**93-70  
PUBLIC ACCESS REQUIREMENTS FOR SPECIAL SITES**

Public access shall be provided for special sites as specified in this Section, inclusive. In the event of a conflict between the provisions of this Section, inclusive, and any underlying regulation, the provisions of this Section shall govern.

No building permit shall be issued for any #development# or #enlargement# on such sites other than for an #ERY Culture, Festival and Exhibit Facility# until the Chairperson of the City Planning Commission certifies to the Department of Buildings that the provisions of this Section have been met.

An application for such certification shall be filed with the Chairperson showing the plan of the #zoning lot#; a site plan indicating the area and dimensions of all required public access areas and the location of all proposed #buildings#, and a detailed plan or plans demonstrating compliance with the provisions of this Section. For certifications relating to the #ERY High Line# and, if applicable, the #Tenth Avenue Spur#, as set forth in 93-71, paragraph (h), the requirements set forth in such Section shall apply.

Plans for public access areas shall be set forth in an

instrument in a form acceptable to the City, and setting forth such provisions as necessary to ensure compliance with the provisions of this Section. Such instrument shall be filed and duly recorded in the Borough Office of the City Register of the City of New York and indexed against the property. Such filing and recording of the instrument shall be a precondition for the Chairperson's certification under this Section. The recording information shall be included on the certificate of occupancy for any #building#, or portion thereof, on the #zoning lot# issued after the recording date.

The Chairperson shall allow for the phased development of public access areas upon certification to the Commissioner of Buildings that a plan has been submitted that provides for the completion of any public access area that is integral to the #development# of a #building# or #buildings# within each phase. Such plan may provide for the outdoor plaza described in Section 93-71, paragraph (b), to be constructed in phases. The completion of the Cultural Facility Plaza shall be deemed integral only to an #ERY Culture, Festival and Exhibit Facility# and to no other #use# or #development# in the Eastern Rail Yard Subarea A1. Where the public use and enjoyment of a public access area is contingent upon #development# on an adjacent #zoning lot# that has not yet occurred, the Chairperson may allow for the future development of such public access area at the time that the adjacent #zoning lot# is #developed#.

For any portion of any #development# or #enlargement# other than an #ERY Culture, Festival and Exhibit Facility#, no temporary certificate of occupancy from the Department of Buildings may be issued for any portion of any #development# or #enlargement# with a #floor area ratio# of 10.0 or more until the Chairperson certifies to the Department of Buildings that the public access area is substantially complete, and the public access area is open to and useable by the public. No permanent certificate of occupancy from the Department of Buildings may be issued for any portion of such #development# or #enlargement# with a #floor area ratio# of 10.0 or more until the Chairperson certifies to the Department of Buildings that the public access area is complete and that all public access requirements of this Section have been met in accordance with the plans for such public access areas. Notwithstanding the foregoing, for #zoning lots# with multiple #buildings# for which the Chairperson has certified that a plan has been submitted that provides for the phased development of public access areas through completion of any public access area that is integral to the #development# of a #building# or #buildings# within each phase, such certifications shall be made with respect to substantial completion or completion of the public access areas integral to each such phase, except as provided in Section 93-71, paragraph (h). Issuance of a temporary or permanent certificate of occupancy for any #building# or portion of a #building# not occupied by an #ERY Culture, Festival and Exhibit facility# shall not be conditioned upon the completion, substantial completion or improvement of the Culture Facility Plaza.

