- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related

services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

AGENCY RULES

SANITATION

■ NOTICE

NOTICE OF ADOPTION OF FINAL RULES GOVERNING PUBLICLY ACCESSIBLE COLLECTION BINS

NOTICE IS HEREBY GIVEN in accordance with the requirements of Section 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation by sections 753 and 1043(a) of the New York City Charter and section 10-169 of the New York City Administrative Code, as amended by Local Law 67 of 2014, that the Department adopts the following rule governing publicly accessible collection bins. The Department published a Notice of Opportunity to Comment on the proposed rule in the *City Record* on December 19, 2014. On January 20, 2015 the Department held a public hearing on the proposed rule.

Statement of Basis and Purpose of Rule

Local Law 67 of 2014 (“Local Law 67”) amended §10-169 of the Administrative Code of the City of New York (“Administrative Code”), which authorizes the Department of Sanitation (the “Department”) to regulate publicly accessible collection bins. These amendments of the law were needed to combat the increase in the illegal placement of publicly accessible collection bins throughout the City. Section 10-169 of the Administrative Code prohibits the placement of publicly accessible collection bins on City property, or property maintained by the City, or on any public sidewalk or roadway (“public property”). Bins are allowed on private property if written permission of the property owner or the property owner’s designated agent is received.

This rule:

- requires all owners of publicly accessible collection bins placed on private property to register with the Department,
- provides the procedures for such registration,
- requires owners of bins to submit an annual report to the Sanitation Commissioner that identifies the weight of the material collected during the reporting period,
- requires both the owner of a publicly accessible collection bin that is on private property and the owner of the private property in which the bin is located to maintain the bin in a clean and neat condition,
- sets forth a violation for the failure to register, submit an annual report to the Department, or maintain a bin,
- allows the Department to immediately remove a publicly accessible collection bin that is placed on public property and creates a process for the owner of the bin to have the bin returned,
- sets forth the penalties for the placement of publicly accessible collection bins on public property, and,
- sets forth the removal cost and storage rates associated with the removal and storage of a publicly accessible collection bin that is illegally placed on public property.

DSNY’s authority for these rules is found in sections 753 and 1043(a) of the New York City Charter and §10-169 of the New York City Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 16 of the Rules of the City of New York is amended by adding a new Chapter 18 to read as follows:

Chapter 18

(c) It is unlawful for the owner of any publicly accessible collection bin to fail to register with the Department.

§18-04 Maintenance Requirements

(a) Each individual publicly accessible collection bin must prominently display on the front and on at least one other side of the bin the name, address and telephone number of the owner of the bin. This information must be printed in characters that are plainly visible. A post office box is not an acceptable address.

(b) The owner of a publicly accessible collection bin and the owner of the private property where such bin is located must maintain the bin in a clean and neat condition.

§18-05 Annual Reporting.

(a) By August 1, 2015 and annually thereafter, each owner of any publicly accessible collection bin must submit a report to the commissioner identifying the weight of the material collected from July first of the year before the year the report is due and ending on June 30 of the year the report is due. Forms for completing the reports may be obtained from the Department's website or by written request to:

§18-06 Redemption Procedures for Publicly Accessible Collection Bins Placed on Public Property

(a) When the Department removes any publicly accessible collection bin placed on public property, as provided by §10-169 of the Administrative Code, provided that the name and address of the bin owner are legibly located on the bin, the Commissioner will notify the owner of the bin by certified mail, return receipt requested, that the bin was removed by the Department. The notification will state that the owner has 30 days from the date the notification was issued by the Department to redeem the bin from the possession of the Department. The notification will also

contain a brief description of the publicly accessible collection bin and the location from which it was removed, as well as the address of the office at which an application to redeem the publicly accessible collection bin may be made and a statement as to applicable charges, fees and penalties due.

(b) Whenever the Department removes any publicly accessible collection bin, as provided by §10-169 of the administrative code, the bin will not be released until the bin owner has:

- (1) submitted proof of ownership to the Commissioner. Proof may include, but need not be limited to, a bill of sale or a picture of the publicly accessible collection bin;
- (2) exhibited proof to the Commissioner that the ECB proceedings against the owner have been disposed of and that applicable penalties, if any, have been paid; and
- (3) paid the storage charge and the removal charge, as specified in the notification set forth in subdivision (a), for each day or fraction thereof since the removal of the publicly accessible collection bin, unless the owner was found not liable for violating §10-169 of the Administrative Code by the ECB. The storage charge is \$20.00 for each of the first 3 days and \$25.00 for each additional day. The removal fee is \$280.00 per collection bin.

§18-07 Failure to Redeem Collection Bin

(a) The Department will send any collection bin, including any contents, that is not redeemed and removed from the Department's possession within the applicable time provided by this chapter to a recycling facility or otherwise provide for its disposal.

(b) If a bin owner has met some, but not all, of the requirements for redemption included in § 18 -06 of this chapter, the Department may send a written request to the owner asking him or her to remove the bin from the Department's possession. The owner will have 30 days from the issuance of the written request by the Department to collect the bin. If the owner does not remove the bin from the Department's possession within 30 days of the issuance of the request, the Department will send the bin, including any contents, to a recycling facility or otherwise provide for its disposal.

§18-08 Enforcement.

(a) It is a violation for any owner to place a publicly accessible collection bin on public property. Any such violation is punishable by a civil penalty recoverable in a proceeding before the ECB of \$250.00 for the first offense and \$500.00 for each subsequent offense within any 18-month period. For purposes of this section, each publicly accessible collection bin placed on public property will be deemed a separate violation.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
