The diagram accompanying this Notice replaces that appended to the Notice of Opportunity to Comment, published on February 4, 2010, in order to correctly reflect the areas considered by the Department to be "adjacent" for purposes of clergy parking.

(A) The religious corporation or association applying for a permit on behalf of a member of the clergy shall submit an application on a form to be provided by the department and signed by an officer of the corporation or association or by a person otherwise authorized to act on behalf of the corporation or association. Such application shall be accompanied by a copy of a deed or lease and a certificate of occupancy indicating classification in occupancy group F-1(b) (plus the type of house of worship) for the New York City house of worship used by the religious corporation or association. In the absence of a deed or lease, the religious corporation or association shall submit a sworn written statement of the owner of the house of worship attesting to the fact that said religious corporation or association has the permission of said owner to use the premises as a house of worship. In the event a house of worship was constructed prior to the existence of a certificate of occupancy or occupancy group F-1(b) so that a certificate of occupancy is not available, the religious corporation or association shall submit such other documentation as the department may require.

(B) The religious corporation or association shall, on behalf of a [clergy member] member of the clergy, submit a copy of title, registration or lease in the [clergy member's] member of the clergy's name or in the name of a religious corporation or association employing such member of the clergy for a [New York State registered] vehicle lawfully registered in any state to be covered by a permit. Such religious association or corporation shall, on behalf of a member of the clergy, also submit a copy of a current automobile insurance identification card for such vehicle.

(C) The religious corporation or association shall certify on a form provided by the Department that only the member of the clergy on whose behalf the application is made will use such permit, that such use will occur only while the member of the clergy is performing official duties at a funeral establishment or the house of worship at whose services such member of the clergy officiates or presides or while performing such official duties at a hospital, that such member of the clergy [derives his/her principal income from officiating at or presiding over services on behalf of said religious corporation or association] works an average of at least twenty hours per week on behalf of such religious corporation or association, that such member of the clergy possesses a valid [New York State] driver's license from any state and that such member of the clergy otherwise qualifies for the benefits of this permit.

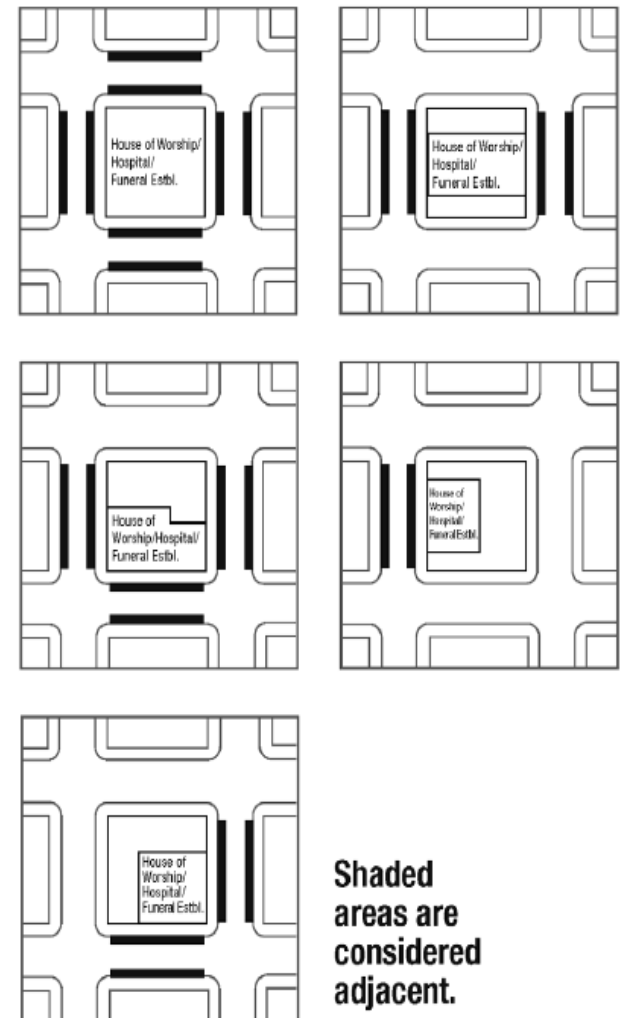

(D) In addition, the religious corporation or association shall submit any other documents deemed necessary by the Department.

For the purposes of this paragraph, only those portions

of a roadway corresponding to the shaded areas on the diagrams below shall be considered adjacent to a house of worship or hospital or funeral establishment.

Section 4-08

(iv) **Issuance of Permit.** Only one permit shall be issued to any religious corporation or association. The front of such permit shall include the license plate numbers of up to three passenger cars, as defined in subparagraph (i), above, that are owned, registered or leased by the members of the clergy for whose benefit the religious corporation or association has applied for such permit or by the religious corporation or association employing such member of the clergy. No permit shall be issued with the license plate number of any vehicle that has one or more summonses in judgment according to the records of the New York City Parking Violations Bureau.

STATEMENT OF BASIS AND PURPOSE OF RULES

The Commissioner of the Department of Transportation is authorized to promulgate rules regarding parking and traffic in the City pursuant to Section 2903 of the New York City Charter.

Subparagraphs (i), (ii), (iii), and (iv) of subdivision (o) of section 4-08 are being amended to incorporate recent changes to Title 19 of the New York City Administrative Code. These provisions of law revise the definition of "member of the clergy", permit members of the clergy to park adjacent to funeral homes for up to four hours when performing official duties, allow members of the clergy to park for up to five hours (increased from four hours) adjacent to houses of worship when officiating, allow the passenger car driven by a member of the clergy to be registered in any state, and provide that the religious corporation or association employing the member of the clergy can own the passenger car. The Department is amending the Traffic Rules to implement these changes, and to facilitate effective enforcement by the Police Department.
