Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be \$1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 13th Floor, New York, NY 10038. The expression of interest should specifically address the following:

b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility is fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.

A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

a. This Article III is subject to the provisions, terms and conditions of the Alternative Career and Salary Pay Plan Regulations, dated March 15, 1967 (as amended), except that the specific terms and conditions of this Article shall supersede any provisions of such Regulations inconsistent with this Agreement subject to the limitations of applicable provisions of law.

b. To achieve and maintain a high level of effectiveness, the parties hereby agree to the following terms:

Section 1. Performance Levels

- a. The Union recognizes the Employer's right under the New York City Collective Bargaining Law to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. NOTE: The following **STEP I(a)** shall be applicable only in the Health and Hospitals Corporation in the case of grievances arising under Section 1(a) through 1(c) of this Article and shall be applied prior to **Step II** of this Section:

The grievant or the Union should submit copies of the **STEP I** and **STEP II** grievance filings and any agency responses thereto. Copies of such appeal shall be sent to the agency head. The Commissioner of Labor Relations or the Commissioner's designee shall review all appeals from **STEP II** determinations and shall issue a determination on such appeals within fifteen (15) work days following the date on which the appeal was filed.

STEP IV An appeal from an unsatisfactory determination at **STEP III** may be brought solely by the Union to the Office of Collective Bargaining for impartial arbitration within fifteen (15) work days of receipt of the **STEP III** determination. In addition, the Employer shall have the right to bring directly to arbitration any dispute between the parties concerning any matter defined herein as a "grievance". The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with the Consolidated Rules of the Office of Collective Bargaining. The costs and fees of such arbitration shall be borne equally by the Union and the Employer.

The arbitrator's decision, order or award (if any) shall be limited to the application and interpretation of the Agreement, and the arbitrator shall not add to, subtract from or modify the Agreement. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, the employee or employees and the Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the employee and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

The employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the employee is satisfied with the determination in **STEP A** above, the employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As a condition of accepting such determination, the employee shall sign a waiver of the employee's right to the procedures available to him or her under Section 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation.

STEP B(i) If the Employee is not satisfied with the determination at **STEP A** above, then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation. As an alternative for employees covered by subsections 1(d)(i) and (ii) or as the procedure for employees covered by subsection 1(d)(iii), the Union with the consent of the employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to **STEP IV** of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the employee and the Union shall file a written waiver of the right to utilize the procedures available to the employee pursuant to Section 75 and 76 of the Civil Service Law or the Rules and Regulations of the Health and Hospitals Corporation or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

Because non-competitive per annum employees, appointed in titles listed in Section 2(a) of Article III hereof, are not covered by the disciplinary procedures set forth in Section 75 of the Civil Service Law, such employees may proceed only in accord with the Grievance Procedure if not satisfied with the decision at **STEP A**, above.

STEP B(ii) If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of **STEP A** above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) working days of the receipt of the determination. The agency head or designated representative shall meet with the employee and the Union for review of the grievance and shall issue a determination to the employee and the Union by the end of the tenth working day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip **STEP C** of this Section and proceed directly to **STEP D**.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative, the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) working days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in **STEP IV** of the Grievance Procedure set forth in this Agreement. This step is not applicable for those employees utilizing this procedure pursuant to Article VIII, Section 1(c).

Section 5.

A grievance concerning a large number of employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at **STEP III** of the grievance procedure except that a grievance concerning employees of the Health and Hospitals Corporation may be filed directly at **STEP II** of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 6.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may re-institute the original grievance at **STEP III** of the Grievance Procedure; or if a satisfactory **STEP III** determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at **STEP IV** of the Grievance Procedure.

Section 7.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under **STEP IV**.

Section 8.

The Employer shall notify the Union in writing of all grievances filed by employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours' notice of all grievance hearings.

Section 9.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 10.

A non-Mayoral agency not covered by this Agreement but which employs employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the non-Mayoral agency involved.

Section 11.

The grievance and the arbitration procedure contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 12. Disciplinary Rights of Dentists and Senior Dentists.

