**HHS ACCELERATOR**

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.

- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)

**THIRD PARTY LOGISTICS (3PL) SERVICES** - Negotiated Acquisition - PIN#01709N0001CNVN001 - Due 4-2-15 at 5:00 P.M.

In order to avoid a gap in services, which would significantly impact the City's attempt to respond to an emergency event, NYCEM intends to negotiate with the incumbent vendor, Menlo Worldwide Government, to provide continuing third-party logistics (3PL) services. The current contract expires on November 30, 2015 and the proposed extension would commence on December 1, 2015 and terminate on November 30, 2016. In the meantime, the New York City Emergency Management Department intends to release an RFP for the provision of 3PL services.

NYCEM had determined that negotiated acquisition is the most competitive alternative method of source selection from those listed in PPB rules 3-01(d)(a) which is both appropriate under the circumstances and practicable and advantageous to the City because the proposed contract extends earlier contract for the minimum time necessary to meet need.

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

## AGENCY RULES

### TAXI AND LIMOUSINE COMMISSION

#### ■ NOTICE

#### Notice of Promulgation of Rules

**NOTICE IS HEREBY GIVEN** in accordance with Section 1043(b) of the New York City Charter ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates amendments to its rules regarding the requirement that TLC licensed vehicles display a sticker (about penalties related to assaulting a driver) and that a hearing induction loop decal (to indicate the presence of the loops to assist people who are hard of hearing) be placed on the Official Taxi Vehicle.

These rules are promulgated pursuant to Sections 1043 and 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York.

These rules were published on January 16, 2015, for public comment in the City Record. On February 26, 2015, a public hearing was held by the TLC at its offices at 33 Beaver Street, 19th Floor, New York, NY 10004. These rules were approved at a TLC Commission Meeting on March 19, 2015. These rules will take effect 30 days after publication.

#### STATEMENT OF BASIS AND PURPOSE OF RULES

The TLC is amending its rules regarding new markings related to protecting licensed drivers and assisting passengers who are hard of hearing.

#### **Protecting Licensed Drivers**

On October 22, 2014, the City Council passed Local Law 55 of 2014, otherwise known as the Driver Protection Act, which requires that signs be placed in the rear compartments of taxicabs and for hire-vehicles regarding penalties for assaulting drivers. This law is designed to combat the unfortunate reality that driving a taxi or livery vehicle can be dangerous work. Mayor de Blasio signed the bill on November 5, 2014, and it will go into effect on May 4, 2015.

To comply with this law, the TLC is proposing a rule that would require all licensed vehicles, except for black car drivers and luxury limousines, to display a mandatory "Taxi and Livery Driver Protection" sticker in each of its rear passenger compartments. The sticker will inform passengers that assaulting a driver is punishable by up to 25 years in prison.

This initiative is similar to the effort to protect Metropolitan Transportation Authority subway and bus drivers through signs throughout the mass transit system. The TLC's sticker will both educate the public and emphasize the severity of the penalty for assault. The TLC expects the warning and consequences displayed on the sticker to reduce violence against drivers.

#### **Assisting Passengers Who Are Hard of Hearing**

A Hearing Induction Loop is a device that transmits sound directly to hearing aids equipped with a "T-coil" (a small copper wire located inside the hearing aid) or cochlear implants. Rather than merely amplifying ambient sound, as most hearing aids do, the Hearing Induction Loop broadcasts the sound directly to the equipped listener. The TLC has worked closely with advocates for people who are hard of hearing and with the Mayor's Office for Persons with Disabilities (MOPD) to have this technology included in all TLC Official Taxicab Vehicles (OTVs, also known as the Taxi of Tomorrow). Hearing Induction Loops will facilitate communication between the taxi driver and passengers who are hard of hearing.

The proposed rule will require Hearing Induction Loop Decals to be

displayed in OTVs, and other TLC-licensed vehicles with Hearing Induction Loop capability. The decals will make passengers who are hard of hearing aware that all OTVs are equipped with a Hearing Induction Loop.

The decal design meets the 2010 ADA Standards for Accessible Design, which states that the symbol must be "the profile of an ear with a wide diagonal line running from the bottom left to the top right. The symbol contrast shall be light on dark or dark on light." A "T" will be placed in the lower right-hand corner of the decal.

The Commission believes that the cost incurred by the licensees for the sticker and the decals will be minimal.

The Commission's authority for these rule changes is found in section 2303 of the New York City Charter and section 19-503 of the Administrative Code of the City of New York.

New material is underlined.

**OFFICE OF MANAGEMENT AND BUDGET**  
**NOTICE**

**OFFICE OF MANAGEMENT AND BUDGET**  
**COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (CD)**  
**NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS**

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:

This document constitutes the Notice of Intent to Request Release of Funds for the projects identified below. These projects are funded in the Forty-first Community Development Year (Federal Fiscal Year 2015/CD 41/Calendar Year 2015). On April 3, 2015 the City will submit to HUD

its Request for Release of Funds for these projects. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under the programs listed below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. The programs identified below do not involve new construction or the expansion of a building's footprint. This notice is prepared on a programmatic basis. This notice is not related to the Community Development Block Grant - Disaster Recovery Program.

