■ NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF A PEDESTRIAN PLAZA LOCATED ON EAST FORDHAM ROAD, 3RD AVENUE AND 189TH STREET, IN THE BOROUGH OF THE BRONX

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of a pedestrian plaza located on East Fordham Road, 3rd Avenue, and 189th Street, in the borough of the Bronx ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise. The concession will be considered to be a major concession as defined in Title 62, Chapter 7 of the Rules of the City of New York.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the Fordham Road District Management Association, Inc. as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Nicholaas Peterson, Senior Project Manager for Public Spaces, by email at npeterson@dot.nyc.gov or in writing at 55 Water Street, 6th Floor, New York, NY 10041 by December 8, 2014. Mr. Peterson may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6691.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.

- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)

RELOCATE ELECTRICAL PANEL - Negotiated Acquisition - PIN# 20150600061 - Due 12-24-14 at 3:00 P.M.

The New York County District Attorney's Office (DANY) is seeking to relocate several electrical panels located on the 4th Floor of 80 Centre Street, in Manhattan. 80 Centre Street is one of the two principal locations of the New York County District Attorney's Office. It is necessary to relocate the panels in order to extend a corridor that is currently blocked by the wall on which the panels are located (see attached plan).

The corridor in question must be extended to maintain circulation and egress on the 4th Floor that will be lost when DANY's Cybercrimes and Identity Theft Unit (CITB) is renovated and expanded. This expansion will absorb a section of the circulation corridor which will then be replaced by extending the corridor blocked by the electric panels in question. Please see the attached drawings.

The CITB renovation is part of a major initiative of the District Attorney's to combat the increasing instances of identity theft and cybercrime. A grant has been secured to fund the expansion and the District Attorney is anxious that the new facility be up and running as quickly as possible. The CITB renovation is scheduled to begin on or about December 15th, 2014 and be complete in approximately seven (7) months. However the renovation cannot begin until the electric panels have been relocated.

The electric panels were installed as part of a building-wide electrical upgrade initiated by the Department of Citywide Administrative Services (DCAS) in 2011, and expected to be completed in 2015. The panels were installed by ARK Systems Electric, the contractor hired for the project, under work permit #M331936 issued by the NYC Department of Buildings (copy attached). This permit remains 'open' until the overall project is completed, inspected and signed off by the Department of Buildings (DOB).

As per section 26-207 of the New York City Building Code, no work may be done without a permit being issued by the DOB. Since the permit is issued to a specific contractor, only that contractor may perform the work covered by the permit, including alteration of work already installed under the permit, until the work covered by the permit is completed, inspected and signed off by the DOB and the permit 'closed'. Thus only ARK Systems Electric may relocate these panels until the overall project is completed in 2015 and the permit 'closed'.

The renovation and expansion of the CITB unit is a pivotal component

of District Attorney Cyrus R. Vance's strategy to combat one of the fastest growing sectors of crime worldwide. The renovation is scheduled to begin in December of this year and be completed and occupied by the middle of August of 2015. The panels must be relocated by the start of construction. Waiting until the building-wide electrical upgrade is completed in 2015, in order to seek competitive bids from multiple electrical contractors to relocate the panels, would substantially delay this project and would also delay an important crime prevention initiative.

Because DCAS prefers not to issue a change order to the contractor for the panel relocation, nor to revise the scope of the electrical upgrade project to accommodate the relocation, DANY has agreed to fund the work and hire the contractor as a separate project. We are thus seeking to retain ARK Systems Electric to relocate the panels, under their current permit, concurrent with the building-wide electrical upgrade. We thus respectfully request concurrence with our plan to pursue a negotiated acquisition with ARK System Electric

Statement of Basis and Purpose

The Environmental Control Board ("ECB") proposes amendments to the Department of Transportation (DOT) penalty schedule, codified in Section 3-124 of Title 48 of the Rules of the City of New York. In an effort to support Mayor de Blasio's Small Business First initiative and set penalties that are reasonable in relation to the violations cited, DOT has requested that ECB:

- lower the penalty for failure to obtain a confirmation number for a street opening permit on a protected street, and
- add a separate penalty for failure to obtain a confirmation

number two hours prior to the commencement of a backfill on a protected street.

This amendment and the additional charge will clarify the difference between a respondent's failure to notify the department prior to commencing a backfill on a protected street versus a respondent's failure to obtain a confirmation number for any street opening permit on a protected street. They will also ensure that the penalty is proportionate to the violating condition cited, and will promote consistency within DOT's fine structure by setting similar penalties for similar offenses.

Fine Decrease for 34 RCNY § 2-11(f)(2)(ii). Failure to obtain a confirmation number for a street opening permit on a protected street.

