Article XIII: Special Purpose Districts

Chapter 1 Special Coney Island District

* * * 131-60 Special Permit for Auditoriums

The special permit set forth in this Section is established to allow outdoor entertainment #uses# on a limited-term basis in a unique beachfront location within the #Special Coney Island District#. The #development# of such a #use# on a temporary basis pursuant to this special permit provides for the opportunity for a valuable public amenity to exist within an area that, while approved for future #residential development# pursuant to the #Special Coney Island District# plan, is currently underutilized and does not exhibit the

characteristics of a well-developed #residential# neighborhood. Any special permit granted under this Section shall be subject to a term of years, in order to ensure that such #use# is consistent with and does not impede the goal of long-term revitalization of the surrounding area, pursuant to the #Special Coney Island District# plan.

In the Coney West Subdistrict, for Parcels B and G, the City Planning Commission may approve, by special permit, open-air auditoriums with greater than 2,000 seats, for a term no greater than ten years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued, provided that the proposed auditorium meets the conditions of paragraph (a) and the findings of paragraph (b) of this Section, in addition to the #sign# and parking provisions of paragraphs (c) and (d) of this Section, respectively.

For any application for such special permit, the applicant shall provide plans to the Commission including but not limited to a site plan, signage plan, parking and loading plan, lighting plan and operations plan (the "Proposed Plans").

(a) The Commission may permit open-air auditoriums with a maximum of 5,100 seats, provided the Proposed Plans demonstrate that:

- at all times when the Riegelmann Boardwalk is open to the public, all publicly accessible space, as shown on the proposed plans, will remain accessible to the public, except that access may be restricted as necessary during scheduled events, for the setup and takedown for such events, and in connection with maintenance activities; any barriers erected for the purpose of restricting access or visibility during such events shall be completely removed at all other times;
- the height of all structures, temporary or fixed, does not exceed 70 feet in height, as measured from the level of the Riegelmann Boardwalk;
- any roof or structural canopy above the open-air auditorium seating area will be removed prior to the month of November and shall remain removed during the entire off-season period between November through April, as well as in advance of severe weather events;
- the signage plan and parking and loading plan comply with the provisions of paragraphs (c) and (d) of this Section, respectively; and
- the City and applicant will enter into an agreement under which Parcel G will be returned to the City as of the expiration of the term of the special permit in a condition set forth in such agreement appropriate for #use# as a #public park#.

(b) In granting such permit, the Commission shall find that:

- such open-air auditorium will not unduly impair the essential character or the future #use# or #development# of the surrounding area, pursuant to the goals and objectives of the #Special Coney Island District# plan;
- the outdoor lighting for such open-air auditorium is located and arranged so as to minimize any negative effects on nearby #residences# and #community facilities#, and that Proposed Plans include noise attenuation features and measures which serve to reduce the effect

of noise from the open-air auditorium on the surrounding area, including nearby #residences# and #community facilities#;

(3) the construction of a stage as part of any #building# on Parcel B, for the purpose of accommodating an open-air auditorium #use#, will:

(i) enable the stage area to be closed to the outdoor portion of the open-air auditorium during the off-season when the open-air auditorium is not in use, so as to be operated for indoor entertainment #uses# with an eating and drinking establishment or other #use# permitted on Parcel B; and

(ii) allow for such #building# to be operated subsequent to the expiration of the special permit for #uses# permitted on Parcel B, such as eating or drinking establishments with entertainment;

(4) appropriate visual and pedestrian connections are maintained in the general area of the former street bed from the termination of West 22nd Street to the Riegelmann Boardwalk;

(5) the portions of the site not dedicated to stage area or event seating are so designed to serve as a full time park-like resource for the public, and the portions of the site designed for open-air auditorium #use# serve as a high-quality open space resource when not in auditorium use;

(6) any roof or structural canopy above the open-air auditorium seating area will be visually unobtrusive, and maximize openness and visibility between the site and the Riegelmann Boardwalk.

(7) the operations plan, which shall include a protocol for queuing for concert-goers, demonstrates that there would be no interference with the public use and enjoyment of adjacent public facilities; and

(8) the site plan, signage plan and lighting plan incorporate good design, effectively integrate the site with surrounding streets and the Riegelmann Boardwalk, and are consistent with the purposes of the #Special Coney Island District#.

(c) The Commission may, through approval of the Proposed Plans, permit #signs# notwithstanding the applicable #sign# regulations, except that #flashing signs# shall not be permitted and only #advertising signs# that are oriented toward the interior of the open-air amphitheater and not visible from the Riegelmann Boardwalk or other public area shall be permitted.

In order to permit such #signs#, the Commission shall find that proposed signage is appropriate in connection with the permitted open-air auditorium #use#, is not unduly concentrated within one portion of the site, and will not negatively affect the surrounding area.

