**PROCUREMENT**

**“Compete To Win” More Contracts!**

*Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.*

- **Win More Contracts at [nyc.gov/competetowin](http://nyc.gov/competetowin)**

*“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”*

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit [www.nyc.gov/hhsaccelerator](http://www.nyc.gov/hhsaccelerator)

■ VENDOR LIST

*Construction / Construction Services*

**PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION - NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS**

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualifications and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction reconstruction site work of up to \$3,000,000 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contractors by making them more competitive in their pursuit of NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)\*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the venture being a certified M/WBE\*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

\*Firms that are in the process of becoming a New York City-certified M/WBE may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

AGENCY RULES

ENVIRONMENTAL PROTECTION

NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing? The Department of Environmental Protection (DEP) is proposing an amendment to its rules that would establish standards for the curing of violations of sections 24-165, 24-166, and 24-227 of the Administrative Code, which relate to air and noise pollution.

When and where is the hearing? DEP will hold a public hearing on the proposed rule. The public hearing will take place at 10:00 A.M. on September 24, 2014. The hearing will be held in the 8th floor conference room at 59-17 Junction Boulevard, Flushing, NY.

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

- Website. You can submit comments to DEP through the NYC rules web site at http://rules.cityofnewyork.us.
Email. You can email written comments to nycrules@dep.nyc.gov.
Mail. You can mail written comments to DEP, Bureau of Legal Affairs, 59-17 Junction Boulevard, 19th Floor, Flushing, NY 11373.
Fax. You can fax written comments to DEP, Bureau of Legal Affairs, at 718-595-6543.
By speaking at the hearing. Anyone who wants to comment on the proposed rule at the public hearing must sign up to speak. You can sign up before the hearing by calling 718-595-6531. You can also sign up in the hearing room before the hearing begins on September 24, 2014. You can speak for up to three minutes.

Is there a deadline to submit written comments? Yes, you must submit written comments by September 24, 2014.

Do you need assistance to participate in the hearing? You must tell the Bureau of Legal Affairs if you need a reasonable accommodation of a disability at the hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 718-595-6531. You must tell us by September 17, 2014.

Can I review the comments made on the proposed rules? You can review the comments made online on the proposed rules by going to the website at http://rules.cityofnewyork.us/. A few days after the hearing, a transcript of the hearing and copies of the written comments will be available to the public at the Bureau of Legal Affairs.

What authorizes the department to make this rule? Section 1043 of the New York City Charter and sections 24-165, 24-166 and 24-227 of the New York City Administrative Code authorize DEP to make this proposed rule. This proposed rule was not included in the department's regulatory agenda for this fiscal year as the rule could not have been anticipated since the law was changed after the agenda was developed.

Where can I find the department's rules? DEP's rules are in title 15 of the Rules of the City of New York.

What rules govern the rulemaking process? DEP must meet the requirements of Section 1043 of the New York City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rule

Local Law Number 153 (LL 153) for the year 2013 amended various sections of the Administrative Code of the City of New York, including two sections in the Air Pollution Control Code (24-165 and 24-166) and one section in the Noise Control Code (24-227). The amendments to Sections 24-165, 24-166 and 24-227 made by LL 153 give respondents an opportunity to avoid paying a civil penalty for a first violation of these sections if they admit liability and provide a certification that demonstrates that they have cured the violation within a forty-five day time period.

LL 153 requires the Commissioner of the DEP to promulgate rules that prescribe the information and documentation needed for a respondent to certify that he or she has permanently corrected a violation issued under Section 24-165, 24-166 or 24-227. A certification of compliance is necessary for the Commissioner to recommend that no monetary penalty be imposed for a first violation of these sections.

Consistent with the above, DEP proposes the following new rule, to be found at 15 RCNY Chapter 36.

This rule is authorized by Section 1043 of the Charter of the City of New York and sections 24-165(g), 24-166(c), and 24-227(d) of the Administrative Code.

