Ownership

Except as otherwise provided in this Section, any #large-scale general development# for which application is made for a special permit in accordance with the provisions of Section 74-74 (Large- Scale General Development) shall be on a tract of land which at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. No special permit shall be granted unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #large-scale general development#) of, or executed a binding sales contract for, all of the property comprising such tract.

When a #large-scale general development# is located within a designated urban renewal area, the City's urban renewal agency, or a person authorized by such agency, may apply for and be granted a special permit under the provisions of Section 74-74 even though such #large-scale general development# does not meet the ownership requirements set forth elsewhere in this Section. All parcels comprising such #large-scale general development# shall be within the designated urban renewal area and subject to the urban renewal controls set forth in the approved urban renewal plan.

~~When a #large scale general development# is to be #developed# or #enlarged# through assemblage by any other governmental agency, or its agent, having the power of condemnation, a special permit may be applied for and granted under the provisions of Section 74-74 even though such # largescale general development# does not meet the ownership requirements set forth elsewhere in this Section.~~

A special permit may be applied for and granted under the provisions of Section 74-74, even though such #large-scale general development# does not meet the ownership requirements set forth elsewhere in this Section, when the site of such #large-scale general development# is:

(a) to be #developed# or #enlarged# through assemblage by any other governmental agency, or its agent, having the power of condemnation, or

(b) partially under city ownership, within the former Washington Square Southeast Urban Renewal Area, within Community District 2 in the Borough of Manhattan provided that the exception to the ownership requirements set forth herein shall apply only to tracts of land in city ownership.

74-743

Special provisions for bulk modification

(a) For a #large-scale general development#, the City Planning Commission may permit:

Within the former Washington Square Southeast Urban Renewal Area, within Community District 2 in the Borough of Manhattan, where the Commission has approved a #large-scale general development#, and a #lot line# of such #large-scale general development# coincides with the boundary of a mapped #public park#, such #lot line# shall be considered to be a #street line# of a #wide street # for the purposes of applying all #use# and #bulk# regulations of this Resolution.

74-744
Modification of use regulations

- (a) #Use# modifications
 - * * *
 - (3) Retail Establishments
For a #large-scale general development# located partially or wholly within the former Seward Park Extension Urban Renewal Area, the City Planning Commission may modify applicable district regulations to allow Use Groups 10, 11A and 12A except for arenas or auditoriums, skating rinks, public auction rooms, trade expositions and stadiums, provided the Commission finds that:
 - (i) such #uses# will not impair the character of future #uses# or development of the surrounding area; and
 - (ii) the #streets# providing access to such #uses# will be adequate to handle the traffic generated thereby.
 - * * *
- (c) Modifications of #sign# regulations
 - (1) In all #Commercial# or #Manufacturing Districts#, the City Planning Commission may, for #developments# or #enlargements# subject to the provisions of paragraphs (a)(1), (a)(2) or (a)(3) of Section 74-743 (Special provisions for bulk modification), permit the modification of the applicable provisions of Sections 32-64 (Surface Area and Illumination Provisions), 32-65 (Permitted Projection or Height of Signs), 32-66 (Additional Regulations for Signs Near Certain Parks and Designated Arterial Highways), 42-53 (Surface Area and Illumination Provisions), 42-54 (Permitted Projection or Height of Signs), 42-55 (Additional Regulations for Signs Near Certain Parks and Designated Arterial Highways) and the limitations on the location of #signs# in Sections 32-51 and 42-44 (Limitations on Business Entrances, Show Windows or Signs), provided the Commission finds that such modification will result in a better site plan.
 - (2) For a #large-scale general development# located partially or wholly within the former Seward Park Extension Urban Renewal Area, the City Planning Commission, by authorization, may make the #sign# regulations of a C6-1 District applicable to those portions of such #large-scale general development# within a C2 District, and in addition, may modify the provisions of Section 32-68 (Permitted Signs on Residential or Mixed Buildings) to allow #signs accessory# to non-#residential uses# above the level of the finished floor of the third #story#, provided such #signs# do not exceed a height of 40 feet above #curb level#. In order to grant such authorizations, the Commission shall find that such modifications are consistent with the amount, type and location of #commercial uses# that the Commission finds appropriate within such #large-scale general development#.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the development.