For an #ERY Culture, Festival and Exhibit Facility#, no temporary certificate of occupancy from the Department of Buildings may be issued for such #ERY Culture, Festival and Exhibit Facility# until the Chairperson certifies to the Department of Buildings that the Culture Facility Plaza described in paragraph (i) of Section 93-71 is substantially complete and open to and useable by the public and no permanent certificate of occupancy from the Department of Buildings may be issued for the #ERY Culture, Festival and Exhibit Facility# until the Chairperson certifies to the Department of Buildings that the Culture Facility Plaza is complete. If a moveable portion of the #ERY Culture, Festival and Exhibit Facility# is not initially constructed as part of the #ERY Culture, Festival and Exhibit Facility# but is constructed at a later date, any closure of the Culture Facility Plaza necessary for such construction shall not affect the validity of any certificate of occupancy previously issued for the #ERY Culture, Festival and Exhibit Facility#. No temporary certificate of occupancy for the moveable portion that is thereafter constructed, or an amended temporary certificate of occupancy for the #ERY Culture, Festival and Exhibit Facility# that includes the moveable portion, may be issued by the Department of Buildings until the Chairperson certifies to the Department of Buildings that the reconstructed Culture Facility Plaza is substantially complete and open to and useable by the public and no permanent certificate of occupancy for the moveable portion that is thereafter constructed, or an amended permanent certificate of occupancy for the #ERY Culture, Festival and Exhibit Facility# that includes the moveable portion, may be issued by the Department of Buildings until the Chairperson certifies to the Department of Buildings that the reconstructed Culture Facility Plaza is complete.

## AGENCY RULES

## HOMELESS SERVICES

### NOTICE

NOTICE OF ADOPTION OF AMENDMENTS TO TITLE 31 OF THE RULES OF THE CITY OF NEW YORK

Pursuant to §1043(f) of the New York City Charter (the "Charter"), notice is hereby given that the Department of Homeless Services amends Title 31, Chapter 2 of the Rules of the City of New York, pursuant to the authority granted to the Commissioner of the New York City Department of Homeless Services by §612 of the Charter and by Social Services Law §§56 and 61(1).

The proposed amendments were published on February 15, 2013. The requisite public hearing was held on March 18, 2013.

#### STATEMENT OF BASIS AND PURPOSE

The Department of Homeless Services (DHS) provides temporary emergency shelter to homeless New York City residents and does so in accordance with State and local law and implementing regulations with the goal of moving shelter residents back into permanent housing in the community as soon as possible.

Title 31, Chapter 2 of the Rules of the City of New York instructs shelter staff at all homeless shelters for single adults to refrain from referring clients to permanent housing in buildings that meet one or more of the criteria set forth in the rule and to penalize programs that make such referrals.

To increase the stringency of the effort to prevent referrals of homeless individuals to unsafe or substandard buildings and to ensure that DHS clients are fully informed when making decisions about permanent housing, DHS adopts the following amendments to Title 31, Chapter 2 of the Rules of the City of New York. Specifically, DHS amends the rule as follows:

§2-01(a) provides criteria for evaluating whether a housing referral is inappropriate. If the housing option meets any of the criteria set forth in this subdivision, shelter providers may not make the referral.

● §2-01(a)(3) is amended to include buildings with Hazard Class "I" violations in the New York City Department of Housing Preservation and Development (HPD) Complaint, Violations and Registration Information database as buildings inappropriate for referral. This hazard class signifies violations that lead to vacate orders from HPD.

● §2-01(a)(4) is amended to include buildings inappropriate for referral that have one or more complaints on the Department of Building's (DOB) website within four years preceding the time the client's exit from shelter is being planned. The rule currently prohibits referrals to buildings with complaints on DOB's website within two years preceding the time the client's exit from shelter is planned. This provision is also amended to include buildings that have complaint disposition codes that are blank on the DOB website and those with complaint dispositions indicating the DOB investigator could not obtain access to investigate the reported violations.

§2-01 is further amended to include a new subdivision (d), which requires that shelter providers evaluate housing options presented by a landlord or agent against the criteria set forth in subdivision (a) before the housing option is presented to shelter clients. If the housing options meet any

of the criteria in (a), the shelter provider is to forbid the landlord or agent from presenting it. This amendment prevents presentations of substandard and unsafe housing to DHS clients.

§2-01 is further amended to include a new subdivision (e), which provides a procedure for clients to report housing they believe meets the criteria set forth in subdivision (a). Shelter providers are to assist clients in reporting the housing violations via 311. Shelter providers are to make the referral if HPD or DOB inspect the housing and do not find any violations, though the client may still refuse. This amendment provides means for the client to prevent shelter providers from making inappropriate referrals.

