KEW GARDENS, NEW YORK 11415-1568
(718) 286-6000**

**Richard A. Brown
District Attorney**

Civil Service Title: Community Coordinator

Title Code: 56057

Salary: Commensurate with experience

Office Title: Linux Engineer

Job Description

The candidate will be responsible for evaluating, installing maintaining and supporting both hardware and software for the Linux environment. Analyzing and designing system architecture and supporting the technology team in application development. Maintaining, securing, troubleshooting and repairing network related problems. Preparing, updating and maintaining technical documentation to accompany all systems, programs and changes.

Preferred Skills

Proficiency with Red Hat Linux 6.2 and later as well as possessing working knowledge of SuSE Professional 8 and later. Proficient in scripting including PERL and Shell, administration including kickstart/jumpstart server builds, nfs, nls, and performance tuning. Previous experience with Sendmail, Apache and other network services. Cluster and RAID experience required. Experience with networking equipment, Internet connectivity, firewalls and network security. Excellent communication and interpersonal skills.

Requirements

Candidates should have a minimum 3 years of technical experience with Red Hat Linux. An Associate's degree or equivalent education or work experience and A+ certification required. Other CompTIA, Microsoft and/or Novell certifications a plus.

NEW YORK CITY RESIDENCY IS NOT REQUIRED
