

## District Service Cabinet Summary

May 14, 2024 - 1:00 PM

**Description:** The City Charter establishes a District Service Cabinet (DSC) in each community district, to be composed of agency officials responsible for local service delivery. The District Manager of the Community Board chairs the District Service Cabinet, whose members include representatives of the agencies that deliver local services to the Community District. The District Service Cabinet is the primary mechanism through which local service delivery issues can be raised, discussed and resolved. If used effectively, the Cabinet can provide the basis for a comprehensive approach to service delivery within the community district.

### I. Call to Order

### III. Agency Reports / Announcements

- A. Nairobi - DOB launched its new education and outreach campaign, “Get Summons Corrected” (GSC). The goal of the campaign is to get more summonses certified as corrected by increasing the public’s awareness of the need to certify correction and educating them on the process of certifying correction. The Department would like to introduce the campaign to homeowners, new home buyers, and other stakeholders who are undoubtedly impacted when a summons is issued or remains unresolved on a property. DOB will be hosting 2 virtual sessions on May 31st, to RSVP visit: [nyc.gov/aeu-coc](http://nyc.gov/aeu-coc)
- B. Josue - DFTA announced that May is older Americans month and DFTA will be celebrating by sponsoring various activities in older adult centers throughout the city culminating in an event on May 29th at 2 Lafayette Street in Manhattan, for more information visit DFTA’s social media accounts. DFTA is also sponsoring a survey as an opportunity to give direct feedback on DFTA delivery of services from seniors and their service providers and is asking all partners to help spread the word. Josue will attend June’s Seniors Connected Meeting to promote this survey.
- C. Effie - DEP reinforced information about the SBS grant for commercial properties to flood proof their properties, this is not a DEP initiative, however, DEP is helping to spread the word by conducting outreach to various BIDS and businesses. The grant money will be used to buy flood barriers, etc. Deadline undetermined.
- D. Kenneth - DOHMH shared press release about how to prevent tick bites and what to do is you come in contact with ticks, press release contains educational information on what to look for, etc.
