## STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

Local law 70 of 2024, which goes into effect on December 19, 2024, amends section 28-202.1 of the Administrative Code by adding a number of civil penalties for violations involving parking structures. The Department is proposing to amend its rule regarding civil penalties to add these penalties and to amend the amounts of other, similar penalties to match the amounts of the new parking structure ones.

The rule is also being amended to add penalties for failure to provide required information for a site safety plan or a tenant protection plan and for occupancy of a building or vacant lot that has been sealed or padlocked. In addition, outdated citations are deleted and the language regarding certificates of correction is clarified.

DOB's authority for this rule is found in Sections 643 and 1043(a) of the New York City Charter and Section 28-202.1 of the New York City Administrative Code.

New material is underlined.

[Deleted material is in brackets.]