§2-01 is further amended to include a new subdivision (f), which requires shelter providers to provide clients with a listing the criteria set forth in subdivision (a), as well as written instructions for reporting violations through 311. This amendment provides further assurance that clients are fully informed when evaluating potential housing options.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Deleted material is in [brackets]; new text is underlined.

Section 1. Subdivision (a) of section 2-01 of Title 31 of the Rules of the City of New York is amended, and new subdivisions (d), (e) and (f) are added, to read as follows:

§2-01 Single Adult Permanent Housing Referral Criteria

- (a) Homeless shelters for single adults may not refer clients to permanent housing in buildings that meet one or more of the following criteria:
  - (1) Buildings that appear on the New York State Department of Health (DOH) Referral Suspension List or on the DOH Uncertified Facilities List, as posted on the DOH website, when a client’s exit from shelter is being planned, or when the shelter otherwise considers referring a client to the address.
  - (2) Buildings that have active vacate orders listed by the NYC Department of Buildings (DOB), Department of Housing Preservation and Development (HPD) and/or the Fire Department (FDNY) on their respective websites when a client’s exit from shelter is being planned, or when the shelter otherwise considers referring a client to the address.
  - (3) Buildings against which HPD has pending litigation, or with one or more Hazard Class “I” violations as reflected in

the HPD “Complaint, Violations and Registration Information” database, when a client’s exit from shelter is being planned, or when the shelter otherwise considers referring a client to the address, or buildings [which] that at such time are identified on the HPD website as enrolled in the HPD Alternative Enforcement Program (AEP) established [pursuant to] by the New York Administrative Code §27-2153.

- (4) Buildings with one or more complaints posted on the DOB website (Buildings Information System or BIS) within the [two] four years preceding the time when a client’s exit from shelter is being planned, or when the shelter otherwise considers referring a client to the address, that meet both criteria (i) and (ii) below:

- (i) Coded as one or more of the following Complaint Categories:

Code	Complaint Category Description
31	Certificate of occupancy (CO) – None/Illegal/Contrary to CO
45	Illegal conversion
71	<u>Single Room Occupancy (SRO) – Illegal work/No permit/Change in occup – use</u>

- (ii) Complaint Disposition Codes that are blank in BIS or are A1 through A9 (violations or summons served) or are C1 through C4 (failure to gain access/access denied).

- (d) Using the criteria set forth in subdivision (a) of this section, shelter providers must evaluate a housing option provided by a potential landlord or agent before that landlord or agent presents that housing option to clients within a homeless shelter for single adults. If a shelter provider discovers that a housing option is found to meet one or more of the criteria set forth in subdivision (a) of this section, the shelter provider must prohibit the landlord or agent from presenting this housing option to clients in the shelter.

- (e) Should a client view a housing option provided by a potential landlord or agent and believe that it meets one or more of the criteria set forth in subdivision (a) of this section, the shelter provider must offer to assist the client in making a complaint to the 311 citizen service center. The shelter provider must provide the client with access to a telephone if the client does not have one

available. If the client refuses to accept the housing option based on his/her report of a condition that would make the housing option inappropriate under such criteria, the shelter provider must not make the referral. If an inspection conducted by the Department of Buildings and/or Department of Housing Preservation and Development subsequent to a 311 complaint determines that the housing option does not meet any of the criteria set forth in subdivision (a) of this section, the shelter provider may make the referral. In the event a client refuses the referred housing option, the reason(s) for the refusal must be documented in the client’s case record.

- (f) Shelter providers must distribute to all clients in shelter a plain language document that describes the conditions that preclude a referral to a housing option meeting one or more of the criteria set forth in subdivision (a) of this section and contains information about how to contact the Department of Buildings and the 311 citizen service center.

## READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

### CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

### VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

### SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

### PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

### NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

### ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

### HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
