

This winter, we're offering you a chance to turn your resolutions into career solutions.

If you're like most Americans working in this competitive economy, you've probably thought a lot about taking additional classes to grow your job capabilities, become a stronger employee and increase your earning potential.

Now, through a unique arrangement with Monroe College, your employer is pleased to offer you this exceptional educational benefit at an incredible 20% off.

Take one class, several or pursue an entire degree. Monroe's relevant, real world education can help you turn New Year's resolutions into long-term career solutions.

But hurry! Winter classes begin soon. To get started, call **1-800-556-6676**.

- Associate, Bachelor's & Master's Degrees
- Professors who also work in their fields
- Day, evening, weekend & online classes
- Transfer credit may be awarded for prior education, work or academy experience
- Year round calendar for faster completion

New Year. New You!
Receive 20% off any class.

To discuss degree options, transfer policies & admissions requirements contact us at 1-800-556-6676 and mention the Monroe Corporate Partnership Program.
