

# Pick Up After Your Pet

[nyc.gov/dsny](https://nyc.gov/dsny) |    NYCsanitation

**sanitation**

## How This Affects You

Leaving dog waste on sidewalks is unsanitary – and rude to people who will step in it.

## What You Can Do

Make sure your dog is on a leash no more than six feet long. Clean up after your dog and do not have them relieve themselves on public (sidewalks and grass strips) or private property. You'll avoid a \$250 fine.

## Next Steps

NY law requires that all dogs be licensed, for more info visit [nyc.gov/health](https://nyc.gov/health). To report an issue call **311** or visit [nyc.gov/311](https://nyc.gov/311).
