

# Hanover Square

## Pedestrian Safety Improvements

### Background

- Roadway resurfaced Fall 2016
- Water St project implemented in 2013 with Downtown Alliance

### Location

- Mixed-use office with high-end residential
- Downtown Alliance BID
- Existing bike share station on Pearl St
- Food carts and trucks parked along curb
- Bus stop at Water St and Hanover Sq
- 52' wide street

After: Hanover looking towards Pearl St

### Improvements

- Realigned Hanover Square at Pearl Street
- Installed painted neckdown on N/E corner
- Marked wide curb lane to create standard width moving lanes

### Benefits

- Safer, shorter pedestrian crossing
- Clarified lanes