In June 2013, 34 RCNY § 2-11(f)(2) of the Highway Rules was amended to require all permittees who have obtained a street opening permit on a protected street to also obtain a confirmation number. The purpose of this amendment was to clarify that a confirmation number is required for all such permits on protected streets regardless of whether a permittee engages in a backfill. As an unintended consequence of the rule change, permittees who fail to obtain a confirmation number but whose work does not involve a backfill or impact the roadway currently receive the same penalty as permittees who fail to obtain a confirmation number before performing a backfill in the roadway. Therefore, ECB proposes that the penalty for failing to obtain a confirmation number for a street opening permit on a protected street, where the permittee is not engaging in backfill, be reduced from \$750 to \$250 with a default penalty of \$750.

New Code Request for 34 RCNY § 2-11(f)(4)(i). Failure to obtain a confirmation number two hours prior to the commencement of a backfill on a protected street.

When a permittee conducts a backfill without a confirmation number, it impacts DOT's ability to conduct appropriate oversight of the construction activity taking place. Therefore, this charge imposes a penalty if a permittee fails to obtain such confirmation number at least two hours prior to the scheduled start time for the backfill, except as otherwise authorized by the Commissioner. The new charge, "Failing to obtain a confirmation number on a protected street two hours prior to the commencement of a backfill," carries a penalty of \$750 with a default penalty of \$2,250.

[Deleted material is in brackets.]

New material is underlined.

§ 1. The Environmental Control Board proposes to amend its DOT Penalty Schedule, found in Section 3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to read as follows:

Section/ Rule	Description	Penalty	Default
34 RCNY 2-11(f)(2)(ii)	Failure to obtain a confirmation number prior to expiration of street opening permit (protected street)	[\$750] \$250	[\$2,250] \$750

§ 2. The Environmental Control Board proposes to amend its DOT Penalty Schedule, found in Section 3-124 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, by adding a new charge immediately following the entry in that penalty schedule for 34 RCNY § 2-11(f)(2)(ii), "Failure to obtain confirmation number prior to expiration of street opening permit (protected street)," as follows:

Section/ Rule	Description	Penalty	Default

Statement of Basis and Purpose

The New York City Environmental Control Board is proposing a rule to modify the ECB Buildings Penalty Schedule to enforce Local Law 141 of 2013 (LL 141), also known as the 2014 NYC Construction Code update.

LL 141, which goes into effect on December 31, 2014, amends the Administrative Code of the City of New York, the New York City Plumbing Code, the New York City Building Code, the New York City Mechanical Code and the New York City Fuel Gas Code and brings these codes up to date with the 2009 editions of the International Building, Mechanical, Fuel Gas and Plumbing Codes.

LL 141 amended some requirements, added new requirements and renumbered existing sections of these codes. The penalty schedule needs to be amended to reflect these changes. The proposed rule amends the penalty schedule by:

- updating sections of the Administrative Code,
- updating descriptions to the table of classifications,
- deleting some existing violations that no longer apply or could be combined with existing descriptions, and
- adding new violations and their classifications.

Penalty amounts for all existing infractions remain unchanged. All penalties fall within the guidelines for all classes of violations, as stated in Section 28-202.1. The statutory maximum for each class of violation is:

- Class 3 - \$500,
- Class 2 - \$10,000, and
- Class 1 - \$25,000.

New violations that are not immediately hazardous (Class 1) are indicated as curable in the penalty schedule.

[Deleted material is in brackets.]

New material is underlined.

9.) References to the 2008 code pertain to the New York City Construction Codes effective on July 1, 2008 and any applicable subsequent amendments prior to December 31, 2014.

10.) References to the 2014 code pertain to the amendments and additions to the New York City Construction Codes effective on December 31, 2014 and any applicable subsequent amendments.

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) in accordance with Sections 1043(a) and 1049-a of the New York City Charter. The ECB has amended its Air Asbestos and Air Code Penalty Schedules.

The Air Asbestos Penalty Schedule is found in Section 3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York; the Air Code Penalty Schedule is found in Section 3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. These sections contain penalties for notices of violation issued by the New York City Department of Environmental Protection (DEP). The rule was published in The City Record on August 12, 2014 and a public hearing was held on September 12, 2014.

Statement of Basis and Purpose of Final Rule

The Department of Environmental Protection (DEP) has requested that the Environmental Control Board (ECB) amend the Air Asbestos and Air Code Penalty Schedules. Some of the changes were requested to address evolving industry practices that raise safety concerns, while other changes were introduced in response to revisions of the Rules of City of New York (RCNY). Cure periods are not included in the provisions, because the governing statutes mandate the imposition of minimum penalties.

The ECB held a public hearing on September 12, 2014 regarding amendments to its Air Asbestos and Air Code Penalty Schedules. The Air Asbestos Penalty Schedule is found in Section 3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York; the Air Code Penalty Schedule is found in Section 3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. A representative from the NYC Department of Environmental Protection ("DEP") and one member from the public attended the September 12, 2014 public hearing. The member from the public did not wish to testify. Three (3) written comments were received. The Board has considered the 3 written comments.

