IN THE MATTER OF an application submitted by the NYC Department of Citywide Administrative Services (DCAS), pursuant to Section 197-c of the New York City Charter, for the disposition of one (1) city-owned property located at 524-540 East 74th Street (Block 1485, Lot 15), pursuant to zoning.

NOTICE

On July 10th, 2013 at 9:00 A.M. in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning a disposition of City-owned property for a joint development effort by Memorial Sloan Kettering and Hunter College (MSK – CUNY-Hunter-Project). The project site is located on the Upper East Side of Manhattan Block 1485, Lot 15, on City-owned property on the east of a block bounded by York Avenue, Franklin Delano Roosevelt (FDR) Drive, and East 73rd and 74th Streets. The proposed actions would facilitate a proposal to construct two buildings – MSK ACC and Hunter College Science and Health Professions Building (CUNY-Hunter Building). The MSK ACC Building would be approximately 23 stories (approximately 450 feet) tall on a footprint of 39,667 square feet. In a gross floor area of 731,136 square feet, it would contain state-of-the-art ambulatory care facilities, including office practice space for head and neck, endocrinology, thoracic, hematologic oncology, dental, speech, and consultative services; infusion rooms; interventional and diagnostic radiology; radiation oncology; cardiology and pulmonary testing; pharmacy and clinical laboratories to support the on-

site activities; academic offices; and conference rooms; and up to 250 accessory parking spaces on the lower levels of the site for patients and visitors. The facility would be expected to treat approximately 1,335 patients daily. CUNY-Hunter Building would be approximately 16 stories (approximately 350 feet) tall on a footprint of 26,444 square feet. In its gross floor area of 402,990 square feet, it would house teaching and research laboratories, class rooms, a learning center, a single 350-seat lecture hall, faculty offices, and a vivarium to house research animals. Approximately 1,130 undergraduates and 1,219 graduate students would come to classes and laboratories in this building. In addition students from the main Hunter College campus at Lexington Avenue and East 68th Street would attend lectures in the lecture hall.

The proposed project would be facilitated by the following discretionary actions: rezoning the site; zoning text amendment and special permit; approval to develop the site as a Large Scale General Development (LSGD); and approval of a special permit to increase the number of accessory parking spaces. Written comments on the DEIS are requested and would be received and considered by the Lead Agency through July 22nd, 2013.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 13DME003M.

Chapter 2 SPECIAL REGULATIONS APPLYING IN THE WATERFRONT AREA

* * *

62-132 Applicability of Article VII, Chapters 4, 8 & 9

* * *

The #large-scale development# provisions of Section 74-74 and Article VII, Chapters 8 and 9, shall be applicable, except that:

- In the event a #large-scale development# consists of a portion within a #waterfront block# and a portion within a non-#waterfront block#, all #zoning lots# within the #development# shall be subject to the #bulk# regulations of Section 62-30 (SPECIAL BULK REGULATIONS).
- In the event a #large-scale development# is located partially within and partially beyond the #waterfront area#, the landward boundary of the #waterfront area# shall be relocated so as to

encompass all #zoning lots# within the #development# and such #development# shall be deemed to be located entirely within the #waterfront area#.

- (c) Any height and setback modifications within a #waterfront block# shall be subject to an additional finding that such modifications would result in a site plan with visual and, where required, physical public access to the waterfront in a way that is superior to that which would be possible by strict adherence to the regulations of Section 62-341 (Developments on land and platforms).

For the purposes of modifying the height and setback regulations of Section 62-341, the term "periphery" shall include all portions of a #large-scale development# within 100 feet of a peripheral #street# or #lot line#. The term "wholly within" shall therefore mean any area of a #large-scale development# which is not within the area designated as periphery. #Large-scale residential developments# within R3, R4 or R5 Districts shall continue to be subject to the periphery provisions of Section 78-31 (Location of Buildings, Distribution of Bulk and Open Space and Modification of Height and Setbacks).

- (d) No distribution of #bulk# shall result in an increase in #floor area ratio# on a #zoning lot# within a #waterfront block# beyond 20 percent of the amount otherwise allowed by Section 62-32. In the event such #zoning lot# to which #bulk# is distributed is a #waterfront zoning lot#, such #bulk# may only be distributed to the #upland lot# and the computation of maximum #floor area ratio# for such #upland lot# shall include any #bulk# distribution from the #seaward lot#. Such limitation on #bulk# distribution shall not apply to #zoning lots# within non-#waterfront blocks#.