Incumbents in the classes of positions of Dentist and Senior Dentist who on November 30, 1988 were employed 12-1/2 or more hours per week by the City of New York and continue to be so employed shall be deemed covered by Article VIII, subsection 1(d)(iv), provided they have completed or shall complete one year of such employment.

Section 13. Expedited Arbitration Procedure.

- a.** The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.
- b.** The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.
- c.** The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. The following procedures shall apply:
- i. SELECTION AND SCHEDULING OF CASES:**
- (1)** The Deputy Chairperson for Disputes of the Office of Collective Bargaining shall propose which cases

shall be subject to the procedures set forth in this Section 14 and notify the parties of proposed hearing dates for such cases.

- (2)** The parties shall have ten business days from the receipt of the Deputy Chairperson's proposed list of cases and hearing schedule(s) raise any objections thereto.
- (3)** If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.
- (4)** No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.
- ii. CONDUCT OF HEARINGS:**
- (1)** The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.
- (2)** In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.
- (3)** The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.
- (4)** A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.
- (5)** Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.
- (6)** The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.

Re: 2005-2008 Doctors Council Agreement

Dear Dr. Liebowitz:

This letter will confirm the status of certain agreements reached prior to the negotiations for the 2005-2008 Doctors Council Agreement ("DCA") between the City of New York and the New York City Health and Hospitals Corporation, and the Doctors Council.

1. The following provisions (based on the letter attached to the 1984-1987 DCA dated October 2, 1986, captioned "Longevity Differential") concerning the proration of prior per-session service upon appointment to a per annum title eligible for longevity differentials pursuant to Article III, Section 8(c) of the 1995-2000 DCA shall be continued during the term of the 2005-2008 DCA.
 - a. Incumbent employees who are members of the New York City Employees Retirement System ("NYCERS") or per-session employees who were appointed to a per annum title between July 1, 1982 and June 30, 1987, shall have their per-session service pro-rated in accordance with the methodology employed by NYCERS in determining service credit for per-session employees.
 - b. Any per-session employee who shall be appointed to a per annum position after June 30, 1987, and who is not a member of NYCERS shall have his/her per-session service pro-rated based on the ratio of hours worked in each year as a per-session versus the number of hours listed for the per annum title in Article III.
 - c. Nothing contained in these provisions shall modify any previous agreements on pro-ration of per-session time, except as it applies to the application to Article III, Section 8(c).
2. The following terms and conditions (based on the letter attached to the 1984-1987 DCA dated October 2, 1986 and captioned "1984-87 Doctors Council Agreement") shall be continued during the term of the 2005-2008 DA. It is understood that the welfare fund payments described in paragraph 2(e) shall be continued solely for those Attending Physicians, if any, to whom payments were made during the term of said 1984-1987 DCA.
 - a. The Employer shall make hepatitis B vaccine available at no cost to employees covered by the 2005-2008 DCA. In the event that the cost of such vaccine provided to said employees exceeds \$25,000, the Doctors Council Welfare Fund shall reimburse the Employer for any such excess.

- b. The Employer shall provide the Doctors Council with list(s) of Employees and their addresses, insofar as such information is available.
 - c. To the extent that the PMS and HHC payroll programs permit and when available to all employees paid via said payroll programs:
 - i. all employees will be paid bi-weekly,

 - d. With reference to and notwithstanding anything appearing to the contrary in Article V, Section 2(b) of the 1995-2000 DCA, a tour of duty for Medical Investigators for purposes of said Section 2(b) is understood by the parties to range between 5 and 24 hours. The City and the Doctors Council reserve all other rights and claims with respect to the definition or application for any other purpose of the number of hours in a tour for Medical Examiners.
 - e. The New York City Health and Hospitals Corporation will make welfare fund payments to the Doctors Council on behalf of Attending Physicians employed more than (10) hours but less than 18-3/4 hours per week in the amount equal to that paid other part-time per annum employees covered by 1984-1987 DCA. These payments shall be made annually, or pro-rated and paid on such other basis as the HHC makes welfare fund contributions in its normal course of business on behalf of employees on the payroll as of July 1, 1984, July 1, 1985, and/or July 1, 1986. There shall be no presumption that this shall continue beyond the term of the 1984-1987 DCA.
3. Based on the side letter captioned "Kings County Hospital Emergency Room" (dated February 13 1990), all Physicians and Attending Physicians assigned to the King County Hospital Emergency Room shall receive the salary rates set forth below in lieu of the hourly and annual rates, including any assignment differential(s), contained in the 2005-2008 DCA. Re: 2005-2008 Doctors Council Memorandum of Understanding