Changes to the Air Asbestos Penalty Schedule

Ad. Code § 24-1002(c)

On February 4, 2014, Mayor de Blasio signed Local Law 3 of 2014, which amended Title 24 of the Administrative Code by adding a new Chapter 10. The amendment requires the DEP to establish a program to provide for the registration of practicing Master Environmental Hazard Remediation Technicians. Since the registration program will be administered by the Asbestos Control Program, ECB has added the following penalty for this provision to the Air Asbestos Penalty Schedule.

Section 24-1003 specifies a minimum penalty of \$1000 for any violation of Chapter 10. No maximum penalty is set forth. A review of section 24-1002(c) makes it unlawful to identify oneself as a Master Hazard Remediation Technician without being registered by the DEP.

15 RCNY 1-91(n)

ECB has also added a penalty to the Air Asbestos Penalty Schedule for section 15 RCNY 1-91(n), a provision of the subchapter on engineering controls. This section requires contractors to carefully install ducting for negative pressure units because improper installation threatens the release of asbestos fibers into uncontaminated building areas.

Changes to the Air Code Penalty Schedule

15 RCNY 12-18(a), 12-18(b), 12-18(c), and 12-18(d)

15 RCNY 12-18 provides for the posting of notices by dry cleaning facilities. The notices address the use of chemicals in the dry cleaning process.

Penalties for the section are governed by the Air Code Table of Civil Penalties. This table is found at 24-178(b)(5). The Air Code Penalty Schedule currently provides a penalty for failure to post a required notice in an easily visible location in dry cleaning facilities. This notice is required by New York State. ECB is retaining the existing penalty for 12-18(a) with an amended description.

Additionally, ECB has added penalties for subdivisions (b), (c) and (d). Section 12-18(b) requires dry cleaners using perc (also known as PCE and perchloroethylene) to post a notice informing customers that the chemical is used in its dry cleaning process. The notice must include a web address where the Material Safety Data Sheet can be viewed. The sign required by 12-18(b) differs from the sign required by 12-18(a); 12-18(a) complies with New York State law and thus its penalty is higher than the penalties for 12-18(b), (c) and (d). Section 12-18(c) requires dry cleaners using alternatives to perc, known as non-perchloroethylene (non-perc) to post a sign identifying the chemical being used along with a web address where the Material Safety Data Sheet for the chemical can be viewed. Section 12-18(d) requires dry cleaners using perc and non-perc to post notices as required by subdivisions (a), (b), and (c).

15 RCNY 2-09 and 15 RCNY 40-02(b)

15 RCNY Chapter 2 sets forth performance standards and engineering criteria for boilers and water heaters. Specifically, Section 2-09 states

that boilers requiring a certificate of operation undergo an annual tune-up and combustion efficiency test. These results must be kept and submitted to DEP upon request.

15 RCNY Chapter 40 states that emergency generators (defined in 15 RCNY 40-01) must be registered and pass a smoke test. Specifically, section 40-02(b) requires the owner or operator of an emergency generator to maintain records documenting the generator's hours of operation and provide these records to the DEP upon request.

There are no existing penalties for 15 RCNY 2-09 and 15 RCNY 40-02(b). Since these sections are most similar to the recordkeeping provisions of 24-177(b) and (c), ECB has added that the penalties for 24-177 are adopted for these two charges.

Ad. Code § 24-168.1

Paragraph (1) of subdivision (b) of section 24-168.1 of the Air Pollution Control Code prohibits the use or delivery of heating oil that contains less than two per cent biodiesel by volume. Local Law 43 of 2010 added two penalties related to these provisions to the Air Code Table of Civil Penalties found in Administrative Code section 24-178(b)(5). The first provision states that the minimum and maximum penalties for a violation of 24-168.1 of using noncompliant heating oil are "as per schedule E." The second provision sets a minimum penalty of \$1000 and a maximum of \$10,000 for the delivery of noncompliant heating oil, in addition to "twice the amount of money saved for failure to comply."

HOUSING PRESERVATION AND DEVELOPMENT

NOTICE OF ADOPTION OF RULES GOVERNING CITY-AIDED LIMITED-PROFIT HOUSING COMPANIES

Notice is hereby given that the authority vested in the Commissioner of the Department of Housing Preservation and Development by §1802 of the New York City Charter and Sections 32(3) and 32-a of the Private Housing Finance Law, and in accordance with the requirements of § 1043 of the New York City Charter, that the Department of Housing Preservation and Development is adopting rules for City-Aided Limited-Profit Housing Companies. A public hearing was held on November 6, 2013 and the public comment period was held open through November 30, 2013.

New material in the following rule is underlined; deleted material is in [brackets].