(d) The Commission may, through approval of the Proposed Plans, reduce or waive required parking, provided the Commission finds that the open-air auditorium will be adequately served by a combination of surrounding public parking facilities and mass transit. In addition, the Commission shall find that the proposed loading facilities on the site are located so as not to adversely affect the movement of pedestrians or vehicles on the #streets# surrounding the auditorium.

The City Planning Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area. Such conditions and safeguards may include, but are not limited to restrictions on signage or requirements for soundproofing of auditoriums, shielding of floodlights or screening of open #uses#.

Upon the first issuance of this permit for an open-air auditorium, the effective period of the permit shall be ten years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued. To establish the term of years for subsequent applications for this special permit, the Commission shall, in determining whether the finding of paragraph (b)(1) of this Section is met, take into account the existing character of the surrounding area, as well as #residential# and #community facility development# proposed or under construction on surrounding #blocks#, and shall also consider whether continuation of such auditorium #use# within a proposed term of years would be compatible with or may hinder achievement of the goals and objectives of the #Special Coney Island District# plan. Subsequent applications for this special permit shall be filed no later than one year prior to expiration of the term of the permit then in effect.

AGENCY RULES

FINANCE

NOTICE

NOTICE OF ADOPTION

Pursuant to the power vested in me as Commissioner of Finance by section 467-g(10) of the Real Property Tax Law, sections 389(b) and 1043 of the New York City Charter, and section 11-240(10) of the Administrative Code of the City of New York, I hereby promulgate the within Rules of the Commissioner of Finance Relating to the Rebate for Owners of Certain Real Property Seriously Damaged by Hurricane Sandy. These rules were published in proposed form on August 28, 2013. A hearing for public comment was held on October 1, 2013. No comments were received in writing or orally, prior to or during the public hearing.

S/S
Beth E. Goldman
Commissioner of Finance

STATEMENT OF BASIS AND PURPOSE

On July 31, 2013, Chapter 250 of the Laws of 2013 was enacted, effective immediately, which added a new section 467-g to the Real Property Tax Law. In accordance with Chapter 250, Local Law 67 of 2013 (enacted on August 12, 2013 and deemed effective July 31, 2013) added a new section 11-240 to the New York City Administrative Code to grant a rebate of real property taxes to owners of certain real property seriously damaged by Hurricane Sandy.

Section 11-240 provides a rebate of real property taxes for any tax lot in the City that contained property on which there is a building that the Department of Buildings has determined to be seriously damaged and unsafe to enter or occupy or completely demolished as a result of the effects of Hurricane Sandy.

The law provides that the rebate be paid to the owner who owned the building on October 30, 2012. Because many of these property owners may have been forced to relocate, the Department of Finance anticipates that some of the rebate checks that are mailed to such owners will not be received and thus not cashed or deposited.

In order to ensure that the best effort is made to provide the benefit of the rebate in the most efficient way to such owners, these rules authorize the Commissioner of Finance to credit the amount of the rebate to real property taxes and real property-related charges imposed on the real property where the rebate applies. The credit will be made if the rebate check is not cashed or deposited within ninety days after the Department of Finance mailed the rebate check. This credit is to be made only if the owner who is entitled to the rebate remains the owner of the property. In the cases in which it is presumed that a rebate check has not been received by the property owner, providing the credit in this manner will give the property owner the benefit intended by the State Legislature and the City Council.

New matter is underlined.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 19 of the Rules of the City of New York is amended by adding a new Chapter 51 to read as follows:

Chapter 51

Rules Relating to the Rebate for Owners of Certain Real Property Seriously Damaged by Hurricane Sandy

§51-01. Application of Hurricane Sandy rebate to past due, current and future real property taxes and real property-related charges.

With respect to the rebate that is authorized by Administrative Code § 11-240 for owners of certain real property seriously damaged by Hurricane Sandy, the Commissioner of Finance is authorized to enter a credit in the amount of such rebate to the account of such real property. Such credit shall be applied toward the satisfaction of any real property taxes and real property-related charges that are due or are past due and those which may become due in the future. The credit will be applied if the Commissioner of Finance determines:

- by a date no earlier than ninety days after the Commissioner of Finance mailed a check for such rebate that such check has not been cashed or deposited, and
- that the owner who is entitled to the rebate remains the owner of the real property to which the rebate applies.

Statement of Basis and Purpose of Proposed Rule

The Office of Citywide Events Coordination and Management (OCECM), Street Activity Permit Office (SAPO) is charged with administration of the permit system for street activities, block parties and fairs.

