NOTICE OF PUBLIC SCOPING

Office of the Deputy Mayor for Economic Development

Draft Scope of Work for a Supplemental Environmental Impact Statement (SEIS) Willets Point Development

Podrán encontrar una traducción al español de esta Notificación en el sitio web EDC: www.nycedc.com/willetspoint

NOTICE IS HEREBY GIVEN THAT a public scoping meeting will be held on Thursday, September 27, 2012, at P.S. 19 Marino Jeantet, 98-02 Roosevelt Avenue, Queens, New York, at 4:30 P.M. The purpose of the scoping meeting is to provide the public with the opportunity to comment on the Draft Scope of Work proposed to be used to develop a Supplemental Environmental Impact Statement (SEIS) for the proposed Willets Point Development. Written comments on the Draft Scope of Work can be submitted to the Mayor's Office of Environmental Coordination until 5:00 P.M. Tuesday, October 9, 2012. Directing that an SEIS be prepared, the Environmental Assessment Statement, Positive Declaration, and Draft Scope of Work were issued by the Office of the Deputy Mayor for Economic Development on August 28, 2012, and are available for review from the contact person listed below and on the websites of the Mayor's Office of Environmental Coordination (www.nyc.gov/oe) and the New York City Economic Development Corporation (www.nycedc.com). Please note that this Notice of Public Scoping corrects the previous version, which erroneously stated that the Environmental Assessment Statement, Positive Declaration, and Draft Scope of Work were issued on August 27, 2012.

The proposed project would redevelop the Willets Point area to include portions of the CitiField stadium parking areas. The proposal would redevelop the Willets Point/CitiField area with a mix of uses to be completed by 2032. It would incorporate a development substantially similar to that anticipated and analyzed in the 2008 Willets Point Development Plan Final Generic Environmental Impact Statement (FGEIS), as well as a major entertainment/retail component and parking adjacent to CitiField. The project is anticipated to proceed in three phases: by 2018, the remediation and development of an approximately 23-acre portion of the Special Willets Point District with a 200-room hotel, approximately 30,000 square feet of retail space, and a 2,800-space surface parking area/off-season public recreation space; the development of the parking field west of CitiField with "Willets West"—an entertainment and retail center of approximately 1.4 million square feet (one million square feet of gross leasable area) and a 2,900-space parking facility; and the development of a structured parking facility on the westernmost CitiField surface parking lot south of Roosevelt Avenue; by 2028, the surface parking area in the Special Willets Point District would be replaced with approximately 4.23 million square feet of residential, retail, office, hotel, public school, enclosed parking, and public open space uses; and the development of additional structured parking facilities on the CitiField surface parking lots south of Roosevelt Avenue; and by 2032, completion of the full build-out of the Special Willets Point District substantially as anticipated in the FGEIS. The potential development of retail and office uses on a portion of the CitiField leasehold along Roosevelt Avenue (Lot B), as analyzed in the FGEIS, is also assumed to be completed by 2032. It is also assumed that the recently approved Van Wyck Expressway ramp improvements would be completed by 2024.

The project site consists of three discrete areas. The "Willets Point" portion (the Special Willets Point District) comprises approximately 61 acres. The "Willets West" portion comprises

an approximately 30.7-acre section of the surface parking field adjacent to CitiField. The "Roosevelt Avenue" portion comprises three CitiField-related surface parking lots (South Lot and Lots B and D) along Roosevelt Avenue, totaling 16.8 acres. In total, the project site comprises 108.9 acres.

It is currently anticipated that the proposed project would seek the following discretionary public approvals:

- Special permit pursuant to ZR Section 124-60 to allow surface parking/open and enclosed privately-operated recreational uses for Phase 1A within the Special Willets Point District;
- Certification by the CPC Chairperson pursuant to ZR Section 124-05;
- Modification of the existing lease for the CitiField property and adjacent parking properties;
- Mayoral and Queens Borough Board approval of the business terms pursuant to New York City Charter Section 384(b)(4).
- Approval by the New York City Industrial Development Agency (IDA) for the waiver of mortgage recording tax for property within the Special Willets Point District; and

In addition to the discretionary approvals listed above, the phasing of the development within the Special Willets Point District will require certain technical revisions to the previously-approved City Maps that modify the staging for the closure of city streets. This would not be a discretionary approval as the revisions would not result in the demapping of any additional city streets beyond those previously approved for demapping. Public Design Commission approval also will be required for the Willets West development. In addition to the above approvals, confirmation that all proposed buildings fall within the maximum Federal Aviation Administration (FAA) height limitations would be sought from the FAA; however, no approval or permit to exceed such permitted heights is anticipated to be sought.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