Section one. Paragraphs (3), (6), (8), (10) and (11) of subdivision (h) of Section 3-02 of Chapter 3 of Title 28 of the Rules of the City of New York are amended to read as follows:

(3) Applications shall be consecutively numbered and dated upon receipt by the housing company or shall be numbered pursuant to order of selection by lottery, as applicable. The housing company or its managing agent shall provide an applicant with a dated receipt or other form of documentation setting forth the date and/or waiting list number of the application. Applicants must meet the occupancy standards at the time of application and at the time the apartment is offered. No applicant may be placed on more than one waiting list by bedroom size in a particular housing company development. Applications are only transferable to spouses or children who are at least eighteen years of age as of the date of the applicant's initial application, provided that such spouse's or children's names appeared on the applicant's initial application. Each applicant shall only be entitled to one entry per lottery for a housing company development. Multiple entries shall result in disqualification from such lottery. Furthermore, an applicant whose name is selected in a lottery cannot be included in the family composition of any other applicant who is selected in the same lottery for that particular housing company development. Such inclusion in multiple selected family compositions also shall result in disqualification of all involved parties from such lottery.

(6) Applications which are rejected by a housing company without being submitted to HPD shall have clearly marked thereon the reason for disapproval and shall be kept for a period of time as HPD may direct, and shall be available for examination by HPD. The applicant shall be advised in writing of the reason for his or her rejection and advised that he or she can appeal the rejection to HPD within thirty (30) days from the date of such written notification. Such appeal shall be in writing.

(8) (i) All housing companies, whether mutual or rental, shall maintain all waiting lists on forms approved by HPD for all tenant/cooperator applications for apartments, listed in chronological order, by apartment size, by date of receipt or by order of selection by lottery, as applicable. All eligibility requirements for age, residency and family composition must be met by the cut-off date for the lottery. As used in this chapter, the term "tenant/cooperator" shall mean a tenant residing in an apartment in a rental development and/or a shareholder/proprietary lessee residing in an apartment in a mutual housing company development, as the case may be. These master waiting lists shall be kept in the management office. A conformed copy of the master waiting lists by apartment size shall be sent to HPD. Thereafter, on a semi-annual basis, or more frequently if requested by HPD, updated waiting lists shall be submitted to HPD. The waiting lists must reflect the status of each application, i.e. who received an apartment, who declined an apartment, who withdrew, or any other circumstances, including dates the actions were taken.

(ii) The opening and closing of all waiting lists shall be subject to prior written approval of HPD. A housing company wishing to open a waiting list shall present HPD with a written proposal of its contemplated publicity efforts. The proposal shall require plans for the outreach to members of minority groups who would otherwise be unlikely to learn of these available housing opportunities. The plan shall include advertisement in at least two daily newspapers of general circulation and two publications known to have high readership amongst minorities, and shall contain language as set forth in subdivision (b) of this section. The plan shall be presented to HPD thirty days in advance of the projected date for commencement of advertising. Advertisements that do not meet the requirements of this chapter, including, but not limited to, receipt of HPD's prior approval, are deemed void. In such instances, the housing company shall be responsible for publishing a notice in at least two daily newspapers of general circulation stating that HPD has invalidated the prior

advertisement. A housing company opening a closed waiting list shall select applicants by a lottery to be approved by HPD. When a list has sufficient names on it to last for three years, the list may be closed by HPD. Waiting lists for various size apartments may be closed at different times as the particular apartment-size list attains sufficient names.

(iii) No application shall be taken or deposit accepted for a position on the waiting list subsequent to the official closing of such waiting list. Any application added to the waiting list after the official closing date shall be rejected by HPD.

(10) The waiting list shall be printed in a legible manner and shall be available for inspection by members of the Board of Directors, members of the Tenants Association, residents of the development, city officials and applicants. Both internal and external waiting lists must be posted in a format prescribed by HPD in the management office, or, if there is no management office, in the lobby of each building of the housing company development. Posted waiting lists shall exclude all personal information except for the first and last names of all active applicants. Names of applicants on such waiting lists shall appear in chronological order, by apartment size, by date of application receipt or by order of selection by lottery, as applicable.

(11) If, at any time, an applicant's name has been omitted from a waiting list in error, and said applicant can present adequate documentation satisfactory to the housing company or its managing agent to substantiate an earlier date of application for an apartment, applicant's name shall be inserted into the waiting list in the corrected date order. [Insertions to the waiting list shall] Requests to be reinserted into the waiting list cannot be made more than seven years after the date of the initial application and must be submitted to HPD for prior written approval.

§ 2. Paragraphs (2) and (3) of subdivision (i) of Section 3-02 of Chapter 3 of Title 28 of the Rules of the City of New York are amended to read as follows:

(2) *Second priority.* Pursuant to § 31(7) of the Private Housing Finance Law, preference in admission to a project with an open waiting list, as determined by HPD, shall be given to persons who are veterans as such term is defined pursuant to § 85 of the Civil Service Law or their surviving spouses, and for projects with a closed list, as determined by HPD, preference shall be given upon the opening of the waiting list to such veterans or surviving spouses that are selected in the lottery for such opened waiting list. This preference in admission shall only be provided to veterans or surviving spouses whose names appear on the waiting list as the applicants of record and who have identified themselves as the heads of household on their applications. The inclusion of a veteran or surviving spouse as a member of the household shall not entitle any other applicant of record to this preference in admission.

