### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate

compliance with corporate filings, organizational capacity, and relevant service experience.

- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

**7A PROGRAM**

CD funds are used by the Department of Housing Preservation and Development (HPD) to address hazardous conditions by correcting code violations and to provide systems renovations through 7A Financial Assistance packages to buildings under the management of a 7A administrator. CD 40 Allocation: \$1,388,000.

**ALTERNATIVE ENFORCEMENT PROGRAM**

The Alternative Enforcement Program is an additional HPD enforcement mechanism that is intended to alleviate the serious physical deterioration of the most distressed multiple dwellings in New York City by forcing the owner to make effective repairs or have city government do so in a more comprehensive fashion so that emergency conditions are alleviated and the underlying physical conditions related to the emergency housing code violations are addressed.

As described in the law, an owner will be notified by HPD that based upon criteria in the law, his or her multiple dwelling has been chosen for participation in the Alternative Enforcement Program. An owner will have four months to repair the violations, pay all outstanding HPD

emergency repair charges and liens, submit a current and valid property registration statement and request an HPD re-inspection. If the owner fails to meet all of the requirements for discharge within the first four months, HPD will perform a building-wide inspection and issue an order outlining the action necessary to address the emergency conditions and the underlying causes of those conditions (to minimize re-occurrence of those conditions). HPD will prepare a scope of work that will address the conditions cited in the order. Should an owner fail to comply with the order, HPD will perform the work. CD 40 Allocation: \$8,563,000.

**PROJECT OPEN HOUSE**

Under Project Open House, CD funds are used to remove architectural barriers from the homes of low- and moderate-income New York City residents who have mobility impairments. The program is administered by the Mayor's Office for People With Disabilities. CD 40 Allocation: \$217,000.

CD 40 Allocation: \$114,000.

**BRONX RIVER PROJECT**

The Bronx River Alliance, with the support of the New York City Department of Parks and Recreation, helps to restore, protect and manage the terrestrial and aquatic resources of the Bronx River corridor.
