. The cancellation or termination of any and all such existing City contracts, leases, permits or licenses that the refusal to testify concerns and that have not been assigned as permitted under this Agreement, nor the proceeds of which pledged, to an unaffiliated and unrelated institutional lender for fair value prior to the issuance of the notice scheduling the hearing, without the City incurring any penalty or damages on account of such cancellation or termination; monies lawfully due for goods delivered, work done, rentals, or fees accrued prior to the cancellation or termination shall be paid by the City.

E. The Commissioner or Agency Head shall consider and address in reaching his or her determination and in assessing an appropriate penalty the factors in Paragraphs (1) and (2) below. He or she may also consider, if relevant and appropriate, the criteria established in Paragraphs (3) and (4) below, in addition to any other information that may be relevant and appropriate:

1. The party's good faith endeavors or lack thereof to cooperate fully and faithfully with any governmental investigation or audit, including but not limited to the discipline, discharge, or disassociation of any person failing to testify, the production of accurate and complete books and records, and the forthcoming testimony of all other members, agents, assignees or fiduciaries whose testimony is sought.

2. The relationship of the person who refused to testify to any entity that is a party to the hearing, including, but not limited to, whether the person whose testimony is sought has an ownership interest in the entity and/or the degree of authority and responsibility the person has within the entity.

3. The nexus of the testimony sought to the subject entity and its contracts, leases, permits or licenses with the City.

4. The effect a penalty may have on an unaffiliated and unrelated party or entity that has a significant interest in an entity subject to penalties under Paragraph D above, provided that the party or entity has given actual notice to the Commissioner or Agency Head upon the acquisition of the interest, or at the hearing called for in Paragraph (C)(1) above gives notice and proves that such interest was previously acquired. Under either circumstance, the party or entity must present evidence at the hearing demonstrating the potential adverse impact a penalty will have on such person or entity.

**F. Definitions**

1. The term “license” or “permit” as used in this Section shall be defined as a license, permit, franchise, or concession not granted as a matter of right.

2. The term “person” as used in this Section shall be defined as any natural person doing business alone or associated with another person or entity as a partner, director, officer, principal or employee.

3. The term “entity” as used in this Section shall be defined as any firm, partnership, corporation, association, or person that receives monies, benefits, licenses, leases, or permits from or through the City, or otherwise transacts business with the City.

4. The term “member” as used in this Section shall be defined as any person associated with another person or entity as a partner, director, officer, principal, or employee.

G. In addition to and notwithstanding any other provision of this Agreement, the Commissioner or Agency Head may in his or her sole discretion terminate this Agreement upon not less than three (3) Days written notice in the event the Contractor fails to promptly report in writing to the City Commissioner of Investigation any solicitation of money, goods, requests for future employment or other benefits or thing of value, by or on behalf of any employee of the City or other person or entity for any purpose that may be related to the procurement or obtaining of this Agreement by the Contractor, or affecting the performance of this Agreement.

**Section 5.08 Confidentiality**

A. The Contractor agrees to hold confidential, both during and after the completion or termination of this Agreement, all of the reports, information, or data, furnished to, or prepared, assembled or used by, the Contractor under this Agreement. The Contractor agrees to maintain the confidentiality of such reports, information, or data by using a reasonable degree of care, and using at least the same degree of care that the Contractor uses to preserve the confidentiality of its own confidential information. The Contractor agrees that such reports, information, or data shall not be made available to any person or entity without the prior written approval of the Department. The obligation under this Section 5.08 to hold reports, information or data confidential shall not apply where the Contractor is legally required to disclose such reports, information or data, by virtue of a subpoena, court order or otherwise (“disclosure

demand”), provided that the Contractor complies with the following: (1) the Contractor shall provide advance notice to the Commissioner, in writing or by e-mail, that it received a disclosure demand for to disclose such reports, information or data and (2) if requested by the Department, the Contractor shall not disclose such reports, information, or data until the City has exhausted its legal rights, if any, to prevent disclosure of all or a portion of such reports, information or data. The previous sentence shall not apply if the Contractor is prohibited by law from disclosing to the Department the disclosure demand for such reports, information or data.

B. The Contractor shall provide notice to the Department within three days of the discovery by the Contractor of any breach of security, as defined in Admin. Code § 10-501(b), of any data, encrypted or otherwise, in use by the Contractor that contains social security numbers or other personal identifying information as defined in Admin. Code § 10-501 (“Personal Identifying Information”), where such breach of security arises out of the acts or omissions of the Contractor or its employees, subcontractors, or agents. Upon the discovery of such security breach, the Contractor shall take reasonable steps to remediate the cause or causes of such breach, and shall provide notice to the Department of such steps. In the event of such breach of security, without limiting any other right of the City, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the costs of notifications and/or other actions mandated by any Law, or administrative or judicial order, to address the breach, and including any fines or disallowances imposed by the State or federal government as a result of the disclosure. The City shall also have the right to withhold further payments hereunder for the purpose of set-off in sufficient sums to cover the costs of credit monitoring services for the victims of such a breach of security by a national credit reporting agency, and/or any other commercially reasonable preventive measure. The Department shall provide the Contractor with written notice and an opportunity to comment on such measures prior to implementation. Alternatively, at the City’s discretion, or if monies remaining to be earned or paid under this Agreement are insufficient to cover the costs detailed above, the Contractor shall pay directly for the costs, detailed above, if any.

C. The Contractor shall restrict access to confidential information to persons who have a legitimate work related purpose to access such information. The Contractor agrees that it will instruct its officers, employees, and agents to maintain the confidentiality of any and all information required to be kept confidential by this Agreement.

D. The Contractor, and its officers, employees, and agents shall notify the Department, at any time either during or after completion or termination of this Agreement, of any intended statement to the press or any intended issuing of any material for publication in any media of communication (print, news, television, radio, Internet, etc.) regarding the services provided or the data collected pursuant to this Agreement at least 24 hours prior to any statement to the press or at least five business days prior to the submission of the material for publication, or such shorter periods as are reasonable under the circumstances. The Contractor may not issue any statement or submit any material for publication that includes confidential information as prohibited by this Section 5.08.

E. At the request of the Department, the Contractor shall return to the Department any and all confidential information in the possession of the Contractor or its subcontractors. If the Contractor or its subcontractors are legally required to retain any confidential information, the Contractor shall notify the Department in writing and set forth the confidential information that it intends to retain and the reasons why it is legally required to retain such information. The Contractor shall confer with the Department, in good faith, regarding any issues that arise from the Contractor retaining such confidential information. If the Department does not request such information or the Law does not require otherwise, such information shall be maintained in accordance with the requirements set forth in Section 5.02.

F. A breach of this Section 5.08 shall constitute a material breach of this Agreement for which the Department may terminate this Agreement pursuant to Article 10. The Department reserves any and all other rights and remedies in the event of unauthorized disclosure.

## **ARTICLE 6 - COPYRIGHTS, PATENTS, INVENTIONS, AND ANTITRUST**

### **Section 6.01 Copyrights and Ownership of Work Product**

A. Any reports, documents, data, photographs, deliverables, and/or other materials produced pursuant to this Agreement, and any and all drafts and/or other preliminary materials in any format related to such items produced pursuant to this Agreement, shall upon their creation become the exclusive property of the City.

B. Any reports, documents, data, photographs, deliverables, and/or other materials provided pursuant to this Agreement (“Copyrightable Materials”) shall be considered “work-made-for-hire” within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101, and the City shall be the copyright owner thereof and of all aspects, elements, and components thereof in which copyright protection might exist. To the extent that the Copyrightable Materials do not qualify as “work-made-for-hire,” the Contractor hereby irrevocably transfers, assigns and conveys exclusive copyright ownership in and to the Copyrightable Materials to the City, free and clear of any liens, claims, or other encumbrances. The Contractor shall retain no copyright or intellectual property interest in the Copyrightable Materials. The Copyrightable Materials shall be used by the Contractor for no purpose other than in the performance of this Agreement without the prior written permission of the City. The Department may grant the Contractor a license to use the Copyrightable Materials on such terms as determined by the Department and set forth in the license.

C. The Contractor acknowledges that the City may, in its sole discretion, register copyright in the Copyrightable Materials with the United States Copyright Office or any other government agency authorized to grant copyright registrations. The Contractor shall fully cooperate in this effort, and agrees to provide any and all documentation necessary to accomplish this.

D. The Contractor represents and warrants that the Copyrightable Materials: (i) are wholly original material not published elsewhere (except for material that is in the public domain); (ii) do not violate any copyright Law; (iii) do not constitute defamation or invasion of the right of privacy or publicity; and (iv) are not an infringement, of any kind, of the rights of any third party. To the extent that the Copyrightable Materials incorporate any non-original material, the Contractor has obtained all necessary permissions and clearances, in writing, for the use of such non-original material under this Agreement, copies of which shall be provided to the City upon execution of this Agreement.

E. If the services under this Agreement are supported by a federal grant of funds, the federal and State government reserves a royalty-free, non-exclusive irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for federal or State government purposes, the copyright in any Copyrightable Materials developed under this Agreement.

F. If the Contractor publishes a work dealing with any aspect of performance under this Agreement, or with the results of such performance, the City shall have a royalty-free, non-exclusive irrevocable license to reproduce, publish, or otherwise use such work for City governmental purposes.

### **Section 6.02 Patents and Inventions**

The Contractor shall promptly and fully report to the Department any discovery or invention arising out of or developed in the course of performance of this Agreement. If the services under this Agreement are supported by a federal grant of funds, the Contractor shall promptly and fully report to the federal government for the federal government to make a determination as to whether patent protection on such invention shall be sought and how the rights in the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.

### **Section 6.03 Pre-existing Rights**

In no case shall Sections 6.01 and 6.02 apply to, or prevent the Contractor from asserting or protecting its rights in any discovery, invention, report, document, data, photograph, deliverable, or other material in connection with or produced pursuant to this Agreement that existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

### **Section 6.04 Antitrust**

The Contractor hereby assigns, sells, and transfers to the City all right, title, and interest in and to any claims and causes of action arising under the antitrust laws of the State or of the United States relating to the particular goods or services procured by the City under this Agreement.

C. *Professional Liability Insurance.*

1. If indicated in Schedule A, the Contractor shall maintain and submit evidence of professional liability insurance or errors and omissions insurance appropriate to the type(s) of such services to be provided under this Agreement. 2. All subcontractors of the Contractor providing professional services under this Agreement for which professional liability insurance or errors and omissions insurance is reasonably commercially available shall also maintain such insurance in the amount specified in Schedule A. At the time of the request for subcontractor approval, the Contractor shall provide to the Department, evidence of such professional liability insurance on a form acceptable to the Department.

3. Claims-made policies will be accepted for professional liability insurance. All such policies shall have an extended reporting period option or automatic coverage of not less than two years. #### **Section 7.04 General Requirements for Insurance Coverage and Policies**

A. Unless otherwise stated, all insurance required by Section 7.03 of this Agreement must:

1. be provided by companies that may lawfully issue such policies;
2. have an A.M. Best rating of at least A- / VII, a Standard & Poor's rating of at least A, a Moody's Investors Service rating of at least A3, a Fitch Ratings rating of at least A- or a similar rating by any other nationally recognized statistical rating organization acceptable to the New York City Law Department unless prior written approval is obtained from the New York City Law Department; and
3. be primary (and non-contributing) to any insurance or self-insurance maintained by the City (not applicable to professional liability insurance/errors and omissions insurance) and any other entity listed as an additional insured in Schedule A.

B. The Contractor shall be solely responsible for the payment of all premiums for all required insurance policies and all deductibles or self-insured retentions to which such policies are subject, whether or not the City is an insured under the policy.

C. There shall be no self-insurance program, including a self-insurance retention, exceeding \$10,000.00, with regard to any insurance required under Section 7.03 unless approved in writing by the Commissioner. Any such self-insurance program shall provide the City and any other additional insured listed on Schedule A with all rights that would be provided by traditional insurance required under this Article 7, including but not limited to the defense obligations that insurers are required to undertake in liability policies.

D. The limits of coverage for all types of insurance for the City, including its officials and employees, and any other additional insured listed on Schedule A that must be provided to such additional insured(s) shall be the greater of (i) the minimum limits set forth in Schedule A or (ii) the limits provided to the Contractor as named insured under all primary, excess, and umbrella policies of that type of coverage.

**Section 7.05 Proof of Insurance**

A. For each policy required under Section 7.03 and Schedule A of this Agreement, the Contractor shall file proof of insurance and, where applicable, proof that the City, including its officials and employees, is an additional insured with the Department within ten Days of award of this Agreement. The following proof is acceptable:

1. A certificate of insurance accompanied by a completed certification of insurance broker or agent (included in Schedule A of this Agreement) and any endorsements by which the City, including its officials and employees, have been made an additional insured; or

2. A copy of the insurance policy, including declarations and endorsements, certified by an authorized representative of the issuing insurance carrier.

