CITY OF NEW YORK COMMUNITY DEVELOPMENT BLOCK GRANT - DISASTER RECOVERY NOTICE OF PROPOSED ACTION PLAN AMENDMENT

TO RESIDENTS, BUSINESS OWNERS, GROUPS, COMMUNITY
BOARDS AND AGENCIES:

New York City has completed a proposed amendment to its plan for the \$4.21 billion in Federal disaster aid from the Department of Housing and Urban Development (HUD) to help with recovery from Hurricane Sandy.

The proposed Community Development Block Grant – Disaster Recovery (CDBG-DR) Action Plan Amendment 8 contains the following changes:

General

- Updates funding amounts for programs to reflect third allocation of CDBG-DR funds to New York City
- Revises key information contained within program descriptions and program start and ends dates to reflect updated information and timelines in all areas
- Updates need assessments and makes other non-substantial updates in all areas
- Identifies Planning and Administration funding for each program area, including Overall Grant Management

Housing

- Describes **\$639 million** in new housing recovery funds, enabling the City to serve all applicants to Build it Back, regardless of priority levels, and includes \$3 million for workforce development to train and connect Sandy-impacted residents to Sandy-related construction and other jobs
- Reallocates **\$200 million** to Build it Back from other prior allocations: \$96 million from Business programs, \$44 million from Infrastructure and Other City Services, and \$60 million from Resiliency
- Creates an optional Temporary Relocation Program to provide financial assistance for homeowners who must move during Program-provided construction
- Provides an option for homeowners to receive a direct grant to complete moderate repair projects (those projects not requiring elevation) instead of having the Program complete the construction work.
- Extends the Temporary Disaster Assistance Program (TDAP) rental assistance benefit to households from two years to four years

Resiliency

- Describes **\$355 million** in new funding for Rebuild by Design projects, including \$335 million for the Lower East Side and \$20 million for Hunts Point. The City is supplementing the Lower East Side project with \$3 million (see below) and Hunts Point with \$25 million from reallocated Business funds
- Provides **\$28 million** for Staten Island University Hospital resiliency programs
- Ends the Integrated Flood Protection System competition, freeing up **\$5 million** for direct design and planning, which will now cover \$3 million for Lower Manhattan flood protection, and \$2 million to study integrated flood protection systems in East Harlem and on the North Shore of Staten Island

Business

- Ends the Neighborhood Game Changers program and the Business Resiliency Investment Program (BRIP), freeing up **\$98 million** for other business-related and targeted resilience investments, including:
 - **\$3 million** for a business resiliency technical assistance program
 - **\$12 million** for implementation of a wetland bank at Saw Mill Creek in Staten Island
 - **\$15 million** for Coney Island storm water management and commercial corridor improvements
 - **\$15 million** for commercial corridor improvements in the Rockaways

Infrastructure and Other City Services

- Revises existing projects and identifies major infrastructure projects (defined as Covered Projects) and further details the City's response to impacts to public infrastructure

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

■ NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing?

Pursuant to Local Law 67 of 2014, DSNY is proposing a rule that sets forth the procedure by which an illegally located publicly accessible collection bin that is removed by DSNY can be retrieved. This rule also sets forth the registration requirements for owners of publicly accessible collection bins that lawfully operate on private property.

When and where is the Hearing? DSNY will hold a public hearing on the proposed rule. The public hearing will take place 9:30 A.M. – 11:30 A.M. on January 20, 2015. The hearing will be in the 3rd Floor hearing room (Room 330) at 125 Worth Street, New York, NY 10013.

How do I comment on the proposed rules? Anyone can comment

on the proposed rules by:

- **Website.** You can submit comments to the DSNY through the NYC rules Web site at <http://rules.cityofnewyork.us>.
- **Email.** You can email written comments to nycrules@dsnynyc.gov
- **Mail.** You can mail written comments to DSNY, 125 Worth Street, Room 710, New York, NY 10013.
- **Fax.** You can fax written comments to DSNY at 212-788-3876.
- **By Speaking at the Hearing.** Anyone who wants to comment on the proposed rule at the public hearing can sign up in the hearing room before the hearing begins on January 20, 2015.

Is there a deadline to submit written comments? The deadline for submitting written comments is January 20, 2015.

Do you need assistance to participate in the Hearing? You must contact the Department of Sanitation's Bureau of Legal Affairs if you need a reasonable accommodation because of a disability at the Hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 646-885-5006. You must tell us by January 13, 2015.

Can I review the comments made on the proposed rules? You can review the comments made online on the proposed rules by going to the website at <http://rules.cityofnewyork.us/>. A few days after the hearing, copies of all comments submitted online, copies of all written comments, and a summary of oral comments concerning the proposed rule will be available to the public at 125 Worth Street, Room 710, New York, NY 10013.

What authorizes DSNY to make this rule? Sections 753 and 1043(a) of the New York City Charter and Section 10-169 of the New York City Administrative Code, as amended by Local Law 67 of 2014, authorize DSNY to make this proposed rule. This proposed rule was not included in DSNY's regulatory agenda for this Fiscal Year because the local law that authorizes this rule had not been enacted when DSNY published its agenda.

