**PROCUREMENT**

*“Compete To Win” More Contracts!*

*Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.*

- *Win More Contracts at [nyc.gov/competetowin](http://nyc.gov/competetowin)*

*“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”*

**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system

maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)

#### **Statement of Basis and Purpose of Proposed Rule**

On July 10, 2014, Mayor de Blasio signed Local Law No. 35 of 2014, establishing the New York City Identification Card Program ("Municipal ID Card Program") to ensure that every New Yorker is provided with the opportunity and peace of mind that comes with possessing a government issued photo identification. On August 4, 2014, the Mayor issued Executive Order No. 6, designating the New York City Human Resources Administration (HRA) as the administering agency of the Municipal ID Card Program. In accordance with Local Law No. 35 and Executive Order No. 6, HRA now proposes to add Chapter 8 to Title 68 of the Rules of the City of New York to implement the program and set forth more details regarding the program.

The need for the City of New York to create an additional form of government issued photo identification is significant, as approximately half of New York City residents age 16 and over do not have a New York State Driver's License. The Municipal ID Card will better connect more New Yorkers, regardless of immigration status, homeless status, or gender identity, to public and private sector services, programs and benefits.

The City of New York will launch a citywide public awareness and community engagement campaign to effectively educate New Yorkers about how to apply for this card and the value it will offer to cardholders. The City of New York will create a language access implementation plan, including but not limited to staff training, community outreach, and language assistance tools, to address the needs of limited English proficient (LEP) individuals in the administration of the Municipal ID Card Program. The City of New York will also provide accommodations to applicants with disabilities to promote access to the card for all New Yorkers.

This rule establishes requirements to implement the Municipal ID Card Program and will provide guidance to critical stakeholders and applicants interested in obtaining the Municipal ID Card.

Specifically, the rule:

- Establishes that the Municipal ID Card will be provided to applicants free of charge;
- Establishes that cards will expire after five years;
- Creates a mechanism for homeless New Yorkers without a permanent address to obtain a card;
- Sets the minimum age to apply for the card at 14 years of age;
- Provides protections to survivors of domestic violence;
- Sets forth the documents with which applicants may demonstrate identity and residency and the weight each document will have; and
- Establishes security and privacy protections that safeguard information collected for issuing the identification card to protect against identity theft and fraud.

#### **Proposed Rule**

Title 68 of the Rules of the City of New York is amended by adding a new Chapter 8 to read as follows (new material is underlined):

#### Chapter 8 Municipal ID Card Program

#### § 8-01. Definitions

- "Municipal ID Card" has the same meaning as "New York City identity card," as provided in section 3-115(a) of the Administrative Code of the City of New York.
- "Resident" has the same meaning as provided in section 3-115(a) of the Administrative Code of the City of New York.

<sup>1</sup> In following the process set forth in New York City Charter § 1043, HRA does not waive its right to take the position that any future action, requirement or procedure, or any part thereof, does not meet the definition of a rule under New York City Charter § 1041 and is not subject to this process.

- (c) “Caretaker” means a birth parent, adoptive parent, legal guardian, legal custodian, foster-care parent, or agency caseworker from a designated Administration for Children Services (ACS) foster care agency.
- (d) “Individual who lacks a stable residence” means a person who lacks permanent housing, who may live on the streets, in a vehicle or abandoned building, or reside at a location where there is a maximum stay of 30 days or less.

- (f) “Territories” means American Samoa, the Commonwealth of the Northern Mariana Islands, Guam, Puerto Rico, and the U.S. Virgin Islands.

**§ 8-02. The Municipal ID Card**

- (a) The Municipal ID Card will display the cardholder’s photograph, name, date of birth, an expiration date, signature, eye color, height, identification number, and, except as provided in this section, a street address located within the City of New York. The card will also, at the cardholder’s option, display the cardholder’s self-designated gender, designated emergency contact information, preferred language and such additional information as HRA may in the future display.
- (b) The Municipal ID Card will not display a home address in the following circumstances:
  - (1) The applicant provides evidence of residency pursuant to section 8-06(c)(2);
  - (2) The applicant resides in a residential care program certified by the New York State Office of Temporary and Disability Assistance and operated by a not-for-profit organization in accordance with the regulations of that Department for the purpose of providing emergency shelter, services and care to victims of domestic violence; or

No expired documentation will be accepted, except as provided in Section 8-05(c)(1) with respect to expired Municipal ID Cards, which will be accepted if submitted within 60 days of the date of expiration. Except as provided with respect to birth certificates in Sections 8-05(c)(2), 8-05(c)(3), and 8-07(3), original documents must be presented. For birth certificates, either the original certificate or a copy certified by the original issuing agency must be presented. Applicants must present their documents in person at an access site designated by HRA in accordance with section 3-115(b)(2) of the Administrative Code of the City of New York. Applicants who provide original documents that are not in English may also provide certified English translations, but are not required to do so. Original documents will be returned immediately to the applicant once they are digitally scanned.

**§ 8-04. Proof of Identity and Residency**

An applicant may provide a single document that is worth the four points needed to establish both identity and residency. The documents listed below are photo identification cards that include the date of birth of the applicant and display the applicant’s current residential address in New York City.

**The following documents are worth four points and establish identity and residency:**

**NOTE:**

The National Oilheat Research Alliance (NORA) will resume full operations in 2014. As a result, the NORA Assessment of \$.002 per gallon will be an additional charge to be added to the posted weekly prices. This \$.002 per gallon will appear on a separate line item on your invoice. This fee will apply to heating oil invoices only. The fee collections began April 1, 2014. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit of \$1.00 per gallon on B100 expired on December 31, 2013. Therefore, for deliveries after January 1, 2014, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

**REMINDER FOR ALL AGENCIES:**

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre St., 18th Floor New York, NY 10007.
