Improve traffic flow
and safety

9. 23rd, 22nd, and 20th Streets

Add right turn lanes
on approaches to
Park Avenue South

Accommodate
downtown bound
traffic

This aerial view shows the intersection of Broadway and 18th Street. A proposed transit corridor is highlighted with a green-paved bus lane and a yellow-paved pedestrian/bike lane. Labels for '18th Street', '17th Street', 'Broadway', 'E 18 ST', and 'E 19 ST' are visible. The diagram illustrates the layout of the transit corridor, including the bus lane, pedestrian/bike lane, and the intersection with Broadway.

Bicycle path moved to west curb

Proposal Summary

1. 17th Street

Convert from two-way to one-way westbound

2. Broadway/USW at 17th Street

Simplify Intersection

3. Park Ave S. at 17th Street

Eliminate eastbound 17th Street slip

4. Union Square West at 14th Street

Southbound traffic must turn right

5. Broadway, 23rd to 18th Streets

Reduce to one-through lane with safety islands and protected bike path

6. Broadway, 18th to 17th Streets

Add public space adjacent east sidewalk

Additional Enhancements
