CD 4-8 **N 080177 ZRM**
IN THE MATTER OF an application submitted by Park Avenue Hotel Acquisition, LLC, and 375 Park Avenue L.P., pursuant to Section 201 of the New York City Charter for an amendment of the Zoning Resolution of the City of New York concerning Article VIII, Chapter 1, Special Midtown District, concerning Section 81-212 (Special provisions for transfer of development rights from landmark sites), Community District #5, Borough of Manhattan.

Matter within # # is defined in Section 12-10;
Matter in ~~strikeout~~ is text to be deleted;

Article VIII: Special Purpose Districts
Chapter 1: Special Midtown District

81-212 Special provisions for transfer of development rights from landmark sites

The provisions of Section 74-79 (Transfer of Development Rights for Landmark Sites) shall apply in the #Special Midtown District# subject to the modification set forth in this Section and Sections 81-254, 81-266 and 81-277 pertaining to special permits for height and setback modifications, Section 81-747 (Transfer of development rights from landmark theaters) and Section 81-85 (Transfer of development rights from landmark sites within the Special Fifth Avenue Subdistrict).

The provisions of Section 74-79 pertaining to the meaning of the term "adjacent lot" in the case of lots located in C5-3, C5-5, C6-6, C6-7 or C6-9 Districts are modified to apply in the #Special Midtown District# where the "adjacent lot" is in a C5-3, C6-6, C6-7, C6-5.5, C6-6.5 or C6-7T District.

The provisions of paragraph (c) of Section 74-792 as applied in the #Special Midtown District# shall be subject to the restrictions set forth in the table in Section 81-211 on the development rights (FAR) of a landmark "granting lot" for transfer purposes.

Wherever there is an inconsistency between any provision in Section 74-79 and the table in Section 81-211, the table in Section 81-211 shall apply.

Within the Grand Central Subdistrict, any transfer of development rights from a landmark site may be made pursuant to either Section 74-79 or Section 81-63, but not both.

For new #developments# or #enlargements# in C5-3, C6-6, C6-7 and C6-7T Districts, the Commission may also modify or waive the requirements of Section 23-86 (Minimum Distance Between Legally Required Windows and Walls or Lot Lines) and requirements governing the minimum dimensions of a court, where:

the required minimum distance as set forth in Section 23-86 is provided between the #legally required windows# in the new #development# or #enlargement# and a wall or #lot line# on the #zoning lot# occupied by the landmark; and

the required minimum distance is protected by a light and air easement acceptable to the Department of City Planning and recorded in the County Clerk's office of the county in which such tracts of land are located.

For new #developments# or #enlargements#, on #zoning lots# located in C5-3, C6-6, C6-7 and C6-7T Districts and with frontage on streets on which curb cuts are restricted

pursuant to Section 81-44, the Commission may also modify or waive the number of loading berths required pursuant to Section 36-62 (Required Accessory Loading Berths). In granting such special permit, the Commission shall find that:

(a) a loading berth permitted by City Planning Commission authorization pursuant to Section 81-44 would have an adverse impact on the landmark #building or other structure# that is the subject of the special permit;
(b) because of existing #buildings# on the #zoning lot#, there is no other feasible location for the required loading berths; and

(c) the modification or waiver will not create or contribute to serious traffic congestion or unduly inhibit vehicular and pedestrian movement.

For new #developments# or #enlargements#, on #zoning lots# located in C5-3, C6-6, C6-7 and C6-7T Districts, the Commission may also modify the dimensions and minimum

clear height required for pedestrian circulation space pursuant to Section 81-45 (Pedestrian Circulation Space) and 37-50 (Requirements for Pedestrian Circulation Space). In granting such special permit, the Commission shall find that

the modification will result in a distribution of #bulk# and arrangement of #uses# on the #zoning lot# that relate more harmoniously with the landmark #building or other structure# that is the subject of the special permit.

