

REQUEST FOR EVALUATION (RFE) - HISTORIC DISTRICT

INSTRUCTIONS:

The Landmarks Preservation Commission is responsible for identifying and designating the special buildings and sites that represent the architectural, historical and cultural heritage of New York City. The Commission's Research Department accepts suggestions from the public regarding potential historic resources throughout the five boroughs. If an area appears to rise to the level of significance necessary to be considered for Historic District designation, it is added to the agency's survey inventory. Further consideration is based on agency priorities. Please note, Requests for Evaluation are not applications for designation.

Please complete all 5 sections of this form. Fields marked with an asterisk (*) are required. An incomplete submission may slow down review of your request. Additional materials may also be included with the evaluation form. You may mail this form to the address above or send it by email to RFE@lpc.nyc.gov.
