AGENCY RULES

BUILDINGS

NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts the addition of Sections 101-15 and 101-16 to Chapter 100 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding public challenge of department decisions.

This rule was first published on February 4, 2009 and a public hearing thereon was held on March 6, 2009.

This rule shall take effect on July 13, 2009.

Dated: June 5, 2009
New York, New York

/s/
Robert D. LiMandri
Commissioner

Subchapter A of Chapter 100 of Title 1 of the Rules of the City of New York is amended by adding new sections 101-15 and 101-16 to read as follows:

Chapter 100
Administration

\$101-15 Public challenge of department zoning approvals. The following procedure shall be followed only when members of the public wish to challenge a zoning approval issued by the department for a new building ("NB") or an enlargement affecting the exterior envelope of an existing building ("enlargement"). For the purposes of this section, "zoning approval" shall mean the approval of zoning documents filed as part of either a full approval of construction documents pursuant to section 28-104.2.2 or a partial approval of construction documents pursuant to

section 28-104.2.5 of the administrative code, whichever comes first.

(a) Initial zoning challenge. The public shall have forty-five (45) days from the date of posting on the department's website of a zoning diagram filed in connection with an NB or enlargement to challenge the zoning approval, whether or not a permit or full approval for the NB or enlargement application has been issued. Posting of the zoning diagram shall serve as notice of zoning approval. All permits shall state that the zoning diagram can be accessed on the department's website. In addition, such zoning approval and information related to such approval shall be made available upon request at the appropriate borough office. The challenge shall be postmarked by the 45th day from the date of posting and shall be sent to the appropriate borough commissioner on forms specified by the department.

(b) Department review and decisions. After the forty-five (45) days for public challenge have elapsed, the department shall provide the challenge(s) to the applicant and the borough commissioner shall begin a review of the challenge(s) received and issue decision(s). The borough commissioner may deny the challenge(s) and/or issue to the applicant a notice of intent to revoke the zoning approval and any other approval and/or permit that relies on the zoning approval, along with a list of objections to the application. The challenge(s) and decision(s) shall be posted on the department's website and made available upon request at the appropriate borough office.

(1) Denial of challenge. The public shall have fifteen (15) days from the date of the posting of the borough commissioner's decision to deny the challenge to appeal to the department's technical affairs unit on forms specified by the department. The appeal shall be postmarked no later than the 15th day after the date of the posting.

(2) Notice of intent to revoke. The borough commissioner may issue a notice of intent to revoke the zoning approval and any other approval and/or permit that relies on the zoning approval, along with a list of objections. Such notice shall be rescinded when all objections are satisfied. The public shall have fifteen (15) days from the date of the posting of the rescission of such notice on the department's website to appeal the rescission to the department's technical affairs unit on forms specified by the department. The appeal shall be postmarked no later than the 15th day after the date of the posting.

(3) Final determinations. In addition to the internal appeals procedure provided for in paragraph 2 of this subdivision, rescission of a notice of intent to revoke a permit, issuance of a permit and revocation of a permit are final determinations that may be appealed to the Board of Standards and Appeals (BSA) in accordance with its rules. Where a permit has already been issued, the denial of a challenge by the borough commissioner or by the head of the technical affairs unit pursuant to this rule shall also be considered a final determination that may be appealed to the BSA.

(c) Amendments to zoning approvals.

(1) Resolving objections. An applicant may file to amend a zoning approval solely to resolve the objections stated in the notice of intent to revoke. Rescission of a notice of intent to revoke as a result of the resolution of objections shall constitute a decision that may be appealed pursuant to the provisions of paragraph 2 of subdivision b of this section or to the BSA, pursuant to paragraph 3 of subdivision b of this section.

(2) Amendments to the approved zoning documents. An applicant may also file to amend approved zoning documents for reasons in addition to or other than addressing the zoning objections raised in the notice of intent to revoke approval or permit. Challenges to the department's approval of such amendments shall be subject to the process set forth in subdivisions a and b of this section.

(d) Currently filed jobs. The public challenge process described in this section shall not apply to jobs where the application submission for an NB or enlargement is deemed by the department as ready for initial plan examination and the appropriate fees have been paid prior to the effective date of this rule.

§101-16 Posting of permit. A building permit or copy thereof shall be securely posted at the work site in a conspicuous location readily visible to the general public from a public right of way within three days of issuance but not later than the date of commencement of work and shall remain posted until all work is completed or the permit expires, whichever is later.

Statement of Basis and Purpose

These rules are proposed pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter.

Section 101-15 is proposed to allow for informed public challenges of zoning approvals early in the project approval process. Where a zoning approval is issued in connection with an NB or enlargement, prior to the full approval for the NB or enlargement application, the forty-five days for a challenge shall run from the posting on the department's website of such zoning approval. The posting of the zoning diagram, in particular, adds transparency to proposed projects and will enable the public to challenge a zoning approval early in the application approval process. This will allow such challenges to be examined and decided before the project progresses to the point where a viable solution may be difficult to achieve.

In addition, the proposed rule spells out to whom challenges may be made and sets out time frames for zoning challenges. This furthers the dual goals of clarity and finality in the process. The public-challenge process set forth in this proposed rule establishes a defined and organized means for the public to challenge decisions by the Department that they believe are incorrect, and will provide clarity for developers about when a project can move forward, and when changes to a proposed development need to be made. The current process, which has no formal timeframe, produces confusion and unnecessary and unintended costs for development in New York City.

Section 28-105.11 of the Administrative Code requires posting of a permit at a work site during construction. Section 101-16 clarifies that the posting of the permit must be no later than three days of issuance in order to further inform the public of such issuance in a reasonably rapid manner.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application. If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

The Rules may also be accessed on the City Website, <http://nyc.gov/selltonyc>

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
