Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:30 A.M. and 4:30 P.M. at the Office of Citywide Events Coordination and Management, 100 Gold Street, 2nd Floor, New York, New York 10038.

It is hereby proposed to extend, for an additional one-year period, the authority of the director, set forth in section 1-07 of chapter 1 of Title 50 of the Rules of the City of New York, to deny applications for street activity permits for events not held in the preceding calendar year.

STATEMENT OF BASIS AND PURPOSE

The Office of Citywide Events Coordination and Management (OCECM), Street Activity Permit Office (SAPO) is charged with administration of the permit system for street activities, block parties and fairs.

Nearly three hundred SAPO-permitted street fairs and over 5,000 events occur annually within the City. Almost all of these events involve permits for the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Such events require additional police presence and increase overtime expenditure by the City. In order to effectively deploy police resources, the New York City Police Department has requested for the calendar year 2011 that SAPO exercise its discretion temporarily to deny permits for additional events that place an excessive burden on police resources and divert uniformed personnel from core crime fighting, public safety and counter terrorism

In the interests of protecting the City and its inhabitants, these rules will authorize SAPO to deny permits to events for an additional year if the event was not held prior to the new effective date.

STATEMENT OF BASIS AND PURPOSE

The Police Department is charged with preserving the public peace and preserving order at events which obstruct the free passage of public streets. This responsibility includes directing traffic, closing streets, and other traffic control functions to ensure the safety of the public and the participants in the event. To that end, the Department is authorized to promulgate rules and regulations governing permits for processions, parades, and races that occur on City streets. Parades require additional police presence for the performance of traffic control functions, and the resulting increase in overtime expenditures by the Department puts a strain on the NYPD's budget. Recoupment of traffic control costs associated with such events from the sponsors of the event is one way of ensuring that such events continue to be held without imposing an undue strain on NYPD and City resources. The Commissioner has determined to recover a fee only from organizations sponsoring athletic events when revenue is generated from fees charged to participants by the sponsoring organization.

Accordingly, an event fee to recoup traffic control costs will be charged for the granting of parade permits to organizations sponsoring non-charitable athletic parades.

NOTICE

A Public hearing on these rules were held by the TLC at its offices at 40 Rector Street, 5th Floor, New York, New York 10006 on November 18, 2010, at 10:00 A.M. These rules will take effect thirty days following publication.

New material is underlined.

[Material inside brackets indicates deleted material.]

Section 1. The definition of "Activation Date" set forth in Chapter 1 of Title 35 of the Rules of the City of New York is hereby amended to read as follows:

Activation Date. The Activation Date is [January 1] April 1, 2011.

Section 2. Section 20-03(a) of Title 35 of the Rules of the City of New York is hereby amended to read as follows:

Statement of Basis and Purpose

On July 15, 2010, the Taxi and Limousine Commission adopted a comprehensive revision of the Commission's rules, with an effective date of January 1, 2011. Therefore, the rule delays the effective date Innuary 1 to April 1
