"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method:

- Prequalification applications are required every three years.
● Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
● Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
● Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies:

- Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

EMERGENCY PREPAREDNESS ADVERTISING SERVICES - Negotiated Acquisition - PIN# 01714N0002 - Due 7-23-14 at 10:00 A.M.

The New York City Office of Emergency Management (OEM) intends to enter into negotiations with one or more qualified vendors with expertise in producing public service campaigns. The selected vendor will be responsible for research, creative production services, media outreach services, public relations, fulfillment, ad placement, and media monitoring related to the agency's emergency preparedness campaign.

A contract will be awarded by the Negotiated Acquisition source selection method, pursuant to City of New York Procurement Policy Board Rules (PPB Rules) §§ 3-04(b)(2). It is anticipated that the contract awarded through this Negotiated Acquisition will have an initial three-year term commencing on October 1, 2015 and ending on September 30, 2018 with potentially two two-year options to renew.

Any vendor that wishes to express interest in being considered for this procurement is invited to do so by sending an e-mail to Brian Genzmann, Senior Procurement Analyst, at procurement@oem.nyc.gov by Wednesday, July 23, 2014 at 10:00 A.M. EST. E-mails must include the following information: the point of contact's name, their organization's name, a valid telephone number, fax number, and e-mail address. Only those vendors that have expressed interest will receive the solicitation document on Wednesday, July 23, 2014.

■ VENDOR LIST

Construction/Construction Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION - NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualifications and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction reconstruction site work of up to \$3,000,000 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contractors by making them more competitive in their pursuit of NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the venture being a certified M/WBE*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

*Firms that are in the process of becoming a New York City-certified M/WBE may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

Application documents may also be obtained on-line at: <http://a856-internet.nyc.gov/nycvendoronline/home.asp>; or <http://www.nycgovparks.org/opportunities/business>

Thomas Fariello, R.A.
Acting Commissioner

Statement of Basis and Purpose of Rule

On December 30, 2013, Local Law 141 was signed by the Mayor. Local Law 141 amends the Administrative Code of the City of New York, the New York City Plumbing Code, the New York City Building Code, the New York City Mechanical Code and the New York City Fuel Gas Code to bring these codes up to date with the 2009 editions of the International Building, Mechanical, Fuel Gas and Plumbing Codes. That local law goes into effect on October 1, 2014.

Among the changes made by Local Law 141 were amendments to portions of section 1210.2.2 of the Mechanical Code and additions to section 406.1.1.1 of the Fuel Gas Code. These amendments address welder qualification testing and approved agencies. Rule 101-07 is amended to reflect the new provisions enacted by Local Law 141.

The Department of Buildings' authority for these rules is found in sections 643 and 1043 of the New York City Charter, section 1210.2.2 of the New York City Mechanical Code and section 406.1.1.1 of the New York City Fuel Gas Code.

New material is underlined.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

Local Law 141 of 2013, which goes into effect on October 1, 2014, amends the Administrative Code of the City of New York, the New

York City Plumbing Code, the New York City Building Code, the New York City Mechanical Code and the New York City Fuel Gas Code to bring these codes up to date with the 2009 editions of the International Building, Mechanical, Fuel Gas and Plumbing Codes.

The Department's Referenced Standards are found in Chapter 35 of the New York City Building Code. Local Law 141 repealed Chapter 35 and added a new one.

This proposed rule will correct an error in the year of two of the standards listed in new Chapter 35 - ACI 318 for structural concrete and ANSI A10.4 for personnel hoists. The correction will conform them to the existing edition of these standards, as well as to the Building Code sections to which these standards are applied, which reflect the correct year's language.

The Department of Buildings' authority for these rules is found in sections 643 and 1043 of the New York City Charter and Section 28-103.19 of the New York City Administrative Code.

New material is underlined.

Section 1. Title 1 of the Rules of the City of New York is amended by adding a new Chapter 3500 and Sections 3500-01 and 3500-02 to read as follows:
