- April 22nd from 4-7 at MS 2
- Talk to Fred about getting the funding released
- We should reach out to Senator Myrie and all of the local elected representatives

Most Urgent Task

- Getting a save the date out to vendors
 - Mattijs to send real list - Tomorrow

- We need a flyer updated
 - STD updated by Khalid

- Valerie is on the actual flyer
- Vendor draft email with the information around our needs to go to Frederick Johnson
 - Mattijs will email Frederick
- We have the STD flyer, which should go directly to vendors as an immediate next step
 - Send the students the STD
 - Mattijs has the list
- Previous event feedback was that people came specifically to get a job, rather than talk to vendors about summer programs
- Would be great to get DYCD in the door
- Include the SYEP application in our STD email since it was just released
 - Luna park may be an exception
 - Prospect park alliance
- First, reach out to everyone from last year
- We'll get 1/3 folks that we reach out to