The text of the rule follows.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

\*\*\*

Section 1. Title 15 of the Rules of the City of New York is amended by adding a new Chapter 36 to read as follows:

Chapter 36 Cure Period for Certain Air and Noise Code Violations

§36-01 Definitions

As used in this Chapter, the following terms are defined as follows:

- (a) "Board" means the New York City Environmental Control Board.  
 (b) "Code" means the New York City Administrative Code.  
 (c) "Commissioner" means the Commissioner of the Department of Environmental Protection.  
 (d) "Department" means the New York City Department of Environmental Protection.

§36-02 Certification of Cure - Violation of Section 24-165

(a) Pursuant to subdivision g of §24-165 of the Code, the Commissioner may recommend to the Board that no civil penalty be imposed for a first violation of such section provided that, within 45 days after the return date, the respondent admits liability and files a certification with the Department containing the information and documentation prescribed in subdivision b of this section.

(b) The certification required by subdivision a of this section must be made by a licensed oil burner installer in a notarized letter to the Department that includes:

(1) A certification that the air contaminant recorder is functioning properly and is in compliance with §24-165 of the Code.

(2) A description of the work that was done to bring the device into compliance.

(c) If the Commissioner accepts the certification required by this section, he or she will recommend to the Board that no civil penalty be imposed for the violation. The violation may still serve as a predicate for purposes of imposing penalties for subsequent violations of §24-165 of the Code.

§36-03 Certification of Cure - Violation of Section 24-166

(a) Pursuant to subdivision (c) of §24-166 of the Code, the Commissioner may recommend to the Board that no civil penalty be imposed for a first violation of such section provided that, within 45 days after the return date, the respondent admits liability and files a certification with the Department containing the information and documentation prescribed in subdivision b of this section.

(b) The certification required by subdivision (a) of this section must be made by a licensed oil burner installer in a notarized letter to the Department that includes:

(1) A certification that the combustion shutoff is functioning properly and is in compliance with §24-166 of the Code.

(2) A description of the work that was done to bring the device into compliance.

(c) If the Commissioner accepts the certification required by this section, he or she will recommend to the Board that no civil penalty be imposed for the violation. The violation may still serve as a predicate for purposes of imposing penalties for subsequent violations of section 24-166 of the Code.

§36-04 Certification of Cure - Violation of Section 24-227

(a) Pursuant to paragraph (d) of §24-227 of the Code, the Commissioner may recommend to the Board that no civil penalty be imposed for a first violation of such section provided that, within 45 days after the return date, the respondent admits liability and files a certification with the Department containing the information and documentation prescribed in subdivision b of this section.

(b) The certification required by subdivision (a) of this section must be made by a contractor or consultant retained by the owner of the circulation device in a notarized letter to the Department that includes:

(1) A certification that the circulation device is in compliance with the sound levels set forth in §24-227 of the Code.

(2) A description of all permanent improvements and modifications made to achieve compliance with such sound levels, including but not limited to, the installation of appropriate sound insulation, isolators, suspension mounting and/or sound mitigation devices or materials, and diagrams of such work, together with copies of all bills and receipts for such work, and;

(3) All sound level measurements taken at a location within the two closest receiving properties abutting the establishment and/or in a location specified by the Department. If there is difficulty gaining entry to any receiving property, the Department must be informed and will set an alternate location. All such measurements must be performed by a noise consultant or contractor. In the alternative, the respondent may request the Department to take measurements.

(c) If the Commissioner determines that the work described in the certification required by this section is insufficient to correct the violation, the Commissioner may not recommend a zero penalty. If the Commissioner accepts the certification required by this section, he or she will recommend to the Board that no civil penalty be imposed for the violation. Such violation may still serve as a predicate for purposes of imposing penalties for subsequent violations of §24-227 of the Code.

§36-05 Effect of Certification

Before the Commissioner recommends that no civil penalty be imposed for a first violation pursuant to Section 36-02, 36-03, or 36-04 of this Chapter, the Department may independently verify the documentation submitted by a respondent or the qualifications of the licensed oil burner installer, consultant, or contractor who performs the required corrective measures.