B. Proof of insurance confirming renewals of insurance required under Section 7.03 must be submitted to the Department prior to the expiration date of the coverage. Such proof must meet the requirements of Section 7.05(A).

C. The Contractor shall provide the City with a copy of any policy required under this Article 7 upon the demand for such policy by the Commissioner or the New York City Law Department.

D. Acceptance by the Commissioner of a certificate or a policy does not excuse the Contractor from maintaining policies consistent with all provisions of this Article 7 (and ensuring that subcontractors maintain such policies) or from any liability arising from its failure to do so.

E. If the Contractor receives notice, from an insurance company or other person, that any insurance policy required under this Article 7 shall expire or be cancelled or terminated for any reason, the Contractor shall immediately forward a copy of such notice to both the address referred to in Section 14.04 and Schedule A and to the New York City Comptroller, Attn: Office

of Contract Administration, Municipal Building, One Centre Street, Room 1005, New York, New York 10007.

**Section 7.06 Miscellaneous**

A. Whenever notice of loss, damage, occurrence, accident, claim, or suit is required under a policy required by Section 7.03 and Schedule A, the Contractor shall provide the insurer with timely notice thereof on behalf of the City. Such notice shall be given even where the Contractor may not be covered under such policy if this Agreement requires that the City be an additional insured (for example, where one of Contractor's employees was injured). Such notice shall expressly specify that "this notice is being given on behalf of the City of New York, including its officials and employees, as additional insured" (such notice shall also include the name of any other entity listed as an additional insured on Schedule A) and contain the following information to the extent known: the number of the insurance policy; the name of the named insured; the date and location of the damage, occurrence, or accident; the identity of the persons or things injured, damaged, or lost; and the title of the claim or suit, if applicable. The Contractor shall simultaneously send a copy of such notice to the City of New York c/o Insurance Claims Specialist, Affirmative Litigation Division, New York City Law Department, 100 Church Street, New York, New York 10007. If the Contractor fails to comply with the requirements of this paragraph, the Contractor shall indemnify the City, together with its officials and employees, and any other entity listed as an additional insured on Schedule A for all losses, judgments, settlements and expenses, including reasonable attorneys' fees, arising from an insurer's disclaimer of coverage citing late notice by or on behalf of the City together with its officials and employees, and any other entity listed as an additional insured on Schedule A.

B. The Contractor's failure to maintain any of the insurance required by this Article 7 and Schedule A shall constitute a material breach of this Agreement. Such breach shall not be waived or otherwise excused by any action or inaction by the City at any time.

C. Insurance coverage in the minimum amounts required in this Article 7 shall not relieve the Contractor or its subcontractors of any liability under this Agreement, nor shall it preclude the City from exercising any rights or taking such other actions as are available to it under any other provisions of this Agreement or Law.

D. With respect to insurance required by Section 7.03 and Schedule A (but not including professional liability/errors and omissions insurance), the Contractor waives all rights against the City, including its officials and employees, and any other entity listed as an additional insured on Schedule A for any damages or losses that are covered under any insurance required under this Article 7 (whether or not such insurance is actually procured or claims are paid thereunder) or any other insurance applicable to the operations of the Contractor and/or its subcontractors in the performance of this Agreement.

E. In the event the Contractor requires any subcontractor to maintain insurance with regard to any operations under this Agreement and requires such subcontractor to list the Contractor as an additional insured under such insurance, the Contractor shall ensure that such

entity also list the City, including its officials and employees, and any other entity listed as an additional insured on Schedule A as an additional insured. With respect to commercial general liability insurance, such coverage must be at least as broad as the most recently issued ISO form CG 20 26.

## **ARTICLE 8 - PROTECTION OF PERSONS AND PROPERTY AND INDEMNIFICATION**

### **Section 8.01 Reasonable Precautions**

The Contractor shall take all reasonable precautions to protect all persons and the property of the City and of others from injury, damage, or loss resulting from the Contractor's and/or its subcontractors' operations under this Agreement.

### **Section 8.02 Protection of City Property**

The Contractor assumes the risk of, and shall be responsible for, any loss or damage to City property, including property and equipment leased by the City, used in the performance of this Agreement, where such loss or damage is caused by negligence, any tortious act, or failure to comply with the provisions of this Agreement or of Law by the Contractor, its officers, employees, agents or subcontractors.

### **Section 8.03 Indemnification**

To the fullest extent permitted by Law, the Contractor shall defend, indemnify, and hold harmless the City, including its officials and employees, against any and all claims (even if the allegations of the claim are without merit), judgments for damages on account of any injuries or death to any person or damage to any property, and costs and expenses to which the City or its officials or employees, may be subject to or which they may suffer or incur allegedly arising out of any of the operations of the Contractor and/or its subcontractors under this Agreement to the extent resulting from any negligent act of commission or omission, any intentional tortious act, and/or the failure to comply with Law or any of the requirements of this Agreement. Insofar as the facts or Law relating to any of the foregoing would preclude the City or its officials or employees from being completely indemnified by the Contractor, the City and its officials and employees shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

### **Section 8.04 Infringement Indemnification**

To the fullest extent permitted by Law, the Contractor shall defend, indemnify, and hold harmless the City, including its officials and employees, against any and all claims (even if the allegations of the claim are without merit), judgments for damages, and costs and expenses to which the City or its officials or employees, may be subject to or which they may suffer or incur allegedly arising out of any infringement, violation, or unauthorized use of any copyright, trade

secret, trademark or patent or any other property or personal right of any third party by the Contractor and/or its employees, agents, or subcontractors in the performance of this Agreement. To the fullest extent permitted by Law, the Contractor shall defend, indemnify, and hold harmless the City and its officials and employees regardless of whether or not the alleged infringement, violation, or unauthorized use arises out of compliance with the Agreement's scope of services/scope of work. Insofar as the facts or Law relating to any of the foregoing would preclude the City and its officials and employees from being completely indemnified by the Contractor, the City and its officials and employees shall be partially indemnified by the Contractor to the fullest extent permitted by Law.

**Section 8.05 Indemnification Obligations Not Limited By Insurance Obligation**

The Contractor's obligation to indemnify, defend and hold harmless the City and its officials and employees shall neither be (i) limited in any way by the Contractor's obligations to obtain and maintain insurance under this Agreement, nor (ii) adversely affected by any failure on the part of the City or its officials or employees to avail themselves of the benefits of such insurance.

**Section 8.06 Actions By or Against Third Parties**

A. If any claim is made or any action brought in any way relating to Agreement other than an action between the City and the Contractor, the Contractor shall diligently render to the City without additional compensation all assistance that the City may reasonably require of the Contractor.

B. The Contractor shall report to the Department in writing within five business days of the initiation by or against the Contractor of any legal action or proceeding relating to this Agreement.

**Section 8.07 Withholding of Payments**

A. If any claim is made or any action is brought against the City for which the Contractor may be required to indemnify the City pursuant to this Agreement, the City shall have the right to withhold further payments under this Agreement for the purpose of set-off in sufficient sums to cover the said claim or action.

B. If any City property is lost or damaged as set forth in Section 8.02, except for normal wear and tear, the City shall have the right to withhold payments under this Agreement for the purpose of set-off in sufficient sums to cover such loss or damage.

C. The City shall not, however, impose a set-off in the event that an insurance company that provided insurance pursuant to Section 7.03 above has accepted the City's tender of the claim or action without a reservation of rights.

D. The Department may, at its option, withhold for purposes of set-off any monies due to the Contractor under this Agreement up to the amount of any disallowances or questioned costs resulting from any audits of the Contractor or to the amount of any overpayment to the Contractor with regard to this Agreement.

E. The rights and remedies of the City provided for in this Section 8.07 are not exclusive and are in addition to any other rights and remedies provided by Law or this Agreement.

**Section 8.08 No Third Party Rights**

The provisions of this Agreement shall not be deemed to create any right of action in favor of third parties against the Contractor or the City or their respective officials and employees.

**ARTICLE 9 - CONTRACT CHANGES**

**Section 9.01 Contract Changes**

Changes to this Agreement may be made only as duly authorized by the ACCO or his or her designee and in accordance with the PPB Rules. Any amendment or change to this Agreement shall not be valid unless made in writing and signed by authorized representatives of both parties. The Contractor deviates from the requirements of this Agreement without a duly approved and executed change order document or written contract modification or amendment at its own risk.

**Section 9.02 Changes Through Fault of Contractor**

If any change is required in the data, documents, deliverables, or other services to be provided under this Agreement because of negligence or error of the Contractor, no additional compensation shall be paid to the Contractor for making such change, and the Contractor is obligated to make such change without additional compensation.

**ARTICLE 10 - TERMINATION, DEFAULT, REDUCTIONS IN FUNDING, AND LIQUIDATED DAMAGES**

**Section 10.01 Termination by the City Without Cause**

A. The City shall have the right to terminate this Agreement, in whole or in part, without cause, in accordance with the provisions of Section 10.05.

B. In its sole discretion, the City shall have the right to terminate this Agreement, in whole or in part, upon the request of the Contractor to withdraw from the Contract, in accordance with the provisions of Section 10.05.

C. If the City terminates this Agreement pursuant to this Section 10.01, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date set by the City pursuant to Section 10.05. The City shall pay for services provided in accordance with this Agreement prior to the termination date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

**Section 10.02 Reductions in Federal, State, and/or City Funding**

A. This Agreement is funded in whole or in part by funds secured from the federal, State and/or City governments. Should there be a reduction or discontinuance of such funds by action of the federal, State and/or City governments, the City shall have, in its sole discretion, the right to terminate this Agreement in whole or in part, or to reduce the funding and/or level of services of this Agreement caused by such action by the federal, State and/or City governments, including, in the case of the reduction option, but not limited to, the reduction or elimination of programs, services or service components; the reduction or elimination of contract-reimbursable staff or staff-hours, and corresponding reductions in the budget of this Agreement and in the total amount payable under this Agreement. Any reduction in funds pursuant to this Section 10.02(A) shall be accompanied by an appropriate reduction in the services performed under this Agreement.

B. In the case of the reduction option referred to in Section 10.02(A), above, any such reduction shall be effective as of the date set forth in a written notice thereof to the Contractor, which shall be not less than 30 Days from the date of such notice. Prior to sending such notice of reduction, the Department shall advise the Contractor that such option is being exercised and afford the Contractor an opportunity to make within seven Days any suggestion(s) it may have as to which program(s), service(s), service component(s), staff or staff-hours might be reduced or eliminated, provided, however, that the Department shall not be bound to utilize any of the Contractor's suggestions and that the Department shall have sole discretion as to how to effectuate the reductions.

C. If the City reduces funding pursuant to this Section 10.02, the following provisions apply. The City shall pay for services provided in accordance with this Agreement prior to the reduction date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of reduction and falling due after the reduction date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

D. To the extent that the reduction in public funds is a result of the State determining that the Contractor may receive medical assistance funds pursuant to title eleven of article five of

the Social Services Law to fund the services contained within the scope of a program under this Agreement, then the notice and effective date provisions of this Section 10.02 shall not apply, and the Department may reduce such public funds authorized under this Agreement by informing the Contractor of the amount of the reduction and revising attachments to this Agreement as appropriate.

**Section 10.03 Contractor Default**

A. The City shall have the right to declare the Contractor in default:

1. Upon a breach by the Contractor of a material term or condition of this Agreement, including unsatisfactory performance of the services;

2. Upon insolvency or the commencement of any proceeding by or against the Contractor, either voluntarily or involuntarily, under the Bankruptcy Code or relating to the insolvency, receivership, liquidation, or composition of the Contractor for the benefit of creditors;

3. If the Contractor refuses or fails to proceed with the services under the Agreement when and as directed by the Commissioner;

4. If the Contractor or any of its officers, directors, partners, five percent or greater shareholders, principals, or other employee or person substantially involved in its activities are indicted or convicted after execution of the Agreement under any state or federal law of any of the following:

a. a criminal offense incident to obtaining or attempting to obtain or performing a public or private contract;

b. fraud, embezzlement, theft, bribery, forgery, falsification, or destruction of records, or receiving stolen property;

c. a criminal violation of any state or federal antitrust law;

d. violation of the Racketeer Influence and Corrupt Organization Act, 18 U.S.C. §§ 1961 *et seq.*, or the Mail Fraud Act, 18 U.S.C. §§ 1341 *et seq.*, for acts in connection with the submission of bids or proposals for a public or private contract;

e. conspiracy to commit any act or omission that would constitute grounds for conviction or liability under any statute described in subparagraph (d) above; or

f. an offense indicating a lack of business integrity that seriously and directly affects responsibility as a City vendor.