(3) [*Fourth*] *Third priority.* Persons listed on the external waiting lists by apartment size in strict chronological order by date of receipt of application or order of selection by lottery, as applicable. Family members of a tenant/cooperator, whether or not members of the tenant/cooperator's household, shall not receive preferential treatment on the waiting lists.

§ 3. Subdivision (j) of Section 3-02 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(j) *Application fee for rentals and mutual housing companies.* A rental or mutual housing company development may require an application fee of up to \$200 at the time of submission of an application for an apartment. Any deviation from this subdivision (j) requires prior written approval from HPD. Said application fee is to be returned in full without interest if the housing company rejects the application. The housing company may retain a reasonable portion of the application fee, not to exceed fifty dollars, for administrative costs if an applicant withdraws his or her application. If an apartment is offered to an applicant and the applicant does not accept the apartment, the housing company may remove the applicant from the waiting list and retain [part or all] fifty dollars of the application fee [for a processing fee]. A housing company may elect to offer an applicant an apartment for a second or third time, but such additional offers are not mandatory. If the applicant accepts the apartment, all of the application fee shall be retained by the housing company.

§ 4. Subparagraph (vii) of paragraph (1) of subdivision (m) of Section 3-02 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(vii) HPD may grant waivers of occupancy standards for medical reasons or where there are no available applicants on the applicable waiting list and HPD has determined that it is in the housing company's best interests to fill a specific vacancy by offering the vacant apartment to an applicant from a waiting list for an apartment of a different size.

§ 5. Clause (A) of subparagraph (ii) of paragraph (2) of subdivision (p) of Section 3-02 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(A) a husband, wife, son, daughter, stepson, stepdaughter, [including any adopted children,] father, mother, stepfather, stepmother, brother, sister, nephew, niece, uncle, aunt, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, or daughter-in-law of the tenant/cooperator.

§ 6. Paragraph (2) of subdivision (a) of Section 3-03 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(2) "Probable aggregate annual income" shall mean the total income of the chief wage earner as reported in the New York State income tax return, plus the total income, in excess of [\$15,000] \$20,000 or such amount as determined by State law, of each other member of the household, less such personal exemptions and deductions for medical expenses as are actually taken by each tax paying occupant on the New York State tax return. However, the income of a household member, under 21 years of age, who is a full time student shall not be included in the computation of such annual income.

§ 7. Subdivision (c) of Section 3-06 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(c) Joint ownership of cooperative shares. [A mutual housing company shall, upon request of the shareholder, permit members of his or her immediate family in occupancy to become co-owners of shares and co-signatories on the occupancy agreement provided that the mutual housing company receives evidence satisfactory to it that: Such individual has been included on the two most recent income affidavits filed by the shareholder; has been a bona fide resident of the apartment for at least two years during which time the apartment has been his or her primary residence; and that such individual and the shareholder intend to continue in good faith to remain in joint occupancy. A mutual housing company Board of Directors and its managing agent shall not unreasonably withhold permission to add a co-owner or co-signatory as set forth above. The financial status of the proposed party shall not be a factor as long as the prime tenant/cooperator meets the minimum eligibility requirements at the time of request. A mutual housing company may limit the number of persons permitted to be added to the stock certificate. The same criteria shall be utilized for all residents. For purposes of this section, the definition of family member contained in § 3-02(p) of these rules shall apply. Co-ownership of shares does not guarantee the right to succession to an apartment in a mutual housing company development. Successor cooperators must qualify under §3-02(p) of these rules.] No housing company shall permit any person other than a family member who has been approved for succession in accordance with §3-02(p) of these rules to become an owner of the shares and a signatory on the occupancy agreement.

§ 8. Paragraph (5) of subdivision (h) of Section 3-10 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

- (5) The total fees charged by a professional or professionals retained by a Tenants Association pursuant to this subdivision shall be the fair and reasonable cost of the services rendered by such professional or professionals, but shall not exceed in total the amounts specified in the following schedule:

Size of Housing Development	Maximum Total Fee(s)
Under 500 units	\$[5,000] 7,500
500 or more units	\$[6,000] 8,500

§ 9. Paragraphs (7-a), (8), (14) and (15) of subdivision (i) and paragraph (2) of subdivision (j) of Section 3-14 of Chapter 3 of Title 28 of the Rules of the City of New York is amended to read as follows:

(7-a) Conduct of Special Meetings.

(i) Special meetings required pursuant to paragraphs six, six-a, [and] seven and fifteen of this subdivision shall be conducted no more frequently than once every twelve months.