NOTICE

On Wednesday, July 11, 2012, at 10:00 A.M., in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the Office of the Deputy Mayor for Economic Development in conjunction with the above ULURP hearing to receive comments related to a Draft Generic Environmental Impact Statement (DGEIS) concerning zoning map changes and zoning text amendments, zoning special permits for a large scale general development (LSGD) consisting of six sites and public parking garages on four sites, authorization to modify signage regulations, City map amendment to map and demap various streets within the project area, the disposition of City-owned property, approval of an Urban Development Action Area Project (UDAAP), and an acquisition for the purpose of relocating the Essex Street Market. The proposed actions would facilitate an initiative by the Office of the Deputy Mayor for Economic Development to allow for the implementation of an approximately 1.7 million gross square feet of mixed-use development on ten city-owned sites. These ten sites are located in Manhattan Community District 3 generally along Delancey and Essex Streets on the Lower East Side.

The zoning map amendment would place a C2-5 commercial overlay on four sites (Block 346, Lot 40 and Block 347, Lot 71) within the proposed LSGD. The zoning text amendments would modify ZR Sections 74-743 and 74-744 to eliminate the planting strip requirement in the proposed sidewalk widening; allow commercial floor area ratio to be shifted from the C6 district to the C2 district; allow Use Group 10, 11A, and certain 12A uses in the C2 zoning district; and, allow the modification of certain signage regulations. Mayoral and Borough Board approval of the business terms with the developer or developers to be selected pursuant to Request for Proposals (RFPs) may also be required, as applicable. Should the discretionary actions subject to ULURP be approved, an RFP process would commence to solicit proposals for development under the approvals. Construction financing for the residential buildings may come from a variety of private and public (local, state, and federal) sources. Comments are requested on the DGEIS and will be accepted until Monday, July 23, 2012. This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 11DME012M.

NOTICE IS HEREBY GIVEN THAT on Wednesday, July 11, 2012, at 10:00 A.M., in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing will be held concurrently with the Uniform Land Use Review Procedure (ULURP) public hearing to receive comments related to a Draft Generic Environmental Impact Statement (DGEIS). These public hearings concern proposed actions to facilitate an initiative by the Office of the Deputy Mayor for Economic Development, in coordination with the New York City Economic Development Corporation (NYCEDC) and the City of New York Department of Housing Preservation and Development (HPD), to allow for the implementation of approximately 1.7 million gross square feet (gsf) of mixed-use residential and commercial development (the "Project"). The Project would consist of approximately 951,000 gsf of residential development (comprising 900 dwelling units, of which approximately half would be permanently affordable units); up to approximately 632,300 gsf of commercial space; approximately 114,000 gsf of community facility or cultural uses; up to 500 parking spaces; and an approximately 10,000 square-foot publicly accessible open space.

The Notice of Completion and the Draft Generic Environmental Impact Statement for this project were issued by the Office of the Deputy Mayor for Economic Development on March 23, 2012 and are available for review from the contact person listed below and on the websites of the New York City Economic Development Corporation and the Mayor's Office of Environmental Coordination: <http://www.nycedc.com/project/seward-park-mixed-use-development-project> and <http://www.nyc.gov/html/oec/html/ceqr/11dme012m.shtml>. Written comments are requested on the DGEIS and will be accepted through 5 p.m. on Monday, July 23, 2012.

The project site is comprised of ten City-owned parcels situated directly to the west of the Williamsburg Bridge approach in the Lower East Side neighborhood of Manhattan. Sites 1 through 6 lie directly to the south of Delancey Street between Ludlow and Ridge Streets, while Sites 7 through 10 lie on Essex Street between Delancey and Stanton Streets, within the area of the Lower East Side Rezoning adopted by the City Planning Commission in 2008. The project site consists of the following:

Site	Block	Lot
1	409	56
2	352	1 and 28
3	346	p/o 40
4	346	p/o 40
5	346	p/o 40
6	347	71
7	410	38
8	354	1
9	353	44
10	354	12

Site 7—a public parking garage—would not be redeveloped under the proposed actions, but is included for informational purposes.