5. If the Contractor or any of its officers, directors, partners, five percent or greater shareholders, principals, or other employee or person substantially involved in its activities are subject to a judgment of civil liability under any state or federal antitrust law for acts or omissions in connection with the submission of bids or proposals for a public or private contract; or

6. If the Contractor or any of its officers, directors, partners, five percent or greater shareholders, principals, or other employee or person substantially involved in its activities makes or causes to be made any false, deceptive, or fraudulent material statement, or fail to make a required material statement in any bid, proposal, or application for City or other government work.

B. The right to declare the Contractor in default shall be exercised by sending the Contractor a written notice of the conditions of default, signed by the Commissioner, setting forth the ground or grounds upon which such default is declared (“Notice to Cure”). The Contractor shall have ten Days from receipt of the Notice to Cure or any longer period that is set forth in the Notice to Cure to cure the default. The Commissioner may temporarily suspend services under the Agreement pending the outcome of the default proceedings pursuant to this Section 10.03.

C. If the conditions set forth in the Notice to Cure are not cured within the period set forth in the Notice to Cure, the Commissioner may declare the Contractor in default pursuant to this Section 10.03. Before the Commissioner may exercise his or her right to declare the Contractor in default, the Commissioner shall give the Contractor an opportunity to be heard upon not less than five business days’ notice. The Commissioner may, in his or her discretion, provide for such opportunity to be in writing or in person. Such opportunity to be heard shall not occur prior to the end of the cure period but notice of such opportunity to be heard may be given prior to the end of the cure period and may be given contemporaneously with the Notice to Cure.

D. After the opportunity to be heard, the Commissioner may terminate the Agreement, in whole or in part, upon finding the Contractor in default pursuant to this Section 10.03, in accordance with the provisions of Section 10.05.

E. The Commissioner, after declaring the Contractor in default, may have the services under the Agreement completed by such means and in such manner, by contract with or without public letting, or otherwise, as he or she may deem advisable in accordance with applicable PPB Rules. After such completion, the Commissioner shall certify the expense incurred in such completion, which shall include the cost of re-letting. Should the expense of such completion, as certified by the Commissioner, exceed the total sum which would have been payable under the Agreement if it had been completed by the Contractor, any excess shall be promptly paid by the Contractor upon demand by the City. The excess expense of such completion, including any and all related and incidental costs, as so certified by the Commissioner, and any liquidated damages assessed against the Contractor, may be charged against and deducted out of monies earned by the Contractor.

**Section 10.04 Force Majeure**

A. For purposes of this Agreement, a force majeure event is an act or event beyond the control and without any fault or negligence of the Contractor (“Force Majeure Event”). Such events may include, but are not limited to, fire, flood, earthquake, storm or other natural disaster, civil commotion, war, terrorism, riot, and labor disputes not brought about by any act or omission of the Contractor.

B. In the event the Contractor cannot comply with the terms of the Agreement (including any failure by the Contractor to make progress in the performance of the services) because of a Force Majeure Event, then the Contractor may ask the Commissioner to excuse the nonperformance and/or terminate the Agreement. If the Commissioner, in his or her reasonable discretion, determines that the Contractor cannot comply with the terms of the Agreement because of a Force Majeure Event, then the Commissioner shall excuse the nonperformance and may terminate the Agreement. Such a termination shall be deemed to be without cause.

F. If the City terminates the Agreement pursuant to this Section 10.04, the following provisions apply. The City shall not incur or pay any further obligation pursuant to this Agreement beyond the termination date. The City shall pay for services provided in accordance with this Agreement prior to the termination date. Any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of termination and falling due after the termination date shall be paid by the City in accordance with the terms of this Agreement. In no event shall such obligation be construed as including any lease or other occupancy agreement, oral or written, entered into between the Contractor and its landlord.

**Section 10.05 Procedures for Termination**

A. The Department and/or the City shall give the Contractor written notice of any termination of this Agreement. Such notice shall specify the applicable provision(s) under which the Agreement is terminated and the effective date of the termination. Except as otherwise provided in this Agreement, the notice shall comply with the provisions of this Section 10.05 and Section 14.04. For termination without cause, the effective date of the termination shall not be less than ten Days from the date the notice is personally delivered, or 15 Days from the date the notice is either sent by certified mail, return receipt requested, delivered by overnight or same day courier service in a properly addressed envelope with confirmation, or sent by email and, unless the receipt of the email is acknowledged by the recipient by email, deposited in a post office box regularly maintained by the United States Postal Service in a properly addressed postage pre-paid envelope. In the case of termination for default, the effective date of the termination shall be as set forth above for a termination without cause or such earlier date as the Commissioner may determine. If the City terminates the Agreement in part, the Contractor shall continue the performance of the Agreement to the extent not terminated.

B. Upon termination or expiration of this Agreement, the Contractor shall comply with the City close-out procedures, including but not limited to:

1. Accounting for and refunding to the Department, within 45 Days, any unexpended funds which have been advanced to the Contractor pursuant to this Agreement;
2. Furnishing within 45 Days an inventory to the Department of all equipment, appurtenances and property purchased through or provided under this Agreement and carrying out any Department or City directive concerning the disposition of such equipment, appurtenances and property;
3. Turning over to the Department or its designees all books, records, documents and material specifically relating to this Agreement that the Department has requested be turned over;
4. Submitting to the Department, within 90 Days, a final statement and report relating to the Agreement. The report shall be made by a certified public accountant or a licensed public accountant, unless the Department waives, in writing, the requirement that a certified public accountant or licensed public accountant make such report; and
5. Providing reasonable assistance to the Department in the transition, if any, to a new contractor.

**Section 10.06 Miscellaneous Provisions**

A. The Commissioner, in addition to any other powers set forth in this Agreement or by operation of Law, may suspend, in whole or in part, any part of the services to be provided under this Agreement whenever in his or her judgment such suspension is required in the best interest of the City. If the Commissioner suspends this Agreement pursuant to this Section 10.06, the City shall not incur or pay any further obligation pursuant to this Agreement beyond the suspension date until such suspension is lifted. The City shall pay for services provided in accordance with this Agreement prior to the suspension date. In addition, any obligation necessarily incurred by the Contractor on account of this Agreement prior to receipt of notice of suspension and falling due during the suspension period shall be paid by the City in accordance with the terms of this Agreement.

B. Notwithstanding any other provisions of this Agreement, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of the Contractor's breach of the Agreement, and the City may withhold payments to the Contractor for the purpose of set-off in the amount of damages due to the City from the Contractor.

C. The rights and remedies of the City provided in this Article 10 shall not be exclusive and are in addition to all other rights and remedies provided by Law or under this Agreement.

**Section 10.07 Liquidated Damages**

If Schedule A or any other part of this Agreement includes liquidated damages for failure to comply with a provision of this Agreement, the sum indicated is fixed and agreed as the liquidated damages that the City will suffer by reason of such noncompliance and not as a penalty.

**ARTICLE 11 - PROMPT PAYMENT AND ELECTRONIC FUNDS TRANSFER**

**Section 11.01 Prompt Payment**

A. The prompt payment provisions of PPB Rule § 4-06 are applicable to payments made under this Agreement. With some exceptions, the provisions generally require the payment to the Contractor of interest on payments made after the required payment date, as set forth in the PPB Rules.

B. The Contractor shall submit a proper invoice to receive payment, except where the Agreement provides that the Contractor will be paid at predetermined intervals without having to submit an invoice for each scheduled payment.

C. Determination of interest due will be made in accordance with the PPB Rules and the applicable rate of interest shall be the rate in effect at the time of payment.

**Section 11.02 Electronic Funds Transfer**

A. In accordance with Admin. Code § 6-107.1, the Contractor agrees to accept payments under this Agreement from the City by electronic funds transfer. An electronic funds transfer is any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument or computer or magnetic tape so as to order, instruct, or authorize a financial institution to debit or credit an account. Prior to the first payment made under this Agreement, the Contractor shall designate one financial institution or other authorized payment agent and shall complete the "EFT Vendor Payment Enrollment Form" available from the Agency or at <http://www.nyc.gov/dof> in order to provide the commissioner of the Department of Finance with information necessary for the Contractor to receive electronic funds transfer payments through the designated financial institution or authorized payment agent. The crediting of the amount of a payment to the appropriate account on the books of a financial institution or other authorized payment agent designated by the Contractor shall constitute full satisfaction by the City for the amount of the payment under this Agreement. The account information supplied by the Contractor to facilitate the electronic funds transfer shall remain confidential to the fullest extent provided by Law.

B. The Agency Head may waive the application of the requirements of this Section 11.02 to payments on contracts entered into pursuant to Charter § 315. In addition, the

commissioner of the Department of Finance and the Comptroller may jointly issue standards pursuant to which the Department may waive the requirements of this Section 11.02 for payments in the following circumstances: (i) for individuals or classes of individuals for whom compliance imposes a hardship; (ii) for classifications or types of checks; or (iii) in other circumstances as may be necessary in the best interest of the City.

- C. This Section 11.02 is applicable to contracts valued at \$25,000.00 and above.

## **ARTICLE 12 - CLAIMS**

### **Section 12.01 Choice of Law**

This Agreement shall be deemed to be executed in the City and State of New York, regardless of the domicile of the Contractor, and shall be governed by and construed in accordance with the Laws of the State of New York (notwithstanding New York choice of law or conflict of law principles) and the Laws of the United States, where applicable.

### **Section 12.02 Jurisdiction and Venue**

Subject to Section 12.03, the parties agree that any and all claims asserted by or against the City arising under or related to this Agreement shall solely be heard and determined either in the courts of the United States located in the City or in the courts of the State located in the City and County of New York. The parties shall consent to the dismissal and/or transfer of any claims asserted in any other venue or forum to the proper venue or forum. If the Contractor initiates any action in breach of this Section 12.02, the Contractor shall be responsible for and shall promptly reimburse the City for any attorneys' fees incurred by the City in removing the action to a proper court consistent with this Section 12.02.

### **Section 12.03 Resolution of Disputes**

A. Except as provided in Subparagraphs (A)(1) and (A)(2) below, all disputes between the City and the Contractor that arise under, or by virtue of, this Agreement shall be finally resolved in accordance with the provisions of this Section 12.03 and PPB Rule § 4-09. This procedure shall be the exclusive means of resolving any such disputes.

1. This Section 12.03 shall not apply to disputes concerning matters dealt with in other sections of the PPB Rules or to disputes involving patents, copyrights, trademarks, or trade secrets (as interpreted by the courts of New York State) relating to proprietary rights in computer software, or to termination other than for cause.

2. For construction and construction-related services this Section 12.03 shall apply only to disputes about the scope of work delineated by the Agreement, the interpretation of Agreement documents, the amount to be paid for extra work or disputed work performed in connection with the Agreement, the conformity of the Contractor's

work to the Agreement, and the acceptability and quality of the Contractor's work; such disputes arise when the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head makes a determination with which the Contractor disagrees. For construction, this Section 12.03 shall not apply to termination of the Agreement for cause or other than for cause.

B. All determinations required by this Section 12.03 shall be clearly stated, with a reasoned explanation for the determination based on the information and evidence presented to the party making the determination. Failure to make such determination within the time required by this Section 12.03 shall be deemed a non-determination without prejudice that will allow application to the next level.

C. During such time as any dispute is being presented, heard, and considered pursuant to this Section 12.03, the Agreement terms shall remain in full force and effect and, unless otherwise directed by the ACCO or Engineer, the Contractor shall continue to perform work in accordance with the Agreement and as directed by the ACCO or City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. Failure of the Contractor to continue the work as directed shall constitute a waiver by the Contractor of any and all claims being presented pursuant to this Section 12.03 and a material breach of contract.

D. Presentation of Dispute to Agency Head.

1. Notice of Dispute and Agency Response. The Contractor shall present its dispute in writing ("Notice of Dispute") to the Agency Head within the time specified herein, or, if no time is specified, within 30 Days of receiving written notice of the determination or action that is the subject of the dispute. This notice requirement shall not be read to replace any other notice requirements contained in the Agreement. The Notice of Dispute shall include all the facts, evidence, documents, or other basis upon which the Contractor relies in support of its position, as well as a detailed computation demonstrating how any amount of money claimed by the Contractor in the dispute was arrived at. Within 30 Days after receipt of the complete Notice of Dispute, the ACCO or, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, shall submit to the Agency Head all materials he or she deems pertinent to the dispute. Following initial submissions to the Agency Head, either party may demand of the other the production of any document or other material the demanding party believes may be relevant to the dispute. The requested party shall produce all relevant materials that are not otherwise protected by a legal privilege recognized by the courts of New York State. Any question of relevancy shall be determined by the Agency Head whose decision shall be final. Willful failure of the Contractor to produce any requested material whose relevancy the Contractor has not disputed, or whose relevancy has been affirmatively determined, shall constitute a waiver by the Contractor of its claim.

