

Schermerhorn Street

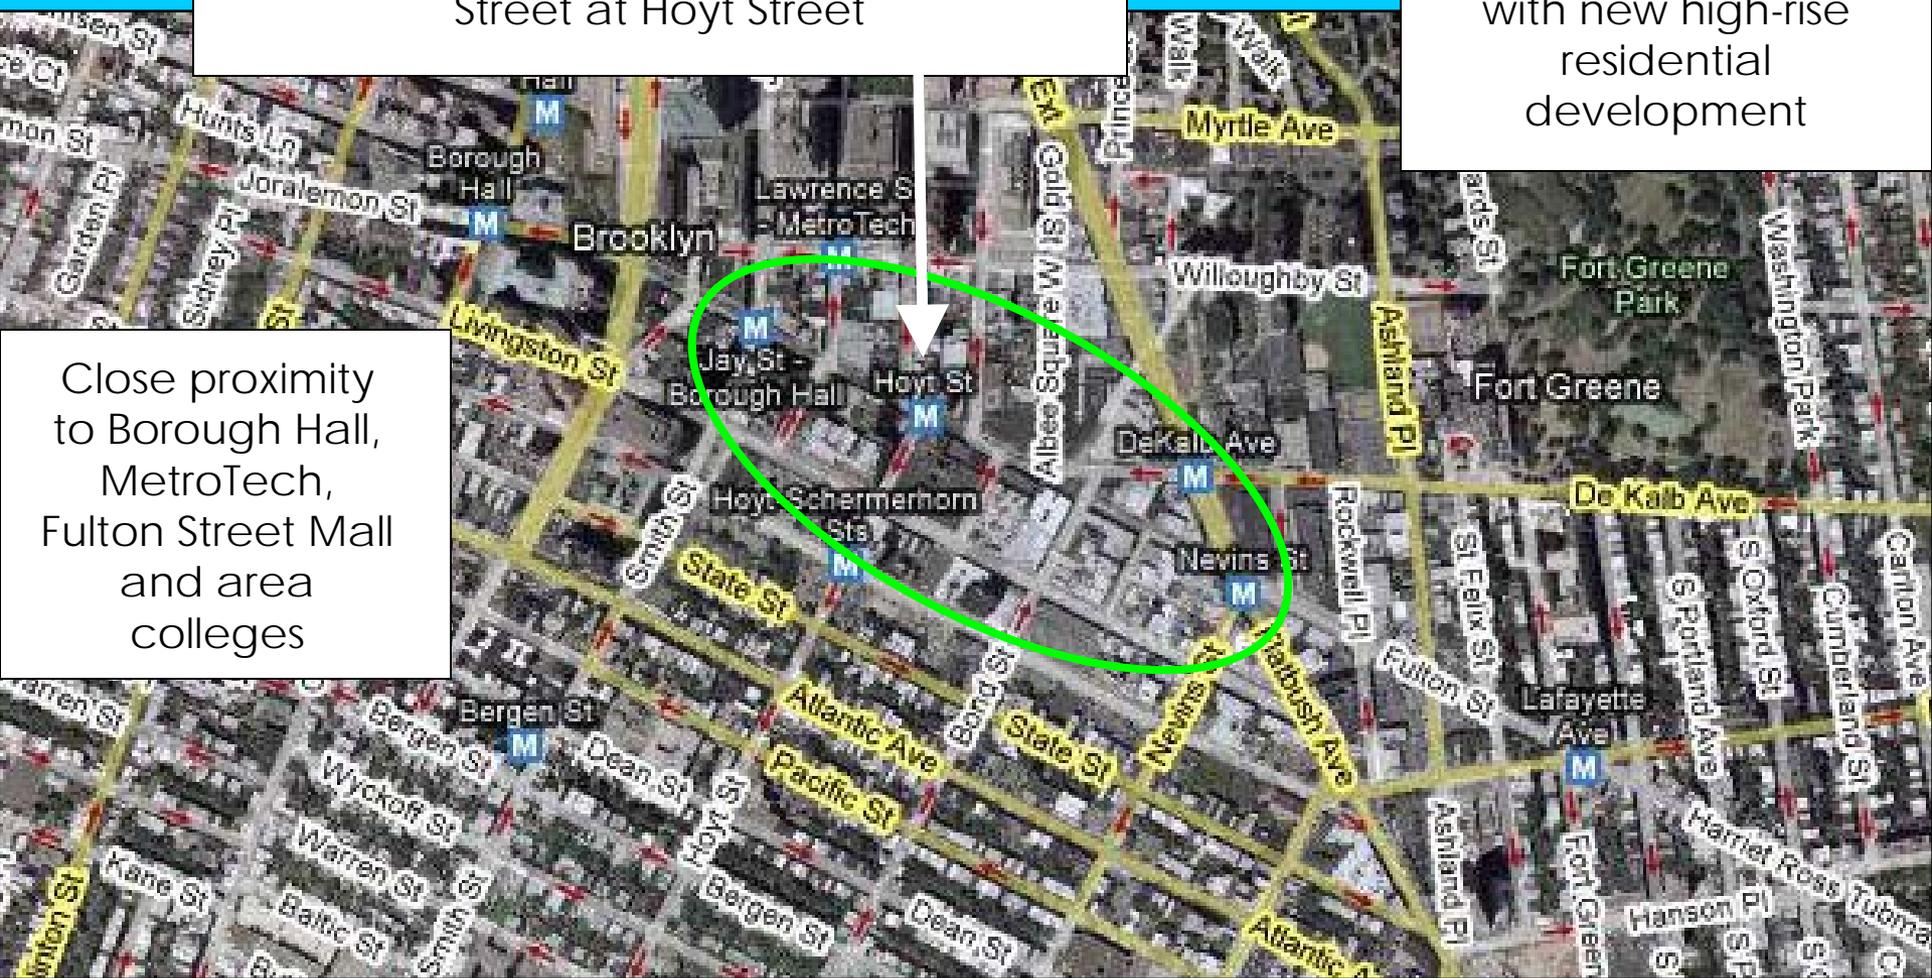

Transit Plaza, Traffic Calming and Bicycle Parking

Main subway entrance to A, C and G train on Schermerhorn Street at Hoyt Street

Growing Downtown Brooklyn neighborhood with new high-rise residential development

Close proximity to Borough Hall, MetroTech, Fulton Street Mall and area colleges

Project Location

The CLS BID requested streetscape improvements and a method to prevent illegal parking on sidewalk

