Application Deadline:

All applications must be submitted to the employees' Agency Personnel Offices by November 15, 2024

Mayor's Graduate Scholarship Program (MGSP) Program Guidelines

Participating Colleges and Universities

Participating colleges and universities provide the funding for all scholarship offerings and determine the recipients of the awards. The MGSP Scholarship Offering Guide lists schools and specific degree programs being offered. All questions about admission requirements, such as test or transcript information and the program curriculum, should be directed to the college or university to which you are applying. MGSP staff are available to answer questions about the scholarship application process.

Eligibility

To qualify for MGSP, you must be a full-time New York City Government employee and have completed a bachelor's degree by the start of the graduate program/scholarship year to which you are applying. Awardees must remain full-time NYC government employees during the entire course of study, remain students in good standing, and attend all courses on their own time. There is no minimum length of employment required for scholarship eligibility. Awardees are not obligated to remain in service to the City upon completion of the graduate program.

Evaluation and Selection

Award decisions are made solely by the colleges/universities. Each school makes its decision based on scholastic ability, leadership potential, range of knowledge, experience, and scores on the GRE, LSAT, and GMAT, when required. Applicants are advised to take required examinations early enough for scores to be available to colleges/universities for the selection process. If you are awarded a scholarship, you will be notified by the school.

DCAS does not participate in the award decision process. The MGSP staff reviews all applications and will not forward any application that either does not meet minimum requirements or is not presented in a professional manner (see Application Checklist on the last page).

MGSP Application Process

MGSP application approval process begins in November 2024 and runs through summer of 2025. MGSP applications must be approved by your agency head, sent to the MGSP office for review, and then forwarded to each school that you are applying to for the selection process. Therefore, you must submit an original application for review by each school. Your agency may review your job performance and screen your application for accuracy as part of their approval process.

Participating School Application

The Scholarship Offering Guide lists all the participating schools and specific programs offering scholarships through MGSP. Submit your completed school application by the application deadline indicated in the Scholarship Offering Guide. Retain a copy of your online confirmation and forward it to MGSP@dcas.nyc.gov by the deadline indicated in the Scholarship Offering Guide.