2. **Agency Head Inquiry.** The Agency Head shall examine the material and may, in his or her discretion, convene an informal conference with the Contractor and the ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, to resolve the issue by mutual consent prior to reaching a determination. The Agency Head may seek such technical or other expertise as he or she shall deem appropriate, including the use of neutral mediators, and require any such additional material from either or both parties as he or she deems fit. The Agency Head's ability to render, and the effect of, a decision hereunder shall not be impaired by any negotiations in connection with the dispute presented, whether or not the Agency Head participated therein. The Agency Head may or, at the request of any party to the dispute, shall compel the participation of any other contractor with a contract related to the work of this Agreement and that contractor shall be bound by the decision of the Agency Head. Any contractor thus brought into the dispute resolution proceeding shall have the same rights and obligations under this Section 12.03 as the Contractor initiating the dispute.

3. **Agency Head Determination.** Within 30 Days after the receipt of all materials and information, or such longer time as may be agreed to by the parties, the Agency Head shall make his or her determination and shall deliver or send a copy of such determination to the Contractor and ACCO and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head, together with a statement concerning how the decision may be appealed.

4. **Finality of Agency Head Decision.** The Agency Head's decision shall be final and binding on all parties, unless presented to the Contract Dispute Resolution Board ("CDRB") pursuant to this Section 12.03. The City may not take a petition to the CDRB. However, should the Contractor take such a petition, the City may seek, and the CDRB may render, a determination less favorable to the Contractor and more favorable to the City than the decision of the Agency Head.

E. **Presentation of Dispute to the Comptroller.** Before any dispute may be brought by the Contractor to the CDRB, the Contractor must first present its claim to the Comptroller for his or her review, investigation, and possible adjustment.

1. **Time, Form, and Content of Notice.** Within 30 Days of receipt of a decision by the Agency Head, the Contractor shall submit to the Comptroller and to the Agency Head a Notice of Claim regarding its dispute with the Agency. The Notice of Claim shall consist of (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed and the reason(s) the Contractor contends the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; and (iii) a copy of all materials submitted by the Contractor to the Agency, including the Notice of Dispute. The Contractor may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

2. Agency Response. Within 30 Days of receipt of the Notice of Claim, the Agency shall make available to the Comptroller a copy of all material submitted by the Agency to the Agency Head in connection with the dispute. The Agency may not present to the Comptroller any material not presented to the Agency Head, except at the request of the Comptroller.

3. Comptroller Investigation. The Comptroller may investigate the claim in dispute and, in the course of such investigation, may exercise all powers provided in Admin. Code §§ 7-201 and 7-203. In addition, the Comptroller may demand of either party, and such party shall provide, whatever additional material the Comptroller deems pertinent to the claim, including original business records of the Contractor. Willful failure of the Contractor to produce within 15 Days any material requested by the Comptroller shall constitute a waiver by the Contractor of its claim. The Comptroller may also schedule an informal conference to be attended by the Contractor, Agency representatives, and any other personnel desired by the Comptroller.

4. Opportunity of Comptroller to Compromise or Adjust Claim. The Comptroller shall have 45 Days from his or her receipt of all materials referred to in Paragraph (E)(3) above to investigate the disputed claim. The period for investigation and compromise may be further extended by agreement between the Contractor and the Comptroller, to a maximum of 90 Days from the Comptroller's receipt of all the materials. The Contractor may not present its petition to the CDRB until the period for investigation and compromise delineated in this Paragraph has expired. In compromising or adjusting any claim hereunder, the Comptroller may not revise or disregard the terms of the Agreement.

F. Contract Dispute Resolution Board. There shall be a Contract Dispute Resolution Board composed of:

1. the chief administrative law judge of the Office of Administrative Trials and Hearings ("OATH") or his or her designated OATH administrative law judge, who shall act as chairperson, and may adopt operational procedures and issue such orders consistent with this Section 12.03 as may be necessary in the execution of the CDRB's functions, including, but not limited to, granting extensions of time to present or respond to submissions;

2. the City Chief Procurement Officer ("CCPO") or his or her designee; any designee shall have the requisite background to consider and resolve the merits of the dispute and shall not have participated personally and substantially in the particular matter that is the subject of the dispute or report to anyone who so participated; and

3. a person with appropriate expertise who is not an employee of the City. This person shall be selected by the presiding administrative law judge from a prequalified panel of individuals, established, and administered by OATH, with appropriate background to act as decision-makers in a dispute. Such individuals may not

have a contract or dispute with the City or be an officer or employee of any company or organization that does, or regularly represent persons, companies, or organizations having disputes with the City.

G. Petition to CDRB. In the event the claim has not been settled or adjusted by the Comptroller within the period provided in this Section 12.03, the Contractor, within thirty (30) Days thereafter, may petition the CDRB to review the Agency Head determination.

1. Form and Content of Petition by the Contractor. The Contractor shall present its dispute to the CDRB in the form of a petition, which shall include (i) a brief statement of the substance of the dispute, the amount of money, if any, claimed, and the reason(s) the Contractor contends that the dispute was wrongly decided by the Agency Head; (ii) a copy of the decision of the Agency Head; (iii) copies of all materials submitted by the Contractor to the Agency; (iv) a copy of the decision of the Comptroller, if any, and (v) copies of all correspondence with, and material submitted by the Contractor to, the Comptroller's Office. The Contractor shall concurrently submit four complete sets of the petition: one to the Corporation Counsel (Attn: Commercial and Real Estate Litigation Division), and three to the CDRB at OATH's offices, with proof of service on the Corporation Counsel. In addition, the Contractor shall submit a copy of the statement of the substance of the dispute, cited in (i) above, to both the Agency Head and the Comptroller.

2. Agency Response. Within 30 Days of receipt of the petition by the Corporation Counsel, the Agency shall respond to the statement of the Contractor and make available to the CDRB all material it submitted to the Agency Head and Comptroller. Three complete copies of the Agency response shall be submitted to the CDRB at OATH's offices and one to the Contractor. Extensions of time for submittal of the Agency response shall be given as necessary upon a showing of good cause or, upon the consent of the parties, for an initial period of up to 30 Days.

3. Further Proceedings. The CDRB shall permit the Contractor to present its case by submission of memoranda, briefs, and oral argument. The CDRB shall also permit the Agency to present its case in response to the Contractor by submission of memoranda, briefs, and oral argument. If requested by the Corporation Counsel, the Comptroller shall provide reasonable assistance in the preparation of the Agency's case. Neither the Contractor nor the Agency may support its case with any documentation or other material that was not considered by the Comptroller, unless requested by the CDRB. The CDRB, in its discretion, may seek such technical or other expert advice as it shall deem appropriate and may seek, on its own or upon application of a party, any such additional material from any party as it deems fit. The CDRB, in its discretion, may combine more than one dispute between the parties for concurrent resolution.

4. CDRB Determination. Within 45 Days of the conclusion of all submissions and oral arguments, the CDRB shall render a decision resolving the dispute. In an unusually complex case, the CDRB may render its decision in a longer period of

time, not to exceed 90 Days, and shall so advise the parties at the commencement of this period. The CDRB's decision must be consistent with the terms of this Agreement. Decisions of the CDRB shall only resolve matters before the CDRB and shall not have precedential effect with respect to matters not before the CDRB.

5. Notification of CDRB Decision. The CDRB shall send a copy of its decision to the Contractor, the ACCO, the Corporation Counsel, the Comptroller, the CCPO, and, in the case of construction or construction-related services, the City Engineer, City Resident Engineer, City Engineering Audit Officer, or other designee of the Agency Head. A decision in favor of the Contractor shall be subject to the prompt payment provisions of the PPB Rules. The required payment date shall be 30 Days after the date the parties are formally notified of the CDRB's decision.

6. Finality of CDRB Decision. The CDRB's decision shall be final and binding on all parties. Any party may seek review of the CDRB's decision solely in the form of a challenge, filed within four months of the date of the CDRB's decision, in a court of competent jurisdiction of the State of New York, County of New York pursuant to Article 78 of the Civil Practice Law and Rules. Such review by the court shall be limited to the question of whether or not the CDRB's decision was made in violation of lawful procedure, was affected by an error of Law, or was arbitrary and capricious or an abuse of discretion. No evidence or information shall be introduced or relied upon in such proceeding that was not presented to the CDRB in accordance with PPB Rules § 4-09.

H. Any termination, cancellation, or alleged breach of the Agreement prior to or during the pendency of any proceedings pursuant to this Section 12.03 shall not affect or impair the ability of the Agency Head or CDRB to make a binding and final decision pursuant to this Section 12.03.

#### **Section 12.04 Claims and Actions**

A. Any claim, that is not subject to dispute resolution under the PPB Rules or this Agreement, against the City for damages for breach of contract shall not be made or asserted in any action, unless the Contractor shall have strictly complied with all requirements relating to the giving of notice and of information with respect to such claims, as provided in this Agreement.

B. No action shall be instituted or maintained on any such claims unless such action shall be commenced within six months after the final payment under this Agreement, or within six months of the termination or expiration of this Agreement, or within six months after the accrual of the cause of action, whichever first occurs.

#### **Section 12.05 No Claim Against Officials, Agents, or Employees**

No claim shall be made by the Contractor against any official, agent, or employee of the City in their personal capacity for, or on account of, anything done or omitted in connection with this Agreement.

**Section 12.06 General Release**

The acceptance by the Contractor or its assignees of the final payment under this Agreement, whether by check, wire transfer, or other means, and whether pursuant to invoice, voucher, judgment of any court of competent jurisdiction or any other administrative means, shall constitute and operate as a release of the City from any and all claims of and liability to the Contractor, of which the Contractor was aware or should reasonably have been aware, arising out of the performance of this Agreement based on actions of the City prior to such acceptance of final payment, excepting any disputes that are the subject of pending dispute resolution procedures.

**Section 12.07 No Waiver**

Waiver by either the Department or the Contractor of a breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless and until the same shall be agreed to in writing by the parties as set forth in Section 9.01.

**ARTICLE 13 - APPLICABLE LAWS**

**Section 13.01 PPB Rules**

This Agreement is subject to the PPB Rules. If there is a conflict between the PPB Rules and a provision of this Agreement, the PPB Rules shall take precedence.

**Section 13.02 All Legal Provisions Deemed Included**

Each and every provision required by Law to be inserted in this Agreement is hereby deemed to be a part of this Agreement, whether actually inserted or not.

**Section 13.03 Severability / Unlawful Provisions Deemed Stricken**

If this Agreement contains any unlawful provision not an essential part of the Agreement and which shall not appear to have been a controlling or material inducement to the making of this Agreement, the unlawful provision shall be deemed of no effect and shall, upon notice by either party, be deemed stricken from the Agreement without affecting the binding force of the remainder.

**Section 13.04 Compliance With Laws**

The Contractor shall perform all services under this Agreement in accordance with all applicable Laws as are in effect at the time such services are performed.

**Section 13.05 Unlawful Discrimination in the Provision of Services**

A. *Discrimination in Public Accommodations.* With respect to services provided under this Agreement, the Contractor shall not unlawfully discriminate against any person because of actual or perceived age, religion, creed, sex, gender, gender identity or gender expression, sexual orientation, partnership status, marital status, disability, presence of a service animal, race, color, national origin, alienage, citizenship status, or military status, or any other class of individuals protected from discrimination in public accommodations by City, State or Federal laws, rules or regulations. The Contractor shall comply with all statutory and regulatory obligations to provide reasonable accommodations to individuals with disabilities.

B. *Discrimination in Housing Accommodations.* With respect to services provided under this Agreement, the Contractor shall not unlawfully discriminate against any person because of actual or perceived age, religion, creed, sex, gender, gender identity or gender expression, sexual orientation, status as a victim of domestic violence, stalking, and sex offenses, partnership status, marital status, presence of children, disability, presence of a service or emotional support animal, race, color, national origin, alienage or citizenship status, lawful occupation, or lawful source of income (including income derived from social security, or any form of federal, state, or local public government assistance or housing assistance including Section 8 vouchers), or any other class of individuals protected from discrimination in housing accommodations by City, State or Federal laws, rules or regulations. The Contractor shall comply with all statutory and regulatory obligations to provide reasonable accommodations to individuals with disabilities.

C. *Admin. Code § 6-123.* In accordance with Admin. Code § 6-123, the Contractor will not engage in any unlawful discriminatory practice as defined in and pursuant to the terms of Title 8 of the Admin. Code. The Contractor shall include a provision in any agreement with a first-level subcontractor performing services under this Agreement for an amount in excess of \$50,000.00 that such subcontractor shall not engage in any such unlawful discriminatory practice.

D. *Immigration status.* In connection with the services provided under this Agreement, the Contractor shall not inquire about the immigration status of a recipient or potential recipient of such services unless (i) it is necessary for the determination of program, service or benefit eligibility or the provision of City services or (ii) the Contractor is required by law to inquire about such person's immigration status.