The proposed mixed-use development would require multiple City approvals. The discretionary actions required for the proposed project include: (1) Disposition of City-owned property for the purpose of subsequent development; (2) approval of an Urban Development Action Area Project (UDAAP); (3) Special permit from CPC pursuant to Section 74-74 of the Zoning Resolution (ZR) of the City of New York for a Large-Scale General Development (LSGD); (4) Mapping of the demapped section of Suffolk Street between Grand and Delancey Streets and the demapped section of Broome Street between Norfolk and Clinton Streets as new streets through the Project Site; (5) Demapping of sections of Delancey Street between Norfolk and Clinton Streets and of Clinton Street between Delancey and Grand Streets, which were previously mapped to widen Delancey and Clinton Streets, thereby aligning the mapped streets with the existing built condition; (6) Zoning map amendment for a C2-5 commercial overlay within the proposed LSGD; (7) Zoning text amendments to modify ZR Sections 74-743 and 74-744 to eliminate the planting strip requirement in the proposed sidewalk widenings; allow commercial floor area ratio to be shifted from the C6 district to the C2 district; allow Use Group 10, 11A, and certain 12A uses in the C2 zoning district; and to allow the modification of certain signage regulations within the C2-5 commercial overlay; (8) Authorization pursuant to ZR section 74-744(c)(2) to modify signage regulations to permit C6-1 signage regulations along certain streets; and (9) Special permits from CPC pursuant to ZR Sections 13-562 and 74-52 for public parking facilities.

Mayoral and Borough Board approval of the business terms with the developer or developers to be selected pursuant to Request for Proposals may also be required, as applicable. Construction financing for the residential buildings may come from a variety of private and public (local, state, and federal) sources.

The DGEIS disclosed the range of potential environmental impacts that could result from implementation of the proposed actions. These potential impacts were identified in the following technical areas: Historic and Cultural Resources, Transportation, and Construction Impacts. The DGEIS also included a set of mitigation measures to address these potential impacts. Subsequent to the issuance of the DGEIS, the New York City Department of Transportation adopted the Delancey Street Pedestrian Safety Plan. The Safety Plan will be incorporated into the analysis in the Final Generic Environmental Impact Statement and could modify

transportation or other potential impacts of the Project.

This Notice of Public Hearing has been prepared pursuant to Article 8 of the New York State Environmental Conservation Law (the State Environmental Quality Review Act (SEQRA)), its implementing regulations found at 6 NYCRR Part 617, and the Rules of Procedure for City Environmental Quality Review found at 62 RCNY Chapter 5, and Mayoral Executive Order 91 of 1977, as amended (CEQR).

PUBLIC NOTICE REGARDING SECTION 106 REVIEW

This Notice of Public Hearing is also being issued by HPD as a part of its responsibilities under 36 CFR Part 800, the regulations implementing Section 106 of the National Historic Preservation Act of 1966, as amended.

Federal funding from the U.S. Department of Housing and Urban Development (HUD), administered by HPD, may be sought to facilitate the new construction of approximately 1.7 million gross square feet (gsf) of mixed-use residential and commercial development, including approximately 951,000 gsf of residential development (comprising 900 dwelling units, of which approximately half would be permanently affordable).

The regulations at 36 CFR Part 800 require HPD, as the federal funding agency, to identify if any buildings proposed for demolition are listed or eligible for listing on the National Register of Historic Places (NR); to assess any direct or indirect effects the new construction would have on other historic properties, including archaeological resources; and to seek ways to avoid, minimize, or mitigate any adverse effects.

In consultation with the New York State Office of Parks, Recreation, and Historic Preservation (OPRHP), acting as the State Historic Preservation Officer (SHPO), a Phase 1A Archaeological Documentary Study of Sites 2, 3, 4, 5, and 6 was prepared. The study concluded that 50 historic lots within Sites 2 through 6 were sensitive for historic-period archaeological resources and recommended a Phase 1B archaeological investigation to determine the presence or absence of archaeological resources in the areas identified as archaeologically sensitive. (These sites may be seen on the websites of the New York City Economic Development Corporation and the Mayor's Office of Environmental Coordination: <http://www.nycdec.com/project/seward-park-mixed-use-development-project> and <http://www.nyc.gov/html/oc/>.) These potential archaeological resources could include shaft features (i.e., privies, cisterns, or wells) associated with the residential occupation of these historic lots in the early- to mid-19th century. HPD in consultation with OPRHP has also determined that the proposed actions, through redevelopment, would have significant adverse direct impacts on two architectural resources that have been determined eligible for listing on the State and National Registers of Historic Places (S/NR)—the Essex Street Market and the former fire station at 185 Broome Street. HPD will continue to consult with OPRHP regarding these potential impacts from development on Sites 2, 5, 8, 9 and 10.