Maintenance Partner required for Plazas with bicycle parking and without

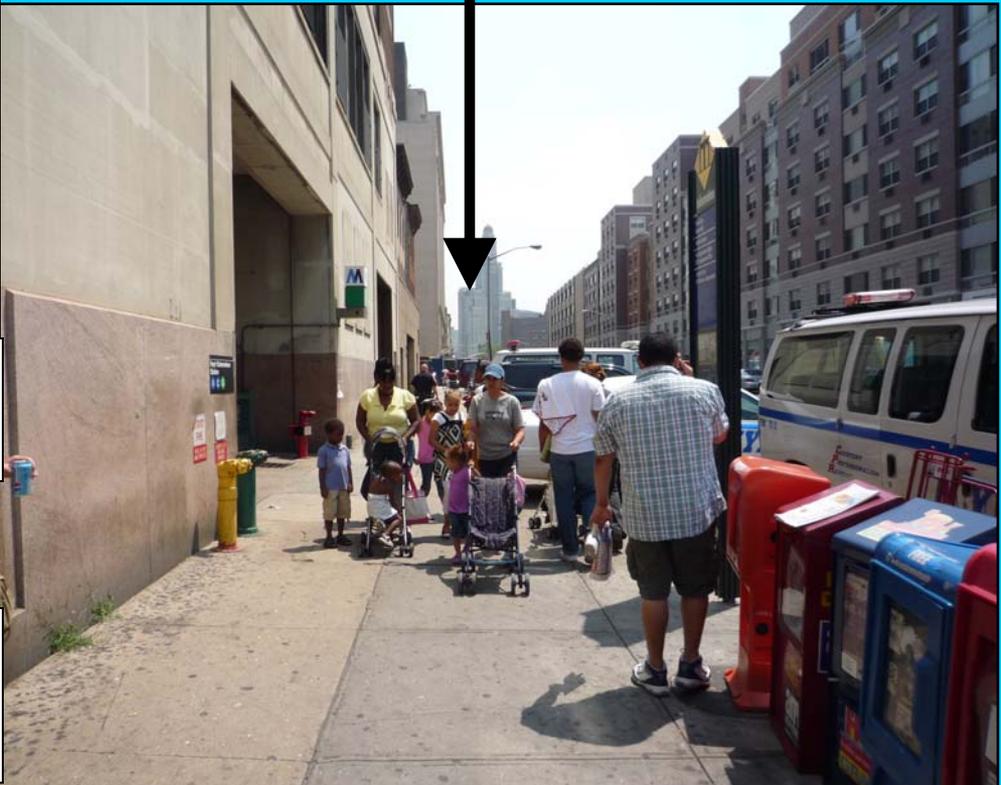

Project Background

Illegal parking

High pedestrian volumes, narrow sidewalks and poor pedestrian circulation

Lack of bicycle parking at transit hub

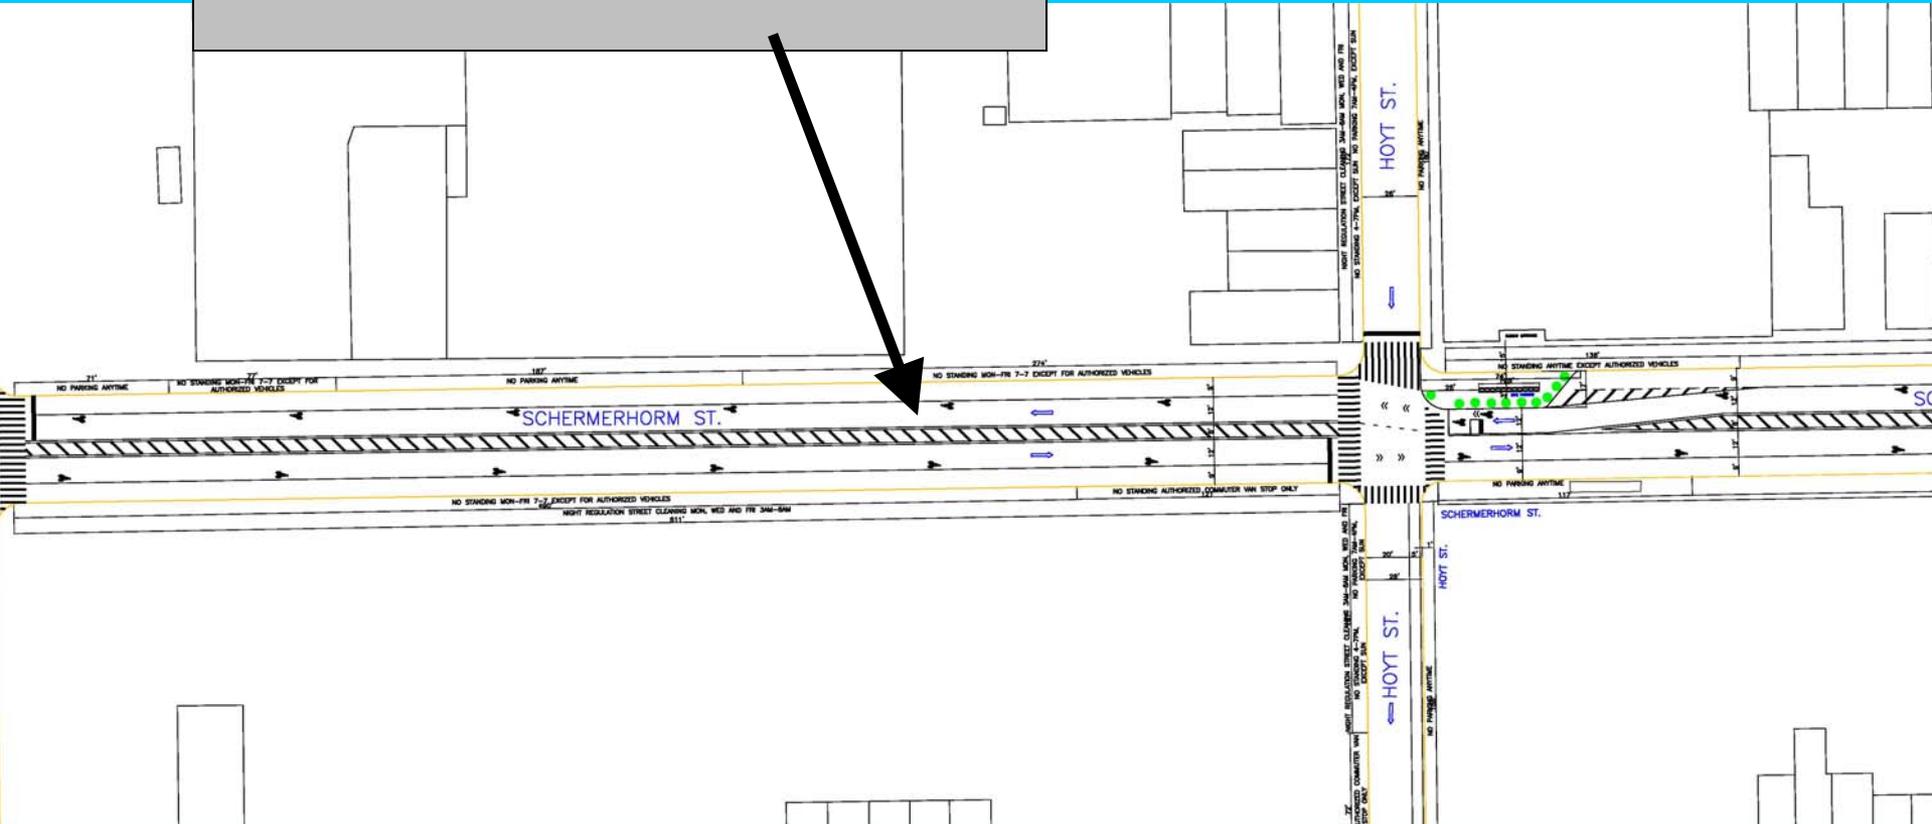

Existing Conditions

Low vehicular volumes, wide moving lanes and a lack of greenery

Existing Conditions

Shared bike markings extend from Smith Street to Nevins Street

Project Limits

from Smith Street to east of Nevins

The Court Livingston Schermerhorn
BID will maintain the space and
care for the plants

Rendering of Proposed Improvements