- (e) Modification of public access and #visual corridor# requirements shall be subject to the authorization provisions of Section 62-822. In lieu of making the findings in paragraphs (a) or (b) of this Section, the Commission may find that the proposed site plan would result in better achievement of the goals set forth in Section 62-00 than would otherwise be possible by strict adherence to the regulations of Sections 62-50 and 62-60.

- (f) In Community District 1, in the Borough of Queens, where the Commission has approved a #large-scale general development#, and a #lot line# within such #large-scale general development# coincides with the boundary of a mapped #public park#, such #lot line# shall be considered to be a #street line# of a #wide street# for the purposes of applying the requirements of Section 23-86 (Minimum Distance Between Legally Required Windows and Walls or Lot Lines).

**74-742
Ownership**

Except as otherwise provided in this Section, any #large-scale general development# for which application is made for a special permit in accordance with the provisions of Section 74-74 (Large-Scale General Development) shall be on a tract of land which at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. No special permit shall be granted unless the applicant(s) acquired actual ownership (single fee ownership or alternate ownership arrangements according to the #zoning lot# definition in Section 12-10 (DEFINITIONS) for all #zoning lots# comprising the #large-scale general development#) of, or executed a binding sales contract for, all of the property comprising such tract.

* * *

A special permit may be applied for and granted under the provisions of Section 74-74, even though such #large-scale general development# does not meet the ownership requirements set forth elsewhere in this Section, when the site of such #large-scale general development# is:

- (a) to be #developed# or #enlarged# through assemblage by any other governmental agency, or its agent, having the power of condemnation; or
- (b) owned by the Federal government and is within Brooklyn Community District 2; or
- (c) partially under City ownership, within the former Washington Square Southeast Urban Renewal Area, within Community District 2 in the Borough of Manhattan, provided that the exception to the ownership requirements set forth herein shall apply only to tracts of land in City ownership; or
- (d) partially under State or City ownership, or may include a tract of land under private ownership that is located within the bed of 26th Avenue between 1st Street and the bulkhead line within the Halletts Point Peninsula, in the area bounded by 8th Street and Vernon Boulevard on the east, the East River on the west and south, and the north side of 26th Avenue on the north, in Community District 1 in the Borough of Queens, provided that the exception to the ownership requirements set forth herein shall apply only to:
 - (i) tracts of land in State or City ownership; or
 - (ii) a tract of land in private ownership located within the bed of 26th Avenue, between 1st Street and the #bulkhead# line.

**74-743
Special provisions for bulk modification**

- (a) For a #large-scale general development#, the City Planning Commission may permit:
 - * * *
 - (9) within the boundaries of Community District 3 in the Borough of the Bronx, portions of any #building#, at any level, that contain permitted or required #accessory# off-street parking spaces, to be excluded from the calculation of #lot coverage#; ~~or~~
 - (10) for a #large-scale general development# located partially or wholly within the former Seward Park Extension Urban Renewal Area, waiver of the planting requirements of Section 23-892 (In R6 through R10 Districts), provided the area between the #street line# and the #street walls# of the #building# and their prolongations is to be

improved as a publicly accessible widened sidewalk; or

(11) within the boundaries of Community District 1 in the Borough of Queens, in the area generally north of 30th Road and west of 8th Street, within the Halletts Point Peninsula, the #floor area# distribution from a #zoning lot# containing existing public housing #buildings#, provided that upon approval of a #large scale general development# there exists unused #floor area# on a separate parcel of land with existing light industrial #buildings# in an amount equivalent to, or in excess of, the #floor area# approved for distribution and further provided:

(i) such parcel shall be made part of such #zoning lot# upon approval of such #large scale general development#, pursuant to the definition of #zoning lot# in Section 12-10, paragraph (d); and

(ii) the existing light industrial #buildings# on the separate parcel of land are demolished.

(b) In order to grant a special permit pursuant to this Section for any #large-scale general development#, the Commission shall find that:

* * * (8) where the Commission permits portions of #buildings# containing #accessory# parking spaces to be excluded from the calculation of #lot coverage# in accordance with the provisions of paragraph (a)(9) of this Section, the exclusion of #lot coverage# will result in a better site plan and a better relationship among #buildings# and open areas than would be possible without such exclusion and therefore will benefit the residents of the #large-scale general development#; and

(9) a declaration with regard to ownership requirements in paragraph (b) of the #large-scale general development# definition in Section 12-10 (DEFINITIONS) has been filed with the Commission; and

(10) where the Commission permits #floor area# distribution from a #zoning lot# containing existing light industrial #buildings# to be demolished in accordance with the provisions of paragraph (a) (11) of this Section, such #floor area# distribution shall contribute to better site planning of the waterfront public access area and shall facilitate the #development# of affordable housing units within a #large scale general development#.

