NOTICE OF PUBLIC SCOPING

Office of the Deputy Mayor for Housing and Economic Development

Draft Scope of Work for an Environmental Impact Statement (EIS)

Gun Hill Square

NOTICE IS HEREBY GIVEN that a public scoping meeting will be held on Wednesday, August 13, 2014 beginning at 6:00 P.M. at the Bronx Community Board 12 Office, 4101 White Plains Road, Bronx, NY 10466. *Please note that any person wishing to speak must register not later than 8:00 P.M. Guidelines for public participation will be available at the scoping meeting.*

The purpose of the scoping meeting is to provide the public with the opportunity to comment on the Draft Scope of Work proposed to be used to develop a Draft Environmental Impact Statement (DEIS) for the proposed Gun Hill Square project. Comments on the Draft Scope of Work are invited and may be presented at the public scoping meeting and/or may be submitted in writing to the Mayor's Office of Environmental Coordination until 5:00 P.M. Monday, August 25, 2014.

Directing that a DEIS be prepared, the Environmental Assessment Statement, Positive Declaration, and Draft Scope of Work were issued by the Office of the Deputy Mayor for Housing and Economic Development on July 2, 2014, and are available for review from the contact person listed below and on the website of the Mayor's Office of Environmental Coordination (<http://www.nyc.gov/html/oc/html/home/home.shtml>).

The applicant, Gun Hill Square LLC, is proposing a development including a six-building pedestrian-oriented open-air urban shopping center with accessory parking, and an up to 11-story senior housing building on a site (Block 4804, part of Lot 100) generally bounded by East Gun Hill Road to the southwest and Edson Avenue to the northeast and south ("the project site") in the Baychester neighborhood of the Bronx. Directly east of the project site is the New England Thruway (I-95). The irregular-shaped project site comprises the southern approximately 12.6 acres of Lot 100. The project site is currently owned by the City of New York and is covered by a Master Lease between the City and New York City Transit (NYCT).

The proposed project would contain approximately 390,400 gross square feet (gsf) of commercial space (shopping center), of which up to 40,000 gsf would include a fitness center, 92,000 gsf of residential space (senior housing building including up to 100 units), 238,500 gsf of parking space (garage), and a total of 1,170 parking spaces (garage and parking lot) accessory to these uses, for a total of 720,900 gsf of new development.

The proposed shopping center, which would occupy the majority of the project site, would be comprised of six 2- to 3-story buildings located around two central squares which would be solely accessible to pedestrians. The commercial uses for the project site would include both local and destination retail, restaurants, a fitness center, and approximately one acre of privately-owned public open space as well as accessory parking to these uses. More specifically, 467 parking spaces would be provided at-grade and 680 parking spaces in a 4-story garage building, for a total of 1,147 parking spaces accessory to commercial uses. The shopping center would have three main points of entry for pedestrians and vehicles, including a signalized intersection on East Gun Hill Road and two additional entrances on Edson Avenue. There would also be three points of egress from the project site including two on East Gun Hill Road and another on Edson Avenue.

The proposed senior housing building, fronting on East Gun Hill Road, would be up to 11 stories tall and include up to 100 units. An at-grade parking lot accessible from East Gun Hill Road would provide 23 accessory parking spaces.

It is anticipated that site preparation and construction for the project

would commence in early 2016 and is expected it would be complete and operational in 2018. It is currently anticipated that the proposed project would seek the following approvals to facilitate the proposed project:

- Approval from the Metropolitan Transportation Authority (MTA) Board of Directors authorizing the surrender of the MTA's leasehold interest in the project site (prior to disposition).
- Disposition of City-owned property (the project site) to a private developer, which requires approval through the City's Uniform Land Use Review Procedure (ULURP) pursuant to New York City Charter Section 197(c) and separate Mayoral and Borough Board approval pursuant to New York City Charter Section 384(b)(4).
- Zoning Map amendment (Map No. 4a) for a portion of Lot 100, Block 4804, would include changing the zoning designation from a M1-1 manufacturing district to a C4-3 commercial district.
- Zoning Special Permit pursuant to New York City Zoning Resolution Section 74-74, to allow, by City Planning Commission Special Permit, the design of the proposed project under a Large-Scale General Development (LSGD) special permit with waivers for exterior signage, side yard requirements, rear yard requirements, and height and setback regulations related to the proposed senior housing building.
- Zoning Special Permit pursuant to New York City Zoning Resolution Section 73-36 to allow, by Board of Standards and Appeals Special Permit, to include a physical culture or health establishment (fitness center) in the commercial component of the proposed development.

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method:

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)