In addition, development on Site 1 could have significant adverse visual and contextual impacts on the S/NR-listed Lower East Side Historic District and the S/NR-eligible Eastern Dispensary. HPD will continue to consult with OPRHP regarding the compatibility of the proposed development on these resources. Although the historic and cultural resources analysis concluded that the proposed developments on Sites 8, 9, and 10 would not have significant adverse visual and contextual impacts on the adjacent Clinton, Rivington, Stanton Street Historic District (NYCL-eligible, S/NR-eligible), HPD will consult with OPRHP regarding the compatibility of the proposed developments on Sites 8, 9, and 10, in the event Federal funding is sought by HPD for redevelopment of those sites.

HPD has initiated public consultation to seek ways to avoid, minimize, or mitigate adverse effects to historic properties that may result from the proposed project. Members of the public are encouraged to provide views at this public hearing on how the project may affect historic properties and ways that these effects may be avoided, minimized, or mitigated.

PILOT HEALTH TECH NYC RFP FOR CONSULTANT – Request for Proposals – PIN# 5224-0 – DUE 08-14-12 AT 4:00 P.M. – The New York City Economic Development Corporation (“NYCEDC”), on behalf of the City of New York (the “City”), is issuing a Request for Proposal (“RFP”) seeking a Consultant to develop, launch, and operate Pilot Health Tech NYC (the “Program”), a program to provide matching funding to approximately 10 innovative pilot projects annually to take place in New York City. The Program will partner entrepreneurial healthcare technology companies in the private sector, with organizations or individuals providing healthcare services in NYC (e.g., hospitals, physician clinics, payors, pharma, nursing associations, etc.). Each project will be focused on addressing defined needs of the healthcare industry and testing a technology prototype in a healthcare setting.

The main goals of the Program are to:

1. Build relationships between NYC healthcare provider organizations and NYC healthcare technology companies that can turn into long-term client-vendor relationships.
2. Provide guidance to healthcare providers and companies on how to integrate and scale the most innovative healthcare technologies.
3. Generate awareness for NYC as a hub for innovation in healthcare technology.

The Program is part of a broader effort to engage leading stakeholders in the life sciences and healthcare industries. NYCEDC has been developing a 10-year strategy for the City to maintain leadership as a center for academic research and clinical care, become the hub of innovation in healthcare technology, and build a vibrant ecosystem for entrepreneurship and venture creation in both the life sciences and healthcare technology. Recently, the City has experienced growth in the number of healthcare technology startups taking advantage of this ecosystem as well as the City's growing technology sector and engineering talent. With healthcare reform dominating national policy discussions, the expectation is that the number of entrepreneurs and companies interested in solving outstanding healthcare problems through technology will grow in number. NYCEDC seeks to take advantage of these trends and position New York City as the nation's hub for healthcare technology through initiatives to bolster the healthcare technology sector in NYC.

The Consultant may be a company, non-profit organization, academic institution, industry group, or individual. NYCEDC will consider partnerships or joint ventures between multiple entities.

NYCEDC plans to select a Consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality and creativity of the proposal, experience of key organizational partners and staff identified in the proposal, demonstrated successful experience in performing services similar to those encompassed in the RFP, and financial feasibility.

Companies who have been certified with the New York City Department of Small Business Services as Minority and Women Owned Business Enterprises (“M/WBE”) are strongly encouraged to apply. To learn more about M/WBE certification and NYCEDC's M/WBE program, please visit <http://www.nycedc.com/opportunitymwdbe>.

An optional pre-proposal information session will be held on Wednesday, July 18, 2012 at 10:00 A.M. at NYCEDC. Those who wish to attend should RSVP by email to pilothealthtech@nycedc.com no later than 4:00 P.M. on Monday, July 16, 2012.

Respondents may submit questions and/or request clarifications from NYCEDC no later than 4:00 P.M. on Monday, July 23, 2012. Questions regarding the subject matter of this RFP should be directed to pilothealthtech@nycedc.com. Answers to all questions will be posted by Thursday, July 26, 2012, to www.nycedc.com/RFP. For all questions that do not pertain to the subject matter of this RFP, please contact NYCEDC's Contracts Hotline at (212) 312-3969.

The RFP is available for in-person pick-up between 9:30 A.M. and 4:30 P.M., Monday through Friday, from NYCEDC. Please submit five (5) sets of your proposal and one (1) printable, PDF version on a CD to: NYCEDC, Attention: Maryann Catalano, Senior Vice President, Contracts.
