AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Promulgation of Rules

Notice is hereby given in accordance with section 1043(e) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates rules governing (a) allowing Taxicab Technology Service Providers to print commercial advertising and commercial sponsorships on the back of taximeter receipts, (b) clarifying that a driver must offer a taximeter receipt to a passenger and (c) updates the items required on a passenger receipt.

These rules are promulgated pursuant to sections 1043 and 2303 of the Charter and section 19-503 of the Administrative Code of the City of New York.

A public hearing on these rules was held by the TLC at its offices at 33 Beaver Street, 19th Floor, New York, New York, on March 1, 2012, at 10:00 A.M.

These rules will take effect 30 days after they are published in the City Record.

Statement of Basis and Purpose of Promulgated Rule

The purpose of the promulgated rule is to:

- Permit advertising and sponsorship on taximeter receipts;
- Clarify that a Driver must always offer a taximeter receipt to a passenger personally, via the PIM, or via other electronic means;
- Give the passenger the option to refuse a receipt;
- Clarify that if a passenger does not want a receipt or does not indicate whether or not he or she wants a receipt, a Driver will not be held responsible for not giving a receipt;
- Clarify that if the PIM is not working, the driver will not be held responsible for offering a receipt for 48 hours after the non-working PIM is reported to the authorized taxicab technology service provider; and,
- Update the items required to appear on taximeter receipts.

Commercial Advertising

Currently, the Commission rules permit commercial advertising and commercial sponsorships on passenger

information monitors ("PIMs") in the rear seat of medallion taxicabs. Such advertising and sponsorships must conform to the standards in the Medallion Taxicab Technology Enhancements Service Program ("T-PEP") contracts with the two Taxicab Technology Service Providers.

The Commission wants to allow commercial advertising and sponsorships on the back of taximeter receipts. The promulgated rule permits commercial advertising and commercial sponsorships to be printed on the back of taximeter receipts in taxicabs.

Taximeter receipt advertising is permitted only if:

- Advertising and sponsorships comply with the standards in the T-PEP contracts, and,
● The advertising and sponsorship does not reduce the readability of the taximeter receipt.

Driver's Offering Receipts

The existing Driver rule requires that a Driver must give a taximeter receipt to a passenger but is unclear as to whether a Driver is required to always give a receipt to a passenger or only when a passenger acknowledges he or she wants one. The promulgated rules clarify that a Driver must always offer, either personally or via the passenger information monitor ("PIM") or other electronic means, a receipt to a Passenger. The passenger then has the choice of accepting or refusing a receipt.

- If in response to the driver's request a passenger personally or electronically confirms that he or she wants a receipt, then the Driver must provide it.
● If a passenger does not indicate, personally or electronically, whether or not they want a receipt, the Driver will not be in violation of the rule by not giving a receipt to a passenger.

The promulgated rules also create the following exception for the driver offering a receipt:

- If the PIM is not working, the driver will not be held responsible for offering a receipt for 48 hours after the non-working PIM is reported to the authorized taxicab technology service provider.

Items Required on Receipts

The promulgated rules also update the items required on a passenger receipt to include the items required by the T-PEP contracts (as amended by Amendment No. 4 dated June 13, 2011):

- date
● time
● Medallion number
● trip number
● total fare
● tolls
● surcharges
● extras
● tip, if paid by credit/debit card
● last four digits of card account number, if applicable
● Driver's hack license number, and,
● the "311" Commission Complaint telephone number.
