- [Win More Contracts at nyc.gov/competetowin](http://nyc.gov/competetowin)

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
• Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
• Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
• Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

AGENCY RULES

SMALL BUSINESS SERVICES

■ NOTICE

Waiver of Polystyrene Prohibition

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing?

Pursuant to Local Law 142 of 2013, the New York City Department of Small Business Services ("DSBS") is proposing a rule that sets forth the procedure by which New York City businesses may apply for financial hardship waivers from the City's prohibition on using certain polystyrene items.

When and where is the hearing? DSBS will hold a public hearing on the proposed rule. The public hearing will take place 10:00 A.M. - 12:00 P.M. on May 29, 2015. The hearing will be in the 4th Floor Hearing Room at 110 William Street, New York, NY.

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

Website. You can submit comments to the DSBS through the NYC rules Web site at <http://rules.cityofnewyork.us>.

- **Email.** You can email written comments to nycrules@sbs.nyc.gov.
- **Mail.** You can mail written comments to Zen Baraki, Department of Small Business Services, 110 William Street, 7th Floor, New York, NY 10038.
- **Fax.** You can fax written comments to DSBS at (212) 618-8865.
- **By speaking at the hearing.** Anyone who wants to comment on the proposed rule at the public hearing must sign up to speak. You can sign up before the hearing by calling (212) 513-6428. You can also sign up in the hearing room before the hearing begins on May 29, 2015. You can speak for up to three minutes.

Is there a deadline to submit written comments? Yes. You must submit any written comments on or before May 29, 2015.

Do you need assistance to participate in the hearing? You must contact DSBS's Office of Legal Affairs if you need a reasonable accommodation because of a disability at the hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at (212) 513-6428. You must tell us by May 22, 2015.

Can I review the comments made on the proposed rules? You can review the comments made online on the proposed rules by going to the website at <http://rules.cityofnewyork.us/>. A few days after the hearing, copies of all comments submitted online, copies of all written comments, and a summary of oral comments concerning the proposed rule will be available to the public at 110 William Street, 7th Floor, New York, NY 10038.

What authorizes DSBS to make this rule? Sections 1301 and 1043(a) of the New York City Charter and Section 16-329 of the New York City Administrative Code, as added by Local Law 142 of 2013, authorize DSBS to make this proposed rule. This proposed rule was not included in DSBS's regulatory agenda for this Fiscal Year because the determination of the Commissioner of the New York City Department of Sanitation pursuant to the local law that authorizes this rule had not been made when DSBS published the agenda.

Where can I find DSBS's rules? DSBS's rules are in Title 66 of the Rules of the City of New York.

What rules govern the rulemaking process? DSBS must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose

The Commissioner of the New York City Department of Small Business Services ("DSBS") intends to promulgate rules within Title 66 of the Rules of the City of New York implementing § 16-329 of the New York City Administrative Code.

Local Law 142 (2013), which amended section 16-324 and added section 16-329 of the New York City Administrative Code (Ad. Code), establishes a prohibition on the use of polystyrene single service articles and polystyrene loose fill packaging in New York City and establishes violations and penalties for businesses that continue to use these items in contravention of the law. Local Law 142 also provides that any not-for-profit corporation, regardless of its income, and any food service establishment, mobile food commissary, or store that had a gross income under five hundred thousand dollars per location on their annual income tax filing for the most recent tax year and is not part of a chain food service establishment or a chain store may request from the Commissioner of DSBS, in a manner and form established by the DSBS Commissioner, a financial hardship waiver of the requirements of this section. Such waiver request may apply to one or more single service articles possessed, sold, or offered for use by any such not-for-profit corporation, food service establishment, mobile food commissary, or store. The DSBS Commissioner shall, after consultation with the New York City Department of Sanitation (DSNY) Commissioner, grant such waiver if such not-for-profit corporation, food service establishment, mobile food commissary, or store proves: (1) that there is no comparable alternative product not composed of expanded polystyrene that would cost the same as or less than the single service article composed of expanded polystyrene, and (2) that the purchase or use of an alternative product not composed of expanded polystyrene would create an undue financial hardship. Such financial hardship waiver shall be valid for twelve months and shall be renewable upon application to the DSBS Commissioner. A pending application for such financial hardship waiver shall be a defense to any notice of violation issued pursuant to Section 16-329 of the Ad. Code to which such pending application relates and such notice of violation shall be dismissed.

The proposed rules seek to establish the manner and form for the submission of waiver applications.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

3. The increased cost will result in a reduction in annual net profit of more than 5%.

§ 13-02 Application for a Waiver

(a) To be eligible for consideration of a financial hardship waiver, a business must:

- (1) Submit its tax returns for the most recent tax year, which must demonstrate that the business had an annual gross income of less than five hundred thousand dollars per location for such year;

- (5) Provide any additional information related to the waiver request as requested by DSBS or DSNY.

(b) Applicants that are not-for-profit corporations must:

- (1) Submit a certificate of incorporation demonstrating that the applicant is a not-for-profit corporation;

- (5) Provide a detailed explanation of why the use of comparable alternative products creates an undue financial hardship for the not-for-profit corporation; and
- (6) Provide any additional information related to the waiver request as requested by DSBS or DSNY.