**Section 13.05 Americans with Disabilities Act (ADA)**

A. This Agreement is subject to the provisions of Subtitle A of Title II of the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12131 *et seq.* ("ADA") and regulations promulgated pursuant thereto, see 28 CFR Part 35. The Contractor shall not discriminate against an individual with a disability, as defined in the ADA, in providing services, programs, or activities pursuant to this Agreement. If directed to do so by the Department to ensure the

Contractor's compliance with the ADA during the term of this Agreement, the Contractor shall prepare a plan ("Compliance Plan") which lists its program site(s) and describes in detail, how it intends to make the services, programs and activities set forth in the scope of services herein readily accessible and usable by individuals with disabilities at such site(s). If the program site is not readily accessible and usable by individuals with disabilities, contractor shall also include in the Compliance Plan, a description of reasonable alternative means and methods that result in making the services, programs or activities provided under this Agreement, readily accessible to and usable by individuals with disabilities, including but not limited to people with visual, auditory or mobility disabilities. The Contractor shall submit the Compliance Plan to the ACCO for review within ten Days after being directed to do so and shall abide by the Compliance Plan and implement any action detailed in the Compliance Plan to make the services, programs, or activities accessible and usable by the disabled.

B. The Contractor's failure to either submit a Compliance Plan as required herein or implement an approved Compliance Plan may be deemed a material breach of this Agreement and result in the City terminating this Agreement.

### **Section 13.06 Voter Registration**

A. *Participating Agencies.* Pursuant to Charter § 1057-a, if this Agreement is made by and through a participating City agency and the Contractor has regular contact with the public in the daily administration of its business, the Contractor must comply with the requirements of this Section 13.06. The participating City agencies are: the Administration for Children's Services; the City Clerk; the Civilian Complaint Review Board; the Commission on Human Rights; Community Boards; SBS; the Department of Citywide Administrative Services; the Department of Consumer Affairs; the Department of Correction; the Department of Environmental Protection; the Department of Finance; the Department of Health and Mental Hygiene; the Department of Homeless Services; the Department of Housing Preservation and Development; the Department of Parks and Recreation; the Department of Probation; the Taxi and Limousine Commission; the Department of Transportation; and the Department of Youth and Community Development.

Such voter registration forms shall be provided to the Contractor by the City. The Contractor should be prepared to provide forms written in Spanish or Chinese, and shall obtain a sufficient supply of such forms from the City.

2. The Contractor shall also include a voter registration form with any Contractor communication sent through the United States mail for the purpose of

supplying clients with materials for application, renewal, or recertification for services and change of address relating to such services. If forms written in Spanish or Chinese are not provided in such mailing, the Contractor shall provide such forms upon the Department's request.

3. The Contractor shall, subject to approval by the Department, incorporate an opportunity to request a voter registration application into any application for services, renewal, or recertification for services and change of address relating to such services provided on computer terminals, the World Wide Web or the Internet. Any person indicating that they wish to be sent a voter registration form via computer terminals, the World Wide Web or the Internet shall be sent such a form by the Contractor or be directed, in a manner subject to approval by the Department, to a link on that system where such a form may be downloaded.

4. The Contractor shall, at the earliest practicable or next regularly scheduled printing of its own forms, subject to approval by the Department, physically incorporate the voter registration forms with its own application forms in a manner that permits the voter registration portion to be detached therefrom. Until such time when the Contractor amends its form, the Contractor should affix or include a postage-paid City Board of Elections voter registration form to or with its application, renewal, recertification, and change of address forms.

2. In the event the Department receives and transmits completed registration forms from applicants who wish to have the forms transmitted to the City Board of Elections, the Contractor shall similarly provide such service, in the manner and to the extent specified by the Department.

If, in connection with the provision of services under this Agreement, the Contractor intends to provide assistance in completing distributed voter registration forms or to receive and transmit completed registration forms from applicants who wish to have the forms transmitted to the City Board of Elections, the Contractor shall do so only by prior arrangement with the Department.

4. The provision of Paragraph B services by the Contractor may be subject to Department protocols, including protocols regarding confidentiality.

D. *Required Statements.* In accordance with Charter § 1057-a, the Contractor hereby agrees as follows:

2. No statement shall be made and no action shall be taken by the Contractor or an employee of the Contractor to discourage an applicant from registering to vote or to encourage or discourage an applicant from enrolling in any particular political party.

3. The Contractor shall communicate to applicants that the completion of voter registration forms is voluntary.

4. The Contractor and the Contractor's employees shall not:

a. seek to influence an applicant's political preference or party designation;

b. display any political preference or party allegiance;

c. make any statement to an applicant or take any action the purpose or effect of which is to discourage the applicant from registering to vote; or

d. make any statement to an applicant or take any action the purpose or effect of which is to lead the applicant to believe that a decision to register or not to register has any bearing on the availability of services or benefits.

E. The Contractor, as defined above and in this Agreement, agrees that the covenants and representations in this Section 13.06 are material conditions of this Agreement.

F. The provisions of this Section 13.06 do not apply where the services under this Agreement are supported by a federal or State grant of funds and the source of funds prohibits the use of federal or State funds for the purposes of this Section.

**Section 13.07 Political Activity**

The Contractor's provision of services under this Agreement shall not include any partisan political activity or any activity to further the election or defeat of any candidate for public, political, or party office, nor shall any of the funds provided under this Agreement be used for such purposes.

The Contractor agrees that neither the Contractor nor any substantially-owned affiliated company is participating or shall participate in an international boycott in violation of the provisions of the federal Export Administration Act of 1979, as amended, 50 U.S.C. Appendix. §§ 2401 *et seq.*, or the regulations of the United States Department of Commerce promulgated thereunder.

B. Upon the final determination by the Commerce Department or any other agency of the United States as to, or conviction of, the Contractor or a substantially-owned affiliated company thereof, of participation in an international boycott in violation of the provisions of the Export Administration Act of 1979, as amended, or the regulations promulgated thereunder, the Comptroller may, at his or her option, render forfeit and void this Agreement.

C. The Contractor shall comply in all respects, with the provisions of Admin. Code § 6-114 and the rules issued by the Comptroller thereunder.

**Section 13.10 MacBride Principles**

A. In accordance with and to the extent required by Admin. **ARTICLE I. M/WBE PROGRAM**

Section 6-129 of the Administrative Code of the City of New York (“Section 6-129”) establishes the program for participation in City procurement (“M/WBE Program”) by minority-owned business enterprises (“MBEs”) and women-owned business enterprises (“WBEs”), certified in accordance with Section 1304 of the New York City Charter. As stated in Section 6-129, the intent of the program is to address the impact of discrimination on the City’s procurement process, and to promote the public interest in avoiding fraud and favoritism in the procurement process, increasing competition for City business, and lowering contract costs. The contract provisions contained herein are pursuant to Section 6-129, and the rules of the Department of Small Business Services (“DSBS”) promulgated thereunder.

**If this Contract is subject to the M/WBE Program established by Section 6-129, the specific requirements of MBE and/or WBE participation for this Contract are set forth in Schedule B of the Contract (entitled the “M/WBE Utilization Plan”) and are detailed below. Contracts solicited through the Procurement and Sourcing Solutions Portal (PASSPort) will contain a Schedule B in the format outlined in the Schedule B – M/WBE Utilization Plan & PASSPort rider. The provisions of this notice will apply to contracts subject to the M/WBE Program established by Section 6-129 regardless of solicitation source.**

**The Contractor must comply with all applicable MBE and WBE requirements for this Contract.**

All provisions of Section 6-129 are hereby incorporated in the Contract by reference and all terms used herein that are not defined herein shall have the meanings given such terms in Section 6-129.

References to MBEs or WBEs shall also include such businesses certified pursuant to the executive law where credit is required by section 311 of the New York City Charter or other provision of law.

Article I, Part A, below, sets forth provisions related to the participation goals for construction, standard and professional services contracts.

Article I, Part B, below, sets forth miscellaneous provisions related to the M/WBE Program.

**PART A**

**PARTICIPATION GOALS FOR CONSTRUCTION, STANDARD  
AND PROFESSIONAL SERVICES CONTRACTS OR TASK ORDERS**

1. The **MBE and/or WBE Participation Goals** established for this Contract or Task Orders issued pursuant to this Contract, (“**Participation Goals**”), as applicable, are set forth on Schedule B, Part 1 to this Contract (see Page 1, Line 1 Total Participation Goals) or will be set forth on Schedule B, Part 1 to Task Orders issued pursuant to this Contract, as applicable.

The **Participation Goals** represent a percentage of the total dollar value of the Contract or Task Order, as applicable, that may be achieved by awarding subcontracts to firms certified with DSBS as MBEs and/or WBEs, and/or by crediting the participation of prime contractors and/or qualified joint ventures as provided in Section 3 below, unless the goals have been waived or modified by Agency in accordance with Section 6-129 and Part A, Sections 10 and 11 below, respectively.

2. If **Participation Goals** have been established for this Contract or Task Orders issued pursuant to this Contract, Contractor agrees or shall agree as a material term of the Contract that Contractor shall be subject to the **Participation Goals**, unless the goals are waived or modified by Agency in accordance with Section 6-129 and Part A, Sections 10 and 11 below, respectively.

3. If **Participation Goals** have been established for this Contract or Task Order issued pursuant to this Contract, a Contractor that is an MBE and/or WBE shall be permitted to count its own participation toward fulfillment of the relevant **Participation Goal**, provided that in accordance with Section 6-129 the value of Contractor’s participation shall be determined by subtracting from the total value of the Contract or Task Order, as applicable, any amounts that the Contractor pays to direct subcontractors (as defined in Section 6-129(c)(13)), and provided further that a Contractor that is certified as both an MBE and a WBE may count its own participation either toward the goal for MBEs or the goal for WBEs, but not both.

A Contractor that is a qualified joint venture (as defined in Section 6-129(c)(30)) shall be permitted to count a percentage of its own participation toward fulfillment of the relevant **Participation Goal**. In accordance with Section 6-129, the value of Contractor’s participation shall be determined by subtracting from the total value of the Contract or Task Order, as applicable, any amounts that Contractor pays to direct subcontractors, and then multiplying the remainder by the percentage to be applied to total profit to determine the amount to which an MBE or WBE is entitled pursuant to the joint venture agreement, provided that where a participant in a joint venture is certified as both an MBE and a WBE, such amount shall be counted either toward the goal for MBEs or the goal for WBEs, but not both.

4. A. If **Participation Goals** have been established for this Contract, a prospective contractor shall be required to submit with its bid or proposal, as applicable, a completed Schedule B, M/WBE Utilization Plan, Part 2 (see Pages1-2) indicating: (a) whether the contractor is an MBE or WBE, or qualified joint venture; (b) the percentage of work it intends to award to direct subcontractors; (c) in cases where the contractor intends to award direct subcontracts, a description of the type and dollar value of work designated for participation by

MBEs and/or WBEs, and the time frames in which such work is scheduled to begin and end; as well as the name, addresses, and telephone numbers of the M/WBE subcontractors if required by the solicitation; and (d) the prospective contractor's required certification and affirmations. In the event that this M/WBE Utilization Plan indicates that the bidder or proposer, as applicable, does not intend to meet the **Participation Goals**, the bid or proposal, as applicable, shall be deemed non-responsive, unless Agency has granted the bidder or proposer, as applicable, a pre-award waiver of the **Participation Goals** in accordance with Section 6-129 and Part A, Section 10 below.

B. (i) If this Contract is for a master services agreement or other requirements type contract that will result in the issuance of Task Orders that will be individually registered ("Master Services Agreement") and is subject to M/WBE **Participation Goals**, a prospective contractor shall be required to submit with its bid or proposal, as applicable, a completed Schedule B, M/WBE Participation Requirements for Master Services Agreements That Will Require Individually Registered Task Orders, Part 2 (page 2) indicating the prospective contractor's certification and required affirmations to make all reasonable good faith efforts to meet participation goals established on each individual Task Order issued pursuant to this Contract, or if a partial waiver is obtained or such goals are modified by the Agency, to meet the modified **Participation Goals** by soliciting and obtaining the participation of certified MBE and/or WBE firms. In the event that the Schedule B indicates that the bidder or proposer, as applicable, does not intend to meet the **Participation Goals** that may be established on Task Orders issued pursuant to this Contract, the bid or proposal, as applicable, shall be deemed non-responsive.

(ii) **Participation Goals** on a Master Services Agreement will be established for individual Task Orders issued after the Master Services Agreement is awarded. If **Participation Goals** have been established on a Task Order, a contractor shall be required to submit a Schedule B – M/WBE Utilization Plan For Independently Registered Task Orders That Are Issued Pursuant to Master Services Agreements, Part 2 (see Pages 1-2) indicating: (a) whether the contractor is an MBE or WBE, or qualified joint venture; (b) the percentage of work it intends to award to direct subcontractors; (c) in cases where the contractor intends to award direct subcontracts, a description of the type and dollar value of work designated for participation by MBEs and/or WBEs, and the time frames in which such work is scheduled to begin and end; as well as the name, addresses, and telephone numbers of the M/WBE subcontractors if required by the solicitation; and (d) the prospective contractor's required certification and affirmations. The contractor must engage in good faith efforts to meet the **Participation Goals** as established for the Task Order unless Agency has granted the contractor a pre-award waiver of the **Participation Goals** in accordance with Section 6-129 and Part A, Section 10 below.