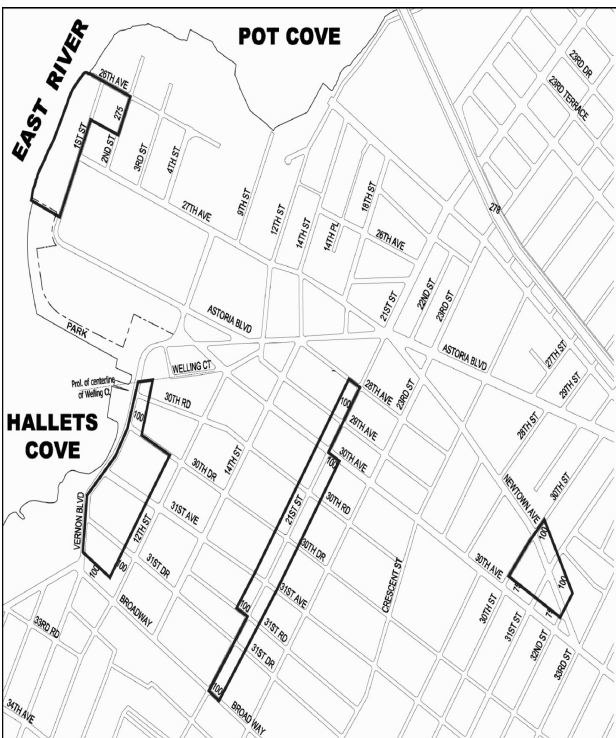

In addition, within the former Washington Square Southeast Urban Renewal Area, within Manhattan Community District 2, where the Commission has approved a #large-scale general development#, and a #lot line# of such #large-scale general development# coincides with the boundary of a mapped #public park#, such #lot line# shall be considered to be a #street line# of a #wide street# for the purposes of applying all #use# and #bulk# regulations of this Resolution. The Commission may prescribe additional conditions and safeguards to improve the quality of the #large-scale general development# and to minimize adverse effects on the character of the surrounding area.

NOTICE

On Wednesday, July 10, 2013, at 9:00 A.M., in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning zoning map changes; zoning text amendments; large-scale general development project (LSGD) special permits related to bulk; waterfront special permits, authorizations, and certifications; and mapping actions. The applicant, Halletts A Development Company, LLC is requesting the discretionary approvals, with the New York City Housing Authority (NYCHA) as co-applicant for some of the approvals, to facilitate a mixed-use development on several parcels on Halletts Point along the East River in Astoria, Queens. The zoning map changes would rezone an existing manufacturing (M1-1) district along 1st Street south of 26th Avenue to residential with commercial over lay (R7-3/C1-4); establish a commercial overlay (C1-4) over the existing residential (R6) zoning district along Astoria Boulevard and 27th Avenue; establish Whitey Ford Field as a mapped public parkland and rezone a portion of the adjacent streetbed from residential (R6) to manufacturing (M1-1). The zoning text amendments would make the project area eligible for the Inclusionary Housing Program and Food Retail Expansion to Support Health (FRESH) Program; exempt accessory parking under certain circumstances from the definition of floor area; allow lot lines coincident with the boundary of a mapped Public Park to be treated as a wide street for the purposes of applying minimum distance between legally required windows and lot lines; and, permit floor area distribution from a zoning lot under certain circumstances to another zoning lot within a LSGD if it contributes to better site planning. The city mapping actions would eliminate two cul-de-sacs in Astoria Boulevard between 1st Street and 8th Street and convey a street easement from NYCHA to the City, establish a public park (Whitey Ford Field), and eliminate 26th Avenue and 27th Avenue between 1st Street and the U.S. Pierhead and Bulkhead Line. Other discretionary actions requested include disposition of public housing (NYCHA) property, use of development rights associated with lands underwater, and potential financing approval for affordable housing. The proposed actions would facilitate a proposed development of approximately 2.73 million gross square feet (gsf) in total that would include approximately 2.2 million gsf of residential space (2,644 housing units including 2,161 market-rate and 483 affordable housing units); approximately 69,000 gsf of retail space (including an approximately 30,100-gross square foot retail space designed for supermarket use); and 1,375 accessory parking spaces. Comments are requested on the DEIS and will be accepted until Monday, July 22, 2013.

This hearing is being held pursuant to the National Environmental Policy Act (NEPA), State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 09DCP084Q.