(ii) Special meetings required pursuant to paragraphs six-a, [and] seven and fifteen of this subdivision shall be conducted by an independent election company. At least sixty days prior to conducting such special meetings, the mutual housing company must notify HPD in writing of the name of the independent election company, and of the intended special meeting procedures, and HPD must issue its approval in writing of such independent election company and of the intended special meeting procedures before such special meeting can take place.

(iii) If the cost of any special meeting required pursuant to paragraphs six, six-a and seven of this subdivision exceeds \$15,000 in housing companies with fewer than five hundred (500) dwelling units or \$30,000 in housing companies with at least five hundred (500) dwelling units, the contracts will require HPD's prior written approval.

(iv) With respect to special meetings required pursuant to paragraphs six-a, [and] seven and fifteen, the independent election company must submit proof to HPD that the requirements of this [subparagraph] paragraph have been met.

(8) Operating Documents of Mutual Housing Companies. Each mutual housing company shall provide in any voting provisions in its certificate of incorporation and by-laws that in the shareholder votes required pursuant to paragraphs six, six-a, [and] seven and fifteen of this subdivision, each dwelling unit shall be entitled to one vote regardless of the number of shares allocated to such dwelling unit, the number of shareholders holding such shares, or any other provisions regarding voting in such mutual housing company's certificate of incorporation or by-laws.

(14) Terminology Used by Mutual Housing Company. Whenever a mutual housing company uses the term "dissolution," it shall include reconstitution where such housing company elects to reconstitute upon dissolution of such housing company. Furthermore, where the mutual housing company's board or the sponsor of a cooperative conversion of a mutual housing company represents in its cooperative offering plan or other documents that such mutual housing company is amending and/or restating its certificate of incorporation and/or that the shareholders will be voting on a voluntary reconstitution and conversion from a limited-profit mutual housing company to a private cooperative or to a housing development fund company in accordance with paragraph fifteen of this subdivision, section 35 of the Private Housing Finance Law designates these actions as a dissolution and reconstitution of the former limited-profit housing company cooperative.

(15) Notwithstanding anything to the contrary contained in this subdivision, [if a mutual housing company intends to transfer the property to] for the purposes of dissolving and reconstituting a mutual housing company as a housing development fund company (organized pursuant to Article XI of the Private Housing Finance Law) that will enter into a thirty-year regulatory agreement with HPD [, a vote of the shareholders of such mutual housing company to authorize such transfer shall take place only after such mutual housing company has submitted an exemption application to the office of the Attorney General of the State of New York. Such transfer shall be approved by a majority of the dwelling units in such mutual housing company. Each such dwelling unit shall be entitled to one vote regardless of the number of shares allocated to such dwelling unit, the number of shareholders holding such shares, or the provisions regarding voting in such mutual housing company's certificate of incorporation or by-laws.], the following shall apply:

(i) such mutual housing company must follow the procedures contained in subdivisions two and three of Section 35 of the Private Housing Finance Law;

(ii) such mutual housing company shall (A) call a special meeting in conformance with its by-law requirements to conduct a vote in which not less than a majority of the dwelling units represented at such special meeting approve the preparation of a draft proxy statement and the submission to HPD of such mutual housing company's notice of its intention to dissolve and reconstitute as a housing development fund company, and (B) after such draft proxy statement has been prepared, submit the draft proxy statement in support of the plan of dissolution and reconstitution to the office of the Attorney General of the State of New York and, simultaneously with such submission, deliver copies of such draft proxy statement to HPD and to each of such mutual housing company's cooperators by ordinary mail or distribution under each apartment door;

(iii) the cooperators shall have ninety (90) days from the submission date to provide comments to the office of the Attorney General of the State of New York, at the expiration of which such Attorney General shall provide any deficiency comments to the mutual housing company;

(iv) within thirty days of the Attorney General's issuance of an exemption letter, such mutual housing company must distribute the proxy statement and no other materials to each cooperator by ordinary mail or distribution under each apartment door;

(v) between thirty and one hundred-twenty days after the proxy statement is distributed to the cooperators, such mutual housing company shall conduct a special meeting in accordance with the applicable notice period in such mutual housing company's by-laws and in accordance with the requirements of subparagraphs (i), (ii) and (iv) of paragraph (7-a) of this subdivision in which the cooperators shall vote on the proxy statement. Eligible voters for purposes of a quorum and for the vote shall be persons named on the stock certificate. No fewer than two-thirds of the dwelling units in such mutual housing company must approve such proxy statement in order for such dissolution and reconstitution to proceed and every dwelling unit shall be entitled to one vote, regardless of the number of shares allocated to such dwelling unit, the number of shareholders holding such shares, or the provisions regarding voting in such mutual housing company's certificate of incorporation or by-laws;

(vi) the independent election company that conducts the special meeting pursuant to subparagraph (v) herein must certify the results of the shareholder vote to HPD as well as prove that the requirements of such subparagraph (v) for such special meeting have been met. If at least two-thirds of the dwelling units have approved the proxy statement and such voting procedures have been followed, HPD shall issue a letter of authorization to the mutual housing company to proceed with dissolution and reconstitution as a housing development fund company in lieu of a Letter of No Objection otherwise required pursuant to paragraph (11) of this subdivision;

