- **Win More Contracts at nyc.gov/competetowin**

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

Authority: SRO, Administrative Code §27-2093

Before the Department of Buildings can issue a permit for the alteration or demolition of a single room occupancy multiple dwelling, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at **CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038** by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call **(212) 863-5277 or (212) 863-8211**.

CEQR Type I Negative Declaration
Henry Street Firehouse Rehabilitation
CEQR No. 14HPD004M

The proposal involves an application by the City of New York - Department of Housing Preservation & Development (HPD), on behalf of the project sponsor, Henry Street Settlement, for disposition of City-owned property and designation of the project site as an Urban Development Action Area Project (UDAAP). The City-owned project site (269 Henry Street, Manhattan) is currently occupied with a vacant, four-story building formerly used as the FDNY Engine Company 15 firehouse. The project sponsor is proposing to rehabilitate the firehouse for use as a community facility. The existing firehouse, along with the adjacent Henry Street Settlement buildings are listed on the State and National Register of Historic Places and are also eligible for New York City Landmark designation. The proposed action is therefore considered a Type I action under SEQRA/CEQR. In addition to the HPD actions, the Dormitory Authority of the State of New York (DASNY) has been identified as an "involved agency" under SEQRA/CEQR due to the authorization of grant funding to the project sponsor. The New York City Landmarks Preservation Commission (LPC) and the New York State Office of Parks, Recreation, and Historic Preservation (OPRHP) have reviewed project plans and have found that the proposed work would have no significant adverse impact upon historic resources. In addition, the New York City Department of Environmental Protection (DEP) found that the proposal would not result in any significant adverse impacts related to hazardous

materials through their approval of a construction health and safety plan (CHASP). Construction in accordance with these approvals would be required through the Land Disposition Agreement between HPD and the project sponsor.

MAYOR'S OFFICE OF CRIMINAL JUSTICE

NOTICE

The Mayor's Office of Criminal Justice (MOCJ) is issuing this Concept Paper in advance of a forthcoming Request for Proposals (RFP) soliciting qualified vendors to provide pre-trial release services in New York City. Supervised release provides an alternative to bail and detention for defendants charged with misdemeanor and felony offenses at criminal court arraignment. This practice will reduce the number of people incarcerated by identifying those who can be safely supervised in the community pending the resolution of their case while providing services, supervision, and referrals to engage individuals with necessary services within their community, enabling better engagement with stabilizing programs and services while avoiding the costs and burdens of pre-trial detention. MOCJ will be seeking proposals for a provider in each borough.
