

# The Art of Caring Notecards

❖ Boxed set of 12 Blank Cards and Envelopes

## Send a Message of Hope

**W**hen a mother is overwhelmed by the cost of glucose monitoring equipment for her diabetic child...

When clothing is needed by burn victims recovering from a fire...

When parents of a stillborn baby cannot afford burial expenses...

When a desperate family member needs travel funds to be at the side of a critically injured loved one...

When sexual assault victims need comfort, counseling and fresh clothing to wear home...

When the hospital needs to acquire new equipment...
