PROCUREMENT**“Compete To Win” More Contracts!**

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method:

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies:

Statement of Basis and Purpose

The Department of Environmental Protection (DEP) has requested that the Environmental Control Board (ECB) amend the Air Asbestos and Air Code Penalty Schedules. Some of these proposed changes have been requested to address evolving industry practices that raise safety concerns, while other changes are being introduced in response to revisions of the Rules of City of New York (RCNY). Cure periods are not included in the proposed provisions, because the governing statutes mandate the imposition of minimum penalties.

Requested Changes to the Air Asbestos Penalty Schedule

Ad. Code § 24-1002(c)

On February 4, 2014, Mayor de Blasio signed Local Law 3 of 2014, which amends Title 24 of the Administrative Code by adding a new Chapter 10. The amendment requires the DEP to establish a program to provide for the registration of practicing Master Environmental Hazard Remediation Technicians. Since the registration program will be administered by the Asbestos Control Program, ECB proposes to add the following penalty for this provision to the Air Asbestos Penalty Schedule.

Section 24-1003 specifies a minimum penalty of \$1000 for any violation of Chapter 10. No maximum penalty is set forth. A review of section 24-1002(c) makes it unlawful to identify oneself as a Master Hazard Remediation Technician without being registered by the DEP.

15 RCNY 1-91(n)

ECB is also adding a penalty to the Air Asbestos Penalty Schedule for section 15 RCNY 1-91(n), a provision of the subchapter on engineering controls. This section requires contractors to carefully install ducting for negative pressure units because improper installation threatens the release of asbestos fibers into uncontaminated building areas.

Requested Changes to the Air Code Penalty Schedule

15 RCNY 12-18(a), 12-18(b), 12-18(c), and 12-18(d)

15 RCNY 12-18 provides for the posting of notices by dry cleaning facilities. The notices address the use of chemicals in the dry cleaning process.

Penalties for the section are governed by the Air Code Table of Civil Penalties. This table is found at 24-178(b)(5). The Air Code Penalty Schedule currently provides a penalty for failure to post a required notice in an easily visible location in dry cleaning facilities. This notice is required by New York State. ECB proposes to retain the existing penalty for 12-18(a) with an amended description.

Additionally, ECB proposes to add penalties for subdivisions (b), (c) and (d). Section 12-18(b) requires dry cleaners using perc (also known as PCE and perchloroethylene) to post a notice informing customers that the chemical is used in its dry cleaning process. The notice must include a web address where the Material Safety Data Sheet can be viewed. The sign required by 12-18(b) differs from the sign required by 12-18(a); 12-18(a) complies with New York State law and thus its penalty is higher than the penalties for 12-18(b), (c) and (d). Section 12-18(c) requires dry cleaners using alternatives to perc, known as non-perchloroethylene (non-perc) to post a sign identifying the chemical being used along with a web address where the Material Safety Data Sheet for the chemical can be viewed. Section 12-18(d) requires dry cleaners using perc and non-perc to post notices as required by subdivisions (a), (b), and (c).

Section 3. Section 3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York is amended by amending the Air Code Penalty Schedule entry for Section 12-18(a) and adding three additional entries immediately thereafter, to read as follows:

Section/Rule	Description	1 st Offense Stip.	1 st Offense	Default Penalty	2 nd Offense	2 nd Stip.	3 rd & Subsq.	3 rd \$ Subq. Stip
12-18(a)	[Failure to post public notice in conspicuous location] <u>Failure to post New York State perc notice in easily visible location</u>	400	400	875	500	No	500	No

15 RCNY 2-09 and 15 RCNY 40-02(b)

15 RCNY Chapter 2 sets forth performance standards and engineering criteria for boilers and water heaters. Specifically, Section 2-09 states that boilers requiring a certificate of operation undergo an annual tune-up and combustion efficiency test. These results must be kept and submitted to DEP upon request.

15 RCNY Chapter 40 states that emergency generators (defined in 15 RCNY 40-01) must be registered and pass a smoke test. Specifically, section 40-02(b) requires the owner or operator of an emergency generator to maintain records documenting the generator's hours of operation and provide these records to the DEP upon request.

Currently, there are no existing penalties for 15 RCNY 2-09 and 15 RCNY 40-02(b). Since these sections are most similar to the recordkeeping provisions of 24-177(b) and (c), it is proposed that the penalties for 24-177 are adopted for these two new charges.

