At various developments, all five (5) boroughs of NYC.

Lead Based Paint Inspection Services will enable NYCHA to comply with both City and Federal regulatory requirements. The New York City Housing Authority (NYCHA) performs lead based paint testing of apartments and other locations throughout our facilities as part of HUD Requirements, Local Law 1 or building renovation. This testing takes place in all 5 Boroughs in both high rise and low rise walk up buildings.

It is NYCHA's intent to separately solicit and award, this year, up to five (5) requirement contracts for Lead-Based Paint Inspection Services. It has been determined that it is in the best interests of NYCHA to award only one agreement to any individual contractor. Therefore the contractor awarded a contract pursuant to this solicitation for Lead-Based Paint Inspection Services will not be eligible to be awarded any of the remaining four (4) contracts for Lead-Based Paint Inspection Services.

PUBLIC SERVICE CAMPAIGN – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 01708PSC001 – DUE 04-28-08 AT 5:00 P.M. – The New York Office of Emergency Management (OEM) intends to enter into a negotiated acquisition to contract with the Ad Council, located at 815 Second Avenue, 9th Floor, New York, NY 10017. The Ad Council will assist OEM with the development and dissemination of a public service awareness/outreach campaign. The Ad Council will support OEM's campaign by securing both donated advertising space from major media outlets (including television networks, radio stations, magazines and newspapers), and securing pro bono creative services from experienced advertising agencies.

One of OEM's core missions is to educate the public on what they should do to become prepared for emergencies. This campaign is part of OEM's public education program, and will enable us to provide public safety information to a mass audience of New Yorkers. The anticipated contract term will be from July 1, 2008 - June 30, 2009, with two, two-year options to renew.

The firm selected for this contract should offer a combination of (1) excellent technical skills, (2) competitive pricing for campaign production and creative services, and (3) a plan to secure placement of the advertisements at NO COST TO OEM. The plan for ad placements should include TV, radio, print, internet and outdoor outlets.

Any vendor interested in providing these services - who can meet all of the above requirements - is invited to submit an expression of interest, either by letter or by email.

VITAL RECORDS ELECTRONIC ORDER PAYMENT – Negotiated Acquisition – PIN# 81608VR200300R0X00 – DUE 05-02-08 AT 2:00 P.M. – Bureau of Vital Statistics requests a six month extension of the existing VitalCheck Apply and Pay for Vital Records by Credit Card, Internet, Fax and Telephone Contract which expires on May 31, 2008. The Bureau has a new RFP for these services that has been posted on the City Record and DOHMH's website on February 6, 2008. Bids were submitted by March 5, 2008. The six months extension prevents a time gap between contracts that provide mission critical services. It also prevents a severe reduction in customer service to 15,000 birth certificate customers per month and allows the minimum one month set-up time required by a new vendor to provide these services.

At various developments, all five (5) boroughs of NYC.

Lead Based Paint Inspection Services will enable NYCHA to comply with both City and Federal regulatory requirements. The New York City Housing Authority (NYCHA) performs lead based paint testing of apartments and other locations throughout our facilities as part of HUD Requirements, Local Law 1 or building renovation. This testing takes place in all 5 Boroughs in both high rise and low rise walk up buildings.

It is NYCHA's intent to separately solicit and award, this year, up to five (5) requirement contracts for Lead-Based Paint Inspection Services. It has been determined that it is in the best interests of NYCHA to award only one agreement to any individual contractor. Therefore the contractor awarded a contract pursuant to this solicitation for Lead-Based Paint Inspection Services will not be eligible to be awarded any of the remaining four (4) contracts for Lead-Based Paint Inspection Services.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, <http://NYC.GOV.Selltonyc>

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