**C. THE BIDDER/PROPOSER MUST COMPLETE THE SCHEDULE B INCLUDED HEREIN (SCHEDULE B, PART 2). A SCHEDULE B SUBMITTED BY THE BIDDER/PROPOSER WHICH DOES NOT INCLUDE THE VENDOR CERTIFICATION AND REQUIRED AFFIRMATIONS WILL BE DEEMED TO BE NON-RESPONSIVE, UNLESS A FULL WAIVER OF THE PARTICIPATION GOALS IS GRANTED (SCHEDULE B, PART 3). IN THE EVENT THAT THE CITY DETERMINES THAT THE BIDDER/PROPOSER HAS SUBMITTED A SCHEDULE B WHERE THE VENDOR CERTIFICATION AND REQUIRED AFFIRMATIONS ARE COMPLETED BUT OTHER ASPECTS OF THE SCHEDULE B ARE NOT COMPLETE, OR CONTAIN A COPY OR COMPUTATION ERROR THAT IS AT ODDS WITH THE**

**VENDOR CERTIFICATION AND AFFIRMATIONS, THE BIDDER/PROPOSER WILL BE NOTIFIED BY THE AGENCY AND WILL BE GIVEN FOUR (4) CALENDAR DAYS FROM RECEIPT OF NOTIFICATION TO CURE THE SPECIFIED DEFICIENCIES AND RETURN A COMPLETED SCHEDULE B TO THE AGENCY. FAILURE TO DO SO WILL RESULT IN A DETERMINATION THAT THE BID/PROPOSAL IS NON-RESPONSIVE. RECEIPT OF NOTIFICATION IS DEFINED AS THE DATE NOTICE IS E-MAILED OR FAXED (IF THE BIDDER/PROPOSER HAS PROVIDED AN E-MAIL ADDRESS OR FAX NUMBER), OR NO LATER THAN FIVE (5) CALENDAR DAYS FROM THE DATE OF MAILING OR UPON DELIVERY, IF DELIVERED.**

5. Where an **M/WBE** Utilization Plan has been submitted, the Contractor shall, within 30 days of issuance by Agency of a notice to proceed, submit a list of proposed persons or entities to which it intends to award subcontracts within the subsequent 12 months. In the case of multi-year contracts, such list shall also be submitted every year thereafter. The Agency may also require the Contractor to report periodically about the contracts awarded by its direct subcontractors to indirect subcontractors (as defined in Section 6-129(c)(22)). **PLEASE NOTE: If this Contract is a public works project subject to GML §101(5) (i.e., a contract valued at or below \$3M for projects in New York City) or if the Contract is subject to a project labor agreement in accordance with Labor Law §222, and the bidder is required to identify at the time of bid submission its intended subcontractors for the Wicks trades (plumbing and gas fitting; steam heating, hot water heating, ventilating and air conditioning (HVAC); and electric wiring), the Contractor must identify all those to which it intends to award construction subcontracts for any portion of the Wicks trade work at the time of bid submission, regardless of what point in the life of the contract such subcontracts will occur. In identifying intended subcontractors in the bid submission, bidders may satisfy any Participation Goals established for this Contract by proposing one or more subcontractors that are MBEs and/or WBEs for any portion of the Wicks trade work.** In the event that the Contractor's selection of a subcontractor is disapproved, the Contractor shall have a reasonable time to propose alternate subcontractors.

6. MBE and WBE firms must be certified by DSBS in order for the Contractor to credit such firms' participation toward the attainment of the **Participation Goals**. Such certification must occur prior to the firms' commencement of work. A list of city-certified MBE and WBE firms may be obtained from the DSBS website at [www.nyc.gov/buycertified](http://www.nyc.gov/buycertified), by emailing DSBS at [buyer@sbs.nyc.gov](mailto:buyer@sbs.nyc.gov), by calling (212) 513-6451, or by visiting or writing DSBS at One Liberty Plaza, New York, New York, 10006, 11<sup>th</sup> floor. Eligible firms that have not yet been certified may contact DSBS in order to seek certification by visiting [www.nyc.gov/getcertified](http://www.nyc.gov/getcertified), emailing [MWBE@sbs.nyc.gov](mailto:MWBE@sbs.nyc.gov), or calling the DSBS certification helpline at (212) 513-6311. A firm that is certified as both an MBE and a WBE may be counted either toward the goal for MBEs or the goal for WBEs, but not both. No credit shall be given for participation by a graduate MBE or graduate WBE, as defined in Section 6-129(c)(20).

7. Where an **M/WBE** Utilization Plan has been submitted, the Contractor shall, with each voucher for payment, and/or periodically as Agency may require, submit statements, certified under penalty of perjury, which shall include, but not be limited to,: the total amount the Contractor paid to its direct subcontractors, and, where applicable pursuant to Section 6-129(j), the total amount direct subcontractors paid to indirect subcontractors; the names, addresses and contact numbers of each MBE or WBE hired as a subcontractor by the Contractor, and, where

applicable, hired by any of the Contractor's direct subcontractors; and the dates and amounts paid to each MBE or WBE. The Contractor shall also submit, along with its voucher for final payment: the total amount it paid to subcontractors, and, where applicable pursuant to Section 6-129(j), the total amount its direct subcontractors paid directly to their indirect subcontractors; and a final list, certified under penalty of perjury, which shall include the name, address and contact information of each subcontractor that is an MBE or WBE, the work performed by, and the dates and amounts paid to each.

8. If payments made to, or work performed by, MBEs or WBEs are less than the amount specified in the Contractor's **M/WBE Utilization Plan**, Agency shall take appropriate action, in accordance with Section 6-129 and Article II below, unless the Contractor has obtained a modification of its **M/WBE Utilization Plan** in accordance with Section 6-129 and Part A, Section 11 below.

9. Where an **M/WBE Utilization Plan** has been submitted, and the Contractor requests a change order the value of which exceeds the greater of 10 percent of the Contract or Task Order, as applicable, or \$500,000, Agency shall review the scope of work for the Contract or Task Order, as applicable, and the scale and types of work involved in the change order, and determine whether the **Participation Goals** should be modified.

10. Pre-award waiver of **the Participation Goals**. (a) A bidder or proposer, or contractor with respect to a Task Order, may seek a pre-award full or partial waiver of the Participation Goals in accordance with Section 6-129, which requests that Agency change one or more **Participation Goals** on the grounds that the **Participation Goals** are unreasonable in light of the availability of certified firms to perform the services required, or by demonstrating that it has legitimate business reasons for proposing a lower level of subcontracting in its M/WBE Utilization Plan.

(b) To apply for a full or partial waiver of the **Participation Goals**, a bidder, proposer, or contractor, as applicable, must complete Part 3 of Schedule B **and submit such request no later than seven (7) calendar days prior to the date and time the bids, proposals, or Task Orders are due, in writing to the Agency Contact Person listed in Schedule B, Part 1. Full or partial waiver requests that are received later than seven (7) calendar days prior to the date and time the bids, proposals, or Task Orders are due may be rejected as untimely.** Bidders, proposers, or contractors, as applicable, who have submitted timely requests will receive an Agency response by no later than two (2) calendar days prior to the due date for bids, proposals, or Task Orders; provided, however, that if that date would fall on a weekend or holiday, an Agency response will be provided by close-of-business on the business day before such weekend or holiday date.

(c) If the Agency determines that the **Participation Goals** are unreasonable in light of the availability of certified firms to perform the services required, it shall revise the solicitation and extend the deadline for bids and proposals, or revise the Task Order, as applicable.

(d) Agency may grant a full or partial waiver of the **Participation Goals** to a bidder, proposer or contractor, as applicable, who demonstrates—before submission of the bid, proposal or Task Order, as applicable—that it has legitimate business reasons for proposing the level of

subcontracting in its **M/WBE** Utilization Plan. In making its determination, Agency shall consider factors that shall include, but not be limited to, whether the bidder, proposer or contractor, as applicable, has the capacity and the bona fide intention to perform the Contract without any subcontracting, or to perform the Contract without awarding the amount of subcontracts represented by the **Participation Goals**. In making such determination, Agency may consider whether the **M/WBE** Utilization Plan is consistent with past subcontracting practices of the bidder, proposer or contractor, as applicable, whether the bidder, proposer or contractor, as applicable, has made efforts to form a joint venture with a certified firm, and whether the bidder, proposer, or contractor, as applicable, has made good faith efforts to identify other portions of the Contract that it intends to subcontract.

11. Modification of **M/WBE** Utilization Plan. (a) A Contractor may request a modification of its **M/WBE** Utilization Plan after award of this Contract. **PLEASE NOTE: If this Contract is a public works project subject to GML §101(5) (i.e., a contract valued at or below \$3M for projects in New York City) or if the Contract is subject to a project labor agreement in accordance with Labor Law §222, and the bidder is required to identify at the time of bid submission its intended subcontractors for the Wicks trades (plumbing and gas fitting; steam heating, hot water heating, ventilating and air conditioning (HVAC); and electric wiring), the Contractor may request a Modification of its M/WBE Utilization Plan as part of its bid submission.** The Agency may grant a request for Modification of a Contractor's **M/WBE** Utilization Plan if it determines that the Contractor has established, with appropriate documentary and other evidence, that it made reasonable, good faith efforts to meet the **Participation Goals**. In making such determination, Agency shall consider evidence of the following efforts, as applicable, along with any other relevant factors:

(i) The Contractor advertised opportunities to participate in the Contract, where appropriate, in general circulation media, trade and professional association publications and small business media, and publications of minority and women's business organizations;

(ii) The Contractor provided notice of specific opportunities to participate in the Contract, in a timely manner, to minority and women's business organizations;

(iii) The Contractor sent written notices, by certified mail or facsimile, in a timely manner, to advise MBEs or WBEs that their interest in the Contract was solicited;

(iv) The Contractor made efforts to identify portions of the work that could be substituted for portions originally designated for participation by MBEs and/or WBEs in the **M/WBE** Utilization Plan, and for which the Contractor claims an inability to retain MBEs or WBEs;

(v) The Contractor held meetings with MBEs and/or WBEs prior to the date their bids or proposals were due, for the purpose of explaining in detail the scope and requirements of the work for which their bids or proposals were solicited;

(vi) The Contractor made efforts to negotiate with MBEs and/or WBEs as relevant to perform specific subcontracts, or act as suppliers or service providers;

(vii) Timely written requests for assistance made by the Contractor to Agency's M/WBE liaison officer and to DSBS;

(viii) Description of how recommendations made by DSBS and Agency were acted upon and an explanation of why action upon such recommendations did not lead to the desired level of participation of MBEs and/or WBEs.

Agency's M/WBE officer shall provide written notice to the Contractor of the determination.

(b) The Agency may modify the **Participation Goals** when the scope of the work has been changed by the Agency in a manner that affects the scale and types of work that the Contractor indicated in its **M/WBE Utilization Plan** would be awarded to subcontractors.

12. If the Contractor was required to identify in its bid or proposal the MBEs and/or WBEs they intended to use in connection with the performance of the Contract or Task Order, substitutions to the identified firms may only be made with the approval of the Agency, which shall only be given when the Contractor has proposed to use a firm that would satisfy the **Participation Goals** to the same extent as the firm previously identified, unless the Agency determines that the Contractor has established, with appropriate documentary and other evidence, that it made reasonable, good faith efforts. In making such determination, the Agency shall require evidence of the efforts listed in Section 11(a) above, as applicable, along with any other relevant factors.

13. If this Contract is for an indefinite quantity of construction, standard or professional services or is a requirements type contract and the Contractor has submitted an **M/WBE Utilization Plan** and has committed to subcontract work to MBEs and/or WBEs in order to meet the **Participation Goals**, the Contractor will not be deemed in violation of the M/WBE Program requirements for this Contract with regard to any work which was intended to be subcontracted to an MBE and/or WBE to the extent that the Agency has determined that such work is not needed.

14. If **Participation Goals** have been established for this Contract or a Task Order issued pursuant to this Contract, at least once annually during the term of the Contract or Task Order, as applicable, Agency shall review the Contractor's progress toward attainment of its **M/WBE Utilization Plan**, including but not limited to, by reviewing the percentage of work the Contractor has actually awarded to MBE and/or WBE subcontractors and the payments the Contractor made to such subcontractors.

15. If **Participation Goals** have been established for this Contract or a Task Order issued pursuant to this Contract, Agency shall evaluate and assess the Contractor's performance in meeting those goals, and such evaluation and assessment shall become part of the Contractor's overall contract performance evaluation.