(vii) within seven days of receipt of HPD's letter of authorization or within such reasonable time period as HPD has otherwise provided in writing, the mutual housing company shall send a written notice to each cooperator by ordinary mail or by distribution under each apartment door ("Effective Date Notice"), which provides the following: (A) the proxy statement has been approved by at least two-thirds of the dwelling units and the requisite voting procedures were followed; (B) the procedures by which cooperators who wish to dissent can exercise the option of becoming rental tenants of the housing development fund company by providing such mutual housing company with an affidavit of intent to forego participating in the plan of dissolution and reconstitution within thirty days of receipt of the Effective Date Notice, and (C) the mutual housing company shall submit an effectiveness amendment to the Attorney General, which shall include as exhibits HPD's letter of authorization and the Effective Date Notice, within thirty days of such Effective Date Notice. After the Attorney General's acceptance of the effectiveness amendment, HPD shall request that the City Council approve a real property tax exemption for such reconstituted housing development fund company in accordance with Section 577 of the Private Housing Finance Law on substantially the same terms as the prior real property tax exemption that had been issued pursuant to Section 33 of the Private Housing Finance Law;

(viii) within six months after the City Council has approved such real property tax exemption or within such reasonable time period as HPD has otherwise approved in writing, the mutual housing company shall set the date upon which it shall be reconstituted as a housing development fund company ("Reconstitution Date"). On such Reconstitution Date, the following actions must occur: (A) the filing with the New York State Department of State of the amended and restated certificate of incorporation for such housing development fund company; (B) the loan closing for any new financing for such housing development fund company; (C) execution of the thirty-year regulatory agreement by all parties, and (D) payment of any and all costs associated with carrying out the plan to reconstitute as a housing development fund company; and (ix) within thirty days after the Reconstitution Date or within such reasonable time period as HPD has otherwise approved in writing, the board of such housing development fund company shall: (A) provide participating shareholders with their propriety leases and such housing development fund company's corporate documents, including, but not limited to, its by-laws; and (B) provide dissenting shareholders the return on their initial equity investment in the former mutual housing company and market-rate rental leases for their dwelling units.

(x) Notwithstanding anything to the contrary contained in this paragraph, the Reconstitution Date shall be within twelve months from the first day of the proposed first year of operation of the housing development fund company, provided, however, that if HPD, in consultation with the Attorney General, has approved in writing a Reconstitution Date in accordance with subparagraph (viii) of this paragraph that is more than twelve months from the first day of the proposed first year of operation of the housing development fund company, such mutual housing company shall file an amendment to the proxy statement that was circulated to the cooperators in accordance with subparagraph (iv) of this paragraph.

(j) (2) Notwithstanding anything to the contrary contained herein, in any vote conducted pursuant to paragraphs six-a, [or] seven or fifteen of subdivision (i) of this section, voting by proxy shall not be permitted. However, HPD may approve, in writing, a standard form direct mail ballot for transmission to the independent election company engaged to conduct any votes pursuant to paragraphs six-a [and] , seven or fifteen of subdivision (i) of this section. Such standard form of direct mail ballot shall be invalidated by the shareholder executing such ballot if such shareholder appears to vote in person in any vote conducted pursuant to paragraphs six-a, [or] seven or fifteen of subdivision (i) of this section.

§ 10. Section 3-25 of Chapter 3 of Title 28 of the Rules of the City of New York is amended by adding a new subdivision (a-1) to read as follows:

(a-1) Waiver. Rules may be waived in exceptional circumstances upon the initiative of the commissioner if, in the opinion of the commissioner, their application to a specific case, or under an emergency condition, may be shown to effect undue hardship.

Statement of Basis and Purpose

The adopted amendments to the Mitchell-Lama rules do the following:

- Require applicants to meet the occupancy requirements at the time an apartment becomes available.
- Limit transferability of applications to spouses and/or children at least eighteen years of age who were on the original application, and limits applicants to one entry per lottery while prohibiting their inclusion in the family composition of another applicant selected in the lottery for a particular

development. Multiple entries will result in disqualification from the lottery.

