

## Key to NYC: Accepted COVID-19 Vaccines

Indoor dining, fitness and entertainment venues must accept valid proof of COVID-19 vaccination.

- Starting December 14, 2021, children ages 5 to 11 are required to have proof of at least one vaccine dose.
- Starting December 27, 2021, people age 12 and older are required to show proof of two vaccine doses, except for those who have received the Johnson & Johnson vaccine.

Below is a list of COVID-19 vaccines that are accepted.

| Vaccine Name              | Alternate Names                                  | FDA-authorized or Approved          | WHO Emergency Use Listing (EUL)     | Part of U.S.-based clinical trial   |
|---------------------------|--|-------------------------------------|-------------------------------------|-------------------------------------|
| Pfizer-BioNTech           | COMIRNATY;<br>Tozinameran                        | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |                                     |
| Moderna                   | Takeda; Spikevax                                 | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |                                     |
| Johnson & Johnson/Janssen | N/A  | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |                                     |
| AstraZeneca-Oxford        | Covishield;<br>Vaxzevria                         |                                     | <input checked="" type="checkbox"/> |                                     |
| COVAXIN                   | Bharat Biotech International<br>COVID-19 Vaccine |                                     | <input checked="" type="checkbox"/> |                                     |
| Sinopharm-BIBP            | N/A  |                                     | <input checked="" type="checkbox"/> |                                     |
| Sinovac                   | CoronaVac  |                                     | <input checked="" type="checkbox"/> |                                     |
| Novavax                   | N/A  |                                     |                                     | <input checked="" type="checkbox"/> |

All other COVID-19 vaccines, including Sputnik V, Sputnik Light and Sinopharm-WIBP, are not acceptable.