Ad. Code § 24-168.1

Paragraph (1) of subdivision (b) of section 24-168.1 of the Air Pollution Control Code prohibits the use or delivery of heating oil that contains less than two per cent biodiesel by volume. Local Law 43 of 2010 added two penalties related to these provisions to the Air Code Table of Civil Penalties found in Administrative Code section 24-178(b)(5). The first provision states that the minimum and maximum penalties for a violation of 24-168.1 of using noncompliant heating oil are "as per schedule E." The second provision sets a minimum penalty of \$1000 and a maximum of \$10,000 for the delivery of noncompliant heating oil, in addition to "twice the amount of money saved for failure to comply."

New material is underlined.

[Deleted material is in brackets.]

Section 1. Section 3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York is amended by adding a new entry to the end of the Air Asbestos Penalty Schedule, to read as follows:

Section/Rule	Description	1 st Offense Penalty	1 st Violation Stipulation	2 nd Offense Penalty	2 nd Offense Stipulation
<u>Ad. Code 24-1002(c)</u>	<u>Identifying oneself as Master Environmental Hazard Remediation Technician when not registered with the Department of Environmental Protection</u>	1200	1000	2400	1500

Section 2: Section 3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York is amended by adding one entry to the Air Asbestos Penalty Schedule immediately following the entry for Section 1-91(m), to read as follows:

Section	Description	1 st Offense Penalty	1 st Violation Stipulation	2 nd Offense Penalty	2 nd Offense Stipulation

12-18(d)	Failure to post perc and non-perc notices	220	220	875	440	No	440	No

Section 4: Section 3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York is amended by adding two entries to the Air Code Penalty Schedule immediately following the entry for Section 24-125(c), to read as follows:

Section	Description	1 st Offense Stip.	1 st Offense	Default	2 nd Offense	2 nd Stip.	3 rd & Subseq. Offense	3 rd & Subseq. Stip.
15 RCNY 2-09	Failure to retain records related to combustion efficiency testing	350	350	875	545	545	545	No
15 RCNY 40-02(b)	Failure to maintain records of hours of operation for emergency generator	350	350	875	545	545	545	545

Statement of Basis and Purpose

On December 30, 2013, Local Law 152 was enacted. It amended sections 17-502, 17-503, 17-504, 17-505, 17-506, 17-507, 17-508, 17-510, 17-512 and 17-513.2 of Chapter 5 of Title 17 of the New York City Administrative Code (Smoke-Free Air Act). It also added sections 17-513.3 (Retail Tobacco Store and Retail Electronic Cigarette Store Registration), and 17-513.4 (Retail Tobacco Store and Retail Electronic Cigarette Store Verification) to Chapter 5. These changes to the Smoke-Free Air Act took effect on April 29, 2014. The local law prohibits the use of electronic cigarettes in all locations where smoking is currently prohibited and requires establishments to post signage informing customers of these new restrictions. Local Law 152 also requires both retail tobacco stores and retail electronic cigarette stores to register with the Department of Health and Mental Hygiene ("DOHMH"), and grants the Department authority to establish a system for verifying the total annual gross sales of retail tobacco stores and retail electronic cigarette stores to determine their eligibility for certain smoking and electronic cigarette use exemptions.

The Department is proposing to amend Chapter 10 of Title 24 of the Rules of the City of New York (RCNY) to reflect the amendments to the Smoke-Free Air Act in Local Law 152, and repeal provisions of Chapter 10 that are no longer applicable due to these amendments to the Smoke-Free Air Act. The amendments proposed here will also clarify certain provisions in Chapter 10 to facilitate compliance with, and enforcement of, the Smoke-Free Air Act. These proposed amendments, together with the provisions of Chapter 5 of Title 17 of the Administrative Code, affect the use of electronic cigarettes in enclosed areas in public places and in places of employment in New York City.

The proposed amendments:

- Specify the locations where electronic cigarette use is prohibited;
- Specify the content of the signage required in locations where electronic cigarette use is prohibited;
- Describe the registration requirements for retail tobacco stores and retail electronic cigarette stores; and
- Repeal obsolete provisions of the Department's Rules related to separate smoking rooms in bars and owner operated bars that have been repealed in the Smoke-Free Air Act.

DOHMH's authority to promulgate these rules is found in section 1043 of the New York City Charter and sections 17-503, 17-504, 17-

505, 17-506(a), 17-513, 17-513.3 and 17-513.4 of the New York City Administrative Code.