- Advise applicants of the thirty-day time frame within which to appeal a rejection from the housing company to HPD.
- Invalidate advertisements to open waiting lists that do not meet HPD requirements, and requires the housing company to publish a notice in at least two daily newspapers of general circulation stating that HPD has invalidated an advertisement. Also clarifies the content and posting requirements for waiting lists and prohibits putting someone who claims he or she was erroneously omitted from the waiting list onto such waiting list more than seven years after the date of original application.
- Clarify that veterans who are the applicants of record and are the heads of households, along with their surviving spouses, are entitled to preference in admission, and that this preference in admission is applied to veterans or their surviving spouses who are selected in the lottery.
- Clarify who is entitled to any refund of any portion of the application fee.
- Authorize HPD to waive occupancy standards in order to fill vacancies in Mitchell-Lama apartments not only when there are medical reasons, but also where there are no available candidates on the applicable waiting list and other requirements for admission, such as income, have been met.
- Eliminate any distinction between biological and adopted children for succession purposes. Only allows family members approved for succession to become owners of shares in a mutual housing company development and signatories on the occupancy agreement.
- Increase the secondary wage earner deduction from \$15,000 to \$20,000 to align HPD's rules with what the State did in 2009 for the State Mitchell-Lama portfolio at 9 NYCRR 1727-2.3(d)(2). Both agencies are authorized to approve a larger secondary wage earner deduction pursuant to PHFL Section 31(2)(a).
- Increase the maximum total fees payable to professionals hired by tenants associations to review rent increase applications to reflect rate increases for professional services.
- Establish the procedures for the reconstitution of a Mitchell Lama development as a housing development fund company, including the requirements from the New York State Attorney General's Office and voting procedures.
- Authorize HPD, upon the initiative of its Commissioner, to waive rules under exceptional circumstances if, in the Commissioner's opinion, the application of such rules to a specific case, or under an emergency condition, may be shown to effect undue hardship.

Statement of Basis and Purpose of Proposed Rule

Section 16-120 of the New York City Administrative Code requires that all refuse and recycling be kept inside a building or at the rear of a building prior to collection time by the Department of Sanitation (DSNY) or a private carter. These rules specify how long before scheduled collection receptacles and bags containing refuse and recyclables may be placed at the curb for collection.

Collection by DSNY

Persons receiving DSNY collection will now be allowed to place their receptacles and bags containing solid waste and recyclables at the curb for collection by DSNY no earlier than 4:00 P.M. on the day before their scheduled collection.

Collection by Private Carter while an Establishment is Closed

Commercial establishments that receive collection from a private carter after the establishment is closed will be permitted to set out their solid waste and recyclables at the curb for collection within one hour of closing provided that the establishment's scheduled collection occurs before the establishment next reopens for business.

Collection by Private Carter while an Establishment is Open

Commercial establishments receiving collection from a private carter during hours in which the establishment is open can set out their solid waste and recyclables at the curb for collection no earlier than two hours before the scheduled collection time.

DSNY's authority for these rules is found in sections 753 and 1043(a) of the New York City Charter and section 16-120 of the New York City Administrative Code.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Chapter one of Title 16 of the Rules of the City of New York is amended by adding a new section 1-02.1, to read as follows:

§1-02.1 Placement of Receptacles and Bags Containing Solid Waste and Recyclables for Collection

(a) Occupants of residential buildings, public buildings, and special use buildings, except commercial occupants of residential buildings where Department collection service is not otherwise authorized by section 1-03 of this chapter, shall not place receptacles or bags containing solid waste or recyclables out at the curb for collection by the Department earlier than 4:00 P.M. on the day before scheduled collection.

(b) A commercial establishment that receives collection from a private carter while the establishment is closed may place receptacles or bags containing solid waste or recyclables out at the curb for collection within one hour of closing, provided that the scheduled collection occurs before the establishment next reopens for business. If collection is performed while an establishment is open, receptacles or bags containing solid waste or recyclables may be placed out at the curb for collection no earlier than two hours of before the scheduled collection time.

(c) If the Mayor declares a health or solid waste emergency, the Commissioner may change the authorized times for placement of receptacles or bags containing solid waste or recyclables for collection for the duration of the emergency.

ADMINISTRATION FOR CHILDREN'S SERVICES

■ NOTICE

In advance of the release of a Request for Proposals (RFP), the New York City Administration for Children's Services (ACS) is posting a concept paper setting forth the services that potential, qualified vendors will provide to older youth in care under the jurisdiction of the child welfare and juvenile justice systems. Through this RFP, ACS will seek new program models to the system which emphasize engagement of at-risk and vulnerable populations within our continuum of care, and reinforce fundamental expectations of accountability for outcomes and child and family-centered practice.

The RFP will seek appropriately qualified organizations with strong community connections geared to meet the needs of youth between the ages of 15 and 21. ACS will establish clusters of service providers in identified high-need communities where many youth involved with foster care and juvenile justice systems reside or congregate. These clustered service providers will create a continuum of high-performing, neighborhood-based organizations to collaborate with ACS in the advancement of youth development goals through innovative strategies designed to effectively engage at-risk and marginalized populations. The cluster of providers will include a blend of arts and cultural programming, educational and vocational supports, job readiness, recreational opportunities, and housing supports.

The concept paper will be posted on the ACS website, www.nyc.gov/acs under Business Opportunities from December 2, 2014 to January 20, 2015. All comments in response to the concept paper should be in writing via e-mail to: OYServicesCP@acs.nyc.gov