No. 4

CD 5 **C 080178 ZSM**
IN THE MATTER OF an application submitted by Park Avenue Hotel Acquisition, LLC pursuant to Sections 197-c

and 201 of the New York City Charter for the grant of a special permit pursuant to the following sections of the Zoning Resolution:

1. Sections 81-212* and 74-79 - to allow the transfer of 200,965 square feet of floor area from property located at 375 Park Avenue (Block 1307, Lots 1 and 9001) that is occupied by a landmark building to property located at 610 Lexington Avenue (Block 1307, Lots 14 and 59), to modify the requirements of Section 23-851 (Minimum Dimension of Inner Courts), Section 23-861 (Minimum Distance Between Legally Required Windows and Walls or Lot Lines/General Provision), Section 36-62 (Required Accessory Off-Street Loading Berths), and Section 81-45 (Pedestrian Circulation Space) and Section 37-07 (Requirements for Pedestrian Circulation Space); and
2. Section 81-277 - to modify the height and setback requirements of Section 81-27 (Alternative Height and Setback Regulations – Daylight Evaluation)

to facilitate the development of a 63-story mixed use building on property located at 610 Lexington Avenue (Block 1307, Lots 14 and 59), in a C6-6 District, within the Special Midtown District.

* Note: A zoning text change is proposed under a concurrent related application (N 080177 ZRM) for amendment to Sections 81-212 (Special provisions for transfer of development rights from landmark sites).

Plans for this proposal are on file with the City Planning Commission and may be seen at 22 Reade Street, Room 3N, New York, N.Y. 10007.

SPECIAL FLOOR AREA REGULATIONS

93-31
District Improvement Fund Bonus

In the #Special Hudson Yards District# and Area P-2 of the #Special Garment Center District#, the Chairperson of the City Planning Commission shall allow, by certification, the applicable basic maximum #floor area ratio# to be increased up to the maximum amount specified in Sections 93-21, 93-22 or 121-31, as applicable, provided that instruments in a form acceptable to the City are executed and recorded ~~ensuring~~ and that, thereafter, a contribution has been deposited in the #Hudson Yards District Improvement Fund#. The execution and recording of such instruments and the payment of such non-refundable contribution shall be a precondition to the filing for or issuing of any building permit allowing more than the basic maximum #floor area# for such #development# or #enlargement#.

The Commissioner of Buildings shall not authorize the construction of any #development# or #enlargement# utilizing #floor area# bonused pursuant to this Section, including foundations with respect thereto, nor shall the construction of any bonused portion thereof be authorized, until the Chairperson has certified that the requirements of this Section have been met Nothing herein shall limit the ability of the Commissioner of Buildings to issue a permit for the construction of a #development# or #enlargement# which

does not utilize such bonused floor area.

~~Such~~ The contribution amount shall be \$100 per square foot of #floor area# as of January 19, 2005, and shall be adjusted by the Chairperson annually on July 1 of the following year and each year thereafter, . Such adjustment shall occur on August 1 of each calendar year, based on the percentage change in the Consumer Price Index for all urban consumers as defined by the U.S. Bureau of Labor Statistics for the twelve months ended on June 30 of that year The contribution amount shall be determined based upon the rate which is in effect at the time the contribution is received, and contributions may be made only on days when the Hudson Yards Infrastructure Corporation (the "Corporation") is open for business and during business hours as specified by the Corporation.

The Commission may promulgate rules regarding the administration of this Section, and the Commission may also, by rule, adjust the contribution amount specified in the preceding paragraph to reflect changes in market conditions within the #Hudson Yards Redevelopment Area# if, in its judgment, the adjusted amount will facilitate the district-wide improvements that are consistent with the purposes of this Chapter and the purposes of the #Special Garment Center District#. The Commission may make such an adjustment by rule, not more than once a year.

For any such adjustment by rule decreasing the contribution amount, or increasing the contribution amount by more than the percentage change in the Consumer Price Index for all urban consumers, the following shall apply:

- (a) Such rule shall be effective for not more than two years; and
- (b) The Commission shall not publish the proposed rule pursuant to the City Administrative Procedure Act unless the City Council Land Use Committee and the Department of City Planning have jointly filed an application for a zoning text amendment under Section 201 of the New York City Charter, which would make such adjustment of the contribution amount permanently effective. The contribution amount established under such rule as finally adopted shall continue in effect with further adjustments based upon the Consumer Price Index for all urban consumers, until the next adjustment of the contribution amount pursuant to this Section.

~~Such contribution amount shall be payable or secured at the time foundation work has been completed and the Commissioner of Buildings shall not authorize any additional construction until the Chairperson has certified that payment has been made or adequate security therefore has been provided.~~

to such lines. Such #street wall# shall rise without setback to a minimum base height of 90 feet and a maximum base height of 150 feet, except that such minimum base height requirement shall not apply to any existing #residential buildings# to remain. These provisions shall apply for a minimum distance of 50 feet and a maximum distance of 100 feet from the intersection of Tenth Avenue.

Above a height of 150 feet, the setback provisions of paragraph (b) of Section 93-42 shall apply. READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