**PART B**

**MISCELLANEOUS**

1. The Contractor shall take notice that, if this solicitation requires the establishment of a **M/WBE** Utilization Plan, the resulting contract may be audited by DSBS to determine compliance with Section 6-129. See §6-129(e)(10). Furthermore, such resulting contract may also be examined by the City's Comptroller to assess compliance with the **M/WBE** Utilization Plan.
2. Pursuant to DSBS rules, construction contracts that include a requirement for a **M/WBE** Utilization Plan shall not be subject to the law governing Locally Based Enterprises set forth in Section 6-108.1 of the Administrative Code of the City of New York.
3. DSBS is available to assist contractors and potential contractors in determining the availability of MBEs and/or WBEs to participate as subcontractors, and in identifying opportunities that are appropriate for participation by MBEs and/or WBEs in contracts.
4. Prospective contractors are encouraged to enter into qualified joint venture agreements with MBEs and/or WBEs as defined by Section 6-129(c)(30).
5. By submitting a bid or proposal the Contractor hereby acknowledges its understanding of the M/WBE Program requirements set forth herein and the pertinent provisions of Section 6-129, and any rules promulgated thereunder, and if awarded this Contract, the Contractor hereby agrees to comply with the M/WBE Program requirements of this Contract and pertinent provisions of Section 6-129, and any rules promulgated thereunder, all of which shall be deemed to be material terms of this Contract. The Contractor hereby agrees to make all reasonable, good faith efforts to solicit and obtain the participation of MBEs and/or WBEs to meet the required **Participation Goals**.

**ARTICLE II. ENFORCEMENT**

1. If Agency determines that a bidder or proposer, as applicable, has, in relation to this procurement, violated Section 6-129 or the DSBS rules promulgated pursuant to Section 6-129, Agency may disqualify such bidder or proposer, as applicable, from competing for this Contract and the Agency may revoke such bidder's or proposer's prequalification status, if applicable.
2. Whenever Agency believes that the Contractor or a subcontractor is not in compliance with Section 6-129 or the DSBS rules promulgated pursuant to Section 6-129, or any provision of this Contract that implements Section 6-129, including, but not limited to any **M/WBE** Utilization Plan, Agency shall send a written notice to the Contractor describing the alleged noncompliance and offering the Contractor an opportunity to be heard. Agency shall then conduct an investigation to determine whether such Contractor or subcontractor is in compliance.
3. In the event that the Contractor has been found to have violated Section 6-129, the DSBS rules promulgated pursuant to Section 6-129, or any provision of this Contract that implements

Section 6-129, including, but not limited to, any **M/WBE** Utilization Plan, Agency may determine that one of the following actions should be taken:

- (a) entering into an agreement with the Contractor allowing the Contractor to cure the violation;
- (b) revoking the Contractor's pre-qualification to bid or make proposals for future contracts;
- (c) making a finding that the Contractor is in default of the Contract;
- (d) terminating the Contract;
- (e) declaring the Contractor to be in breach of Contract;
- (f) withholding payment or reimbursement;
- (g) determining not to renew the Contract;
- (h) assessing actual and consequential damages;
- (i) assessing liquidated damages or reducing fees, provided that liquidated damages may be based on amounts representing costs of delays in carrying out the purposes of the M/WBE Program, or in meeting the purposes of the Contract, the costs of meeting utilization goals through additional procurements, the administrative costs of investigation and enforcement, or other factors set forth in the Contract;
- (j) exercising rights under the Contract to procure goods, services or construction from another contractor and charge the cost of such contract to the Contractor that has been found to be in noncompliance; or
- (k) taking any other appropriate remedy.

4. If an **M/WBE** Utilization Plan has been submitted, and pursuant to this Article II, Section 3, the Contractor has been found to have failed to fulfill its **Participation Goals** contained in its **M/WBE** Utilization Plan or the **Participation Goals** as modified by Agency pursuant to Article I, Part A, Section 11, Agency may assess liquidated damages in the amount of ten percent (10%) of the difference between the dollar amount of work required to be awarded to MBE and/or WBE firms to meet the **Participation Goals** and the dollar amount the Contractor actually awarded and paid, and/or credited, to MBE and/or WBE firms. In view of the difficulty of accurately ascertaining the loss which the City will suffer by reason of Contractor's failure to meet the **Participation Goals**, the foregoing amount is hereby fixed and agreed as the liquidated damages that the City will suffer by reason of such failure, and not as a penalty. Agency may deduct and retain out of any monies which may become due under this Contract the amount of any such liquidated damages; and in case the amount which may become due under this Contract shall be less than the amount of liquidated damages suffered by the City, the Contractor shall be liable to pay the difference.

5. Whenever Agency has reason to believe that an MBE and/or WBE is not qualified for certification, or is participating in a contract in a manner that does not serve a commercially useful function (as defined in Section 6-129(c)(8)), or has violated any provision of Section 6-129, Agency shall notify the Commissioner of DSBS who shall determine whether the certification of such business enterprise should be revoked.

6. Statements made in any instrument submitted to Agency pursuant to Section 6-129 shall be submitted under penalty of perjury and any false or misleading statement or omission shall be grounds for the application of any applicable criminal and/or civil penalties for perjury. The making of a false or fraudulent statement by an MBE and/or WBE in any instrument submitted pursuant to Section 6-129 shall, in addition, be grounds for revocation of its certification.

7. The Contractor's record in implementing its **M/WBE** Utilization Plan shall be a factor in the evaluation of its performance. Whenever Agency determines that a Contractor's compliance with an **M/WBE** Utilization Plan has been unsatisfactory, Agency shall, after consultation with the City Chief Procurement Officer, file an advice of caution form for inclusion in VENDEX as caution data.

**IRAN DIVESTMENT ACT COMPLIANCE RIDER FOR  
NEW YORK CITY CONTRACTORS**

The Iran Divestment Act of 2012, effective as of April 12, 2012, is codified at State Finance Law (“SFL”) §165-a and General Municipal Law (“GML”) §103-g. The Iran Divestment Act, with certain exceptions, prohibits municipalities, including the City, from entering into contracts with persons engaged in investment activities in the energy sector of Iran. Pursuant to the terms set forth in SFL §165-a and GML §103-g, a person engages in investment activities in the energy sector of Iran if:

- (a) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or
- (b) The person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created pursuant to paragraph (b) of subdivision three of Section 165-a of the State Finance Law and maintained by the Commissioner of the Office of General Services.

A bid or proposal shall not be considered for award nor shall any award be made where the bidder or proposer fails to submit a signed and verified bidder’s certification.

Each bidder or proposer must certify that it is not on the list of entities engaged in investment activities in Iran created pursuant to paragraph (b) of subdivision 3 of Section 165-a of the State Finance Law. In any case, where the bidder or proposer cannot certify that they are not on such list, the bidder or proposer shall so state and shall furnish with the bid or proposal a signed statement which sets forth in detail the reasons why such statement cannot be made. The City of New York may award a bid to a bidder who cannot make the certification on a case-by-case basis if:

- (a) The investment activities in Iran were made before the effective date of this section (i.e., April 12, 2012), the investment activities in Iran have not been expanded or renewed after the effective date of this section and the person has adopted, publicized and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran: or
- (b) The City makes a determination that the goods or services are necessary for the City to perform its functions and that, absent such an exemption, the City would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.

**HIRING AND EMPLOYMENT RIDER:**

**HIRENYC AND REPORTING REQUIREMENTS**

**Introduction**

This Rider shall apply to all contracts for goods, services, and construction with a value of one million dollars (\$1,000,000.00) or more, provided, however, that certain requirements of the Rider shall only apply as indicated below. This Rider addresses the HireNYC process, including reporting obligations under the HireNYC process, and certain other reporting requirements imposed by law. In general, the HireNYC process under this Rider requires the Contractor to enroll with the HireNYC portal for the City of New York (“the City”) found within the Department of Small Business Services’s (“SBS”) website, to disclose all entry to mid-level job opportunities described in this Rider arising from this contract and located in New York City, and to agree to interview qualified candidates from HireNYC for those opportunities.

**HireNYC Requirements**

**A. Enrollment**

The Contractor shall enroll with the HireNYC system, found at [www.nyc.gov/sbs](http://www.nyc.gov/sbs), within thirty (30) days after the registration of this Contract pursuant to Section 328 of the New York City Charter. The Contractor shall provide information about the business, designate a primary contact and say whether it intends to hire for any entry to mid-level job opportunities arising from this contract and located in New York City, and, if so, the approximate start date of the first hire.

**B. Job Posting Requirements**

Once enrolled in HireNYC, the Contractor agrees to update the HireNYC portal with all entry to mid-level job opportunities arising from this contract and located in New York City, if any, which shall be defined as jobs requiring no more than an associate degree, as provided by the New York State Department of Labor (see Column F of <https://labor.ny.gov/stats/2012-2022-NYS-Employment-Prospects.xls>). The information to be updated includes the types of entry and mid-level positions made available from the work arising from the contract and located in New York City, the number of positions, the anticipated schedule of initiating the hiring process for these positions, and the contact information for the Contractor’s representative charged with overseeing hiring. The Contractor must update the HireNYC portal with any hiring needs arising from the contract and located in New York City, and the requirements of the jobs to be filled, no less than three weeks prior to the intended first day of employment for each new position, except with the permission of SBS, not to be unreasonably withheld, and must also update the HireNYC portal as set forth below.

After enrollment through HireNYC and submission of relevant information, SBS will work with the Contractor to develop a recruitment plan which will outline the candidate screening process,

and will provide clear instructions as to when, where, and how interviews will take place. HireNYC will screen applicants based on employer requirements and refer applicants whom it believes are qualified to the Contractor for interviews. The Contractor must interview referred applicants whom it believes are qualified.

After completing an interview of a candidate referred by HireNYC, the Contractor must provide feedback via the portal within twenty (20) business days to indicate which candidates were interviewed and hired, if any. In addition, the Contractor shall provide the start date of new hires, and additional information reasonably related to such hires, within twenty (20) business days after the start date. In the event the Contractor does not have any job openings covered by this Rider in any given year, the Contractor shall be required to provide an annual update to HireNYC to that effect. For this purpose, the reporting year shall run from the date of the registration of the contract and each anniversary date.

These requirements do not limit the Contractor's ability to assess the qualifications of prospective workers, and to make final hiring and retention decisions. No provision of this Rider shall be interpreted so as to require the Contractor to employ any particular worker.

In addition, the provisions of this Rider shall not apply to positions that the Contractor intends to fill with employees employed pursuant to the job retention provision of Section 22-505 of the Administrative Code of the City of New York. The Contractor shall not be required to report such openings with HireNYC. However, the Contractor shall enroll with the HireNYC system pursuant to Section A, above, and, if such positions subsequently become open, then the remaining provisions of this Rider will apply.

### **C. Breach and Liquidated Damages**

If the Contractor fails to comply with the terms of the contract and this Rider (1) by not enrolling its business with HireNYC; (2) by not informing HireNYC, as required, of open positions; or (3) by failing to interview a qualified candidate, the contracting agency may assess liquidated damages in the amount of two-thousand five hundred dollars (\$2,500.00) per breach. For all other events of noncompliance with the terms of this Rider, the agency may assess liquidated damages in the amount of five hundred dollars (\$500) per breach.

Furthermore, in the event the Contractor breaches the requirements of this Rider during the term of the contract, the City may hold the Contractor in default of this contract.

### **Audit Compliance**

In addition to the auditing requirements set forth in other parts of the contract, the Contractor shall permit SBS and the City to inspect any and all records concerning or relating to job openings or the hiring of individuals for work arising from the contract and located in New York City. The Contractor shall permit an inspection within seven (7) business days of the request.

### **Other Reporting Requirements**

The Contractor shall report to the City, on a monthly basis, all information reasonably requested by the City that is necessary for the City to comply with any reporting requirements imposed by law or rule, including any requirement that the City maintain a publicly accessible database. In addition, the Contractor agrees to comply with all reporting requirements imposed by law or rule, or as otherwise requested by the City.

### **Construction Requirements**

Construction contractors shall comply with the HireNYC requirements set forth above for all non-trades jobs (e.g., for an administrative position arising out of the work of the contract and located in New York City) as set forth above.

In addition, construction contractors shall reasonably cooperate with SBS and the City on specific outreach events, including Hire on the Spot events, for the hiring of trades workers for the work of this contract.

Further, this contract shall be subject to a project labor agreement if so required elsewhere in this contract.

### **Federal Hiring Requirements**

The Contractor shall comply with all federal hiring requirements as may be set forth elsewhere in this contract, including, as applicable:

- Section 3 of the HUD Act of 1968, which requires, to the greatest extent feasible, economic opportunities for 30 percent of new hires be given to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- Executive Order 11246, which prohibits discrimination in employment due to race, color, religion, sex or national origin, and requires the implementation of goals for minority and female participation for work involving any Construction trade.