#### 7A PROGRAM

CD funds are used by the Department of Housing Preservation and Development (HPD) to address hazardous conditions by correcting code violations and to provide systems renovations through 7A Financial Assistance packages to buildings under the management of a 7A administrator. CD 41 Allocation: \$1,426,000.

#### ALTERNATIVE ENFORCEMENT PROGRAM

The Alternative Enforcement Program is an additional HPD enforcement mechanism that is intended to alleviate the serious physical deterioration of the most distressed multiple dwellings in New York City by forcing the owner to make effective repairs or have city government do so in a more comprehensive fashion so that emergency conditions are alleviated and the underlying physical conditions related to the emergency housing code violations are addressed.

As described in the law, an owner will be notified by HPD that based upon criteria in the law, his or her multiple dwelling has been chosen for participation in the Alternative Enforcement Program. An owner will have four months to repair the violations, pay all outstanding HPD emergency repair charges and liens, submit a current and valid property registration statement and request an HPD re-inspection. If the owner fails to meet all of the requirements for discharge within the first four months, HPD will perform a building-wide inspection and issue an order outlining the action necessary to address the emergency conditions and the underlying causes of those conditions (to minimize recurrence of those conditions). HPD will prepare a scope of work that will address the conditions cited in the order. Should an owner fail to comply with the order, HPD will perform the work. CD 41 Allocation: \$8,565,000.

#### PROJECT OPEN HOUSE

Under Project Open House, CD funds are used to remove architectural barriers from the homes of low- and moderate-income New York City residents who have mobility impairments. The program is administered by the Mayor's Office for People with Disabilities. CD 41 Allocation: \$217,000.

#### LANDMARKS HISTORIC PRESERVATION GRANT PROGRAM

The Landmarks Historic Preservation Grant Program provides grants to homeowners and nonprofits that own or occupy a property that has been designated as a landmark, is located within a designated historic district or is listed in or is eligible to be listed in the National Register of Historic Places. Grants are awarded to homeowners and nonprofits for facade improvement. Additionally, nonprofits may be awarded grants for interior improvements provided the building has a designated interior. CD 41 Allocation: \$114,000.

#### CODE VIOLATION REMOVAL IN SCHOOLS

The Department of Education will use CD funds to prevent or remove code violations in New York City schools. The activities may include the installation, repair, or replacement of emergency lighting, elevator guards, corridor doors, door closers, fire rated doors and hardware, panic hardware, fire alarm systems, fire suppression systems, fire extinguishers, sprinklers/standpipes, radiator shields, potable water systems, sewage systems, kitchen ventilation/exhaust systems, and heating/cooling/refrigeration systems; flame-proofing curtains; building elevator and sidewalk elevator upgrades; and the repair of bleachers, retaining walls, interior masonry, falling plaster, damaged flooring, ceilings, electrical fixtures, mandated signage, and wiring. To avoid archaeological concerns, playground resurfacing may be performed provided there is no increase in the playground area and no excavation is proposed. CD 41 Allocation: \$4,500,000.

#### DFTA SENIOR CENTER IMPROVEMENTS

CD funds will be used for the renovation of the physical plant and the rectification of code violations in senior centers. Activities may include plumbing upgrades; installation of lighting and emergency lighting systems, security systems, air conditioning/heating/ventilation systems, kitchen fire extinguishing systems, hot water heaters, fire doors, and ramps; window upgrade/replacement; ceiling and roof rehabilitation; kitchen upgrade; bathroom renovation; re-wiring; floor replacement; handicapped access; and security and elevator improvements. CD 41 Allocation: \$1,916,000.

#### PUBLIC COMMENTS

Environmental Review Records (ERR) respecting the within projects have been made by the City of New York which document the environmental review of the projects. These Environmental

Review Records are on file and copies may be obtained at the Office of Management and Budget, Community Development Unit, 255 Greenwich Street, 8th Floor, New York, NY 10007, between 10:00 A.M. and 5:00 P.M., Monday through Friday. Please call (212) 788-6177 to make an appointment to view or obtain a copy of the documents. Any individual, group or agency may submit written comments on the ERRs for the programs identified above. All comments received by April 2, 2015 will be considered prior to the submission of a request for release of funds. Please direct written comments to Paul D. Cataldo, Director of Community Development, Office of Management and Budget, 255 Greenwich Street, 8th Floor, New York, NY 10007.

#### OBJECTIONS TO RELEASE OF FUNDS

The City of New York will undertake the projects described above with CD funds from HUD, under Title I. The City of New York is certifying to HUD that the City and Budget Director, Dean Fuleihan, in his official capacity as the Certifying Officer for the CD Program, consent to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under the National Environmental Policy Act of 1969 and related laws and authorities and allows the City of New York to use CD program funds. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: a) That the certification was not in fact executed by the City of New York's Certifying Officer, b) the City of New York has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58, c) the City of New York or other participants in the development process have committed funds, incurred costs, or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD, or d) another federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD, Office of Community Planning and Development, 26 Federal Plaza, 35th Floor, New York, NY 10278. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after April 20, 2015 will be considered by HUD.

City of New York: Bill de Blasio, Mayor.

Dean Fuleihan, Director, Office of Management and Budget.