Where can I find DSNY's rules? DSNY's rules are in Title 16 of the Rules of the City of New York.

What rules govern the rulemaking process? DSNY must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

Local Law 67 of 2014 ("Local Law 67") amended §10-169 of the Administrative Code of the City of New York ("Administrative Code"), which authorizes the Department of Sanitation (the "Department") to regulate publicly accessible collection bins. These amendments of the law were needed to combat the increase in the illegal placement of publicly accessible collection bins throughout the City. Section 10-169 of the Administrative Code prohibits the placement of publicly accessible collection bins on City property, or property maintained by the City, or on any public sidewalk or roadway ("public property"). Bins are allowed on private property if written permission of the property owner or the property owner's designated agent is received.

The proposed rules:

- require all owners of publicly accessible collection bins placed on private property to register with the Department,
- provide the procedures for such registration,
- require owners of bins to submit an annual report to the Sanitation Commissioner that identifies the weight of the material collected during the reporting period,
- require both the owner of a publicly accessible collection bin that is on private property and the owner of the private property in which the bin is located to maintain the bin in a clean and neat condition,
- set forth a violation for the failure to register, submit an annual report to the Department, or maintain a bin,
- allow the Department to immediately remove a publicly accessible collection bin that is placed on public property and create a process for the owner of the bin to have the bin returned,
- set forth the penalties for the placement of publicly accessible collection bins on public property, and,
- set forth the removal cost and storage rates associated with the removal and storage of a publicly accessible collection bin that is illegally placed on public property.

DSNY's authority for these rules is found in sections 753 and 1043(a) of the New York City Charter and §10-169 of the New York City Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 16 of the Rules of the City of New York is amended by adding a new Chapter 18 to read as follows:

(a) By August 1, 2015 and annually thereafter, each owner of any publicly accessible collection bin must submit a report to the commissioner identifying the weight of the material collected from July first of the year before the year the report is due and ending on June 30 of the year the report is due. Forms for completing the reports may be obtained from the Department’s website or by written request to:

New York City Department of Sanitation
Bureau of Recycling and Sustainability
44 Beaver Street, 6th Floor
New York, NY 10004
Attn: Collection Bin - Annual Report

(b) It is unlawful for the owner of any publicly accessible collection bin to submit a report containing false or misleading information or to fail to submit a report in accordance with this section.

§18-06 Redemption Procedures for Publicly Accessible Collection Bins Placed on Public Property

(a) When the Department removes any publicly accessible collection bin placed on public property, as provided by §10-169 of the Administrative Code, provided that the name and address of the bin owner are legibly located on the bin, the Commissioner will notify the owner of the bin by certified mail, return receipt requested, that the bin was removed by the Department. The notification will state that the owner has 30 days from the date the notification was issued by the Department to redeem the bin from the possession of the Department.

The notification will also contain a brief description of the publicly accessible collection bin and the location from which it was removed, as well as the address of the office at which an application to redeem the publicly accessible collection bin may be made and a statement as to applicable charges, fees and penalties due.

(b) Whenever the Department removes any publicly accessible collection bin, as provided by §10-169 of the administrative code, the bin will not be released until the bin owner has:

(1) submitted proof of ownership to the Commissioner. Proof may include, but need not be limited to, a bill of sale or a picture of the publicly accessible collection bin;

(2) exhibited proof to the Commissioner that the ECB proceedings against the owner have been disposed of and that applicable penalties, if any, have been paid; and

(3) paid the storage charge and the removal charge, as specified in the notification set forth in subdivision (a), for each day or fraction thereof since the removal of the publicly accessible collection bin, unless the owner was found not liable for violating §10-169 of the Administrative Code by the ECB. The storage charge is \$20.00 for each of the first 3 days and \$25.00 for each additional day. The removal fee is \$280.00 per collection bin.

§18-07 Failure to Redeem Collection Bin

(a) The Department will send any collection bin, including any contents, that is not redeemed and removed from the Department’s possession within the applicable time provided by this chapter to a recycling facility or otherwise provide for its disposal.

(b) If a bin owner has met some, but not all, of the requirements for redemption included in § 18 -06 of this chapter, the Department may send a written request to the owner asking him or her to remove the bin from the Department’s possession. The owner will have 30 days from the issuance of the written request by the Department to collect the bin. If the owner does not remove the bin from the Department’s possession within 30 days of the issuance of the request, the Department will send the bin, including any contents, to a recycling facility or otherwise provide for its disposal.

§18-08 Enforcement

(a) It is a violation for any owner to place a publicly accessible collection bin on public property. Any such violation is punishable by a civil penalty recoverable in a proceeding before the ECB of \$250.00 for the first offense and \$500.00 for each subsequent offense within any 18-month period. For purposes of this section, each publicly accessible collection bin placed on public property will be deemed a separate violation.
