### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

**DISTRICT ATTORNEY - NEW YORK COUNTY**

■ INTENT TO AWARD

*Construction Related Services*

**RELOCATE ELECTRICAL PANEL** - Negotiated Acquisition - PIN# 20150600061 - Due 12-24-14 at 3:00 P.M.

The New York County District Attorney's Office (DANY) is seeking to relocate several electrical panels located on the 4th Floor of 80 Centre Street, in Manhattan. 80 Centre Street is one of the two principal locations of the New York County District Attorney's Office. It is necessary to relocate the panels in order to extend a corridor that is currently blocked by the wall on which the panels are located (see attached plan).

The corridor in question must be extended to maintain circulation and egress on the 4th Floor that will be lost when DANY's Cybercrimes and Identity Theft Unit (CITB) is renovated and expanded. This expansion will absorb a section of the circulation corridor which will then be replaced by extending the corridor blocked by the electric panels in question. Please see the attached drawings.

The CITB renovation is part of a major initiative of the District Attorney's to combat the increasing instances of identity theft and cybercrime. A grant has been secured to fund the expansion and the District Attorney is anxious that the new facility be up and running as quickly as possible. The CITB renovation is scheduled to begin on or about December 15th, 2014 and be complete in approximately seven (7) months. However the renovation cannot begin until the electric panels have been relocated.

The electric panels were installed as part of a building-wide electrical upgrade initiated by the Department of Citywide Administrative Services (DCAS) in 2011, and expected to be completed in 2015. The panels were installed by ARK Systems Electric, the contractor hired for the project, under work permit #M331936 issued by the NYC Department of Buildings (copy attached). This permit remains 'open' until the overall project is completed, inspected and signed off by the Department of Buildings (DOB).

As per section 26-207 of the New York City Building Code, no work may be done without a permit being issued by the DOB. Since the permit is issued to a specific contractor, only that contractor may perform the work covered by the permit, including alteration of work already installed under the permit, until the work covered by the permit is completed, inspected and signed off by the DOB and the permit 'closed'. Thus only ARK Systems Electric may relocate these panels until the overall project is completed in 2015 and the permit 'closed'.

The renovation and expansion of the CITB unit is a pivotal component of District Attorney Cyrus R. Vance's strategy to combat one of the fastest growing sectors of crime worldwide. The renovation is scheduled to begin in December of this year and be completed and occupied by the middle of August of 2015. The panels must be relocated by the start of construction. Waiting until the building-wide electrical upgrade is completed in 2015, in order to seek competitive bids from multiple electrical contractors to relocate the panels, would substantially delay this project and would also delay an important crime prevention initiative.

Because DCAS prefers not to issue a change order to the contractor for the panel relocation, nor to revise the scope of the electrical upgrade project to accommodate the relocation, DANY has agreed to fund the work and hire the contractor as a separate project. We are thus seeking to retain ARK Systems Electric to relocate the panels, under their current permit, concurrent with the building-wide electrical upgrade. We thus respectfully request concurrence with our plan to pursue a negotiated acquisition with ARK System Electric

## SPECIAL MATERIALS

### ADMINISTRATION FOR CHILDREN'S SERVICES

■ NOTICE

In advance of the release of a Request for Proposals (RFP), the New York City Administration for Children's Services (ACS) is posting a concept paper setting forth the services that potential, qualified vendors will provide to older youth in care under the jurisdiction of the child welfare and juvenile justice systems. Through this RFP, ACS will seek new program models to the system which emphasize engagement of at-risk and vulnerable populations within our continuum of care, and reinforce fundamental expectations of accountability for outcomes and child and family-centered practice.

The RFP will seek appropriately qualified organizations with strong community connections geared to meet the needs of youth between the ages of 15 and 21. ACS will establish clusters of service providers in identified high-need communities where many youth involved with foster care and juvenile justice systems reside or congregate. These clustered service providers will create a continuum of high-performing, neighborhood-based organizations to collaborate with ACS in the advancement of youth development goals through innovative strategies designed to effectively engage at-risk and marginalized populations. The cluster of providers will include a blend of arts and cultural programming, educational and vocational supports, job readiness, recreational opportunities, and housing supports. The concept paper will be posted on the ACS website, [www.nyc.gov/acs](http://www.nyc.gov/acs) under Business Opportunities from December 2, 2014 to January 20, 2015. All comments in response to the concept paper should be in writing via e-mail to: [OYServicesCP@acs.nyc.gov](mailto:OYServicesCP@acs.nyc.gov)

**NEGATIVE DECLARATION**

<p><b>Project Identification</b> CEQR No. 15DCP050M ULURP Nos. 150085ZAM SEQRA Classification: Type I</p>	<p><b>Lead Agency</b> City Planning Commission 22 Reade Street New York, NY 10007 Contact: Robert Dobruskin (212) 720-3423</p>
---	--

**Name, Description and Location of Proposal:**

**443 Greenwich Street**

The applicant, SGN 443 Greenwich Street Owner LLC, is seeking an authorization pursuant to Zoning Resolution (ZR) Section 13-442 (Limited increase in parking spaces for existing buildings without parking). The proposed action would facilitate a proposal by the applicant to provide 15 attended parking spaces within an approximately 5,700 square foot (sf) area on the ground floor and cellar levels of an existing building located at 443 Greenwich Street (Block 222, Lot 1) in the Tribeca neighborhood of Manhattan, Community District 1. The project site is generally bounded by Desbrosses Street to the north, Vestry Street to the south, Greenwich Street to the west and a line parallel to and approximately 175 feet from Hudson Street to the east. The project site is located within a C6-2A zoning district in the Special Tribeca Mixed Use District and the New York City-designated Tribeca North Historic District.

The project site is occupied by a 7-story, 252,030 gross square foot (gsf) formerly commercial structure containing an approximately 4,000 sf interior courtyard. Curb cuts located on Vestry and Desbrosses Streets provide vehicular access to a gated, through-block, ground floor driveway leading to the building's courtyard. The building is currently undergoing conversion to 53 market-rate residential units pursuant to Department of Buildings (DOB) and Landmarks Preservation Commission (LPC) approvals. In connection with the conversion, the building's façade, rooftop and driveway gates are being rehabilitated, the through-block driveway is being excavated to the cellar level, and two vehicular ramps, accessed by the existing curb cuts, are being constructed. The existing building does not contain parking uses, and per ZR Section 13-07(b)(1), for buildings not containing parking and located in the Manhattan Core (extending geographically from southern Manhattan to West 110th and East 96th Streets), up to 15 off-street parking spaces may be permitted by authorization by the City Planning Commission.

The proposed authorization would facilitate the conversion of a 5,700 sf portion of the ground floor and cellar levels of the building, planned for passenger drop-off and storage uses per the DOB approvals, to a 15-space parking garage. In connection with the proposed project, a stop sign and speed bump would be provided along the Desbrosses Street access ramp. The existing curb cuts and ramps would provide vehicular access to the proposed parking area, with the Vestry Street ramp serving as an entryway and the Desbrosses Street ramp serving as an exit. The proposed project is expected to be completed by 2015. Absent the proposed action, the current conversion would continue, and the 5,700 sf area would be utilized for accessory storage.

# READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

## NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

## CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

## VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

## SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

## PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

## NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

## PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

## ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

## PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

## PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

## HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