**NOTICE OF ADOPTION OF FINAL RULE**

Promulgation of Chapter 35 of Title 15  
 Of the Rules of the City of New York  
 Concerning the Creation of a Voluntary Master Hazard Remediation  
 Technician Registration Program

**NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE COMMISSIONER OF THE DEPARTMENT OF ENVIRONMENTAL PROTECTION by Section 1043 (b) of the New York City Charter and Section 24-1000 et seq. of the Administrative Code, that the Department of Environmental Protection promulgates rules concerning the creation of a voluntary master hazard remediation technician registration program. These amendments were proposed and published in the City Record on June 17, 2014. A duly noticed public hearing was held on July 23, 2014 and written comments were also accepted.**

**What authorizes the department to make this rule?** Section 1043 of the City Charter and sections 24-1000 et seq. of the City Administrative Code authorize the department to make this proposed

rule. This proposed rule was not included in the department's regulatory agenda for this fiscal year.

**Where can I find the department's rules?** The department's rules are in title 15 of the Rules of the City of New York.

**What rules govern the rulemaking process?** The department must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

**Statement of Basis and Purpose of Proposed Rule**

Local Law Number 3 for the year 2014 amends Title 24 of the Administrative Code of the City of New York by adding a new Chapter 10 in relation to the creation of a voluntary master environmental hazard remediation technician registration program. The law requires the Department of Environmental Protection (DEP) to establish a program that provides for the voluntary registration of persons as master environmental hazard remediation technicians.

This rulemaking sets forth the determination by the Commissioner of the DEP as to the fee for registration and renewal of registration, as provided for in section 24-1002(f) of the new law, as well as the forms needed to register for the program, as provided for in section 24-1002(d) of the new law.

Consistent with the above, DEP promulgates the following new Rule, to be found at 15 RCNY Chapter 35.

The Rule is authorized by Section 1043 of the Charter of the City of New York and section 24-1000 *et seq.* of the Administrative Code.

The text of the Rule follows.

\*\*\*

Section 1. Title 15 of the Rules of the City of New York is amended by adding a new Chapter 35, to read as follows:

**Chapter 35  
Voluntary Master Environmental Hazard Remediation Technician Registration Program.**

**§35-01 Definitions.**

"Certificate of completion" means any license, certificate, diploma or other NYC Department of Environmental Protection approved documentation indicating that the applicant has satisfactorily completed department approved training programs or courses by a department approved training provider or providers.

"Master environmental hazard remediation technician" means a person registered with the NYC Department of Environmental Protection after successfully presenting to the commissioner current documentation of having completed required environmental remediation training programs or courses from a department approved training provider as demonstrated by a certificate of completion.

"Training provider" means training programs or courses approved by the department covering topics identified in section 24-1002 of the administrative code conducted by any entity approved by the NYC Department of Environmental Protection, including but not limited to: a registered New York State Department of Labor apprenticeship program, an educational institution or school chartered, licensed, or registered by the New York state education department, or the institute of inspection, cleaning, and restoration certification. Each program or course must be offered by an instructor or institution authorized by the appropriate governing authority to conduct such training.

**§35-02 Requirements for Registration.**

(a) For an applicant to be eligible to become a master environmental hazard remediation technician, he/she must meet all of the qualifications set forth in section 24-1002(a) of the administrative code.

(b) All licenses or certifications held by a master environmental hazard remediation technician associated with asbestos handling and lead training must remain current for the applicant to be eligible for registration. The master environmental hazard remediation technician's registration will not be considered valid if the applicant does not possess a valid certificate from the New York State Department of Labor for asbestos handling, and a United States Environmental Protection Agency certification in lead.

(c) The applicant must complete a registration form that will be available on the NYC Department of Environmental Protection website that contains the following information at a minimum:

- (1) Names of Training Providers.
- (2) Names of Training Programs or Courses Completed.
- (3) Number of Hours Attended Programs or Courses.
- (4) Certificates of Completion.