NOTICE

On Wednesday, July 10th, 2013, at 9:00 A.M., in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Supplemental Environmental Impact Statement (DSEIS) concerning the redevelopment of the Willets Point/CitiField area for a mix of uses. The proposed redevelopment seeks to transform several CitiField parking areas as well. The project site is located in Queens, within the northern portion of Flushing Meadows Corona Park adjacent to the CitiField stadium, and within the Willets Point peninsula east of 126th Street. The Willets Point area comprises 128 tax lots and one partial lot located on 14 blocks. The portion of the project site east of 126th Street is within the Special Willets Point District and is in Community District 7; the remaining portion of the project site is City parkland and lies outside community district boundaries. The project is anticipated to proceed across three distinct areas until its anticipated completion in 2032. The project sites are: "The Willets Point" portion, comprising 61 acres; "Willets West," (the Special Willets Point District) comprising a 30.7-acre section of the surface parking field adjacent to CitiField; and "Roosevelt Avenue" (comprising three CitiField-related surface parking lots). It would incorporate a development substantially similar to that anticipated and analyzed in the 2008 Willets Point Development Plan Final Generic Environmental Impact Statement (FGEIS), as well as a major entertainment/retail component and parking adjacent to CitiField. The project is anticipated to proceed in three phases: by 2018, the remediation and development of an approximately 23-acre portion of the Special Willets Point District with a 200-room hotel, approximately 30,000 square feet of retail space, and a 2,800-space surface parking area/off-season public recreation space; the development of the parking field west of CitiField with "Willets West" —an entertainment and retail center of approximately 1.4 million square feet (one million square feet of gross leasable area) and a 2,900-space parking facility; and the development of a structured parking facility on the westernmost CitiField surface parking lot south of Roosevelt Avenue; by 2028, the surface parking area in the Special Willets Point District would be replaced with approximately 4.23 million square feet of residential, retail, office, hotel, public school, enclosed parking, and public open space uses; and the development of additional structured parking facilities on the CitiField surface parking lots south of Roosevelt Avenue; and by 2032, completion of the full build-out of the Special Willets Point District substantially as anticipated in the FGEIS. Written comments on the DSEIS are requested and would be received and considered by the Lead Agency through Monday, July 22, 2013.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 07DME014Q.

NOTICE OF THE ESTABLISHMENT OF MOBILE FOOD VENDOR PERMIT WAITING LISTS BY THE NEW YORK CITY DEPARTMENT OF HEALTH AND MENTAL HYGIENE

On Monday, August 12, 2013, the Department of Health and Mental Hygiene (DOHMH) will establish, utilizing a random selection process, three (3) separate waiting lists for Green Cart permits - two-year, full-term mobile food vendor unit permits authorizing the holders thereof to sell only raw, whole fresh fruits and vegetables within designated areas of the City - for the Bronx, Brooklyn, and Staten Island.

Application packages with detailed instructions for inclusion in the selection process for the Green Cart permit waiting lists may be obtained via the internet at www.nyc.gov/greencarts, by calling 311, or in person at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York 10004, Monday through Friday from 9:00 A.M. to 5:00 P.M.

In order to be eligible for inclusion in the selection process to establish these waiting lists, - the applicant must have a valid mobile food vendor license (ID badge) issued by the Department of Health and Mental Hygiene on or before Friday, August 2, 2013, and - the applicant must submit a completed waiting list application form by mail only to the address listed on the application form with a postmark dated on or before Friday, August 2, 2013.

All eligible waiting list applications will secure a waiting list position.

In accordance with Local Law No. 9 of 2008, preference or priority for a waiting list position will be given to those applicants who are members of a "preference category" listed in Local Law No.9. This preference or priority will be established by the giving of additional points to those applicants who are:

- already on an existing DOHMH mobile food vending permit waiting list
● United States veterans
● disabled persons

Applicants who do not belong to a preference category/priority group will secure a waiting list position after those who belong to a preference category/priority group.

For each borough list, all applications will be randomly assigned a number on each waiting list. Preference category/priority group applicants will be randomized separately and prioritized accordingly. If the applicant secures a waiting list position based upon a claim of being in one or more of the preference categories/priority groups mentioned above, the applicant will have to provide proof of such claim when the applicant is notified to apply for the Green Cart permit.

Mobile Food Vendor License Applications: Application packages for a mobile food vendor operator's license (ID badge) may also be obtained via the internet at www.nyc.gov/greencarts, by calling 311, or in person at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York 10004, Monday through Friday from 9:00 A.M. to 5:00 P.M.

New York State is in the process of restructuring its Medicaid Program, including how non-institutional long term care services are provided. In advance of the release of the RFP, HRA is issuing a concept paper which outlines the program model that HRA developed in light of the significant reductions in the HRA home care client population due to New York State Medicaid Redesign.

The concept paper has been posted on the Agency's website at www.nyc.gov/hra/contracts