Dear Dr. Liebowitz:

This is to confirm certain mutual understandings and agreements regarding the above captioned Agreement.

Transit Check

The parties agree that the City will expand the current Transit Check program to offer to eligible employees the ability to purchase a Transit Debit Card through payroll deductions in accordance with IRC Section 132. In addition to the current MTA Surface and Subway lines, the Transit Debit Card may be used to purchase tickets for mass transit commutation only (i.e. LIRR, LI MTA Buses, MetroNorth). The administrative fee for this benefit will be borne by the participants and will be deducted on a prorated basis from the participating employee's paycheck. After one year of experience with this benefit, the City will examine the level of participation and the associated costs of providing this benefit to determine whether or not the administrative fee requires adjustment.

The parties further agree to examine the possible expansion of this benefit to include other regional mass transit carriers.

Residency

The parties agree to support an amendment to Section 12-119 et seq. of the Administrative Code for the purpose of expanding permissible limits on residency to include the City of New York and Nassau, Westchester, Suffolk, Orange, Rockland or Putnam counties - with certain exceptions and limitations and except as may be prohibited by any other law requiring residency for appointment to certain positions including, but not limited to, the Public Officers Law - for employees covered by the terms of this Agreement.

Consistent with the above, Mayoral Directive 78-13, as amended July 26, 1978, and any other covered Employer's rules, regulations and/or operating procedures, shall be similarly modified to conform to the understanding of the parties.

Upon enactment of legislation to implement the provisions herein, employees shall be subject to Section 1127 of the New York City Charter.

Labor Management Committee on Pension Issues

There shall be a joint Labor Management Committee on Pensions with the appropriate parties. The committee shall analyze the actual costs and additional contribution rate(s) for members of the New York City Employees' Retirement System (NYCERS) and the Board of Education Retirement System (BERS) associated with Chapter 96 of the Laws of 1995. Such analysis shall be based on, among other factors, the actual number of people who elected to participate under

the provisions of said Chapter 96 of the Laws of 1995 as of September 26, 1995. The committee shall make recommendations regarding the establishment of revised additional contribution rate(s) and other remedies it deems appropriate so as to reflect the actual cost to members of NYCERS and BERS. Regardless of the comparison of actual costs to additional contributions for members of NYCERS and BERS, there shall be no adjustment to contributions under Chapter 96 without first considering the contributions by the employer to NYCERS and BERS on behalf of all employees, and the comparison of those contributions to actual costs.

The parties further agree to discuss the following issues:

- Chapter 96 Reopener
Chapter 96 Escape
Age and Vesting Requirements
Member Contribution Amounts and Duration
Benefit Formula Changes
Service Credits
Any other areas the parties mutually agree to

Continuation of Certain Health Benefits

The parties acknowledge that collective bargaining regarding health benefits is within the purview of negotiations between the Municipal Labor Committee and the City. Cost-containment initiatives in the City Health Benefits Program shall be discussed with the Municipal Labor Committee.

Salary Review Panel

A Salary Review Panel shall be established to review selected titles and occupational groups to determine whether or not salary adjustments or other compensation modifications appear to be indicated and, based on their findings, to make such recommendations as are appropriate. No recommendation for salary modifications and/or other adjustments shall be implemented unless and until the parties have agreed on the source(s) of funding.

If the above accords with your understanding, please execute the signature line provided below.

Very truly yours, James F. Hanley, JAMES F. HANLEY

READER'S GUIDE

Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application. If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