### **NYC EARNED SAFE AND SICK TIME ACT CONTRACT RIDER**

(To supersede Section 4.06 of the January 2018 Appendix A and Section 35.5 of the March 2017 Standard Construction Contract and to be attached to other City contracts and solicitations)

#### A. *Introduction and General Provisions.*

1. The Earned Safe and Sick Time Act (“ESSTA”), codified at Title 20, Chapter 8 of the New York City Administrative Code, also known as the “Paid Safe and Sick Leave Law,” requires covered employees (as defined in Admin. Code § 20-912) in New York City (“City”) to be provided with paid safe and sick time. Contractors of the City or of other governmental entities may be required to provide safe and sick time pursuant to the ESSTA. The ESSTA is enforced by the City’s Department of Consumer and Worker Protection (“DCWP”), which has promulgated 6 RCNY §§ 7-101 and 201 *et seq.* (“DCWP Rules”).

2. The Contractor agrees to comply in all respects with the ESSTA and the DCWP Rules, and as amended, if applicable, in the performance of this agreement. The Contractor further acknowledges that such compliance is a material term of this agreement and that failure to comply with the ESSTA in performance of this agreement may result in its termination.

3. The Contractor must notify (with a copy to DCWP at [ComplianceMonitoring@dcwp.nyc.gov](mailto:ComplianceMonitoring@dcwp.nyc.gov)) the Agency Chief Contracting Officer of the City Agency or other entity with whom it is contracting in writing within 10 days of receipt of a complaint (whether oral or written) or notice of investigation regarding the ESSTA involving the performance of this agreement. Additionally, the Contractor must cooperate with DCWP’s guidance and must comply with DCWP’s subpoenas, requests for information, and other document demands as set forth in the ESSTA and the DCWP Rules. More information is available at <https://www1.nyc.gov/site/dca/about/paid-sick-leave-what-employers-need-to-know.page>.

4. Upon conclusion of a DCWP investigation, Contractor will receive a findings letter detailing any employee relief and civil penalties owed. Pursuant to the findings, Contractor will have the opportunity to settle any violations and cure the breach of this agreement caused by failure to comply with the ESSTA either i) without a trial by entering into a consent order or ii) appearing before an impartial judge at the City’s administrative tribunal. In addition to and notwithstanding any other rights and remedies available to the City, non-payment of relief and penalties owed pursuant to a consent order or final adjudication within 30 days of such consent order or final adjudication may result in the termination of this agreement without further opportunity to settle or cure the violations.

5. The ESSTA is briefly summarized below for the convenience of the Contractor. The Contractor is advised to review the ESSTA and the DCWP Rules in their entirety. The Contractor may go to [www.nyc.gov/PaidSickLeave](http://www.nyc.gov/PaidSickLeave) for resources for employers, such as Frequently Asked Questions, timekeeping tools and model forms, and an event calendar of upcoming presentations and webinars at which the Contractor can get more information about how to comply with the ESSTA and the DCWP Rules. The Contractor acknowledges that it is responsible for compliance with the ESSTA and the DCWP Rules notwithstanding any inconsistent language contained herein.

B. *Pursuant to the ESSTA and DCWP Rules: Applicability, Accrual, and Use.*

1. An employee who works within the City must be provided paid safe and sick time.<sup>1</sup> Employers with one hundred or more employees are required to provide 56 hours of safe and sick time for an employee each calendar year. Employers with fewer than one hundred employees are required to provide 40 hours of sick leave each calendar year. Employers must provide a minimum of one hour of safe and sick time for every 30 hours worked by an employee and compensation for such safe and sick time must be provided at the greater of the employee's regular hourly rate or the minimum wage at the time the paid safe or sick time is taken. Employers are not discouraged or prohibited from providing more generous safe and sick time policies than what the ESSTA requires.

2. Employees have the right to determine how much safe and sick time they will use, provided that an employer may set a reasonable minimum increment for the use of safe and sick time not to exceed four hours per day. For the use of safe time or sick time beyond the set minimum increment, an employer may set fixed periods of up to thirty minutes beyond the minimum increment. In addition, an employee may carry over up to 40 or 56 hours of unused safe and sick time to the following calendar year, provided that no employer is required to carry over unused paid safe and sick time if the employee is paid for such unused safe and sick time and the employer provides the employee with at least the legally required amount of paid safe and sick time for such employee for the immediately subsequent calendar year on the first day of such calendar year.

3. An employee entitled to safe and sick time pursuant to the ESSTA may use safe and sick time for any of the following:

a. such employee's mental illness, physical illness, injury, or health condition or the care of such illness, injury, or condition or such employee's need for medical diagnosis or preventive medical care;

b. such employee's care of a family member (an employee's child, spouse, domestic partner, parent, sibling, grandchild, or grandparent, the child or parent of an employee's spouse or domestic partner, any other individual related by blood to the employee, and any other individual whose close association with the employee is the equivalent of a family relationship) who has a mental illness, physical illness, injury or health condition or who has a need for medical diagnosis or preventive medical care;

---

<sup>1</sup> Pursuant to the ESSTA, if fewer than five employees work for the same employer, and the employer had a net income of less than one million dollars during the previous tax year, such employer has the option of providing such employees uncompensated safe and sick time.

c. closure of such employee's place of business by order of a public official due to a public health emergency;

d. such employee's need to care for a child whose school or childcare provider has been closed due to a public health emergency; or

e. when the employee or a family member has been the victim of a family offense matter, sexual offense, stalking, or human trafficking:

1. to obtain services from a domestic violence shelter, rape crisis center, or other shelter or services program for relief from a family offense matter, sexual offense, stalking, or human trafficking;
2. to participate in safety planning, temporarily or permanently relocate, or take other actions to increase the safety of the employee or employee's family members from future family offense matters, sexual offenses, stalking, or human trafficking;
3. to meet with a civil attorney or other social service provider to obtain information and advice on, and prepare for or participate in any criminal or civil proceeding, including but not limited to, matters related to a family offense matter, sexual offense, stalking, human trafficking, custody, visitation, matrimonial issues, orders of protection, immigration, housing, discrimination in employment, housing or consumer credit;
4. to file a complaint or domestic incident report with law enforcement;
5. to meet with a district attorney's office;
6. to enroll children in a new school; or
7. to take other actions necessary to maintain, improve, or restore the physical, psychological, or economic, health or safety of the employee or the employee's family member or to protect those who associate or work with the employee.

4. An employer must not require an employee, as a condition of taking safe and sick time, to search for a replacement. However, where the employee's need for safe and sick time is foreseeable, an employer may require an employee to provide reasonable notice of the need to use safe and sick time. For an absence of more than three consecutive work days, an employer may require reasonable documentation that the use of safe and sick time was needed for a reason listed in Admin. Code § 20-914; and/or written confirmation that an employee used safe and sick time pursuant to the ESSTA. However, an employer may not require documentation specifying the nature of a medical condition, require disclosure of the details of a medical condition, or require disclosure of the details of a family offense matter, sexual offense, stalking, or human trafficking, as a condition of providing safe and sick time. Health information and information concerning family offenses, sexual offenses, stalking or human trafficking obtained solely due to an

employee's use of safe and sick time pursuant to the ESSTA must be treated by the employer as confidential. An employer must reimburse an employee for all reasonable costs or expenses incurred in obtaining such documentation for the employer.

5. An employer must provide to all employees a written policy explaining its method of calculating sick time, policies regarding the use of safe and sick time (including any permissible discretionary conditions on use), and policies regarding carry-over of unused time at the end of the year, among other topics. It must provide the policy to employees using a delivery method that reasonably ensures that employees receive the policy. If such employer has not provided its written policy, it may not deny safe and sick time to an employee because of non-compliance with such a policy.

6. An employer must provide a pay statement or other form of written documentation that informs the employee of the amount of safe/sick time accrued and used during the relevant pay period and the total balance of the employee's accrued safe/sick time available for use.

7. Safe and sick time to which an employee is entitled must be paid no later than the payday for the next regular payroll period beginning after the safe and sick time was used.

C. *Exemptions and Exceptions.* Notwithstanding the above, the ESSTA does not apply to any of the following:

1. an independent contractor who does not meet the definition of employee under N.Y. Labor Law § 190(2);

2. an employee covered by a valid collective bargaining agreement, if the provisions of the ESSTA are expressly waived in such agreement and such agreement provides a benefit comparable to that provided by the ESSTA for such employee;

3. an audiologist, occupational therapist, physical therapist, or speech language pathologist who is licensed by the New York State Department of Education and who calls in for work assignments at will, determines their own schedule, has the ability to reject or accept any assignment referred to them, and is paid an average hourly wage that is at least four times the federal minimum wage;

4. an employee in a work study program under Section 2753 of Chapter 42 of the United States Code;

5. an employee whose work is compensated by a qualified scholarship program as that term is defined in the Internal Revenue Code, Section 117 of Chapter 20 of the United States Code; or

6. a participant in a Work Experience Program (WEP) under N.Y. Social Services Law § 336-c.

D. *Retaliation Prohibited.* An employer shall not take any adverse action against an employee that penalizes the employee for, or is reasonably likely to deter the employee from or interfere with the employee exercising or attempting in good faith to exercise any right provided by the ESSTA. In addition, an employer shall not interfere with any investigation, proceeding, or hearing pursuant to the ESSTA.

E. *Notice of Rights.*

1. An employer must provide its employees with written notice of their rights pursuant to the ESSTA. Such notice must be in English and the primary language spoken by an employee, provided that DCWP has made available a translation into such language. Downloadable notices are available on DCWP's website at <https://www1.nyc.gov/site/dca/about/Paid-Safe-Sick-Leave-Notice-of-Employee-Rights.page>. The notice must be provided to the employees by a method that reasonably ensures personal receipt by the employee.

2. Any person or entity that willfully violates these notice requirements is subject to a civil penalty in an amount not to exceed \$50.00 for each employee who was not given appropriate notice.

F. *Records.* An employer must retain records documenting its compliance with the ESSTA for a period of at least three years, and must allow DCWP to access such records in furtherance of an investigation related to an alleged violation of the ESSTA.

G. *Enforcement and Penalties.*

1. Upon receiving a complaint alleging a violation of the ESSTA, DCWP must investigate such complaint. DCWP may also open an investigation to determine compliance with the ESSTA on its own initiative. Upon notification of a complaint or an investigation by DCWP, the employer must provide DCWP with a written response and any such other information as DCWP may request. If DCWP believes that a violation of the ESSTA has occurred, it has the right to issue a notice of violation to the employer.

2. DCWP has the power to grant an employee or former employee all appropriate relief as set forth in Admin. Code § 20-924(d). Such relief may include, but is not limited to, treble damages for the wages that should have been paid; statutory damages for unlawful retaliation; and damages, including statutory damages, full compensation for wages and benefits lost, and reinstatement, for unlawful discharge. In addition, DCWP may impose on an employer found to have violated the ESSTA civil penalties not to exceed \$500.00 for a first violation, \$750.00 for a second violation within two years of the first violation, and \$1,000.00 for each succeeding violation within two years of the previous violation. When an employer has a policy or practice of not providing or refusing to allow the use of safe and sick time to its employees, DCWP may seek penalties and relief on a per employee basis.

3. Pursuant to Admin. Code § 20-924.2, (a) where reasonable cause exists to believe that an employer is engaged in a pattern or practice of violations of the ESSTA, the Corporation Counsel may commence a civil action on behalf of the City in a court of competent jurisdiction by filing a complaint setting forth facts relating to such pattern or practice and requesting relief, which may include injunctive relief, civil penalties and any other appropriate relief. Nothing in § 20-924.2 prohibits DCWP from exercising its authority under section 20-924 or the Charter, provided that a civil action pursuant to § 20-924.2 shall not have previously been commenced.

H. *More Generous Policies and Other Legal Requirements.* Nothing in the ESSTA is intended to discourage, prohibit, diminish, or impair the adoption or retention of a more generous safe and sick time policy, or the obligation of an employer to comply with any contract, collective bargaining agreement, employment benefit plan or other agreement providing more generous safe and sick time. The ESSTA provides minimum requirements pertaining to safe and sick time and does not preempt, limit, or otherwise affect the applicability of any other law, regulation, rule, requirement, policy or standard that provides for greater accrual or use by employees of safe and sick leave or time, whether paid or unpaid, or that extends other protections to employees. The ESSTA may not be construed as creating or imposing any requirement in conflict with any federal or state law, rule or regulation.

The vendor will design and manufacturer large Stationary On-Street Containers in two sizes ranging from 2,000 liters (2.6 cubic yards) up to 3,200 liters (4.2 cubic yards).

If the contract to be awarded as a result of this procurement action is a task order contract (multiple or single award and multiple or single agency) that does not simultaneously result in the award of a first task order, then displacement determinations will be made in conjunction with the issuance of task orders pursuant to the subject contract.
