(c) Distressed property consultants shall also clearly and conspicously provide in their advertisements a telephone number for a land line telephone that is answered by a live person with knowledge and information about the services advertised and that is at a location where process can be properly served on such consultant.

(d) Distressed property consultants shall maintain for a period of three years copies of the print advertisements described in §20-723.3 (b) of the New York City Administrative Code. Such documents shall be produced upon demand by the Department of Consumer Affairs within five business days.

(e) With regard to advertising via a unit or units of advertising space described in §20-723.3 (b) of the New York City Administrative Code, distressed property consultants shall maintain for a period of three years (i) a copy of the written agreement, contract or other document governing the terms of the lease or use of every unit or units of advertising space, (ii) a copy of the written text of such advertising; (iii) the address of all such advertising space; and (iv) the name, address and phone number of the owner of such advertising space. Such documents shall be produced upon demand by the Department of Consumer Affairs within five business days.

Statement of Basis and Purpose: Section 20-723.3 of the Administrative Code of the City of New York enacted by Local Law Number 74 for the Year 2009 provides that the Commissioner adopt a rule specifying the form and content of the information required to be disclosed in each advertisement by distressed property consultants in New York City. The disclosures to be included in each advertisement are specified in paragraphs 1 and 2 of subdivision (b) of section 20-723.3.

The Department, proposes to specify in new section 5-125 of Chapter 5 of Title 6 of the Rules of the City of New York the form and content of the disclosures required to be made, indicating where the disclosures are to be placed in each advertisement, the type size to be used, how the disclosures are to be set apart for the remaining text in the advertisement to ensure that such disclosures will be conspicuous to any reader and that the language of the disclosure must be in all languages used in the text of the advertisement. The proposed rule also requires that the advertisement include information on how consumers can contact the Department to file complaints against businesses offering consulting services.

Subdivision (c) of section 20-723.3 authorizes the commissioner to promulgate rules that may be necessary for the implementation and enforcement of this section. Sections 5-125 (d) and (e) of the proposed rules require distressed property consultants to maintain for three years advertising and other documents and to produce these documents within five business days upon demand by the Department. These proposed requirements will enable the Department to obtain evidence necessary to evaluate the content and extent of a distressed property consultant's advertising, take appropriate enforcement action and obtain appropriate penalties for violation.

# Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a Public Hearing on September 14, 2010 on amendments to ECB's  $\mathop{\rm Air}\nolimits$ Asbestos Penalty Schedule found in Section 3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. One member of the public attended the Public Hearing held on September 14, 2010. The individual gave brief testimony unrelated to the rule. No written comments

In the fall of 2009, the Environmental Control Board undertook a comprehensive revision of its Air Asbestos Penalty Schedule found in Section 3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. The changes contained in this rule reflect changes that should have been made at that time but were not due to oversight. These changes were necessitated by the report of Mayor Bloomberg's Construction, Demolition and Abatement Working Group, created in the aftermath of the August 18, 2007 fire at the Deutsche Bank building in lower Manhattan, which killed two New York City firefighters.

Additional changes were also needed in order to conform the Rules and this penalty schedule to the New York State Department of Labor rules (Industrial Code Rule 56), which were extensively revised in 2006.

The corresponding updates to the Department of Environmental Protection rules were initially published in the City Record on July 30, 2009. After the required public hearing, final publication took place on September 11, 2009. The revised Department of Environmental Protection rules became effective on November 13, 2009.

## Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a Public Hearing on September 14, 2010 on amendments to ECB's Buildings Penalty Schedule II, found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. One member of the public attended the Public Hearing held on September 14, 2010. The individual gave brief testimony unrelated to the rule. No written comments were received.

The Environmental Control Board has revised two charges to ECB's Buildings Penalty Schedule II, found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. One charge is for a violation of New York City Administrative Code section 28-408.1, "Performing unlicensed plumbing work without a master plumber license." The other charge is for a violation of "Misc. Chapter 4 of Title 28- Unlicensed Activity." The amendments are necessary to comply with Local Law 17 of 2010. The law amended section 28-201.2.1 of the Administrative Code in relation to civil penalties for unlicensed plumbing and fire suppression work. The law established minimum civil penalties for working without a master plumber's or master fire suppression contractor's license. The minimum fine under the law for a first violation must be at least \$2,500. The minimum fine under the law for each subsequent violation must be at least \$5,000.

These infractions are already categorized as Class 1 (immediately hazardous) violations. To ensure fairness and consistency, the penalties for the miscellaneous charge for unspecified unlicensed work have also been amended.

# Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a Public Hearing on September 14, 2010 on amendments to ECB's Department of Transportation Penalty Schedule found in Section 3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. One member of the public attended the Public Hearing held on September 14, 2010. The individual gave brief testimony unrelated to the rule. No written comments were received.

The Environmental Control Board has amended its Department of Transportation Penalty Schedule found in Section 3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York.

Sections 1 and 2 of the rule add two charges to the penalty schedule. The first charge is for a failure to remove unauthorized projections and encroachments for the city streets. These encroachments include ATMs, abandoned sidewalk cafes and fences. These encroachments create obstructions that inconvenience the public on a daily basis.

The second charge that has been added is for failing to obtain approval from the Department of Transportation (DOT) for a distinctive sidewalk. The addition of this charge will help protect the public from property owners who install sidewalks that do not meet the specifications required by the Department of Transportation and/or the New York City Public Design Commission.

Property owners who violate these codes may be given a

notice to correct. This notice provides a thirty day grace period in which to correct the condition before a notice of violation is issued.

Section 3 of the rule includes a number of modifications to existing entries already contained in the penalty schedule. The penalties for three of the four codes set forth in this section have not been increased since they were established in 1994. The modifications are designed to have the dual effect of making contractors more consistent in their work and provide increased public safety and mobility. The monetary increases for these codes will serve as a deterrent to contractors who continually disregard Title 19 of the Administrative Code and DOT's Highway Rules, thus endangering public safety and impeding traffic mobility.

The increases will also serve as an incentive to contractors to take out permits because in the past, the penalties associated with violating the terms and conditions of a permit were higher than the penalties imposed for failing to secure a permit. These increases will bring the penalties for failing to secure a permit more in line with penalties associated with violating the terms and conditions of a permit.

Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify the TIP Director at the foregoing address by November 1, 2010.

Material to be added is <u>underlined</u>. Material to be deleted is in [brackets].

Section one. Subdivisions (g) and (h) of section 7-05 of Chapter 7 of Title 28 of the Rules of the City of New York are amended to read as follows:

(g) All applicants for a Preliminary or Final Certificate of Eligibility must, in addition to the timely filing of an application, provide all of the required documentation for such application on or before December 31, [2010] 2011.

(h) Notwithstanding anything to the contrary contained in this section, the Department may waive the filing deadlines for an application for a Final Certificate of Eligibility set forth in Sections 7-05(d) and 7-05(e) of this chapter if (1) the Department, in its sole discretion, determines that the owner of such private dwelling reasonably relied upon a representation by the seller of such private dwelling that the seller would file or had filed the application for the Final Certificate of Eligibility , and (2) the owner of such private dwelling provides all of the required documentation for such application on or before December 31, [2010] 2011.

Statement of Basis and Purpose. The RPTL § 421-b tax incentive program currently applies to residences which commence construction before July 1, 2006. The program was not extended by the Legislature, so its application has ceased with the exception of unfinished units, which were previously required to obtain a certificate of occupancy by July 1, 2010. However, the State Legislature recently extended the deadline for completion of projects eligible for RPTL § 421-b benefits from July 1, 2010 to July 1, 2011. The reason for this extension was that the downturn in the housing market coupled with the difficulty involved in obtaining construction financing had prevented some builders from completing projects which were commenced in compliance with the RPTL § 421-b program.

In 2006, HPD adopted rule amendments that allowed it to waive the filing deadline for RPTL § 421-b applications in certain instances in order to ensure that homeowners who purchase private dwellings with the reasonable expectation that their new homes will be eligible for 421-b benefits are not penalized due to the seller's misrepresentations regarding the filing of a 421-b application. The 2006 rule amendments also provided that all of the required documentation for any application for a Preliminary or Final Certificate of Eligibility must be filed on or before December 31, 2008. The State Legislature previously extended the completion deadline to July 1, 2010 and HPD amended its rules accordingly to extend the deadline for submission of documentation to December 31, 2010. Due to the abovementioned additional completion extension, HPD is now proposing an extension of the deadline for filing required documentation for such tax exemption benefits from December 31, 2010 to December 31, 2011.

NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF PEDESTRIAN PLAZAS LOCATED AT NINTH AVENUE FROM GANSEVOORT STREET TO 14TH STREET, BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of pedestrian plazas located at Ninth Avenue from Gansevoort Street to 14th Street in Manhattan ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award. The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the Meatpacking Improvement Association as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at <a href="mailto:awileyschwartz@dot.nyc.gov">awileyschwartz@dot.nyc.gov</a> or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by November 8, 2010. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6678.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.