**§35-03 Expiration Date**

A master environmental hazard remediation technician registration

shall expire four years from the applicant's most recent birthday at the time the application is submitted.

**§35-04 Fees for Registration**

(a) The fee to register with the department as a master environmental hazard remediation technician shall be \$375.

(b) The fee to renew the master environmental hazard remediation technician registration shall be \$375.

**§35-05 Effect of Certification**

The program covered by these rules is a voluntary registration program. Registration as a Master Environmental Remediation Technician does not replace any license, permit or certification required by any federal, state or local law or rules for the work referenced by such registration and a person who is not registered as a Master Environmental Remediation technician may perform any work otherwise authorized by law as if this program were not in effect. Registration pursuant to this program is based on documentation provided by the applicant. The department does not independently verify such documentation or the qualifications of registrants to perform the work referenced by such registration.

Re: LL41 Waiver Request – TAXI TOURS INC., D.B.A. BIG BUS TOURS NEW YORK

Dear Ms. Conway:

This letter is in response to your request for a waiver, dated July 22, 2014, which identified Eight 2006 Alexander Dennis Double Decker Buses in-use as a sightseeing tour buses at Big Bus Tours.

Engine Data	
Make	Cummins Inc.
EPA Engine family number	6CEXH0661MAW

Year	2006
Emission control technology (Installed)	OEM Diesel Particulate Filter

The information that you provided shows that the 2006 engine operating the above referenced vehicles are equipped with OEM DPF's and as such would constitute BART, except for the fact that they are not model year 2007, as is required by Local Law 41. However, given the information that you have documented, DEP believes that the DPF that is installed meets the intent of Local Law 41, and as such, a waiver will be provided pursuant to Section 24-110 of the Air Pollution Control Code.

Section 24-110, only authorizes such a waiver from the requirements of the Air Pollution Control Code for up to six months. Therefore, if this technology will be used for longer than six months, you must request an extension of this waiver at the completion of the six month period. It also has come to our attention that this OEM DPF requires back pressure monitoring devices to be a complete system, and as such, DEP is requiring that this monitoring device be installed as a condition to this waiver being granted.

Your waiver request dated July 22, 2014 is hereby granted for the period of 6 months from today's date for the above eight vehicles to operate.

Please keep us apprised of any changes made to above mentioned engines for these eight vehicles.

Sincerely,  
Gerry Kelpin

**HOUSING PRESERVATION AND DEVELOPMENT**

**■ PUBLIC HEARINGS**

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed an amendment to a previously approved Land Disposition Agreement for the following property ("Disposition Area") in the Borough of Brooklyn:

Address Block/Lot  
2802 Surf Avenue 7068/14

This submission is a proposed amendment to the disposition terms previously approved by the Board of Estimate on January 11, 1990 (Cal. No. 19) as delineated in a Land Disposition Agreement. The Board of Estimate approval authorized the disposition of the Disposition Area (formerly known as Block 7068, Lots 14 and 20) to Shorefront Jewish Geriatric Center, Inc. ("Sponsor"), a New York not-for-profit 501(c)(3) corporation, for the redevelopment of the then vacant property into a skilled nursing facility for senior citizens ("Facility"). The Sponsor has continued to operate the Facility since its original occupancy in October 1996.

Pursuant to the approved Land Disposition Agreement, the Facility is required to be owned by a 501(c)(3) corporation. The Sponsor now wishes to convey the Facility to a new entity that is not a 501(c)(3) corporation. As the current state of financing of the Facility no longer requires ownership of a 501(c)(3) corporation, HPD is seeking Mayoral approval to remove this restriction from the Land Disposition Agreement in order to facilitate such transfer.

PLEASE TAKE NOTICE that a public hearing will be held on September 22, 2014 at Second Floor Conference Room, 22 Reade Street, Manhattan at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office Of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than five (5) business days prior to the public hearing. TDD users should call Verizon relay services.