Over two hundred SAPO-permitted street fairs and over 5,000 events occur annually within the City. Almost all of these events involve permits for the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and other goods and the use of amplified sound and the performance of music. Such events require additional police presence and increase overtime expenditure by the City. In order to effectively deploy police resources, the New York City Police Department has requested for the calendar year 2014 that SAPO exercise its discretion temporarily to deny permits for additional events that place an excessive burden on police resources and divert uniformed personnel from core crime fighting, public safety and counter terrorism duties.

In the interests of protecting the City and its inhabitants, these rules will authorize SAPO to deny permits to events scheduled for calendar year 2014, the anticipated effective date of the proposed rules, if the event was not held in the calendar year 2013, the year prior to the effective date of the proposed rules.

SAPO authority for these rules is found in section 1043 of the New York City Charter and Executive Order No. 105 of 2007.

New material is underlined.

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1-05(d) of Chapter 1 of Title 50 of the Rules of the City of New York is amended to read as set forth below.

(d) For the calendar year [2013] 2014, the Director shall deny applications for street activity permits for street fairs not held in the calendar year [2012] 2013.

CONSUMER AFFAIRS

■ NOTICE

Consumer Bill of Rights Regarding Tax Preparers

By law, the tax preparer must give you a free, current, and legible copy of this document before beginning any discussions about tax preparation services.

You have the right to know:

- **Identification and qualifications of tax preparer.** The tax preparer must have one sign stating relevant qualifications, and maintain records proving those qualifications are real. Any advertised terms such as "expert," "master," "consultant," or "specialist" must be justified here.
- **Fees and additional charges.** The tax preparer must have a sign showing exactly how his/her fees are computed, including the minimum charge, if any.
- **Whether or not the tax preparer will represent you at a government audit.** Failing to have a sign that tells you this means that the tax preparer agrees to represent you or to provide representation.
- **Whether the tax preparer is an attorney (member of the Bar of the State of New York) or a Certified Public Accountant (CPA), certified by the New York State Department of Education, Office of the Professions.** A tax preparer must tell you if he/she is NOT an attorney or CPA (though he/she can still prepare your taxes). If a tax preparer uses the word "accountant" in an advertisement, then a Certified Public Accountant or Public Accountant must be present during all business hours, and must exercise control over all tax returns prepared there.

Note that attorneys, CPAs, and IRS Enrolled Agents do not have to post the signs described above.

Beware of Refund Anticipation Loans (RALs)

- A Refund Anticipation Loan (RAL) is a high-interest loan made through a bank. A RAL is not an "instant refund." It is a loan that you must pay back to the bank.
- Using a RAL will cost you money and lower the total amount of your refund that you receive.
- While the bank making the loan will charge you fees and interest, the tax preparer facilitating the loan cannot add on any of his/her own charges or fees for preparing a RAL application.
- It is illegal for a tax preparer to disguise a RAL as an "instant refund," a "rapid refund," an "express refund," "fast cash," or by another similar term that hides the fact that a RAL is a loan.
- You cannot be required to take out a RAL.
- Ask your tax preparer about electronic filing, direct deposit, and other options to speed up payment of refunds and to avoid using RALs.

You have the right to receive:

- **A written estimate** of the total cost for all charges related to each service offered by the tax preparer, including basic filing fees, interest rates, and RAL processing fees. The estimate should tell you how long you can expect to wait for your refund.
- **A photocopy of your tax return** prepared at the time the original is electronically filed or given to you to mail.
- **An itemized receipt** listing the individual cost of each service and form prepared for you. The receipt must list the address and phone number where the tax preparer may be contacted throughout the year.
- **Your original personal papers returned to you upon request**, when the original tax return is given to you for filing (unless the tax preparer is specifically permitted to retain such papers under state law).
- Every tax return prepared on your behalf **signed by the tax preparer**.

It's illegal for a tax preparer to:

- Ask you to sign a blank or incomplete tax return, or alter a tax return after it has been signed by you, without your written consent.

- Charge a fee based upon the amount of tax owed or refund due.
- Guarantee a specific refund amount, or guarantee that you will not be audited by any government tax agency.
- Request that you pay the tax preparer from a portion of your refund.
- Reveal any personal information to any person or business other than to you or your authorized designee.
- Have your tax refund mailed to the tax preparer, unless you have signed a power of attorney containing such authorization.
- Ask you to violate any governmental law, rule, or regulation.

If you enter into a RAL, a tax preparer first must:

- Give you a single sheet of paper that tells you in English and Spanish:
 - how much your expected tax refund is
 - how much the bank will charge in fees for the RAL
 - the approximate RAL loan amount you will receive
 - the interest rate, expressed as the estimated annual percentage rate (APR) based on the amount of time the loan will be outstanding
 - the approximate date you would get your loan money if you take out a RAL
 - the approximate date you would get your refund if you do not take out a RAL
- Explain orally the information about a RAL in a language you understand.

For more information or to file a complaint against an individual offering tax preparation services, call 311 or visit nyc.gov/consumers.