§ 13-03. Waiver Determinations

- (a) Determinations by the DSBS Commissioner approving or denying an applicant's waiver request, made in consultation with the DSNY Commissioner, shall be made in writing on the basis of all the circumstances presented by the applicant.
- (b) A copy of the waiver determination shall be sent to the applicant and filed with DSBS and DSNY. Such determinations shall be made available for public inspection upon request.
- (c) Waivers shall be valid for twelve months from the date of determination and shall be renewable upon written application to DSBS. All determinations shall be final.
- (d) Applicants receiving a denial of a waiver request may re-apply after twelve months from the date of the denial of the initial application. Applicants receiving a denial of a waiver

request or a renewal request shall have two months from the date of the denial to come into compliance with section 16-329 of the Administrative Code.

- (e) DSBS will send applicants an acknowledgment letter notifying the applicant of receipt of its pending application for a financial hardship waiver within twenty calendar days from the date of receipt of a waiver request application. A pending application for a financial hardship waiver or application for renewal of a waiver shall be a defense to any notice of violation issued pursuant to section 16-329 Administrative Code to which such pending application relates and such notice of violation shall be dismissed.

§ 13-04. Renewals

A business may request renewal of a waiver no later than 30 days before the termination date of the waiver. A request for renewal shall certify that there has been no material change with respect to the relevant facts or circumstances that existed at the time the initial waiver was granted. Any application submitted after the termination date or less than 30 days before the termination date of the waiver shall be treated as a new application.

Name, Description and Location of Proposal:

285 East 138th Street (Tres Puentes)

The Applicant, Westside Federation of Senior and Supportive Housing, is seeking a Zoning Map Amendment to rezone a portion of an R6 district to R7-2, R7-2/C2-4, R7-2/C1-4, and R6/C1-4; a Zoning Text Amendment to modify ZR Section 74-745 to permit reduction or waiver for parking requirements for non-profit residences for the elderly in R7-2 districts within Bronx Community District 1; Special Permits for a General Large Scale Development pursuant to ZR 74-74, as modified, to amend bulk requirements and reduce required parking; a Zoning Authorization pursuant to ZR 36-72 to reduce required bicycle parking; and modification to cancel the Restrictive Declaration (D-34) to permit the enlargement of an existing 145-unit HUD-assisted senior housing development, known as Borinquen Court, located at 285 East 138th Street (the "Project Site") with two new buildings. The Project Site is identified as Block 2314, Lot 1, and is located immediately adjacent to the Mott Haven Historic District, in Bronx Community District 1.

The proposed action would facilitate a proposal by the Applicant to enlarge Borinquen Court with two new buildings: an 8-story (maximum 85' tall), ±57,700 gross square feet residential building, and a 12-story (maximum 125' tall), ±129,900 gross square feet residential building. Borinquen Court currently includes ±134,300 gross square feet of floor area and 145 dwelling units for seniors. The two new buildings would contain a total of 178 dwelling units all of which would be income-restricted units for seniors and/or physically handicapped persons, and would be connected to Borinquen Court by enclosed walkways. The two new buildings would be built on areas currently utilized for parking and landscaped recreation area. When completed, Borinquen Court and the two new buildings would contain 321,900 gross square feet of floor area, 323 residential units, and 10 parking spaces, and would be known as Tres Puentes.

The proposed Zoning Map Amendment would affect the Project Site (Block 2314, Lot 1) as well as the two adjacent lots identified as Block 2314, lots 29 and 30. The two adjacent lots are located within the Mott Haven Historic District, and contain the 10th Precinct Police Station (Lot 30) and a ten-unit apartment building (Lot 29). Under the proposed Zoning Map Amendment, these two properties would be rezoned from R6 to R6/C1-4. It is not expected that these properties would take advantage of the commercial overlay and be redeveloped under the proposed zoning because the Police Station is an active use on a city-owned property and the ten-unit apartment building's floor plan cannot accommodate a separate entrance for a commercial space. The proposed Zoning Text Amendment would affect all R7-2 zoning districts within Bronx Community District 1; however, the Project Site is the only property in an R7-2 district in Bronx Community District 1 that is developed with non-profit residences for the elderly; therefore, the text amendment would be applicable only to the Project Site. The proposed Zoning Authorization, Special Permit and modification to the Restrictive Declaration would not affect any properties other than the Project Site.

The expected build year for the project is 2017. Absent the proposed action, the existing Borinquen Court development is expected to remain unchanged.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated April 13, 2015, prepared in connection with the ULURP Applications (Nos. N150287ZRX, N1502290ZAX, 150289ZSX, and 150288ZMX). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1. The proposed action would not result in significant adverse impacts to historic resources. Because the Project Site is located within 90 feet of the Mott Haven Historic District, any new development on the Project Site would need to comply with the procedures included in the NYC Department of Buildings Technical Policy Procedure Notice #10/88 and LPC's Guidelines for Construction Adjacent to a Historic Landmark and Protection Programs for Landmark Buildings. Pursuant to these procedures, a Construction Protection Plan (CPP) is required. The CPP would be prepared and submitted to LPC prior to the start of construction.
2. No other significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Negative Declaration, you may contact Evren Ulker-Kacar, AICP at (212) 720-3419.
